How to use this brochure

This brochure showcases some of the highlights of Insignia. You can also click through to our detailed Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

**THIS IS NOT A CAR.
THIS IS INSIGNIA**

FEEL THE BUSINESS

Imagine yourself inside its low, profiled body, showing off those sporty curves and hi-tech edge. Insignia Grand Sport is all about cool, calm confidence.

If you're a company car driver or fleet manager, get a feel for Insignia with our Free 3 Day Test Drive programme.

3 FREE 3 DAY
TEST DRIVE

MAKE YOUR BIG ENTRANCE

Ready to impress? Insignia Sports Tourer is. Coupé-like lines and a refined style gives you space for adventure – wherever you go, whatever you're up to.

VX_INS_28866.tif

Sit down, settle in. Behind the wheel, you'll soon see what it's all about. You.

An ergonomically designed cockpit with controls that fall easily to hand. An infotainment touchscreen poised just a touch away. And a choice of seat that can be adjusted up to 18 different ways (it can even be ventilated and give you a nice massage).

So relax, make yourself at home. This is Insignia.

VX_INS_26381.tif

YOU'LL LOOK SHARP IN THE DARK

IntelliLux LED® Matrix headlights* are a bright idea for a safer, more relaxed drive at night.

They shine a powerful beam that instantly shapes itself to driving conditions.

Replacing the dipped and main beams, each headlight is a cluster of 16 powerful LEDs which illuminate the road, switching independently to precisely shape the beam pattern around oncoming traffic.

*Optional at extra cost on certain models.

For more detail on the Insignia's IntelliLux LED® Matrix headlights, please click through to the Insignia Price and Specification Guide, [vauxhall.co.uk/goinsignia](https://www.vauxhall.co.uk/goinsignia)

1. See more of the road ahead

With an intelligent array of 16 LEDs for each headlight, your lights adapt quickly to the road, keeping it brightly and safely lit up to 400 metres ahead.

2. More time to react

A brighter, sharper beam means you can spot hazards up to 1.8 seconds earlier – the equivalent of 40 metres at 50mph.

3. No need to switch your beam

Individual LEDs independently switch on and off to instantly shape the beam around approaching vehicles, so you don't have to switch beams.

4. See better around corners

On slow, tight bends, the headlights automatically shine a beam into the corner you're taking, giving you greater visibility.

SAFETY FOR EVERY MILLISECOND

Insignia helps keep your eyes on the road and thinks ahead, every split second. Its advanced safety systems tirelessly watch the road ahead to keep you alert, calm and help avoid mishaps.

- 1. Head-up display:** It helps keep your eyes ahead. Head-up display* projects important info (like your speed and other alerts) onto the windscreen in your line of sight, so you can keep your eyes front with less distraction.
- 2. Forward collision alert:** When you're in busy traffic, forward collision alert warns if you approach the car in front too fast, and will automatically brake for you as a failsafe.
- 3. Automatic cruise control**:** In heavy traffic, this system helps avoid bumper-to-tail collisions by automatically braking and accelerating to keep a safe distance.
- 4. Automatic emergency braking:** If a pedestrian is detected in your car's path, the system pre-boosts the brake for greater stopping power, and is ready to fully apply the brakes if you don't react. A true lifesaver.

Please note: 8-inch driver information display and head-up display, illustrated right, optional at extra cost on certain models. *Optional at extra cost on certain models. **Optional at extra cost on certain models as part of Driving Assistance Pack Two. For more detail on the Insignia's driver assistance systems, please click through to the Insignia Price and Specification Guide, vauxhall.co.uk/goinsignia

IT MAKES ROOM FOR MORE

Funny thing about space.
There's never enough of it.

Especially when you're packing
for a trip away. And by that we
mean anything from a shopping
trip to a major road trip.

Which is why we designed the
Insignia interior to be as super
roomy and flexible as possible
and the Sports Tourer to be as
versatile as you need.

Look inside and see how comfortably
it welcomes people and loads of
all shapes and sizes, with plenty of
handy, well-thought-out places to
keep things nice and tidy.

Because it's not just space –
it's room to live.

IT'S THE CAR THAT LOVES YOUR BACK

That feeling when you sit in a comfy chair that hugs you. A seat you just don't feel like getting out of. Ever. Or at least anytime soon.

That's the ergonomic active front seats we designed for Insignia*.

They're approved by the AGR**, an independent committee of back health experts and medical professionals.

Which means they look after you, by looking after your back.

*Optional at extra cost on certain models.

**Known as the Aktion Gesunder Rücken, which translates as the Campaign for Healthier Backs. Please note that seats shown are for illustrative purposes only.

Sitting comfortably? You will be

Ergonomic active front seats include these comfort features:

- A. Head restraint is adjustable four ways to give you perfect head support.
- B. Tailored lumbar support is electronically adjustable for perfect back comfort.
- C. Extendable thigh support provides perfect comfort for your legs.
- D. 18 adjustable seating controls give you plenty of settings for the lumbar area and seat position.

Turn perfect comfort into pure luxury

On GSi models, the premium ergonomic active front seats also include these luxury extras:

- E. Shoulder bolsters adjust to cradle your body shape.
- F. Active ventilation for driver and front passenger's back rest and seat cushion.
- G. Electro-pneumatic massage for the driver's seat, using a three-air cushion system.
- H. Driver's seat memory that can remember six posture settings for two different people.

VX_INS_28974.tif

MADE TO MAKE YOUR LIFE EASY

With its sleek silhouette, the Insignia Sports Tourer introduces spacious versatility and greater storage with smart technology that helps you every day.

Big up your adventures

Capacity and flexibility make Sports Tourer a true multi-tasker. The luggage area gives you 560 litres of space that quickly expands to a whopping 1,665 litres, making it easy to fit in loads of all kinds.

We'll get that for you

The sensor-operated powered tailgate* gives you hands-free access when you're carrying and loading luggage, and comes complete with a keyless entry system.*

*Optional at extra cost on certain models.

READY FOR YOUR NEXT ADVENTURE

It's great to have a friend who inspires you to try new things and go just that little bit further.

That's the Insignia Country Tourer.

A front-wheel or four-wheel drive tourer showing off rugged looks, reliable performance and premium comfort all round – it's your perfect travelling companion.

Equipped with four-wheel drive, torque vectoring and greater ground clearance, it's built for adventure, with an improved FlexRide chassis that adapts to changing road conditions and your driving style.

Now, where are we off to?

VX_INS_26904.tif

UNLEASH YOUR COMPETITIVE STREAK

VX_INS_28056.tif

VX_INS_28863.tif

Developed in part at the Nürburgring, with the Insignia GSi Nav Grand Sport and Sports Tourer you get seriously competitive performance with absolutely no compromise.

The 210PS BiTurbo diesel GSi can take you from zero to 60mph in 7.4 seconds, and has great stopping power with its four-pot Brembo brakes. Sophisticated four-wheel drive with torque vectoring instantly adapts to road conditions, while a unique GSi body kit and 20-inch alloys means you'll also look the business.

So get ready to get ahead. Imagine yourself settling in and taking to the road like a hero. What better way to release your competitive side?

VX_INS_28867.tif

*Compatibility and certain functions may be different depending on the type of device and operating system you're using with the multimedia infotainment system. Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android Auto is a trademark of Google Inc., also registered in the U.S. and other countries. For more detail on the Insignia's infotainment, please click through to the Insignia Price and Specification Guide, vauxhall.co.uk/goinsignia

Whether it's your new favourite sounds or your all-time classics, car journeys go so much better with top-notch entertainment.

What's more, you can be loads more productive and relaxed with seamless, hands-free connectivity at your fingertips.

That's why you'll find a multimedia infotainment system as standard in every Insignia. Featuring a colour touchscreen and full smartphone integration*, it serves up smart entertainment using Apple CarPlay™ and Google Android Auto™.

Most models feature the satellite navigation Multimedia Navi Pro with 8-inch colour touchscreen, an ultra-fast processor, dynamic mapping and embedded voice recognition for smarter hands-free control.

androidauto

THE POWER TO ADAPT

Humans are adaptable. That's our strength. If we're walking up a hill we adapt our stance and use different muscles – and if it's rough terrain, we put on tough hiking boots.

We took the same approach with the Insignia's chassis. Fluidly responsive and adaptable to different terrain, it features the latest generation of automatic transmissions, intelligent control and a sophisticated four-wheel drive system.

And when it comes to a choice between power or efficiency, who doesn't want both? With Insignia's engines, you have it all. A powerful choice of engines that are meaner, leaner and cleaner.

Get into an Insignia and feel it for yourself.

VX_INS_28858.tif

Fuel economy[#] and CO₂^{*} results for the Insignia. Combined mpg (l/100km): 35.3 (8.0) – 57.7 (4.9). CO₂ emissions: 188 – 116 g/km.

[#]Fuel consumption figures are determined according to the WLTP test cycle. ^{*}CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied. Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

INSIGNIA, TAKEN TO A WHOLE NEW LEVEL

Capable, connected and calm. That's the feeling when you drive Insignia.

In every way, it shows exquisite style, state-of-the-art innovation and premium class luxury that makes it more than just a car – whichever model you choose.

Take your pick – and let the adventure begin.

YOUR FINISHING TOUCH

Colour says so much about you. It sets a tone, defines a mood and can brighten a day. So we created a range of solid, brilliant, metallic, two-coat pearlescent and premium finishes to achieve your ideal look. And, for the purists, there's even a white tri-coat premium finish.

3. **Vauxhall roof bars**
4. **Dog guard for Sports Tourer**
5. **Cargo liner**

POWER UP YOUR STYLE

Insignia is a powerful car built to perform in every way. Insignia's Styling Packs* are a set of custom options to heighten Insignia's sports styling, inside and out.

The VX-Line Exterior Styling Pack (illustrated right) is designed to give your Insignia a distinctive edge, featuring:

- Sports-style front and rear bumpers
- Side sills
- Rear spoiler (Grand Sport models)
- Dual imitation exhaust bezels (Sports Tourer models)**

Unique to GSi models, the Exclusive Black Pack adds a series of gloss black styling details.

The VX-Line Interior Styling Pack features the following:

- Three-spoke, heated flat-bottom steering wheel with:
 - Perforated leather
 - Electric heating
 - Paddle shift on automatic models
- Dark fabric headlining
- Alloy-effect sports pedals

VX_INS_29771.psd

*Optional at extra cost on certain models. **Not available on 1.5 (165PS) Petrol, 1.6 (110/136PS) and 2.0 (170PS) Diesel models. Model illustrated also features 20-inch five twin-spoke alloy wheels and Lava Red brilliant paint, optional at extra cost.
