Choose Your Trim Level

SE

SE is New Grandland's entry level trim which has a high level of specification as standard including the 7-inch colour touchscreen with smartphone projection, 17-inch alloy wheels, dual-zone climate control and more.

SRi

The sporty SRi provides an aggressive look with a black roof and door mirrors combined with 18-inch high gloss black alloy wheels, dark tinted rear window and high gloss black exterior detailing.

Grandland Plug-In Hybrid SRi
Also available as plug-in hybrid model.

Elite

Elite offers premium luxury with heated front seats, steering wheel and windscreen, Adaptive IntelliLux LED® pixel headlights, 19-inch diamond-cut bi-colour alloy wheels and much, much more.

Grandland Plug-In Hybrid Elite
Also available as plug-in hybrid model.

Ultimate

Ultimate builds on the already impressive Elite spec adding a 360 degree panoramic parking camera, Alcantara seats, high gloss black badging and more.

New Grandland Range Highlights

SE

Standard features include:

- Multimedia infotainment system
 - 7-inch colour touchscreen

 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - Front USB connection
- Six speakers
- Vauxhall Connect
- 7-inch digital instrument cluster
- Dual-zone electronic climate control
- Flat-bottomed leather-covered steering wheel
- Cruise control with speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Electronic parking brake
- Driver's seat height adjuster
- Driver's armrest
- Automatic lighting control
- Rain-sensitive windscreen wipers
- 60/40 split-folding rear seat backs
- 17-inch 5-twin spoke silver-effect alloy wheels

- LED headlights, tail lights and daytime running lights
- High beam assist
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors
- Soundproofed insulated windscreen
- Lane departure warning with lane keep assist
- Front and rear parking distance sensors
- Speed sign recognition
- Remote control security alarm system
- Hill start assist
- ISOFIX child seat fixings on outer rear seats
- Electronic stability programme (ESP)
- Anti-lock braking system (ABS)
- Six airbags
- Driver drowsiness system
- Automatic emergency braking

SRi

Features over SE models:

- Multimedia Navi Pro infotainment system
 - 10-inch colour touchscreen
 - Satellite navigation
 - Rear USB connection
- 12-inch digital instrument cluster
- Alloy sports pedals (auto models only)
- Centre rear seat armrest
- Driver's ergonomic active sports-style seat (AGR approved*)
- Front passenger's sports-style seat
- 18-inch 5-twin spoke high gloss black alloy wheels
- Black roof with high gloss black roof rails
- Dark-tinted rear windows
- High gloss black exterior detailing
- 180 degree rear-view parking camera
- Automatic anti-dazzle rear-view mirror

Elite

Features over SE models:

- Multimedia Navi Pro infotainment system
 - 10-inch colour touchscreen
 - Satellite navigation
 - Rear USB connection
- 12-inch digital instrument cluster
- Wireless charger for mobile devices
- Ergonomic active heated sports-style front seats (AGR approved*)
- Heated steering wheel
- Heated windscreen
- 19-inch diamond-cut bi-colour alloy wheels
- Centre rear seat armrest
- Storage pocket on front seat backs
- Power operated tailgate with foot sensor

- 12-volt accessory socket in luggage compartment
- 230-volt accessory socket in rear
- Keyless entry and start
- Adaptive IntelliLux LED® pixel headlights
- LED front fog lights
- Black roof with and high gloss black roof rails
- Chrome-effect upper window trim
- Dark-tinted rear windows
- Alloy-effect protective front and rear skid plates

Grandland’s petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

*Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Safety

Standard Features – The following features are standard across the entire Grandland range.

Airbags

- Driver’s airbag
- Front passenger’s airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints
- Height-adjustable rear seat head restraints
- Anti-submarining ramps in front seats

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats – these keep the pelvis better coupled to the vehicle in an impact; the pelvis and therefore the legs are allowed less forward movement, reducing the risk of hard knee contact with the facia
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags – permits the safe use of a child seat in the front passenger seat
- ISOFIX compatible child seat mountings located on front passenger’s seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows ISOFIX child safety seats to be securely fixed into the car. The mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Switchable Electronic Stability Programme (ESP)

Additional ESP features

- Corner stability control
- Traction control
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking

Driver/passenger safety

- Energy-absorbing steering column
- Side-impact protection beam
- Reinforced passenger safety cell
- Deformation zones front and rear

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency braking.

Driver Assistance

Standard Features – The following features are standard across the entire Grandland range. Specific features by model are outlined in the separate tabular information.

- Cruise control with speed limiter**
With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.
- Lane departure warning with lane keep assist**
If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.
 - Warning light in instrument cluster
 - Audible warning
 - Facia on/off switch
- Automatically tilting door mirrors**
Door mirrors automatically tilt downwards when reverse gear is selected to improve visibility of the back of the car.

- Speed sign recognition**
Detects and then displays speed limits, reducing uncertainty and the risk of speeding.
 - Recognises different speed signs, including temporary speed restrictions
 - Displays reminder in the instrument cluster
 - On models with Sat Nav, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed
- Driver drowsiness system**
The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

- Electronic parking brake**
Centre console switch in lieu of handbrake lever.
- Steering**
 - Speed-sensitive electric power-assisted steering
 - Reach and rake adjustable steering column
- Parking distance sensors**
 - Front and rear parking distance sensors
- Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Model Specific Features/Option

						Plug-In Hybrid models	
	SE	SRi	Elite	Ultimate		SRi	Elite
Driver Assistance							
180 degree rear-view parking camera		●	●			●	●
360 degree panoramic parking camera				●			
Advanced park assist			●	●			●
Side blind spot alert			●	●			●
Highway integration assist – Lane positioning assistant/ Adaptive cruise control			●	●		●	●
6.6kW on-board charger (1 phase) – halves charging time when charging with a 7kW wallbox (see Plug-In Hybrid Specifications for further details)						£500*	£500*

*Optional at extra cost including VAT.

Convenience

Standard Features – The following features are standard across the entire Grandland range.
Specific features by model are outlined in the separate tabular information.

- Interior Convenience**
- Front 12-volt electrical accessory socket
 - 60/40 split-folding rear seat backs
 - Interior courtesy lighting operated by door switches
 - Ventilated glovebox with lid
 - Front door pockets with 2.6-litre capacity
 - Two drinks holders in centre console
 - Rear door pockets with 1.8-litre capacity
 - Covered storage compartment in centre console and in driver’s armrest
 - Luggage compartment foldable cover
 - Illuminated luggage area
 - Ambient centre console downlighter
- Rear reading lights
 - Ambient lighting in front doors

- Heating and Ventilation**
- Electronic climate control incorporating air conditioning
 - Dual-zone control – Allowing different temperature settings for driver and front passenger
 - Advanced predictive logic control system using a sun sensor
 - Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
 - Automatic air direction and fan speed with manual override
 - Illuminated controls
 - Four adjustable facia vents
 - Side window demist vents
 - Rear passenger compartment heating ducts
 - Heated rear screen with timed cut-off
- Windscreen demist vents

- Exterior Convenience**
- Soundproofed insulated windscreen
 - Tinted windows
 - Electrically operated front and rear windows with safety autoreverse and one-touch facility
 - Twin electrically adjustable/heated power door mirrors (wide-angle on driver’s side) with automatic timed cut-off
 - Rain-sensitive windscreen wipers
 - Intermittent rear window wash/wipe

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Grandland range.
Specific features by model are outlined in the separate tabular information.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Model Specific Features

						Plug-In Hybrid models	
	SE	SRi	Elite	Ultimate		SRi	Elite

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Grandland Plug-In Hybrid range.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- Green: Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- Blue: Energy consumed by the vehicle directly by the battery (kWh/mile)
- Orange: Fuel consumption (mpg)

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

3D instrument cluster.

Vehicle charge display.

Infotainment

Standard Features

Multimedia with 7-inch touchscreen

Standard on SE models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)
- Six speakers

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – contacts/last calls/missed calls etc. are mirrored on IntelliLink’s display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

*Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard with Multimedia Navi Pro only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Multimedia Navi Pro with 10-inch touchscreen

Standard on SRi, Elite and Ultimate models

Standard on SRi and Elite Plug-In Hybrid models

Features as Multimedia, with the addition of:

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Additional features:

- Shark fin aerial

Vauxhall Connect

Standard on all models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that’s what you get with new Vauxhall Connect. In an emergency or breakdown, you’ll be put in touch with a trained advisor, with just the touch of a button.

Live navigation* and more:

You can also access live navigation services, receive vehicle diagnostic info plus there’s a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Please note that compatibility and certain functions may be different depending on the type of device and operating system you’re using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Interior Styling and Comfort

Steering wheel:

Battery capacity	13.2kW
Battery warranty	8 years/100,000 miles/70% capacity
Electric energy consumption (Combined)	16.1kWh/100km (WLTP)
Charging times – Standard cable (Mode 3)	3h 30min @ 3.7kW (16A)
Charging times – Optional on-board charger	1h 45min @ 6.6kW (32A)

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

These figures were obtained using a combination of battery power and fuel. The Grandland Plug-In Hybrid requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from – 2021/22 tax year
	Maximum speed (mph)	Acceleration 0–60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (130PS) Turbo	122	10.4	44.8 (6.3)	45.6 (6.2)	140	142	£220	£155	32%
1.2 (130PS) Turbo auto	121	10.3	43.4 (6.5)	44.1 (6.4)	146	148	£220	£155	33%
1.5 (130PS) Turbo D auto	119	12.3	53.3 (5.3)	54.3 (5.2)	136	138	£220	£155	31%

Weights and Towing Data_{kg}**

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1930	1400 (600)
1.2 (130PS) Turbo auto	1955	1200 (600)
1.5 (130PS) Turbo D auto	2000	1300 (600)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Start/Stop technology

Grandland’s Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

AdBlue® tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox

Standard on all models.

Eight-speed automatic transmission

Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.

Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Plug-In Hybrid Specifications

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

- Kerbweight FWD: 1735kg
- Maximum towing weight FWD:
Braked trailer 1250kg (without brakes 600kg)

Charging

- Grandland Plug-In Hybrid range comes fitted with a Mode 3, 7.4kW cable and a 3.3kW on-board charger as standard. Includes cable bag at no extra cost.
- A 6.6kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland Plug-In Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

On-board charger	Charge point		
	3.7kW AC (1 Phase)	7kW AC (1 Phase)	11kW AC (3 Phase)
3.3kW (1 phase) – Standard	3 ½ hours	3 ½ hours	3 ½ hours
6.6kW (1 phase) – Optional	3 ½ hours	1 ¾ hours	3 ½ hours

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.
*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit.

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland SE 1.5 (130PS) Turbo D auto (CO ₂ emissions 136g/km)	
On-the-road RRP	£27,510.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£27,275.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,875.00
Car benefit charge 2021-22 tax year (31%)	£8,642.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,728.40
Higher Rate (40%) tax payer	£3,456.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%
65–69	17%
70–74	18%
75–79	19%
80–84	20%
85–89	21%
90–94	22%
95–99	23%
100–104	24%
105–109	25%
110–114	26%
115–119	27%
120–124	28%
125–129	29%
130–134	30%
135–139	31%
140–144	32%
145–149	33%
150–154	34%
155–159	35%
160–164	36%
165–169	37%
170+	37%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021-22 tax year
0	–	1%
1–50	130+	1%
1–50	70–129	4%
1–50	40–69	7%
1–50	30–39	11%
1–50	<30	13%

Call: 01582 409999 (8:30am–5:00pm)
Email: vauxhallspecialvehicles@vauxhall.co.uk

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/plug-in hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](https://www.vauxhall.co.uk/AccidentManagement)

Free2Move Lease

Whether you’re a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK’s largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](https://www.vauxhall.co.uk/offers-finance/business-leasing.html)

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1–50	£10	£155	£0
C	51–75	£25	£155	£0
D	76–90	£115	£155	£0
E	91–100	£140	£155	£0
F	101–110	£160	£155	£0
G	111–130	£180	£155	£0
H	131–150	£220	£155	£0
I	151–170	£555	£155	£0
J	171–190	£895	£155	£0
K	191–225	£1,345	£155	£0
L	226–255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. For even more peace of mind, on the Grandland Plug-In Hybrid range the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall’s life with fixed monthly payments for the plan duration.

- **3 years’ Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years’ Vauxhall Roadside Assistance** – first year from us
- **First years’ MOT[†]** – free of charge by your local Vauxhall Retailer
