PureTechnology

The New Crossland is Vauxhall's most practical SUV that not only looks great but is prepared to up the ante with innovative automotive technology. Like a front camera safety system, panoramic rear view camera and advanced park assist.

Vauxhall PureTechnology

Vauxhall PureSense

Intelligent automotive technology that's designed to ensure you stay relaxed and in control of your every journey.

- Front camera safety system including
 - Forward collision alert
 - Lane departure warning
- Automatic emergency braking
- Speed sign recognition
- Panoramic rear-view camera
 - Advanced park assist

Vauxhall PureConnect

Intuitive connectivity that makes it simple to stay in touch, informed and entertained throughout day.

- Smartphone projection
- Satellite Navigation with 'live' capability and trip management
 - Vauxhall Connect

Choose Your Trim Level

Design

Design is Crossland’s entry level trim which has a high level of specification as standard including the 7-inch colour touchscreen with smartphone projection, air-con and cruise control.

GS Line

Opt for GS Line for a touch of sportiness in your Crossland. Offering the visual appeal with a black roof, dark-tinted rear windows, 17-inch black alloy wheels and an interior that’s unique to the GS Line.

It’s sporty from the inside out but still offering the practicality and versatility needed for every day family life.

Ultimate

The top of the range Crossland – Ultimate has everything from Alcantara interior trim to satellite navigation.

New Crossland Range Highlights

Crossland’s petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

PureSense

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

- Cruise control with speed limiter**

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.
- Rear-view mirror**

 - Automatically dimming anti-dazzle rear-view mirror
- Speed sign recognition**

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

 - Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster

- Driver drowsiness alert**

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.
- Automatic emergency braking with pedestrian detection**
- Front camera system**

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

*Cycles, motorcycles, animals and other objects are not detected.

- Lane departure warning**

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

 - Warning light in instrument cluster
 - Audible warning
 - Facia on/off switch
- Forward collision alert**

The system operates automatically and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Model Specific Features

| | Design | GS Line | Ultimate |

PureConnect

Standard Infortainment Features

Multimedia with 7-inch touchscreen

Standard on Design

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 8-inch Touchscreen

Standard on GS Line and Ultimate

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- 1 extra USB connection

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Please note, Apple CarPlay screen illustrated on 8-inch colour touchscreen on multimedia Navi Pro audio unit.

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you’ll be put straight through to the emergency services on the system’s integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don’t need the emergency services? Just press the Vauxhall Connect Assistance button and you’ll be connected to our control centre over the system’s integrated phone.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall’s fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Convenience

- Remote functions (e.g. lock/unlock the door)

*Subject to subscription – after you have taken delivery of your vehicle, please subscribe on: connect.vauxhall.co.uk **via MyVauxhall App. †Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

**Driver information display
(centrally located in instrument cluster)**

- Trip computer data
- Total mileage
- Service–due indicator
- Oil life
- Tyre pressure monitoring system

**Multi-function trip computer
(displayed on driver information display)**

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

**Central facia display
(format dependent on infotainment unit)**

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

| 1.5 (110PS) Turbo D | 1820 | 840 (620) |

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Petrol Engines

| | 1.2 (83PS) with 6-speed manual | 1.2 (110PS) Turbo with 6-speed manual | 1.2 (130PS) Turbo with 6-speed automatic |

Specifications

Transmission

Five-speed manual gearbox

Petrol engines: 1.2 (83PS)

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo models

Diesel engines: 1.5 (110PS) Turbo D models

Six-speed automatic transmission

Petrol engines: 1.2 (130PS) Turbo models

Steering

- Speed-sensitive electric power-assisted steering
- Turning circle (wall-to-wall): 11.21m (36.7ft)

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Compound crank with coil springs and hydraulic dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Engine drag torque control
- Hydraulic brake assist
- Hydraulic brake boost
- Electronic brakeforce distribution

1.2 (83PS)/1.5 (110PS) Turbo D models

Front ventilated discs: 266mm diameter

Rear discs: 249mm diameter

1.2 (110PS) Turbo/1.2 (130PS) Turbo

Front ventilated discs: 283mm diameter

Rear discs: 249mm diameter

Fuel tank capacity

- 45 litres (9.9 gallons)

AdBlue® Tank Capacity

- 14.8 litres (3.2 gallons)

Body

- Aerodynamic drag co-efficient: Cd 0.31

Start/Stop technology

Crossland’s Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

| Loadspace Dimensions | |
|----------------------------------|-------------|
| Maximum length behind rear seats | 793 (31.2) |
| Maximum length rear seats folded | 1483 (58.4) |
| Maximum width | 1000 (39.4) |
| Maximum height | 894 (35.2) |

| Luggage Capacities Litres (cu.ft.) | |
|---|-------------|
| Rear seats up (under luggage compartment cover) | 410 (14.5) |
| Rear seats up with optional sliding rear seats in forward-most position | 520 (184) |
| Rear seats folded (to roof) | 1255 (44.3) |

Please note, vehicles illustrated are not model specific and are for illustrative purposes only.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Can only be fitted with rear parking sensors. ³Only compatible with IOA radio (BYOM2). ⁴Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ⁵Not compatible with spare wheel. ⁶A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your **free*** test drive or click the link the below:
[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](#).

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Crossland Design 1.5 (110PS) Turbo D Start/Stop (CO₂ emissions 120g/km)

| | |
|--|------------|
| On-the-road RRP | £20,225.00 |
| Deduct: Vehicle Excise Duty | (£180.00) |
| New vehicle first registration fee | (£55.00) |
| Effective list price | £19,990.00 |
| Add: Optional two-coat metallic paint | £600.00 |
| List price for tax purposes (P11D value) | £20,590.00 |
| Car benefit charge 2021–22 tax year (28%) | £5,766.00 |
| Benefit in kind tax liability (2021–22 tax year) | |
| Basic Rate (20%) tax payer | £1,153.20 |
| Higher Rate (40%) tax payer | £2,306.40 |

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

| CO ₂ emissions (g/km) | Percentage of cars price to be taxed 2021-22 tax year |
|----------------------------------|---|
| Up to 50 | 13% |
| 51–54 | 14% |
| 55–59 | 15% |
| 60–64 | 16% |
| 65–69 | 17% |
| 70–74 | 18% |
| 75–79 | 19% |
| 80–84 | 20% |
| 85–89 | 21% |
| 90–94 | 22% |
| 95–99 | 23% |
| 100–104 | 24% |
| 105–109 | 25% |
| 110–114 | 26% |
| 115–119 | 27% |
| 120–124 | 28% |
| 125–129 | 29% |
| 130–134 | 30% |
| 135–139 | 31% |
| 140–144 | 32% |
| 145–149 | 33% |
| 150–154 | 34% |
| 155–159 | 35% |
| 160–164 | 36% |
| 165–169 | 37% |
| 170+ | 37% |

Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you’re a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK’s largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

| Band | CO ₂ emissions in grams per kilometre | First year rate Petrol/Diesel | Standard rate Petrol/Diesel |
|------|--|-------------------------------|-----------------------------|
| A | 0 | £0 | £0 |
| B | 1–50 | £10 | £155 |
| C | 51–75 | £25 | £155 |
| D | 76–90 | £115 | £155 |
| E | 91–100 | £140 | £155 |
| F | 101–110 | £160 | £155 |
| G | 111–130 | £180 | £155 |
| H | 131–150 | £220 | £155 |
| I | 151–170 | £555 | £155 |
| J | 171–190 | £895 | £155 |
| K | 191–225 | £1,345 | £155 |
| L | 226–255 | £1,910 | £155 |
| M | Over 255 | £2,245 | £155 |

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall’s life with fixed monthly payments for the plan duration.

- **3 years’ Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years’ Vauxhall Roadside Assistance** – first year from us
- **First years’ MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it’s free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall’s aged 2-3 Years = 15% off parts and labour
- Vauxhall’s aged over 3 Years = 25% off parts and labour
- Half price MOT’s (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary ‘Wash and Vac’ with all routine services[†]
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer^{††}
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover
