How to use this brochure

This brochure showcases some of the highlights of Corsa. You can also click through to our detailed Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

YOUR KIND OF FUN

What's life without a little fun?

Actually, scratch that – what's life without a lot of fun?

Corsa is made with enjoyment in mind. Great to look at, and to drive, it's everything you want from a city ride, with an interior so comfy you won't want to get out.

It's got a nippy engine range and gets even smarter with clever headlights that help you see around corners while driving at night.*

But that's just the beginning, Corsa's packed full of exciting ideas to make your drive easier, safer and more enjoyable than ever.

So fasten your seatbelt. Things are about to become even more fun.

*Optional at extra cost on certain models.

Please note, the 17-inch Bi-colour alloy wheels illustrated throughout this brochure are no longer available.

LOOKIN' GOOD

Don't just blend in. Stand out.

Turn heads. Get noticed. That's exactly what you'll do behind the wheel of the bold and brilliant Corsa.

Built with a striking mix of bright character and clean lines, with more stylish extras than you can shake a stick at – you'll grab attention wherever you go.

- Dynamic three-door oozes style and charisma
- Spacious five-door gives you space and versatility
- Bright LED daytime lights make you easier to see*

*Standard on certain models.

AAAAND RELAX...

We all like to feel a little spoiled now and again. And that's exactly how you'll feel as soon as you step foot inside the Corsa.

Hop on board and you'll enjoy super-stylish curves and touchy-feely surfaces, with chrome-style details that really bring the wow factor. Prepare to feel pampered.

- Ambient lighting warmly welcomes you inside
- Deep contoured, supportive seats make you comfortable
- Exclusively crafted high-quality materials and silver trim details catch your eye
- Elegant seat stitching completes the look

SAFE AS.

We take your safety seriously. Which is why there's plenty of tech available across the Corsa range to keep you safe on the road.

Let there be light

Night driving? Bad weather? Poor visibility? Whatever it is, our lighting systems will make sure you're always seen, and always safe. Bi-xenon headlights with cornering lights* offer better visibility at night and on sharp turns. LED daytime running lights** improve visibility during the day and make your car easier to see.

It's gonna be a smooth ride

The electronic stability programme ESP® Plus keeps you firmly in control on slippery, slick or dirty roads. Corsa's advanced suspension gives you a phenomenal level of handling while reducing noise, vibration and harshness on those bumpy city streets.

*Optional at extra cost on certain models.

**Available on selected models.

THIS IS YOUR JAM

Whether you're riding solo or with your mates, there's nothing quite like a long drive blasting your favourite tunes. And in the Corsa, all the songs you love, and so much more are just a button or voice command away. How handy is that?

It'll have you thinking – what can't it do?

Every Corsa is kitted out with a USB connection and Bluetooth® connectivity* as standard – perfect for connecting all your devices.

And on most models, you'll get the IntelliLink infotainment system** which uses Apple CarPlay™ or Android Auto™ to wirelessly connect and project your phone onto the high-resolution 7-inch touchscreen display.

That means you can play songs, use apps and make calls on the go – without having to take your eyes off the road or hands off the wheel.

Upgrade to the Navi 4.0 IntelliLink† and you'll get an integrated sat nav system too.

androidauto

*The majority of phones, MP3 players and tablets can be connected by either Bluetooth®, USB connection or aux-in. Please note you may need to change your connection method (i.e. from Bluetooth® to USB cable) if you want to access another function on your device.

**Compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple CarPlay™ is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.

†Optional at extra cost on certain models.

WARM UP AND COOL OFF

Warm up in winter and cool down in summer (yes... all two days of it), with Corsa's range of weather-ready features.

- You'll be 'just right', whatever the weather with manual air conditioning* or electronic climate control*
- Kiss goodbye to early morning ice scraping with the heated windscreen
- Stay cosy and sit comfortably on even the coldest days with heated front seats and heated steering wheel*

*Optional at extra cost on certain models.

ALL GOOD CLEAN FUN

Our lean and efficient engines mean you can enjoy your drive with fewer stops at the fuel pump. That means more time to spare, and more cash in your pocket.

Take your pick

With our brilliant petrol engines, you'll enjoy a smoother drive than ever.

- Low emissions can place your car in a lower tax band, saving you money*
- Start/Stop technology reduces the fuel you use in busy traffic
- Super-smooth six-speed manual transmission gives a more refined, relaxing drive
- Redesigned chassis and steering for a smoother ride and sure handling

Fuel economy[#] and CO₂^{*} results for the Corsa. Combined mpg (l/100km): 37.7 (7.5) – 44.1 (6.4). CO₂ emissions: 150 – 128 g/km.

[#]Fuel consumption figures are determined according to the WLTP test cycle. ^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

MAKE IT YOUR STYLE

From the sporty looking to the sumptuous, every model is equipped with a superb level of equipment as standard. Each bringing a new flavour to the table. So, whether you're after more stand-out style, a little more tech, or even sportier attitude, there's a Corsa for you.
