About this brochure

This is an interactive brochure which allows you to browse it in the same way as you might browse a website. Just click on buttons and links and they'll take you to other parts of the brochure. For example, you can click any of the contents above to jump straight to the section, and you can click on the home button at any point to bring you back to the contents page. You can explore and discover even more about the New Vivaro Life in the integrated price and spec guide at the end of the brochure.

Discover the rest of the Vauxhall range at [vauxhall.co.uk](https://www.vauxhall.co.uk) >

FOR WORK OR PLAY

Introducing the Vivaro Life passenger vehicles. Work or play, they're functional but stylish and totally fit for purpose.

VIVARO LIFE EDITION

The perfect passenger carrier, with optional seating for up to nine and a choice of two lengths plus a generous luggage space, making it an ideal crew transport vehicle or taxi.

VIVARO LIFE ELITE

Your go-anywhere family car that's packed with luxury features the whole family will love. Not to mention flexible seating for up to eight plus all the driver assistance and safety features you need for safer, more comfortable driving.

So, whether it's a daily shuttle run or your next big family getaway, the Vivaro Life range will get you there in style and total comfort.

HIGHLIGHTS

- 1** Striking Vauxhall design meets engineering precision.
- 2** Choose your Vivaro Life Elite in one of two different sizes, each cleverly packaged to maximise interior space.
- 3** Available with up to eight seats, the Vivaro Life Elite can be configured to fit your precise demands.
- 4** Don't let its size deceive – the Vivaro Life's handling is agile and dynamic.
- 5** Let the light in and transform the cabin ambience with the panoramic glass roof.
- 6** Heated front seats with massage function do the trick when the weather gets cold.
- 7** A range of advanced assistance technology, makes life simple and keeps your day on track.

NO FUSS. NO FAFF.

Meet all the clever features and practical solutions that help make your life a little easier. Like dual electric sliding doors for getting in and out of the rear cabin, with intelligent sensors that give you hands-free access. A must-have for busy families and outdoor adventurers.

Opening Rear Window

A handy opening rear window gives you quick and easy access to your luggage space.

NEXT-LEVEL VERSATILITY

A versatile yet sophisticated people carrier, with enough space for the whole family and more, that's your new Vivaro Life Elite.

Engineered to be totally flexible, it can be specified with up to eight seats according to your family with various seating configurations to suit your needs.

MAKE TRAVEL MORE FLEXIBLE

The Vivaro Life Elite can be as versatile as you like. Flexible seating for five comes as standard. If there's more of you to accommodate then you can extend that to eight by simply adding a third row of seats. Equally as flexible, and at no extra cost, so why not?

The second and third-row seats slide forward or back on rails and fold down or remove to create extra legroom or luggage space. The second-row single seat also flips up to allow easy access to the third row.

If you prefer, the Elite can also be specified as a six-seater with two individual swivelling passenger seats in row 2 for enhanced, lounge-like comfort. You can even add a fold down table.

So whatever configuration for your Vivaro Life you choose, it'll be perfect for anything your routine calls for.

Carry up to eight people in comfort with up to 4500 litres of luggage space with all the seats removed.

7-seater with single seats in the second-row for enhanced lounge-like comfort in the rear. A fold-away table is also optional.

The image shows the interior of a modern van, specifically the second row of seats. The seats are black with a leather-like texture and are arranged in a face-to-face configuration. A central table is extended between the seats, providing a surface for passengers. The van has large windows and a sunroof, allowing for bright natural light. The overall design is clean and functional, emphasizing comfort and convenience for long trips.

WE THOUGHT OF EVERYTHING

Face-to-Face Seating

Long road trip or day out planned? Vivaro Life Elite's individual second-row seats can face forward or be rotated for face-to-face travel. Pull out the centre table and you have a handy surface for everything you need to keep them entertained; games, books and snacks.

1. Dashboard Storage: Whether you need to store snacks, bottles, stationery or other everyday items, take advantage of an upper glovebox (which can be illuminated and chilled) and a lower shelf with 12v power aux-in and USB sockets, plus numerous other interior storage compartments.

2. Tablet & Phone Holder: Keep your smartphone and tablet in view and handily fixed in position with secure dashboard-mounted holders, also with USB charging.

3. Computer Charging: Stay plugged in and charged-up on the go with USB capability in the front for driver and passenger, and a useful 12v power socket front and rear – plus a useful 220v socket for the second-row.

4. Cup Holders: With storage for 1.5l bottles in the front door pockets, and handy cup holders in the seat-back tables, staying hydrated has never been easier.

COOL, CALM, CONNECTED

Vivaro Life Elite's beautifully designed cabin puts a host of smart technology right at your fingertips; an intuitive 7-inch touchscreen, Android Auto®, Apple CarPlay® and super smart navigation system. Vauxhall Connect and panoramic rear-view camera are a welcome addition too.

INTUITIVE TECHNOLOGY

1. 180° Panoramic Rear-View Camera: Make parking and other tight city manoeuvres entirely stress-free with the 180° Panoramic Rear-View Camera.

2. Vauxhall Connect: Enjoy peace of mind with a range of driver safety and security systems. e-call with automatic emergency response is the first service to be introduced with more to follow during 2019. Watch this space.

3. Touchscreen Navigation: Your time is precious – reach your destination quickly and intuitively with Multimedia Navi Pro and the Vivaro Life Elite's 7-inch touchscreen.

A SUPERIOR DRIVE

Inside, the Vivaro Life Elite is focused around comfort and enjoyment. Drivers will enjoy a commanding driving position, agile handling, and a host of smart driver assistance systems that make every drive smoother.

Pair this with creature comforts like ergonomic heated front seats with massage facility and panoramic roof, and you have the ultimate luxury lounge on wheels.

Panoramic Roof

Located above the second row of seats, the stunning panoramic roof lets the light in, transforming the atmosphere of the cabin. When day turns to night, observe the stars or slide down the blinds so your passengers can recline and relax.

Vivaro Life Edition

BUILT FOR BUSINESS

There's no end to the Vivaro Life's versatility. The model also comes available as a functional crew vehicle; the Vivaro Life Edition. Available in two lengths, this stylish and multi-functional passenger carrier is perfect for use as a work transportation vehicle or taxi, thanks to the abundance of flexible seating and generous loadspace.

ROW 1

Individual passenger seat or two-seat bench with 4.5cu.m of loadspace.

ROW 2

Second row, three-seat fixed bench with up to c2.7cu.m of usable luggage space.

ROW 2 and 3

Second-row, two-seat bench with a folding seat and a third-row, three-seat fixed bench with up to c1.2cu.m of usable loadspace.

Seating from five to eight passengers and c1.2-2.7cu.m of usable luggage space.

Vivaro Life Edition

FLEXIBLE SEATING

The Vivaro Life Edition comes with various seating configurations. In the front choose from an individual passenger seat or bench for two. The second-row option features a fixed three-seat bench giving you room for up to five passengers in total. If it's room for up to eight you need then the second and third-row option has it covered. There's a second-row bench with an individual fold and tumble single seat giving easy access to the third-row fixed bench seat.

DRIVER ASSISTANCE

Make your daily drive a doddle with Vivaro Life's range of state-of-the-art driver assistance and safety features. Best of all, you'll get a whole host as standard on the Vivaro Life Elite, including keyless open and start, automatic headlights and blind spot alert.

Additional safety features can be grouped together and bought as packs, making it easy to add the level of security and protection you need.

IN CONTROL AND OUT OF HARM'S WAY

- 1. Keyless Open and Start:** Just get in and go without needing to locate your car keys – as long as they're in your pocket, bag or somewhere close.
- 2. Smart Beam:** Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.
- 3. Head-Up Display:** See vital info such as speed and cruise control data projected in the driver's line of sight on the Head-Up Display.
- 4. Rear-view Camera:** Gives you a helping hand with a top-view image of the area around the car via the 180° Panoramic Rear-View Camera to make parking as simple as possible.
- 5. Blind Spot Alert:** Uses sensors and a visual projection on the wing mirrors, alerting the driver of vehicles in the car's blind spot to prevent accidents in overtaking situations.

LOOKING OUT FOR YOU

- 1. Driver Drowsiness Alert:** Monitors the time you have been behind the wheel and analyses your driving patterns via the front camera and steering wheel movements to let you know when it's time to take a quick break.
- 2. Forward Collision Warning:** Scans the road ahead to alert the driver to the potential for a collision with vehicles or pedestrians.
- 3 Automatic Emergency Braking:** Takes action to avoid an accident, applying the brakes automatically in case of potential collision.
- 4. Speed Limit Adaptation:** Uses Speed Sign Recognition to analyse changes in the speed limit. With one push of the memory button, allow cruise control to adjust your speed accordingly.
- 5. Lane Departure Warning:** Recognises when the vehicle is at risk of drifting out of lane and alerts the driver via audio and visual cue.

LET'S GO

The Vivaro Life takes you further on a single tank with a range of powerful yet frugal engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.

READY FOR THE CITY

Despite its generous dimensions, the Vivaro Life remains wonderfully agile and totally at home in the city. A choice of two lengths gives you flexibility to choose the size to suit you.

DRIVING FEATURES

Eight-Speed Auto

A smooth and ultra-efficient eight-speed auto will take you further in complete stress-free comfort.

IntelliGrip

The Vivaro Life's IntelliGrip system provides extra levels of traction on difficult surfaces such as mud, sand or snow.

SIT BACK, RELAX...

Every element of the Vivaro Life Elite's refined interior has been designed to make the driving experience more rewarding than ever before. You'll enjoy full leather seats, front and back. As well as ergonomic heated front seats with a massage function for those moments you need to unwind.

1. Carla black leather seats – Elite
2. Black vinyl seats with Curitiba fabric inserts – Edition.

COLOURS

Take your pick from eight eye-catching colours.

1. Jade White
2. Flaming Red¹
3. Diamond Black
4. Quartz Grey Metallic
5. Moonstone Grey Metallic
6. Cool Grey Metallic
7. Rich Oak Brown Metallic
8. Amber Red Metallic

¹. Available on Vivaro Life Edition only

ACCESSORIES ADVENTURE-READY

Vauxhall's range of original accessories has been designed to make the Vivaro Life the ultimate partner in adventure, whether you're headed for the country with bikes or to the beach with camping equipment. Find the perfect accessories to match your family's active lifestyle.

1. Bike Carrier: Single aluminium bike carriers can be easily attached to roof bars to carry one bike each. Easily secured in place with detachable adjustable straps for quick and easy loading and unloading of bikes.

2. Wind Deflectors: Equip the front doors of the Vivaro Life with a set of two wind deflectors. Transparent, designed to clip into place, and make driving in rainy conditions with the window open easy.

3. Roof carrier system: There's a range of Thule products available from roof boxes to bike carriers that are easily fitted to the cross bars of the base carrier system.

4. Splash guards: The essential accessory designed to protect the lower bodywork against stone chips, grit and other road material.

5. Floor Mats: Rubber or carpet mats, designed to be easily cleaned so you can keep the interior of your Vivaro Life looking sharp.

AND FINALLY...

The Vivaro Life Elite; where safety and efficiency meets the highest standards of Vauxhall engineering and design precision. The result? A family car which exceeds expectations at every turn.

Driver Safety Pack <ul style="list-style-type: none"> • Cruise control with intelligent speed adaptation • Forward collision alert with automatic emergency braking and pedestrian detection • 3.5-inch colour information display 	B26		○	375.00	450.00
Airbag Driver and front passengers airbag: <ul style="list-style-type: none"> • Driver and front passenger's airbag with deactivation switch • Driver and front passengers' curtain and side-impact airbags 		●			
Driver and front passenger's airbags: <ul style="list-style-type: none"> • Driver and front passenger's airbag with deactivation switch • Driver and passengers' curtain and side-impact airbags in first and second rows 			●		
Stability Electronic Stability Programme-plus (ESP-plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●		
Tyre pressure <ul style="list-style-type: none"> • Tyre pressure monitoring system 		●	●		
Braking Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●		

● = Standard equipment. ○ = Optional at extra cost.

Tyre rating according to EU Regulation 1222/2009

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

**Correct at time of publication.

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

SPECIFICATIONS

Transmission

Six-speed manual gearbox:

- Front-wheel drive • Transverse engine/gearbox

Eight-speed automatic transmission:

- Front-wheel drive • Transverse engine/gearbox

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive.

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.

Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

Brakes

Front ventilated disc brakes:

- 304mm x 28mm

Rear disc brakes:

- 290mm x 12mm

Fuel tank capacity

- 70 litres (15.4 gallons)

Adblue® tank capacity

- 22.5 litres (4.95 gallons)

Start/stop technology

New Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
LIFE EDITION M (MEDIUM) EURO 6D TEMP (6.2)		
1.5 (100PS) Turbo D S/S	2830	1400
2.0 (120PS) Turbo D S/S automatic	3100	1800
LIFE ELITE M (MEDIUM) EURO 6D TEMP (6.2)		
2.0 (150PS) Turbo D S/S	3085	tba
2.0 (180PS) Turbo D S/S automatic	3100	1800
LIFE EDITION L (LONG) EURO 6D TEMP (6.2)		
1.5 (120PS) Turbo D S/S	2830	1400
2.0 (120PS) Turbo D S/S automatic	3100	1800
LIFE ELITE L (LONG) EURO 6D TEMP (6.2)		
2.0 (150PS) Turbo D S/S	3100	tba
2.0 (180PS) Turbo D S/S automatic	3100	1800

S/S = Start/Stop.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 170kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

DIMENSIONS

Loadspace Dimensions millimetres (inches)	M (MEDIUM)	L (LONG)
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)

COMPANY CAR DRIVER AND FLEET INFORMATION

Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%^{††} for Basic Rate, 40%^{††} for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO₂ emissions 128g/km)	
On-the-road RRP	£29,065.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
Effective list price	£28,805.00
Add: Optional two-coat metallic paint	£545.00
List price for tax purposes (P11D value)	£29,350.00
Car benefit charge 2018-19 tax year (30%)	£8,805.00
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1,761.00
Higher Rate (40%) tax payer	£3,522.00

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

Benefit in kind company car taxation table

CO ₂ emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel [‡] 2018-19 tax year	Diesel ^{‡‡} 2018-19 tax year
Up to 50	13	17
51-75	16	20
76-94	19	23
95-99	20	24
100-104	21	25
105-109	22	26
110-114	23	27
115-119	24	28
120-124	25	29
125-129	26	30
130-134	27	31
135-139	28	32
140-144	29	33
145-149	30	34
150-154	31	35
155-159	32	36

FURTHER INFORMATION

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate		
		Petrol [#]	Diesel [†]	Standard rate
A	0	£0	£0	£0
B	1-50	£10	£25	£140
C	51-75	£25	£105	£140
D	76-90	£105	£125	£140

K	191-225	£1,240	£1,760	£140
L	226-255	£1,760	£2,070	£140
M	over 255	£2,070	£2,070	£140

*Correct at time of issue.

[#]Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

[†]Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

FURTHER INFORMATION

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 100,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Five years body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply. Please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

*Mobile phone users will be charged at their standard tariff.

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.

Conversions

Vauxhall's integration within the PSA Group has brought significant benefits, and this is especially true of light commercial vehicles. PSA Group is Europe's largest manufacturer of light commercial vehicles and has a definitive strategy in place to further strengthen this position.

One aspect of this strategy is the new conversion portal for all PSA Group brands. This significantly improves the transparency and response of all communication with body-builders, and converters:

www.converters-and-groupe-psa.com

This website contains complete technical guidelines necessary to convert Vauxhall commercial vehicles – New Combo (K9), New Vivaro (K0) and Movano (X62). All vital and fundamental information is now located in one place:

- Conversion Guidelines
- Technical Data
- 3D CAD (coming)
- WLTP guidance
- Body shell ordering

Additionally there is a new Q&A service for technical questions, and the new conversion approval process will also be managed through this portal.

Any converter of Vauxhall product should create an account on this portal including those using IVA as approval process. In fact WLTP will make this necessary.

The Vauxhall data repository (on VX website) has now been closed, and any visitors are referred to the new site.

Take the next step:
