

THE NEW **INSIGNIA**

PRICE/SPECIFICATION GUIDE

1 August 2017 | Model Year 2018

VAUXHALL

NEW INSIGNIA CUSTOMER OFFERS

At Vauxhall we know that customers appreciate flexibility. Not only do we have an extensive range of New Insignia models to choose from, but we have a range of ways to purchase too. Here's an example of our personal contract hire offer:

For ONLY **£242**
per month over
35 months with £3,388
advance rental

For even more great deals contact your local Retailer or call 0345 600 1500

TERMS AND CONDITIONS: Personal contract hire offer on New Insignia SRi 1.5 (165PS) Turbo, including free of charge metallic paint, on vehicles ordered by 2 October 2017, subject to availability and status. Age 18+ only. Figures based on a non-maintenance contract hire package with advance rental of £3,388, then 35 monthly rentals of £242. Excess miles over contracted mileage of 24,000 over 36 months charged at 14 pence per mile. Excess charges also apply if you breach manufacturer servicing or maintenance guidelines or if the car exceeds BVRLA Fair Wear & Tear guidelines for its age/mileage when it is returned to Vauxhall Leasing. Package includes Road Fund Licence and Vauxhall Assistance. Guarantee/indemnity may be required. Prices and details are subject to change without notice. For full specification and Ts&Cs contact your local Retailer. **You will not own the car.** ALD Automotive Ltd., trading as Vauxhall Leasing, BS16 7LB. Authorised and regulated by the Financial Conduct Authority.

NEW INSIGNIA FEATURES/OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Three height adjustable rear seat head restraints
- Anti-submarining ramps in front seats – Prevents occupants sliding underneath the lap belt during a collision.

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front and outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement • Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact. • Front 'seatbelt unfastened' audible warning and warning light

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.. • Child-proof locks on rear doors

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact. • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Active bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian's head and underbonnet components.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. • Fading brake support – Compensates for the effects of brake fade • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
- Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

● = Standard equipment. ○ = Optional at extra cost.

NEW INSIGNIA FEATURES/OPTIONS

DRIVER ASSISTANCE

Driving Assistance Pack One

A wide range of class-leading driver assistance and safety features are controlled by the front camera system

Forward collision alert with automatic city emergency braking:

In certain circumstances and at speeds above 5mph warns when approaching another vehicle too quickly. At speeds above 5mph and up to 50mph the system provides additional braking support to help the driver brake more quickly and effectively in an emergency situation. On dry roads at speeds above 5mph and up to 25mph the vehicle can brake to a full stop. At speeds above 25mph and up to 50mph, if no avoiding action is taken by the driver, the system automatically slows the vehicle with emergency braking.

- Visual warnings – red LEDs projected onto windscreen and visual warning shown in the instrument cluster
- Audible warning • Additional braking support • Low speed collision mitigation braking

Warns you of potential accidents

Following distance indicator:

Indicates how many seconds you are behind the vehicle in front – helping you maintain a safe distance.

- Timings are shown in the driver information display
- Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver

Keeps a safe distance

Lane departure warning with lane assist:

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 35mph. The lane assist function additionally provides gentle steering correction to help drivers keep in their lane if no active inputs are made.

- Warning light in the instrument cluster • Audible warning • Steering wheel 'nudge' warning
- Facia on / off switch

Keeps you in lane

Driving Assistance Pack Two – Automatic cruise control incorporating automatic brake intervention

Automatic cruise control adjusts the vehicle's speed to maintain a time distance to the preceding vehicle, up to the speed that you have set. On models with automatic transmission the 'Stop and Go' function will bring the vehicle to a complete stop and then set off again as the traffic ahead moves away. Automatic brake intervention is active at all speeds above walking pace (2.5mph).

● = Standard equipment. ○ = Optional at extra cost.

NEW INSIGNIA FEATURES/OPTIONS

DRIVER ASSISTANCE

Front and rear parking distance sensors (not available with Driving Assistance Pack Four)

- Audible warning
- Distance warning graphic shown in driver information display

Easier parking

Rear-view camera (not available with Driving Assistance Pack Four)

Driving Assistance Pack Four (only available on Nav models. Design Nav models require optional Sight and Light Pack. Includes front and rear parking distance sensors. Not available with Brownstone Nappa premium leather)

Intelligent ultrasonic sensors form part of the solution for today's crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road.

- Electrically foldable door mirrors with puddle lights

Advanced park assist:

Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse. The system works with both parallel and bay parking.

- Ultrasonic side sensors with four-metre range
- Ultrasonic front and rear parking sensors with a two-metre range
- Fully automated steering
- On automatic models, braking is automated
- Detailed forward/reverse instructions are shown in the instrument cluster or central fascia display

Finds suitable parking spaces

Auto steers into the parking space for you

Lane change assist with side blind spot alert:

Lane change assist with side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror.

- Ultrasonic side sensors identify vehicles within three-metre range
- LED warning light in door mirrors, flashes when indicators are used
- Audible warning is sounded if the indicators are used and the system has detected another vehicle
- Radar sensors with 70-metre range identify traffic approaching quickly from behind

Warns of vehicles in your blind spot

Rear-view camera:

The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck.

- Activated when reverse gear selected
- Camera view appears in infotainment screen
- Rear bumper and grid lines shown as reference points

See what's behind you on the central screen

Rear cross traffic alert:

As you reverse the car in a tricky parking situation this system detects vehicles approaching from the rear and side.

- Radar sensors with 20-metre range identify approaching vehicles
- Warning light in central fascia display
- Audible warning on relevant side of car

NEW INSIGNIA FEATURES/OPTIONS

INFOTAINMENT

R4.0 IntelliLink touchscreen infotainment system

For use with media players, USB memory sticks, mobile phones and smartphone apps

Onboard features:

- 7-inch colour touchscreen
- DAB digital radio/AM/FM stereo radio
- RDS with Traffic Programme

Media connections:

- USB connection with iPod control in front centre armrest
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – *Contacts/last calls/missed calls etc. are mirrored on IntelliLink's display and are easily navigated using the touchscreen (features dependent on mobile phone).*

Smartphone interface:

- Apple CarPlay™
- Android Auto™

– *Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback.*

Navi 900 IntelliLink touchscreen navigation and infotainment system

For use with media players, USB memory sticks, mobile phones and smartphone apps

Onboard features:

- 8-inch colour touchscreen
- DAB digital radio/AM/FM stereo radio
- RDS with Traffic Programme
- 60 configurable favourites including contacts, addresses, playlists, radio stations and voice recognition

Navigation features:

- Satellite navigation system
- 3D street level mapping
- European coverage

Media connections:

- USB connection with iPod control in front centre armrest
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – *Contacts/last calls/missed calls etc. are mirrored on IntelliLink's display and are easily navigated using the touchscreen (features dependent on mobile phone).*
- SMS read out and reply

Smartphone interface:

- Apple CarPlay™
 - Android Auto™
- *Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback.*

Traffic sign recognition:

- Recognises different road signs, including temporary speed restrictions
- Displays reminder in the driver information centre and, where fitted, the head-up display

Seven speakers (five front, two rear)

Bose® Premium Sound System (only available on Nav models, standard on 2.0 (260PS) Turbo 4X4 models. Not available in conjunction with optional emergency spare wheel)

- 4x45w channels
- Bose® digital amplifier with six channels of customised equalisation
- 7 premium speakers
- Subwoofer
- Digital engine sound enhancement for 2.0 (260PS) Turbo 4X4 models

Steering wheel mounted audio controls for phone, music and cruise control

Twin USB power sockets for rear seat passengers

Wireless charger for mobile devices

NEW INSIGNIA FEATURES/OPTIONS

EXTERIOR LIGHTING

Standard lighting features

- LED daytime running lights • LED tail lights • Automatic lighting control: *When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.*
- LED side repeat indicators • Lights-on audible warning: *When driver's door is opened an audible warning sounds to alert the lights have been left on.*
- Manual headlight beam levelling: *Use to adapt headlight range to the vehicle load to prevent dazzling.* • LED brake lights
- High-level LED centre rear brake light • Rear fog light • Reversing light • Hazard warning lights • Door-to-door illumination: *Headlights illuminate the area for an adjustable time after leaving the vehicle.* • Welcome lighting: *Headlights and tail lights illuminate when the vehicle is unlocked.*
- Automatic lighting control with tunnel detection – *On Design models, fitted in conjunction with Sight and Light Pack. Not available separately.*

Front fog lights – *also fitted as part of Plus Pack on Design and Tech Line Nav models, where available.*

IntelliLux LED® Matrix headlights

IntelliLux LED® Matrix headlights work with the standard Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of 16 individual LED lights. These lights replace both the dipped beam and main beam functions. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.

The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated.

Every type of driving environment has been considered:

Urban light: With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function.

Highway light: The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers whilst the left-side beam is lengthened.

Country light: As speeds increase, so does the lighting's performance, illuminating the nearside of the road.

Static Cornering light: At lower speeds corners and bends are illuminated to match steering inputs.

Parking light: When reversing, additional side-facing lights are activated in the headlights.

Tourist mode: The lighting pattern can be adjusted when travelling abroad.

Energy saving mode: The IntelliLux LED® Matrix system goes into energy saving mode when the engine is automatically stopped.

- Dipped beam, main beam and dynamic lighting: 32 electronically controlled LED lights (16 per headlight)
- Intelligent main beam control • Automatic headlight levelling

✓ **Smart headlights automatically adjust the shape of high beam**

✓ **No need to switch between high and low beam**

✓ **High beam is always glare free**

Sight and Light Pack

- Automatic lighting control with tunnel detection • Rain-sensitive windscreen wipers
- Automatically dimming anti-dazzle rear-view mirror • High beam assist

TRANSMISSION

Six-speed manual gearbox

Petrol engines: 1.5 (140PS) Turbo ecoTEC and 1.5 (165PS) Turbo models

Diesel engines: 1.6 (110/136PS) Turbo D ecoTEC and 2.0 (170PS) Turbo D models

Automatic transmission with ActiveSelect®

Six-speed automatic transmission: Optional at extra cost on 1.6 (136PS) Turbo D models.

Eight-speed automatic transmission: Standard on 2.0 (260PS) Turbo 4X4, optional at extra cost on 2.0 (170PS) Turbo D front-wheel drive models.

The latest generation automatic transmissions available on New Insignia, incorporating Start/Stop technology, offer improved fuel economy and refinement over previous versions. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The eight-speed transmission includes a range of driver-selectable modes.

Four-wheel drive system

Standard on Elite Nav 2.0 (260PS) Turbo 4X4 and Country Tourer 4X4 models. The sophisticated four-wheel drive system replaces the conventional rear axle differential with two electronically controlled clutches which allows New Insignia to take advantage of the latest torque vectoring technology. This ensures that torque is directed to the wheels with the greatest grip, thus improving handling in all conditions and traction in slippery conditions.

FUEL TANK CAPACITY

62 litres (13.6 gallons)

ADBLUE TANK CAPACITY

15 litres (3.3 gallons)

2.0 (170PS) Turbo D automatic	2220	2270	tba	1700 (750)	1700 (750)	tba
2.0 (170PS) Turbo D 4X4	–	–	tba	–	–	tba

tba = To be advised.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 60kg (75kg on Sports Tourer models, 90kg on 2.0 (260PS) Turbo 4X4 and 2.0 (170PS) Turbo D models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight multi-link (FWD - 4-link; 4X4 - 5-link) with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour.

- **Sport mode:** This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- **Tour mode:** Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- **Continuous damping control:** Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes
- **Gas-filled rear dampers:** Insignia's rear dampers are increased to 37mm diameter for enhanced performance

BODY

Aerodynamic drag co-efficient:
Cd 0.26

STEERING

- Speed-sensitive electric power-assisted steering
- Turning circle (kerb-to kerb):
– 11.15m (36.6ft.)

BRAKING AND STABILITY

NEW INSIGNIA OFFERS IN DETAIL – TERMS AND CONDITIONS

Unless otherwise stated, all offers described are available on orders or registrations between 4 July 2017 – 2 October 2017. Offer prices quoted are correct at the time of publication (July 2017). Prices are subject to change. In line with Vauxhall's policy of price transparency, the offer price shown is an on-the-road price including VAT on cars (excluding VAT on Commercial Vehicles), number plates and delivery to Retailer of £700.00 (£583.33 excluding VAT). 12 months' Government Vehicle Excise Duty (variable depending upon model – refer to the individual model price guides online) and the DVLA's new vehicle first registration fee of £55.00. Excludes fuel and insurance. Offers may not apply to Retailer stocks and are subject to availability. Restrictions may apply. Contact your Retailer for details. General Motors UK Limited trading as Vauxhall Motors reserves the right to change, amend or withdraw these offers at any point in time.

FLEXIBLE FINANCE

Available on selected models only, at participating Retailers. Conditional sale. Finance subject to status. Terms and Conditions apply. Applicants must be 18+. Finance supplied by Vauxhall Finance, CF15 7YT. Vauxhall Deposit Contributions vary and exclude certain models and are only available when vehicle is financed through Vauxhall Finance. 24-48 month term. Offer will apply to private individuals, Vauxhall Partners and small businesses 1-24 units (purchase only, excluding B2B supported units). All other customers are excluded. Refer to www.vauxhall.co.uk/offers or contact your local Vauxhall Retailer for details.

FLEXIBLE PCP

Offer subject to availability at participating Retailers only. Personal Contract Purchase. Finance subject to status. Terms and Conditions apply. Applicants must be 18+. Finance by Vauxhall Finance, CF15 7YT. 24-48 month term available. Vauxhall deposit contribution only available when vehicle financed through Vauxhall Finance. At the end of the agreement there are three options: i) Pay the optional final payment to own the vehicle, ii) Return the vehicle, or iii) Replace: Part Exchange the vehicle, where equity is available. UK-supplied vehicles only. Offer applies to private individuals, Vauxhall Partners and small businesses 1-24 units (purchase only excluding B2B supported units). All other customers are excluded.

PERSONAL CONTRACT HIRE

Personal contract hire offer on vehicles ordered by 2 October 2017, subject to availability and status. Age 18+ only. Figures based on a non-maintenance contract hire package. Excess miles over contracted mileage of 24,000 over 36 months charged at a maximum of 14 pence per mile. Excess charges also apply if you breach manufacturer servicing or maintenance guidelines or if the car exceeds BVRLA Fair Wear & Tear guidelines for its age/mileage when it is returned to Vauxhall Leasing. Package includes Road Fund Licence and Vauxhall Assistance. Guarantee/indemnity may be required. Prices and details are subject to change without notice. For full specification and Ts&Cs contact your local Retailer. **You will not own the car.** ALD Automotive Ltd., trading as Vauxhall Leasing, BS16 7LB. Authorised and regulated by the Financial Conduct Authority.

Please note not all offers apply to all models.

NEW INSIGNIA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification with a choice of high tech ecoTEC engines for great fuel economy and low emissions including the 'whisper diesel' 1.6CDTi (from 88g/km and 85.6mpg combined).

For even more standard specification, step up to our Tech Line range again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection and digital radio.

With Design and Tech Line you can take for granted low Whole Life Costs and low company car driver taxation.

3 FREE 3 DAY TEST DRIVE

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Cascada, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive
www.vauxhall3dtd.co.uk
or call 0330 587 8221**

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Cascada, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Insignia Tech Line Nav 1.6 (110PS) Turbo D ecoTEC Grand Sport (CO₂ emissions 105g/km)

On-the-road RRP £21220.00

Deduct: Vehicle Excise Duty (£140.00)

New vehicle first registration fee (£55.00)

Effective list price £21025.00

Add: Optional two-coat metallic paint £565.00

List price for tax purposes (P11D value) £21590.00

Car benefit charge
2017-18 tax year (23%) £4965.00

Benefit in kind tax liability (2017-18 tax year)

Basic Rate (20%) tax payer £993.00

Higher Rate (40%) tax payer £1986.00

† Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2017-18 tax year	Diesel 2017-18 tax year
up to 50	9	12
51-75	13	16
76-94	17	20
95-99	18	21
100-104	19	22
105-109	20	23
110-114	21	24
115-119	22	25
120-124	23	26
125-129	24	27
130-134	25	28
135-139	26	29
140-144	27	30
145-149	28	31
150-154	29	32
155-159	30	33
160-164	31	34
165-169	32	35
170-174	33	36
175-179	34	37
180-184	35	37
185-189	36	37
190 and above	37	37

To calculate your own personal liability a car tax calculator is available at:
<https://www.vauxhallfleet.co.uk/toolbox>

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. NEW INSIGNIA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	0	£0.00	£0.00
Band B	1-50	£10.00	£140.00
Band C	51-75	£25.00	£140.00
Band D	76-90	£100.00	£140.00
Band E	91-100	£120.00	£140.00
Band F	101-110	£140.00	£140.00
Band G	111-130	£160.00	£140.00
Band H	131-150	£200.00	£140.00
Band I	151-170	£500.00	£140.00
Band J	171-190	£800.00	£140.00
Band K	191-225	£1200.00	£140.00
Band L	226-255	£1700.00	£140.00
Band M	over 255	£2000.00	£140.00

* = Correct at time of issue.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0117 908 6433**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VAUXHALL SERVICE PLAN

Vauxhall Retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

JOIN US ONLINE:
