CHOOSE YOUR TRIM LEVEL

SE

First in the line-up is the wonderfully well-equipped SE, with Premium and Nav versions available; SE, SE Premium, SE Nav and SE Premium Nav.

CORSA-E SE NAV

Say hello to the new Corsa-e. It's 100% electric, 100% exciting.

VX_COR_29984

SRi

This sporty number also comes with Premium and Nav versions available; SRi, SRi Premium, SRi Nav and SRi Premium Nav.

VX_COR_29973

Elite Nav

Both Elite Nav models come with sat nav as standard, with Elite Nav Premium giving you even more styling and technology features; Elite Nav, Elite Nav Premium.

CORSA-E ELITE NAV

Say hello to the new Corsa-e. It's 100% electric, 100% exciting.

VX_COR_30107

Ultimate Nav

All you could ask for; our range-topping Ultimate Nav model completes the range.

VX_COR_29991

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information see www.vauxhall.co.uk/adblue In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price shown is indicative and is subject to change. This change may result in an increase of the on the road price of the vehicle. You may be required to place a deposit when placing your order dependent on the agreement with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer. *Provisional data.

These vehicles, with the exception of Corsa-e, are covered by our Price Protection Guarantee. See 'Further Information' page for details.

ALL-NEW CORSA-E PRICES

[#]Zero % BiK applies to vehicles registered from April 2020. Corsa-e registrations prior to this date will be 16% BiK.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price shown is indicative and is subject to change. This change may result in an increase of the on-the-road (OTR) price of the vehicle. OTR after PiCG price has been calculated using manufacturer estimates and includes a £3,500 Office for Low Emission Vehicles (OLEV) Plug in Car Grant (PiCG) which has been deducted from the price of the vehicle. Corsa-e is expected to be a qualifying model for this grant subject to acceptance by OLEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal or review prior to delivery of your vehicle. You may be required to place a deposit when placing your order dependent on the agreement with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer. *Provisional data.

Corsa-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

SAFETY

STANDARD FEATURES – The following features are standard across the entire all-new Corsa range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back when pulling away on an incline.

Tyre pressure

- Tyre pressure monitoring system

Child Safety

- Deactivation switch for front passenger's airbag
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors
- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

DRIVER ASSISTANCE

STANDARD FEATURES

The following features are standard across the entire all-new Corsa range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter and intelligent speed adaptation

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- Works in conjunction with the cruise control/speed limiter to help the driver adapt to the recognised speed limit

Electric parking brake (automatic models only)

- Centre console switch in lieu of handbrake lever

DRIVER INFORMATION AND SECURITY

STANDARD FEATURES

The following features are standard across the entire all-new Corsa range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only) – indicates when to change gear for optimum fuel economy.

Driver information display (centrally located in instrument cluster)

- Service-due indicator
- Deflation detection system
- 3.5-inch colour information display

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronic engine deadlock immobiliser
- Steering column lock
- Lockable fuel filler flap
- Remote control central door locking
- Two keys – One folding with integral remote

CONVENIENCE

STANDARD FEATURES

The following features are standard across the entire all-new Corsa range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors incorporating vanity mirrors with covers
- Illuminated glovebox with lid

- Interior courtesy light and front map reading lights
- Luggage compartment lighting
- Two-litre open door pockets

Heating and Ventilation

- Air conditioning with air recirculation facility
- Cabin particulate filter – removes dust, airborne particles and pollen
- Four-speed fan with illuminated controls
- Four adjustable facia vents
- Windscreen and side window demist vents

Exterior Convenience

- Solar heat-absorbing windscreen and windows
- Two-speed windscreen wipers with variable intermittent wipe
- Electrically operated front windows with safety autoreverse and one-touch facility
- Glazed tailgate with heated window and wash/wipe facility
- Twin electrically adjustable/heated door mirrors
- Remote control central door locking

[#]Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

**Correct at time of publication. [†]Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SPECIFICATIONS

Transmission

- Front-wheel drive
- Five-speed manual gearbox
 - Available on 1.2 (75PS) models.
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.5 (102PS) Turbo D models.
- Eight-speed automatic transmission
 - Available on 1.2 (100PS) Turbo models.

Steering

- Speed-sensitive power-assisted steering

Brakes

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Emergency brake assist
- Cornering brake control
- Straight line stability control

1.2i (75PS)

Front ventilated discs: 356mm diameter

Rear drums: 203mm diameter

1.2i (102PS)/1.5 (100PS) Turbo D

Front ventilated discs: 381mm diameter

Rear discs: 356mm diameter

- Twin electrically adjustable/heated door mirrors
- Remote control central door locking

Fuel tank capacity

- 40-44 litres (8.7-9.6 gallons) – drivetrain dependent

Start/Stop technology

New Corsa's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

CORSA-E SPECIFICATIONS*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Increased regenerative braking

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque. Impacts the overall range by around 10 %.
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Corsa-e
CO ₂ emissions	0g/km
Maximum power kW/PS	100/136
Maximum torque Nm/lb. ft.	260/192
Acceleration 0-60mph (sec)	7.6
Maximum speed mph	93
Transmission	Automatic electric drive with fixed gear ratio
Service interval	16,000 miles/2 year (whichever occurs sooner)

These figures were obtained after the battery had been fully charged. The Corsa-e is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures. The electric range shown was achieved using the new test procedure.

Figures are intended for comparability purposes only. The electric range you achieve under real life driving conditions will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare electric range and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

*Provisional data.

CORSA-E SPECIFICATIONS*

Charging

Corsa-e comes fitted with a 7.4kW on-board charger as standard together with a Mode 3, 7.4kW cable.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Battery	Corsa-e
Battery energy kWh	50
EV Range	205 miles/330 km
Battery warranty	8 years/100,000 miles/70 % capacity
Time to charge	
Domestic Wallbox – Accelerated charger 7.4kW	7 h 30 min (0-100% battery capacity)
Public Charging – Accelerated charger 22kW	5 h (15-80%)
Rapid Charger 50kW**	45 min (15-80%) [†]
Rapid Charger 100kW**	30 min (15-80%) [†]

These figures were obtained after the battery had been fully charged. The Corsa-e is a battery electric vehicle requiring mains electricity for charging. There is a new test for fuel consumption, CO₂ and electric range figures. The electric range shown was achieved using the new test procedure.

Figures are intended for comparability purposes only. The electric range you achieve under real life driving conditions will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare electric range and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

*Provisional data. **You can obtain 15-80% of the vehicle charge in 30 minutes from a 100kW rapid charging station. You can obtain 15-80% of the vehicle charge in 45 minutes from a 50kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. [†]The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature.

DIMENSIONS AND CAPACITIES

All measurements in mm (inches) unless stated otherwise.

LOADSPACE DIMENSIONS mm (in)	
Maximum length behind rear seats	885 (34.8)
Maximum length rear seats folded	1697 (66.8)
Maximum width	867 (34.1)
Maximum height	574 (22.5)

LUGGAGE CAPACITIES Litres (cu.ft.)	
Rear seats up (under luggage compartment cover)	309 (10.9)
Rear seats folded (to roof)	1118 (39.4)

COMPANY CAR DRIVER AND FLEET INFORMATION

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Corsa SE 1.5 (102PS) Turbo D Start/Stop (CO₂ emissions 85g/km)

On-the-road RRP	£17,560.00
Deduct: Vehicle Excise Duty	(£130.00)
New vehicle first registration fee	(£55.00)
Effective list price	£17,375.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£17,940.00
Car benefit charge 2019–20 tax year (26%)	£4,664.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£932.80
Higher Rate (40%) tax payer	£1,865.60

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [†] 2019–20 tax year	Diesel ^{††} 2019–20 tax year

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/offers

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		Standard rate	Standard rate
		Petrol [#]	Diesel [†]		Electric
A	0	£0	£0	£0	£0
B	1-50	£10	£25	£145	£0
C	51-75	£25	£110	£145	£0
D	76-90	£110	£130	£145	£0
E	91-100	£130	£150	£145	£0
F	101-110	£150	£170	£145	£0
G	111-130	£170	£210	£145	£0
H	131-150	£210	£530	£145	£0
I	151-170	£530	£855	£145	£0
J	171-190	£855	£1,280	£145	£0
K	191-225	£1,280	£1,815	£145	£0
L	226-255	£1,815	£2,135	£145	£0
M	over 255	£2,135	£2,135	£145	£0

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
