Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown and are also subject to correct weight distribution. Please note, not all model variants are available to order from launch. Please consult your Retailer for the latest information.

## OUR RANGE EXPLAINED

A new naming convention has been adopted to distinguish between the increased variety of New Movano models available. For example: 'L3 H2 R3500 HD 2.3CDTI 125' communicates the following information:
