VX\_GSI\_27846

## FEATURES

### Infotainment:

- Multimedia Navi Pro system
  - Fully integrated European sat nav system
  - 8-inch colour touchscreen
  - AM/FM/DAB digital radio
  - Bluetooth® audio streaming
  - Bluetooth® mobile phone portal
  - Apple CarPlay™/Android Auto™
  - USB audio connection
- Bose® premium sound system

### Interior convenience/styling:

- Perforated leather seat facings
- Ergonomic AGR active front seats
- Dual-zone electronic climate control
- Heated, flat-bottom leather-covered VX-Line steering wheel
- Heated front and outer rear seats
- Multi-function trip computer
- Cruise control with speed limiter
- Front centre armrest
- Steering wheel audio/phone/cruise controls
- Head-up display
- 8-inch colour information display
- Twin rear USB sockets
- FlexOrganiser® Pack (Sports Tourer models)

### Exterior convenience/styling:

- 20-inch alloy wheels

- GSi front and rear bumpers
- GSi side sills
- GSi rear spoiler (Grand Sport models)
- Visible exhaust tailpipes
- IntelliLux LED® matrix headlights
- FlexRide with Competition mode
- Sports chassis
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Dark-tinted rear windows
- Front and rear parking sensors
- Silver-effect roof rails (Sports Tourer models)

### Safety/security:

- Driving Assistance Pack One
  - Front camera system
  - Forward collision alert with automatic city emergency braking
  - Following distance indicator
  - Lane departure warning with lane assist
  - Traffic sign recognition
- Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Six airbags
- Hill start assist
- Tyre pressure monitoring system
- Keyless entry and start
- Security alarm system (Thatcham approved, T1)

All diesel models feature BlueInjection. Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under [www.vauxhall.co.uk/adblue](http://www.vauxhall.co.uk/adblue). In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

# STANDARD FEATURES

## ALL MODELS

### Driver/passenger airbags

- Driver’s airbag • Front passenger’s airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

### Seating

- Height-adjustable front seat head restraints (excluding GSi Nav models)
- Three height adjustable rear seat head restraints
- Anti-submarining ramps in front seats – Prevents occupants sliding underneath the lap belt during a collision.

### Seatbelts

- Two front and three rear inertia-reel lap and diagonal seatbelts
- Front and outer rear seatbelt pretensioner system – Pretensioners tighten the seatbelt in the event of an accident limiting forward movement.
- Front and outer rear seatbelt force limiters – Reduces potential upper body injuries during a frontal impact.
- Front ‘seatbelt unfastened’ audible warning and warning light

### Child safety

- Deactivation switch for front passenger’s front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat. • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors

### Driver/passenger safety

- Energy-absorbing steering column
- Pedal release system – Reduces potential injury to the driver’s legs and feet during a severe frontal impact.
- Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell
- Deformation zones front and rear • Burst-proof door locks and anti-jam door design

### Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian’s head and underbonnet components.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

### Stability

- Electronic Stability Programme (ESP) – Works in conjunction with the vehicle’s electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

### Additional ESP features:

- Traction control • Cornering brake control • Straight line stability control • Rollover mitigation
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

### Braking

- Anti-lock Braking System (ABS) – Prevents the vehicle’s wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

### Additional ESP features:

The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.

- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Fading brake support – Compensates for the effects of brake fade • Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Adaptive brake lights – Automatically warns other road users of heavy braking.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.
- Hazard warning lights

### Tyre pressure

- Tyre pressure monitoring system

# STANDARD FEATURES

## ALL MODELS

### Electric parking brake

- Centre console switch in lieu of handbrake lever
- Premium centre console featuring adjustable armrest

### Steering

- Speed-sensitive electrically assisted power steering

### Cruise control with speed limiter

Cruise control enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.

- Steering wheel mounted controls

### Standard security features

- Keyless start with engine start/stop button
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

### Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

### Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
- Ultrasonic interior sensors
- Tilt sensor
- Independent power supply
- Thatcham approved (T1)

### Instrumentation

- Speedometer
- Rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.

### Driver information display (centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

### Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

### Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

### Seating and comfort

- Reach and rake adjustable steering
- Steering wheel mounted audio controls

### Rear seating

- Three person layout
- Three height-adjustable and removable head restraints
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors

### Heating and ventilation

- Four adjustable facia vents
- Windscreen demist vents
- Side window demist vents

### Convenience features

- Front 12-volt electrical accessory socket
- Driver’s and front passengers sunvisors
- Driver’s and front passenger’s vanity mirrors
- Dipping rear-view mirror

### Interior lighting

- Central front courtesy light
- Central rear courtesy light
- Fade up/fade down
- Twin front reading lights with illuminated switches
- Twin rear reading lights
- Ambient LED facia/centre console downlighter

### Interior storage

- Illuminated glovebox with lid
- Front door pockets with 1.5-litre bottle holder
- Two drinks holders in centre console
- Rear door pockets with 1-litre bottle holder
- Front centre adjustable armrest with 4-litre storage capacity (2.8 litres if optional wireless charger is ordered)

### Luggage area

- Luggage compartment cover (Grand Sport models)
- Luggage compartment retractable cover (Sports Tourer/Country Tourer models)
- Illuminated load area
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts
- Storage tray in spare wheel well

# STANDARD FEATURES

## ALL MODELS

### Exterior lighting features

- LED daytime running lights • LED tail lights
- Automatic lighting control: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions.
- LED side repeat indicators
- Lights-on audible warning: When driver’s door is opened an audible warning sounds to alert the lights have been left on.
- Manual headlight beam levelling: Use to adapt headlight range to the vehicle load to prevent dazzling.
- LED brake lights • High-level LED centre rear brake light • Rear fog light • Reversing light
- Hazard warning lights
- Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
- Welcome lighting: Headlights and tail lights illuminate when the vehicle is unlocked.

### Windscreen wipers

- Two-speed windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe (Sports Tourer/Country Tourer models)

### Door mirrors

- Twin electrically adjustable/heated door mirrors • Manually folding door mirrors

### Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Heated rear window • Solar heat-absorbing windscreen • Tinted windows

### Body styling

- Chrome-effect front grille bar • Body-colour door mirrors
- Chrome-effect upper window trim (excluding Design Grand Sport models)
- Body-colour door handles

## DRIVER ASSISTANCE

	Design/ Design Nav	SRi/ SRi Nav	SRi VX-Line Nav	Tech Line Nav	Elite Nav	GSi Nav	Country Tourer	Price (£) exc. VAT	Price (£) inc. VAT
<div>Driving Assistance Pack One</div> <div>A wide range of class-leading driver assistance and safety features are controlled by the front camera system</div> <div><b>Forward collision alert with automatic city emergency braking</b> In certain circumstances and at speeds above 5mph warns when approaching another vehicle too quickly. At speeds above 5mph and up to 50mph the system provides additional braking support to help the driver brake more quickly and effectively in an emergency situation. On dry roads at speeds above 5mph and up to 25mph the vehicle can brake to a full stop. At speeds above 25mph and up to 50mph, if no avoiding action is taken by the driver, the system automatically slows the vehicle with emergency braking. • Visual warnings – red LEDs projected onto windscreen and visual warning shown in the instrument cluster. • Audible warning • Additional braking support • Low speed collision mitigation braking</div> <div><b>Following distance indicator</b> Indicates how many seconds you are behind the vehicle in front – helping you maintain a safe distance. • Timings are shown in the driver information display • Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver</div> <div><b>Lane departure warning with lane assist</b> If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 35mph. The lane assist function additionally provides gentle steering correction to help drivers keep in their lane if no active inputs are made. • Warning light in the instrument cluster • Audible warning • Steering wheel ‘nudge’ warning • Facia on/off switch</div>	●	●	●	●	●	●	●		
<div>FlexRide (available at extra cost on 2.0 (170PS) Turbo D, standard 1.6 (200PS) Turbo auto and 2.0 (210PS) BiTurbo D 4X4 models)</div> <div>Enables the driver to choose from three distinct driving modes – Normal (default setting), Sport or Tour. • Facia mounted Sport and Tour switches • GSi models include a unique Competition mode</div>	○	○	○	○	○	●	●	708.33	850.00
<div>Driving Assistance Pack Two – Automatic cruise control incorporating automatic brake intervention (not available on 1.6 (110/136) Turbo D models)</div> <div>Automatic cruise control adjusts the vehicle’s speed to maintain a time distance to the preceding vehicle, up to the speed that you have set. On models with automatic transmission the ‘Stop and Go’ function will bring the vehicle to a complete stop and then set off again as the traffic ahead moves away. Automatic brake intervention is active at all speeds above walking pace (2.5mph).</div>		○	○	○	○	○	○	475.00	570.00

## DRIVER ASSISTANCE CONTINUED

	Design/ Design Nav	SRi/ SRi Nav	SRi VX-Line Nav	Tech Line Nav	Elite Nav	GSi Nav	Country Tourer	Price (£) exc. VAT	Price (£) inc. VAT
<b>Driving Assistance Pack Three (only available on Nav models and in conjunction with Power Seat Pack. Includes front and rear parking distance sensors)</b>									
Intelligent ultrasonic sensors form part of the solution for today’s crowded roads and car parks – delivering exceptional assistance both when parking and protecting you on the open road.									
• Electrically foldable door mirrors with puddle lights									
<b>Advanced park assist</b>									
Advanced park assist not only detects suitable parking spaces but also expertly steers into them for you. All you have to do is to drive forward or reverse. The system works with both parallel and bay parking.									
• Ultrasonic side sensors with four-metre range • Ultrasonic front and rear parking sensors with a two-metre range									
• Fully automated steering • On automatic models, braking is automated									
• Detailed forward/reverse instructions are shown in the instrument cluster or central facia display									
<b>Lane change assist with side blind spot alert</b>									
Lane change assist with side blind spot alert helps prevent potential collisions with other vehicles ‘hidden’ in the vehicle’s side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror.		○	○	○	○	○		854.17	1,025.00
• Ultrasonic side sensors identify vehicles within three-metre range • LED warning light in door mirrors, flashes when indicators are used									
• Audible warning is sounded if the indicators are used and the system has detected another vehicle									
• Radar sensors with 70-metre range identify traffic approaching quickly from behind									
<b>360° panoramic camera</b>									
The camera gives a clear view of the area all around your car and helps place the car perfectly, without needing to strain your neck.									
• Activated when reverse gear selected, when switched on manually or when very close to an object ahead of or behind the vehicle									
• Camera views appear in infotainment screen									
• Overhead view displayed on the left side of the screen allows you to see clearly how close you are to obstacles in front of and behind you									
• Right side of the screen displays front or rear view, depending on gear selected • Rear bumper and grid lines shown as reference points									
<b>Rear cross traffic alert</b>									
As you reverse the car, this system detects vehicles approaching from the rear and side.									
• Radar sensors with 20-metre range identify approaching vehicles									
• Warning light in central facia display • Audible warning on relevant side of car									

○ = Optional at extra cost.

# FEATURES/OPTIONS

## EXTERIOR LIGHTING CONTINUED

	Design/ Design Nav	SRi/ SRi Nav	SRi VX-Line Nav	Tech Line Nav	Elite Nav	GSi Nav	Country Tourer	Price (£) exc. VAT	Price (£) inc. VAT
<p><b>IntelliLux LED® Matrix headlights</b></p> <p>IntelliLux LED® Matrix headlights work with the standard Driving Assistance Pack One incorporating front camera system, to provide outstanding lighting performance and enhanced safety. Each headlight features a matrix of 16 individual LED lights. These lights replace both the dipped beam and main beam functions. Each LED illuminates a separate part of the road ahead meaning that by automatically switching lights on and off, illumination is varied to suit traffic and road conditions.</p> <p>The IntelliLux system calculates which LED lights are activated and deactivated using additional data such as ambient light conditions, vehicle speed, steering angle and when the indicators are used. For example, when the front camera system detects an oncoming vehicle, the individual LED lights that would dazzle the oncoming driver are automatically switched off and then switched back on once the vehicle has passed. All other areas remain fully illuminated.</p>									
<p><b>Every type of driving environment has been considered:</b></p> <ul style="list-style-type: none"><li>• Urban light – With street lighting and speeds up to 34mph, the system automatically enhances the dipped beam function.</li><li>• Highway light – The system recognises when the car is on a dual carriageway or motorway. At higher speeds the light distribution on the right is reduced to minimise glare from the crash barriers whilst the left-side beam is lengthened.</li><li>• Country light – As speeds increase, so does the lighting’s performance, illuminating the nearside of the road.</li><li>• Static Cornering light – At lower speeds corners and bends are illuminated to match steering inputs.</li><li>• Parking light – When reversing, additional side-facing lights are activated in the headlights.</li><li>• Tourist mode – The lighting pattern can be adjusted when travelling abroad.</li><li>• Energy saving mode – The IntelliLux LED® Matrix system goes into energy saving mode when the engine is automatically stopped.</li><li>• Dipped beam, main beam and dynamic lighting: 32 electronically controlled LED lights (16 per headlight)</li><li>• Intelligent main beam control • Automatic headlight levelling</li></ul>		○	○	○	●	●	○	1,079.17	1,295.00

**Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. **The maximum roof rack loading** should not exceed 100kg on all models. **The maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 60kg (75kg on Sports Tourer models, 90kg on 2.0 (170PS) Turbo D and 2.0 (210PS) BiTurbo 4x4 models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# SPECIFICATIONS

**Transmission**

**Six-speed manual gearbox**  
Petrol engines: 1.5 (140PS) Turbo, 1.5 (165PS) Turbo and 1.6 (200PS) Turbo models  
Diesel engines: 1.6 (110/136PS) Turbo D and 2.0 (170PS) Turbo D models

**Automatic transmission with ActiveSelect®**  
Six-speed automatic transmission: Optional at extra cost on 1.5 (165PS) Turbo/1.6 (200PS) Turbo/1.6 (136PS) Turbo D models.

Eight-speed automatic transmission: Standard on 2.0 (210PS) BiTurbo D 4X4, optional at extra cost on 2.0 (170PS) Turbo D front-wheel drive models.

The latest generation automatic transmissions available on Insignia, incorporating Start/Stop technology, offer improved fuel economy and refinement over previous versions. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The eight-speed transmission includes a range of driver-selectable modes.

**Four-wheel drive system**  
Standard on Elite Nav 2.0 (210PS) BiTurbo D 4X4, GSi Nav and Country Tourer 4X4 models. The sophisticated four-wheel drive system replaces the conventional rear axle differential with two electronically controlled clutches which allows Insignia to take advantage of the latest torque vectoring technology. This ensures that torque is directed to the wheels with the greatest grip, thus improving handling in all conditions and traction in slippery conditions.

**Braking and stability**

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

**1.5 (140PS/165PS) Turbo**  
Front ventilated discs: 300mm diameter  
Rear discs: 288mm diameter

**1.6 (110PS) Turbo D**  
Front ventilated discs: 300mm diameter  
Rear discs: 288mm diameter

**1.6 (136PS) Turbo D**  
Front ventilated discs: 321mm diameter  
Rear discs: 288mm diameter

**1.6 (200PS) Turbo**  
Front ventilated discs: 300mm diameter  
Rear discs: 288mm diameter

**2.0 (170PS) Turbo D**  
Front ventilated discs: 321mm diameter  
Rear ventilated discs: 315mm diameter

**2.0 (170PS) Turbo D 4X4**  
Front ventilated discs: 321mm diameter  
Rear ventilated discs: 315mm diameter

**2.0 (210PS) BiTurbo D 4X4 (excluding GSi Nav)**  
Front ventilated discs: 321mm diameter  
Rear ventilated discs: 315mm diameter

**2.0 (210PS) BiTurbo D 4X4 GSi Nav**  
Front ventilated discs: 345mm diameter  
Rear ventilated discs: 315mm diameter

**Suspension**

**Front:** Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

**Rear:** Lightweight multi-link (FWD – 4-link; 4X4 – 5-link) with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

- GSi Nav models feature an uprated sports chassis with lower ride height and specially tuned dampers

**FlexRide (Adaptive Stability Technology) system**  
FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour. GSi Nav models include a fourth, unique, Competition mode.

- Sport mode: This stiffens the car’s suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia’s ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

**Body**

Aerodynamic drag co-efficient:  
Cd 0.26

- Steering**
- Speed-sensitive electric power-assisted steering
  - Turning circle (kerb-to kerb):  
– 11.15m (36.6ft.)

**Fuel Tank Capacity**  
62 litres (13.6 gallons)

**Adblue Tank Capacity**  
15 litres (3.3 gallons)

<sup>1</sup>Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. <sup>2</sup>Without transponder. <sup>3</sup>Excludes xenon headlight bulb for models with Adaptive Forward Lighting (AFL). <sup>4</sup>Excludes Country Tourer. <sup>5</sup>Different tyres and locking wheel bolts/nuts may be required at extra cost. Price excludes new tyres and locking wheel bolts/nuts, includes static wheel balancing.

# COMPANY CAR DRIVER AND FLEET INFORMATION

### Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet. Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

### Company Car Driver Free 3 Day Test Drive

Our free\* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE\* test drive or click the link the below:  
[Vauxhall 3 Day Test Drive](#)

\*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](#).

### Benefit in kind company car taxation†

The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%<sup>††</sup> for Basic Rate, 40%<sup>††</sup> for Higher Rate) to calculate your annual benefit in kind tax liability.

#### Example:

Insignia Tech Line Nav 1.6 (110PS) Turbo D ecoTEC Grand Sport (CO <sub>2</sub> emissions 116g/km)	
On-the-road RRP	£23,405.00

††Excludes residents of Scotland.

#### BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

#### The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

### Benefit in kind company car taxation table

CO <sub>2</sub> emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel <sup>‡</sup> 2019-20 tax year	Diesel <sup>‡‡</sup> 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37

# FURTHER INFORMATION

### On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

### Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

### Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit [www.vauxhall.co.uk/leasing](http://www.vauxhall.co.uk/leasing)

### In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [www.vauxhall.co.uk/AccidentManagement](http://www.vauxhall.co.uk/AccidentManagement)

### Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

### Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate		Standard rate
		Petrol <sup>#</sup>	Diesel <sup>†</sup>	
A	0	£0	£0	£0
B	1–50	£10	£25	£145
C	51–75	£25	£110	£145
D	76–90	£110	£130	£145
E	91–100	£130	£150	£145
F	101–110	£150	£170	£145
G	111–130	£170	£210	£145
H	131–150	£210	£530	£145
I	151–170	£530	£855	£145
J	171–190	£855	£1,280	£145
K	191–225	£1,280	£1,815	£145
L	226–255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

\*Correct at time of issue.

<sup>#</sup>Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

<sup>†</sup>Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# FURTHER INFORMATION

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. With Vauxhall Assistance help is literally just a free\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)
