**How to use this brochure**

This brochure showcases some of the highlights of Corsa. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to the Corsa Price and Specification Guide for all the latest details.

# We've switched it up.

Our most innovative Corsa yet. With its dynamic drive and forward-thinking features. Read on to find out more...

# Think bigger

Corsa is modern, dynamic and poised. While the cool, stylish interior brings you the latest tech and innovation.

At its heart is an engine range, starring the first-ever all-electric Corsa-e that gives you everyday driving thrills with low running costs. Didn't expect that, did you?

The other engines are pretty spectacular too; a petrol powertrain portfolio that boasts real-world fuel economy and improved CO<sub>2</sub>, for a drive that's efficient yet totally addictive.

The next generation Corsa is here.

So, let's get into it.

# Loads to love

**Everyday excitement**

Engineered for everyday driving thrills with a choice of petrol engines plus a 100% electric powertrain.

**Seamless connectivity**

The latest and greatest connectivity features keep you entertained and well connected.

**First-class interior**

A class-leading high-quality interior, featuring Alcantara cloth, will have you looking (and feeling) fantastic.

**Bold looks**

A new confident design makes Corsa a car you'll be proud to own.

**Real-world tech**

Small car proportions with big-car features, to keep you safe, comfortable and in control.

# Looks the part

Sporty, stylish and perfectly in proportion. Corsa really looks the part. With sleek flowing lines, dynamic curves and bold front grille – it all adds up to make Corsa stand out, turn heads and get you noticed.

## Like what you see? Let's take a closer look...

### Floating roof design\*

A stylish two-tone floating roof takes Corsa's styling to the next level.

### New front grille

Corsa's front profile is bold – with a front grille that feels refined and stylish.

### LED headlights

Corsa's really grown up – the grille and front bumper are complemented by bold LED headlights.

### LED tail lights\*

An LED tail light design is the perfect addition to Corsa's much sportier rear.

\*Standard on certain models.

# Feel good things

Get into the Corsa and you'll never want to get out. With a cabin that's spacious, welcoming and packed full of features and state-of-the-art tech. Like an integrated infotainment system that puts all your important info in reach and in your eyeline.

# It'll drive you wild

And it isn't just all style and great looks. Corsa is just as impressive under the bonnet. You get a choice of petrol engines, boasting an outstanding set of performance figures, with no compromise on efficiency. If that just isn't enough, on the GS Line model you can drive in Sport mode and take things even further.

Add to that the all-electric Corsa-e, that propels you from 0-30mph in just 2.8 seconds, and you have Corsa's most exciting line up yet.

Are you ready?

**Small in size, large on life,  
Corsa's engineered to make  
every drive more enjoyable  
whatever your power choice.**

**Prepare to be  
seriously impressed...**

#### **Petrol engines**

The powertrain portfolio features a choice of efficient petrol engines that pack a punch with less drain on your pocket.

So whatever your engine choice it's a win win situation.

#### **Automatic transmission**

It's smooth sailing with Corsa's 8-speed auto transmission, with three different driving modes; Sport, Normal and Eco. City driving, made easy.

#### **Sport mode**

License to thrill? Switch your Corsa GS Line into Sport mode and you'll get sharper throttle response, lighter steering and an all-round exciting ride.

# Plug and play

An electric car that's more everyday than out-of-the-way. One that's accessible to everyone. And most importantly, one that doesn't cost the earth. Say hello to the all-electric Corsa-e. It's 100% electric, 100% exciting, and designed to fit in with your life perfectly.

### **Up to 222-mile range**

The Corsa-e takes you everywhere you want to go with a 100% electric powertrain and impressive 222-mile range. With EV-specific connected services you can precondition the car, set delayed charging cycles, search for charging stations for a set navigation route, all from your smartphone.

Additionally, the Corsa-e features an intuitive on-board app that gives the driver an accurate overview of the current state of charge, the range and driving stats.

### **Dynamic driving experience**

The Corsa-e delivers effortless acceleration when you need it, gliding from 0–60mph in just 7.6 seconds.

**222 miles**  
on a full-charge\*

**0–60 mph**  
in 7.6 seconds

What's more, you get a choice of driving modes, depending on your mood and the driving conditions. Sport mode increases the thrill, while Eco mode optimises your range.

\*WLTP preliminary. The electric range shown was achieved using the new WLTP test procedure. Figures are intended for comparability purposes only. The electric range you achieve under real life driving conditions will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load.

### Charging options

With various charging options you can charge your all-electric Corsa-e anywhere, whether at a specifically designed wallbox, a public charging station or at home. When you're out and about a rapid charger can re-charge the battery from 0% to 80% in 30 minutes, whilst a home wallbox (7.4kW) will give you a full charge in 7.5 hours.

### Low running costs

The Corsa-e offers truly exceptional running costs. Not only that but your servicing costs are lower too. Fully electric cars are currently also exempt from vehicle excise duty, and there's no congestion charge to pay, either. That's some serious savings.

### Government grants

The government has made grants available for electric vehicles. For the Corsa-e, the government grant is up to £1,500. Providing you meet a few more criteria, you can also qualify for up to £350 towards the installation of an authorised home charging unit. Ask your Retailer for more information about the Vauxhall home charging offer.

\*You can obtain 0-80% of the vehicle charge in 30 minutes from a 100kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature.

**No congestion charges**

# Safety

# first

You want to feel safe on the road, that's a given. So we've packed Corsa with all the safety and driver assistance features you need to get out and get on with life (and be safe while you do it).

# IntelliLux LED<sup>®</sup> lighting

IntelliLux LED<sup>®</sup> Matrix headlights\* automatically adapt your headlights according to the type of road or driving conditions. There are eight variations, whether you're in a city street or country lane, parking up or driving round a tight bend.

\*Standard on certain models.

# Safety features

## Forward collision alert

Slow or stationary car upfront? Forward Collision spots it and lets you know immediately, giving you plenty of warning time to hit the brakes.

## Speed sign recognition

This advanced sign-detection system picks up and displays speed limits and other important traffic signs – even temporary ones.

## Automatic emergency braking with pedestrian detection

This clever system helps to avoid low-speed rear-end collisions by automatically braking if it senses a potential impact. It will also brake to protect pedestrians who've walked in your path.

## Lane departure warning with lane keep assist

Lane departure warning gives you a heads up (and an audio alert) should you start drifting out of lane.

# Driver assistance features

**Front and rear parking distance sensors\***  
Endlessly driving around looking for a space?  
This will help you steer into that tight spot  
no problem.

**Panoramic rear-view camera\***  
The rear-view camera makes it easy  
to avoid pedestrians, bumps and  
scratches when you back in and  
out of tight spaces.

**Driver drowsiness alert**  
Our seriously smart driver drowsiness  
alert uses sensors to keep an eye out  
and warn you if you show signs of  
tiredness. So you'll know when it's time  
to stop for that all-important break.

\*Standard on certain models. Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

# Make yourself at home

Corsa's interior not only looks good but it does good. It's packed full of features to keep you and your passengers relaxed, comfortable and entertained wherever you go.

# Interior comfort features

**Heated steering wheel and seats\***

Nothing says comfort more than heated seats – add to that a heated steering wheel and you’ll be feeling totally pampered.

**Air-con and electronic climate control\***

You’ll be ‘just right’, whatever the weather with manual air conditioning\* or electronic climate control\*.

**Storage solutions and load area**

There’s space for everything inside Corsa, with storage spots right where you need them, and a bigger boot for your luggage, shopping bags... and the rest.

**Massage driver’s seat\***

A seat that keeps you cool, comfortable and massages you while you drive, sounds too good to be true, doesn’t it? It isn’t – it comes as standard on Corsa Ultimate models.

\*Standard on certain models.

# Connectivity and infotainment

## Multimedia and Multimedia Navi\*

You'll find a multimedia system as standard in every Corsa. Featuring a colour touchscreen and full smartphone integration\*, it serves up smart entertainment using Apple CarPlay and Google Android Auto™. In addition, on Nav models, you'll get Vauxhall Connect as standard with access to navigation services such as live traffic and road safety alerts, journey management, fuel prices and parking information. You can even check out the weather.

\*Optional at extra cost. \*\*Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. †Available on certain models. Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

**Multimedia Navi Pro†**  
All of the Multimedia infotainment system features, including Vauxhall Connect services, plus an enlarged 10-inch colour touchscreen and a cool 7-inch colour driver information cluster.

**Smartphone projection, USB and Bluetooth® connectivity**  
Corsa features Bluetooth® connectivity and USB connection. You can also connect your smartphone using Apple CarPlay or Android Auto™ to project your phone onto the Multimedia display. Simple access to your phone, music and apps, complete with voice control.

**Vauxhall Connect†**  
Peace of mind when you need it, and so much more, 24/7, 365 days a year. In an emergency or breakdown, you can call up help at the touch of a button. You can access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.
