New Insignia’s petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months’ Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Safety

Standard Features – The following features are standard across the entire New Insignia range.

Airbags

- Driver’s airbag
- Front passenger’s airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Height-adjustable front head restraints
- Three height-adjustable rear seat head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- ‘Seatbelt unfastened’ audible warning and warning light

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear.

Braking

- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel.
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.

Tyre pressure

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger’s front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries. The active bonnet travels backwards and upwards to help prevent impact between pedestrian’s head and underbonnet components.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire New Insignia range.
Specific features by model are outlined in the separate tabular information.

- Cruise control with speed limiter**
With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.
- Front camera system**
A range of class-leading driver assistance and safety features are controlled by the front camera system.
- Forward collision alert**
Calculates the distance of vehicles ahead and pedestrians and warns the driver in case of a possible collision. The driver can choose the preferred distance.
- Visual warnings – Red LEDs projected onto windscreen and visual warning shown in the instrument cluster.
 - Audible warning
- Parking sensors**
- Front and rear parking distance sensors

- Lane departure warning with lane assist**
If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.
- Warning light in instrument cluster
 - Facia on/off switch
- Automatic emergency braking with pedestrian detection**
Uses either the camera or radar to detect foreign objects and pedestrians and slows down or brakes the vehicle.
- Helps prevent fatal collisions at lower speeds and lets drivers drive with greater reassurance.
- Traffic sign recognition**
Uses the front camera to detect all types of road signs.
- Informs and reminds drivers of current speed limits, conditions and laws
 - Displays country-specific signs for Europe

- Following distance indicator**
Indicates how many seconds you are behind the vehicle in front – Helping you maintain a safe distance.
- Timings are shown in the driver information display
 - Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver
- Electric parking brake**
- Centre console switch in lieu of handbrake lever
 - Premium centre console featuring adjustable armrest
- Steering**
- Dual pinion electrical power steering
- Wipers**
- Rain-sensitive windscreen wipers
- Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Driver Information and Security

Standard Features – The following features are standard across the entire New Insignia range.
Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy.

Driver information display (centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Security

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
- Ultrasonic interior sensors
- Tilt sensor
- Independent power supply
- Thatcham approved (T1)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Braked towing weight is applicable to vehicles fitted with a Retailer-fit Accessory tow bar. †Braked towing weight is applicable to vehicles fitted with optional Factory-fit tow bar.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

Six-speed manual gearbox

Diesel engines: 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D

Eight-speed Automatic transmission

Available on 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D.

Nine-speed Automatic transmission

Available on 2.0 (200PS) Turbo. The new 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered to help reduce the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight 4-link with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of four distinct driving modes – Normal (default setting), Sport, Tour and Competition mode.

- Sport mode: This stiffens the car’s suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia’s ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Braking and stability

- Dual pinion electrical power steering

Fuel Tank Capacity

62 litres (13.6 gallons)

AdBlue® Tank Capacity

15 litres (3.3 gallons)

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

VX_INS_30945

VX_INS_30946

Loadspace Dimensions	
Load floor length (rear seats folded)	1937 (76.3)
Load floor length (behind rear seats)	1133 (44.6)
Load area width	1030 (40.5)
Load area height	722 (28.4)
Tailgate aperture height	557 (21.9)

Luggage Capacities* Litres (cu.ft.)	
Rear seat up (under luggage compartment cover)	490 (17.3)
Rear seat down (measured to roof)	1450 (51.1)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.
¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your **free*** test drive or click the link the below:
[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](#).

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Insignia SE Nav 1.5 (122PS) Turbo D (CO₂ emissions 121g/km)

On-the-road RRP	£24,330.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24,095.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£24,695.00
Car benefit charge 2021–22 tax year (28%)	£6,915.00
Benefit in kind tax liability (2021–22 tax year)	
Basic Rate (20%) tax payer	£1,383.00
Higher Rate (40%) tax payer	£2,766.00

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%
65–69	17%
70–74	18%
75–79	19%
80–84	20%
85–89	21%
90–94	22%
95–99	23%
100–104	24%
105–109	25%
110–114	26%
115–119	27%
120–124	28%
125–129	29%
130–134	30%
135–139	31%
140–144	32%
145–149	33%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months’ Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [vauxhall.co.uk/AccidentManagement](https://www.vauxhall.co.uk/AccidentManagement)

Free2Move Lease

Whether you’re a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK’s largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [vauxhall.co.uk/offers-finance/business-leasing.html](https://www.vauxhall.co.uk/offers-finance/business-leasing.html)

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the ‘standard rate’. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1–50	£10	£155
C	51–75	£25	£155
D	76–90	£115	£155
E	91–100	£140	£155
F	101–110	£160	£155
G	111–130	£180	£155
H	131–150	£220	£155
I	151–170	£555	£155
J	171–190	£895	£155
K	191–225	£1,345	£155
L	226–255	£1,910	£155
M	Over 255	£2,245	£155

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall’s commitment to the environment is demonstrated by our products’ many environmental awards. For even more information on Vauxhall’s efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall’s life with fixed monthly payments for the plan duration.

- **3 years’ Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years’ Vauxhall Roadside Assistance** – first year from us
- **First years’ MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it’s free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall’s aged 2-3 Years = 15% off parts and labour
- Vauxhall’s aged over 3 Years = 25% off parts and labour
- Half price MOT’s (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary ‘Wash and Vac’ with all routine services[†]
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer^{††}
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover
