How to use this brochure

This brochure showcases some of the highlights of new Movano. You can also click through to our detailed Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

CARRIES BRITISH BUSINESS

We have a long and rich history building light commercial vehicles in Britain. With 90 years of experience that has helped shape the way we build our vans today; vehicles that are truly tried and tested, and have become iconic on British roads. And the bar's set to rise even higher in the future, with the launch of an all-electric Vivaro next year.

The latest, New Movano, joins brand-new versions of both Combo Cargo and Vivaro to complete a range that's innovative, hardworking and totally in tune with the wants and needs of British businesses. With over 100 Movano variations for every kind of job, from panel vans, chassis cabs, crew cabs and platform cabs to box vans, tippers, dropsides and passenger carriers.

Even better, a dedicated network of LCV Retailers gives you expert help when and wherever you need it. And another thing – not only do we build more commercial vehicles than any other UK manufacturer (more than 62,000 vehicles built in the last year), we've won over 30 major awards since 2015, given by the toughest judges in the industry. Need we say more?

Vauxhall: British Brand since 1903

NEW MOVANO BUILT FOR BUSINESS

Big in size and big on features, with impressive payload, versatility and driver comfort – Movano is built for you and your business.

With endless options for endless possibilities; four load lengths, three roof heights, large load volumes and more model variants than ever before. Plus, a range of purpose-built factory and Vauxhall approved conversions.

Not to mention a well-thought out interior and host of first-class features that make life in your van easier. Like a comfortable cabin that puts all your buttons and switches right where you need them. Enhanced safety systems that keep you safe on the road and an improved range of diesel engines that keep your costs down and efficiency levels up. It's time to expect a whole lot more from your work van.

HIGHLIGHTS

New Movano offers an extensive range of models that give you more of what you need from a light commercial vehicle

- Panel van and Doublecabs
- Chassis and crew cabs
- Passenger vehicles
- Factory-approved conversions

- 1** Up to **four vehicle lengths and three heights** depending on your chosen variant.
- 2** Real world GVWs from **2800 to 4500kg**. Payloads up to **c2.1T**.
- 3** **FWD** or **RWD** drivetrain configurations available across the range.
- 4** Improved BiTurbo engine line-up ensures **competitive cost of ownership**.

HIGHLIGHTS

1 An all-new dashboard design puts all your buttons and switches within easy reach.

2 Enjoy an impressively useful maximum load volume of up to **17.0cu.m**, a load length of up to **4.3 metres** and a payload of **up to c2.1T**.

3 Stay safe and stress-free with a range of driver assistance systems including blind spot alert, side-wind assist and a permanent rear-view camera.

Movano Van

CHALLENGE ACCEPTED

No challenge is too great for the new Movano. With a choice of four GVWs (2800, 3300, 3500, 4500kg) and no less than three different drivetrains, it really means business.

Front-wheel drive with a lower loading height and low kerbweight.

Single rear-wheel drive for improved towing capability.

Twin rear-wheel drive for improved traction and higher GVWs.

THE LINE-UP

With Movano you're spoilt for choice. The complete range includes four variants, with a comprehensive selection of drivetrain and configuration options. From Panel Vans, Doublecabs, Passenger Carriers and bespoke Conversions. Depending on the variant you choose there are four load lengths. And four GVWs – between 2.8 and 4.5 tonnes.

To help you choose the Movano that's just right for your business, we use a customer-friendly naming scheme. For example, an L3 H2 R3500 HD model can be easily identified as shown below.

L = Load length
Four lengths are available ranging from L1-L4

Layout
F = Front wheel drive
R = Rear wheel drive

HD = Heavy duty
Designation used when twin rear wheels are fitted

Movano Panel Van

ACCESS ALL AREAS

Movano offers superb accessibility. The wide-opening rear and side-access doors mean a Euro pallet can be easily loaded sideways, while a flat load floor ensures easy access to up to 2100kg of payload... pretty impressive.

**Load volume
up to 17.0cu.m**

**Load length
up to 4383mm**

**Payload
up to c2.1T**

Movano Doublecab

YOU AND THE CREW

Transport up to six passengers, all your equipment and more with the Movano Doublecab. Featuring four individually contoured rear seats with full lap and diagonal seatbelts. Plus, rear storage that includes a full-length tray under the seat cushion.

Load volume
up to 9.0cu.m

Load length
up to 2640mm

Payload
up to c1.3T

Movano 17-seat Minibus

SPACE FOR SEVENTEEN

The purpose-built Movano Minibus provides generous accommodation for 17 people. The last two rows of seats can also be specified with optional floor-mounted fixing rails, freeing up additional load area space quickly without the need for special tools.

Features include:

- All seats and mountings tested to M1 standards
- Dual front passenger bench seat
- 14-individual rear passenger seats
- Individual saloon lighting for all rear seats
- Illuminated rear passenger walkway
- Overhead storage and coat racks in rear passenger area
- Retracting side step

FIT FOR PURPOSE

Chassis cab, crew cab and platform cab models provide the perfect base for one of three factory-built conversions: tipper, dropside or box van. They also provide an excellent base for a wide variety of specialist body conversions.

Chassis Cab

Movano chassis cab models feature rugged box section chassis rails, featuring wide top sections with built-in mounting points. The bolted rear under-run bar provides additional in-built safety, as well as ample margins for additional bodywork while retaining outstanding payloads.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive

1

1. Practical and safety-conscious.

Whether you're travelling one-up or seven-up, crew cab pays serious attention to the needs of driver and crew. Fabrics are hard-wearing and easy to clean, comfort levels high and safety features impressive; everything you would expect of this award-winning model.

Crew cab

Providing the same choice of body configurations and GVWs as the chassis cab but extra accommodation for four additional crew members.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or heavy-duty twin rear-wheel drive

Platform Cab

Ideal for those conversions requiring a low floor and walk-through access from the cab. The interface panel makes for easy integration of the cab with the conversion body, while an extended-length wiring loom is available to power the rear lights or extended conversions.

- One load length (L3)
- One GVW (3500kg)
- Two roof heights (H1, H2)
- Front-wheel drive

Log on to vauxhall.co.uk/conversions for more information.

2

2. Underseat stowage.

Storage is never an issue with our out-of-sight, out-of-mind underseat storage facility.

VAUXHALL CONVERSIONS

With chassis cabs, crew cabs, platform cabs and purpose-built factory conversions available, Movano is big on choice. It's incredibly versatile too, with front-wheel drive, rear-wheel drive and heavy-duty twin rear-wheel drive options available. Of course, all Movano factory conversions carry the full Vauxhall three-year/100,000 mile warranty on both the chassis and the conversion.

There's a range of specialist, Vauxhall approved conversions available across our commercial vehicle range too. From Combo through to the Vivaro and Movano ranges, there's an enormous breadth of choice to suit your exact requirements. So, whichever model you choose, you can be confident your Vauxhall Commercial Vehicle will always be 100% fit for purpose.

Ask your Vauxhall CV Retailer for a copy of the Vauxhall Factory and Approved Conversions Brochure or log on to [vauxhall.co.uk/conversions](https://www.vauxhall.co.uk/conversions) for more details.

Models illustrated left to right: L3 H1 F3500 (please note optional wind deflector is no longer available), L4 H1 R3500 RWD HD crew cab dropside and L2 H1 R3500 RWD HD tipper.

TOTALLY IN TUNE

Movano's comfortable and versatile cabin is completely in tune with your individual and professional needs. Inside, you'll find a well-equipped driving environment with ample storage features, and radio with Bluetooth® connectivity as standard. Add IntelliLink infotainment and you'll also get smartphone projection and a fully integrated sat nav.

INFOTAINMENT

Bluetooth® and DAB Radio

The standard CD16 is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

Smartphone Projection

With optional Navi 50 IntelliLink Pro Apple CarPlay™ or Android Auto™ projects your smartphone onto a high-resolution 7-inch touchscreen and puts everything you need at your fingertips; contacts, music and phone sat nav.

Navigation System

A new generation voice-controlled dynamic Sat Nav system that makes every journey easier, delivering connected services and real-time traffic information.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.
*In-vehicle features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times.

A WORKSPACE THAT WORKS

Movano's new and improved cabin is equipped with plenty of large and useful storage spaces, with secure areas in both the doors and dashboard. If that's not enough, the Convenience Pack option transforms your cab into a full-on mobile office. Very smart.

STORAGE SOLUTIONS

Door Pockets

Three separate storage pockets in both front doors – the largest perfect for holding large items like 1.5l bottles.

Underseat Storage

On models fitted with the Convenience Pack, there's additional storage found underneath the front passenger bench – the perfect place to stow important work equipment and valuables.

Dashboard Storage

Lots of smaller items to stow? You'll get multiple storage solutions, including a huge 11-litre passenger glovebox – that'll come in handy.

SAFETY FIRST

1. ESP-Plus with TCS: ESP reduces throttle response and varies the braking force to each of the wheels to help retain control of the van in difficult road conditions. Traction control senses the lack of traction under acceleration and reacts to maintain grip. The system also features the additional benefits of hill-start assist and trailer stability programme.

2. Rear-view camera: The rear-view camera provides a view of everything behind to make reversing so much easier.

Permanent rear-view camera (not illustrated): New to Movano, ensures that the driver has improved rearward vision of the road behind at all times by effectively replacing the rear-view mirror.

3. Side wind assist: Applies the brakes on the correct side of the vehicle counteracting the wind to avoid the van drifting out of lane.

4. Side blind spot alert: Uses sensors and a visual projection on the wing mirror, alerting the driver to vehicles in your blind spot to prevent accidents in overtaking situations.

A HELPING HAND

1. Parking distance sensors: Ensures safer parking through use of sensors and warning alerts as obstacles approach. Available with a rear-view camera to make things even easier.

2. Automatic lighting and windscreen wipers: Available with high-beam assist and lane departure warning as part of the Safety Assist Pack.

3. High Beam Assist: Switches the headlights between high beam and dipped beam automatically to avoid blinding other drivers.

4. Lane Departure Warning: Recognises when the vehicle is drifting lanes and alerts the driver via audio and visual cues.

ULTRA-EFFICIENT

BiTurbo Diesel Engines

Movano boasts a brand-new range of powerful yet frugal BiTurbo diesel engines, for low running costs, reduced emissions and maximum efficiency.

A GREAT PLACE TO BE

Movano's well thought-out cabin is fully-focused on driver and passenger comfort. Drivers can opt for a 'comfort' seat for more relaxation and even greater levels of adjustment.

COLOURS

Your work van says a lot about you. Look the part with a choice of 10 body colours.

1. Polar White
2. Slate Grey
3. North Sea Blue
4. Signal Blue
5. Saffron Yellow
6. Mandarin Orange Brilliant*
7. Poppy Red Brilliant*
8. Halo Silver Metallic*
9. Ambient Blue Metallic*
10. Pearl Black Metallic*

*Optional at extra cost.

MOVANO OPTIONS

There's plenty you can do to make Movano work even harder. Whether it's enhanced security, higher levels of safety or a tow bar you're after, there's an option to suit. We also offer a range of mechanical options that can seriously add to Movano's performance as a working vehicle.

1. Full-height load area panelling and wheel arch protection.

Plywood panels provide maximum loadspace protection.

2. Protective floor.

A resin-coated plywood floor protects the load floor from damage. Load area protection panels illustrated available on RWD models only.

3. Tow bar.*

- Tow bar with 13-pin electrics
- Trailer stability programme

*Movano Panel Van models only.

4. Lighting Pack.**

- Automatic lighting control
- Rain-sensitive windscreen wipers
- Front fog lights
- Static cornering lights
- Door-to-door illumination

**Standard on Minibus and 4500 models.

ACCESSORIES
