HELPING YOU
PREPARE THIS YEAR

With our Winter Safety Check including top up* of vital fluids – only £35

Our MasterFit trained technicians will carry out a 25-point Winter Safety Check, giving you peace of mind for just £35. We'll inspect your vehicle's brakes, wheels, tyres, exhaust, steering, wiper blades and much more, leaving nothing to chance. We'll also check your vehicle's engine oil, brake fluid and radiator coolant, topping-up where necessary.*

Safer Winter Driving Tips

- Increase your normal braking distance
- Use higher gears when driving uphill
- Slow down gently by easing off the throttle and try to avoid applying the brakes
- Ensure your tyres have adequate tread (1.6mm is the legal minimum)
- Don't forget your AutoSock Snow Socks – from £49.95 RRP

AutoSock Snow Socks, the quick and easy solution for driving on icy and snowy roads. Made from high-tech textile fibres and much easier and quicker to use than any metal snow chain, it even fits on vehicles where snow chains don't.
