How to use this brochure

This brochure showcases some of the highlights of Vivaro-e Life. You can also click through to our detailed Price and Specification Guide should you require further details. Please note that some of the vehicles shown feature options available at extra cost.

Please note, due to ongoing shortages in the global supply chain, some Vivaro models may be built with reduced levels of standard equipment. Please consult your supplying Retailer for further details.

For work or play

Introducing the 100% electric Vivaro-e Life passenger vehicles. Work or play, they're functional but stylish and totally fit for purpose.

The Combi is the perfect passenger carrier. Seating for up to nine and a choice of two lengths plus a generous luggage space, make it an ideal crew transport vehicle or taxi.

The Vivaro-e Life Elite. Your go-anywhere family car that's packed with luxury features the whole family will love. 100% electric and totally emission-free. Not to mention flexible seating for up to eight plus all the driver assistance and safety features you need for safer, more comfortable driving.

So, whether it's a daily shuttle run or your next big family getaway, the Vivaro-e Life range will get you there in style and totally electrified comfort.

Highlights

- 1** All-electric power with a 143 mile range with little or no compromise.
- 2** Choose your Vivaro-e Life Elite in one of two different sizes, each cleverly packaged to maximise interior space.
- 3** Available with up to eight seats, the Vivaro-e Life Elite can be configured to fit your precise demands.
- 4** Don't let its size deceive – the Vivaro-e Life's handling is agile and dynamic.
- 5** Let the light in and transform the cabin ambience with the panoramic glass roof.
- 6** Heated front seats with massage function do the trick when the weather gets cold.
- 7** A range of advanced assistance technology, makes life simple and keeps your day on track.

Vivaro-e Life

Plug in versatility

The all-electric Vivaro-e Life means real-world people carrier versatility for those full-on family adventures with little or no compromise. It leads the way with zero emissions and a 143 mile range with up to an 80% charge possible in as little as 30 minutes.

Vehicle range
up to 143 miles*

Charging
up to 80% in
30 minutes*

*The Vivaro-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle payload and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. You can obtain 0-80% of the vehicle charge in as low as 30 minutes from a 100kW rapid charging station. Rapid charging stations are widely available across the UK at various locations and their power rating varies, typically from 50kW and sometimes up to 350kW. The charging time may vary according to the type and power of the charging station, the outside temperature at the charging point and the battery temperature. For more information, contact your local Vauxhall Retailer.

Run electric, no compromise

- 1. Charging options:** Simple to charge, with a 50kWh battery pack and a 7.5 kW on-board charger. Opt for the larger 11kW version and charge up in as little as 30 minutes using a DC rapid charger.
- 2. Electric efficiencies:** Not only capable of seating eight in comfort with all the luggage, zero emissions also mean no urban congestion charges.
- 3. Specific electric LCV connectivity:** Monitor essential info using the in-cab 3.5-inch digital display. Set delayed charging cycles, search for charging stations and a set navigation route, all from a smartphone app. It's as simple as that.
- 4. Driving experience:** A unique driving experience with car-like ride and handling. An exceptional 260Nm of torque and a powerful 136PS. And an automatic transmission with compact auto shifter plus the ability to switch between three driving modes: ECO, Normal and Power. With the braking mode activated, regenerative braking is increased to help to recharge the batteries.

Let's go

The Vivaro-e Life has a unique driving experience with car-like ride and handling. With an exceptional 260Nm of torque and a powerful 136PS it's simple to drive through an all-electric, single-speed automatic drive unit. And with up to 143 miles without having to plug in, there's nothing else like it.

No fuss. No faff.

Meet all the clever features and practical solutions that help make your life a little easier. Like dual electric sliding doors for getting in and out of the rear cabin, with intelligent sensors that give you hands-free access. A must-have for busy families and outdoor adventurers.

Opening Rear Window

A handy opening rear window gives you quick and easy access to your luggage space.

Next-level versatility

A versatile yet sophisticated people carrier, with enough space for the whole family and more, that's your new Vivaro-e Life Elite.

Engineered to be totally flexible, it can be specified with up to eight seats according to your family with various seating configurations to suit your needs.

Make travel more flexible

With flexible seating for eight, the Vivaro-e Life Elite can be as versatile as you like. And, with up to 1300 litres of usable load space behind the third-row seats there's always room for everyone and everything.

The second and third-row seats slide forward or back on rails and fold down or remove to create extra legroom or luggage space. The second-row single seat also flips up to allow easy access to the third row.

If you prefer, you can also order your new Vivaro-e Life Elite as a seven-seater with two individual second-row seats that can be lifted and reversed to face to the rear. You can even add an optional fold-out table for when you all need to take that well-earned break from the holiday traffic.

So whatever configuration for your Vivaro-e Life you choose, it'll be perfect for anything your routine calls for.

VX_VIVL_29488

Carry up to eight people in comfort with up to 4500 litres of luggage space with all the seats removed.

VX_VIVL_29490

7-seater with single seats in the second-row for enhanced lounge-like comfort in the rear. A fold-away table is also optional.

We thought of everything

Face-to-Face Seating

Long road trip or day out planned? Vivaro-e Life Elite's individual second-row seats can face forward or be lifted and rotated for face-to-face travel. Pull out the centre table and you have a handy surface for everything you need to keep them entertained; games, books and snacks.

- 1. Dashboard Storage:** Whether you need to store snacks, bottles, stationery or other everyday items, take advantage of an upper glovebox (which can be illuminated and chilled) and a lower shelf with 12v power aux-in and USB sockets, plus numerous other interior storage compartments.
- 2. Tablet & Phone Holder:** Keep your smartphone and tablet in view and handily fixed in position with secure dashboard-mounted holders, also with USB charging.
- 3. Computer Charging:** Stay plugged in and charged-up on the go with USB capability in the front for driver and passenger, and a useful 12v power socket front and rear – plus a useful 220v socket for the second-row.
- 4. Cup Holders:** With storage for 1.5l bottles in the front door pockets, and handy cup holders in the seat-back tables, staying hydrated has never been easier.

Cool, calm, connected

Vivaro-e Life Elite's beautifully designed cabin puts a host of smart technology right at your fingertips; an intuitive 7-inch touchscreen, Android Auto™, Apple CarPlay and super smart navigation system. Vauxhall Connect and panoramic rear-view camera are a welcome addition too.

Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Intuitive technology

1. 180° Panoramic Rear-View Camera: Make parking and other tight city manoeuvres entirely stress-free with the 180° Panoramic Rear-View Camera.

VX_VIVL_29519

2

VX_VIVL_29518

2. Vauxhall Connect: Peace of mind when you need it, and so much more, 24/7, 365 days a year. In an emergency or breakdown you can call up help at the touch of a button. You can access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

3. Touchscreen Navigation: Your time is precious – reach your destination quickly and intuitively with Multimedia Navi Pro and the Vivaro Life Elite's 7-inch touchscreen.

VX_VIV_29472

A superior drive

Inside, the Vivaro-e Life Elite is focused around comfort and enjoyment. Drivers will enjoy a commanding driving position, agile handling, and a host of smart driver assistance systems that make every drive smoother.

Pair this with creature comforts like ergonomic heated front seats with massage facility and panoramic roof, and you have the ultimate luxury lounge on wheels.

Panoramic Roof

Located above the second row of seats, the stunning panoramic roof lets the light in, transforming the atmosphere of the cabin. When day turns to night, observe the stars or slide down the blinds so your passengers can recline and relax.

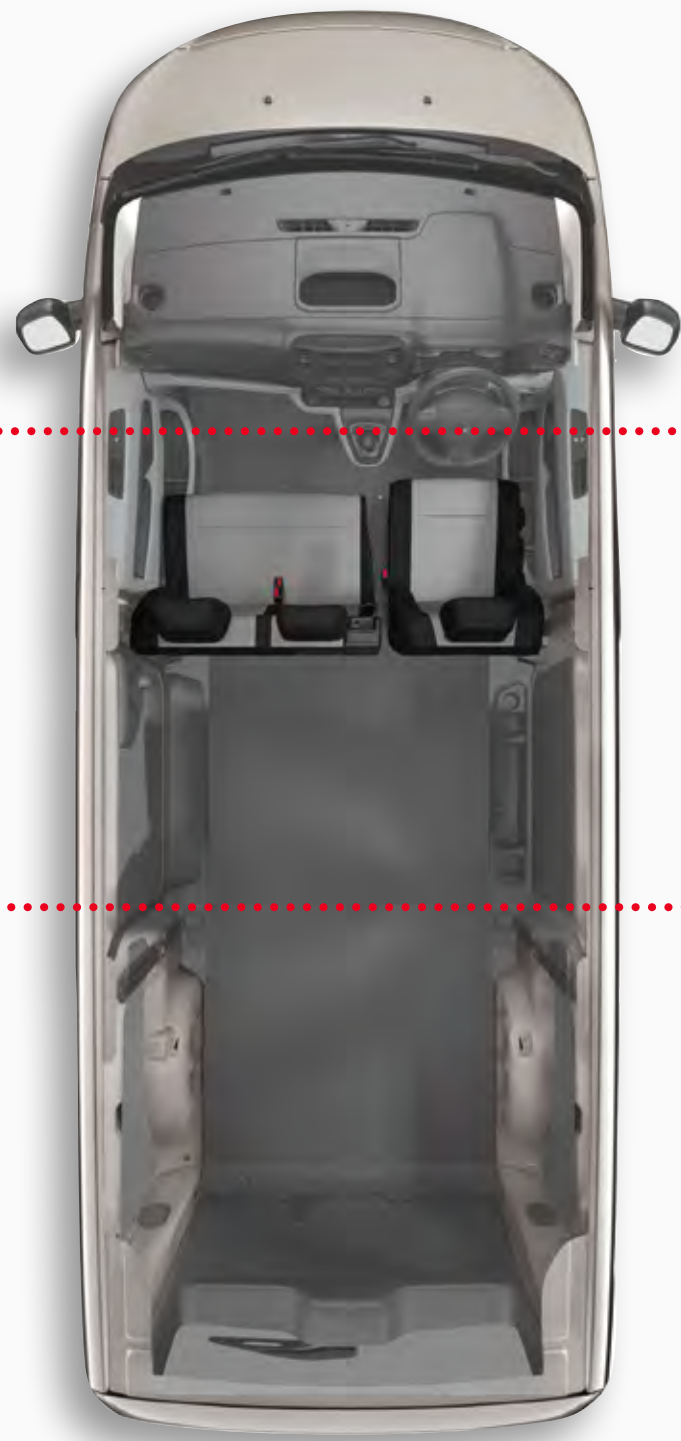

Vivaro-e Life Combi

Built for business

There's no end to the Vivaro-e Life's versatility. The model also comes available as a functional crew vehicle; the 100% electric Vivaro-e Life Combi. Available in two lengths, this stylish and multi-functional 9-seater passenger carrier is perfect for use as a work transportation vehicle or taxi, thanks to the abundance of flexible seating and generous loadspace.

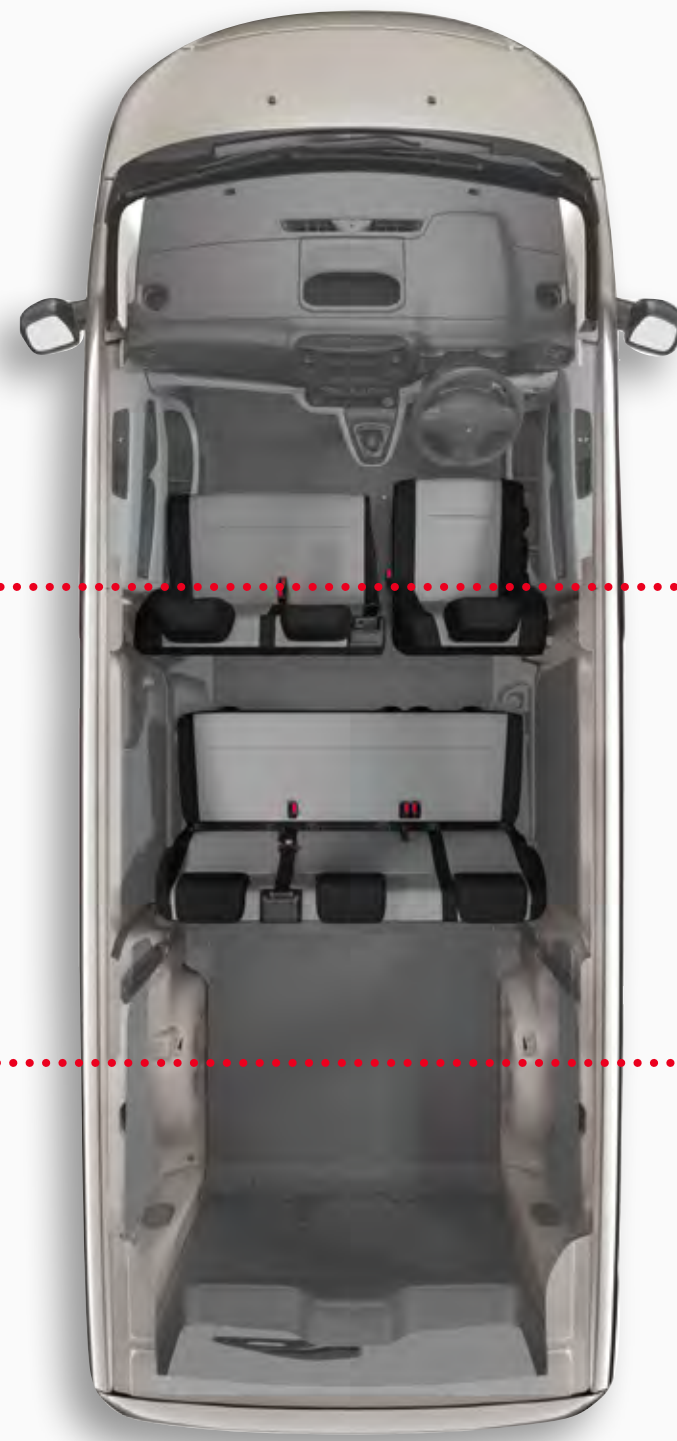

ROW 1

VX_VIVL_29563

Two-seat bench with 4.5cu.m of loadspace.

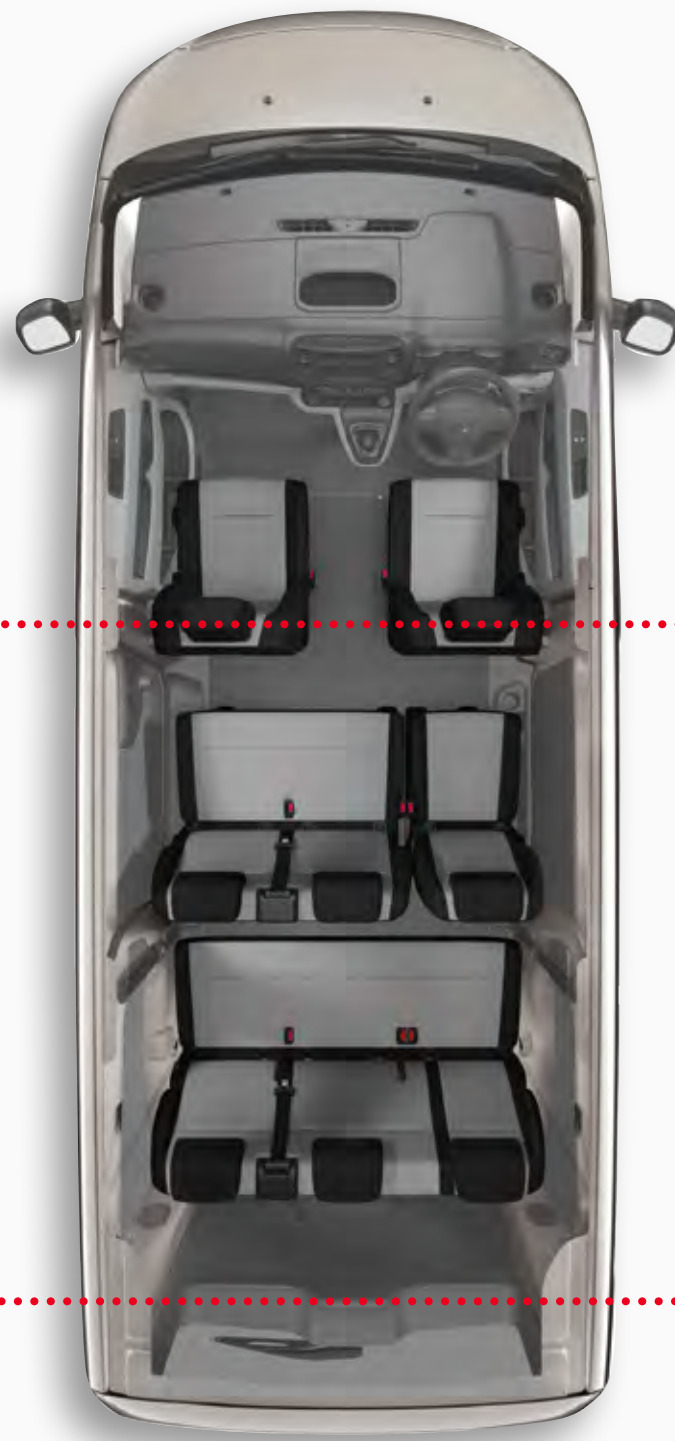

ROW 2

VX_VIVL_29565

Second row, three-seat fixed bench with up to c2.7cu.m of usable luggage space.

ROW 2 and 3

VX_VIVL_29567

Second-row, two-seat bench with a tilting single seat and a third-row, three-seat fixed bench with up to c1.2cu.m of usable loadspace.

VX_VIVL_29566

Seating from six to eight passengers and c1.2–2.7cu.m of usable luggage space.

Vivaro-e Life Combi

Flexible seating

The Vivaro-e Life model comes as a nine-seater as standard. In the front there's a bench for two alongside the single driver's seat. The second-row features a 60/40 split-fold three-seat bench with an individual tiltable single seat giving easy access to the third-row. The third row is a fixed three seat bench with additional loadspace behind. A space that remains uncompromised as the battery pack is securely fitted underneath the floor.

Driver assistance and safety

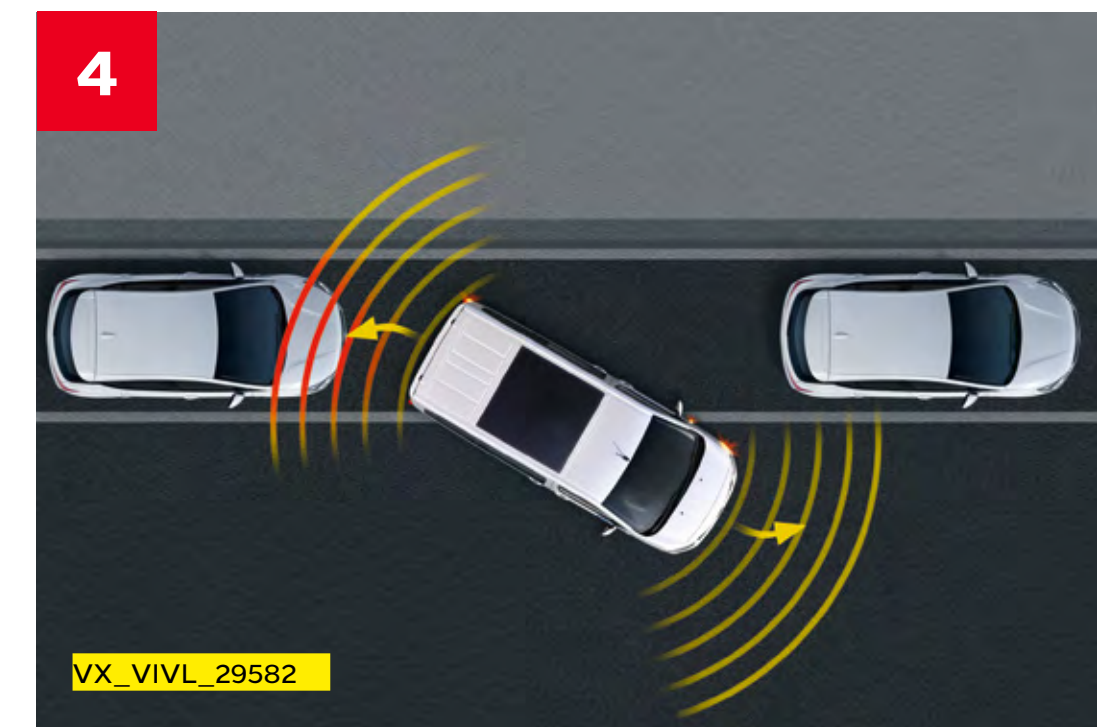

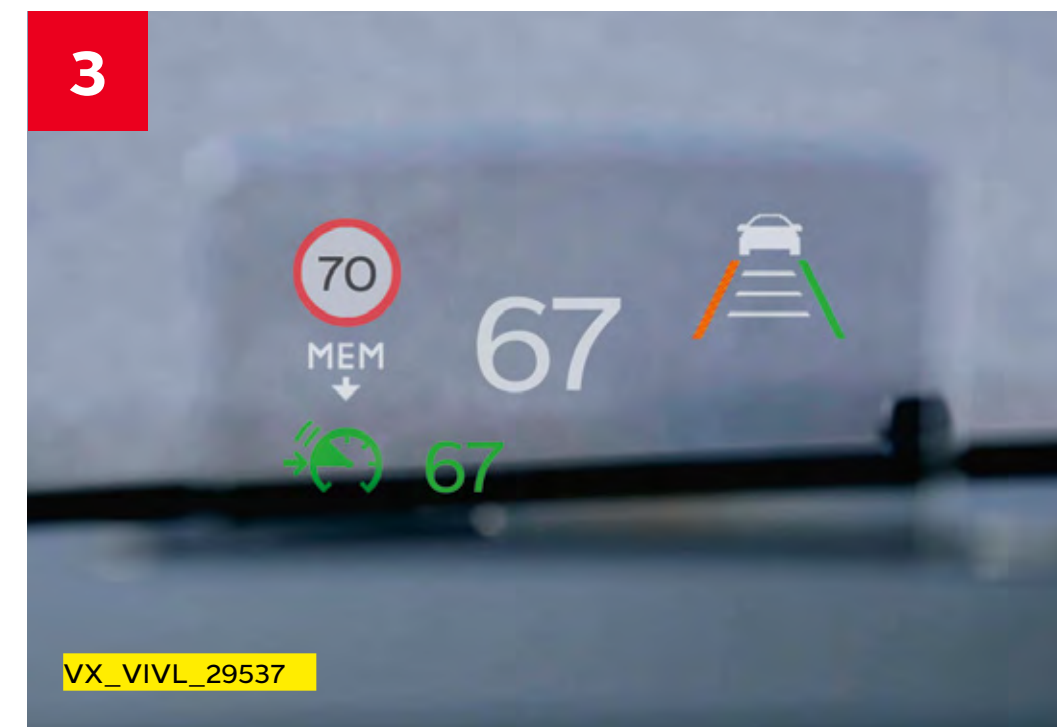

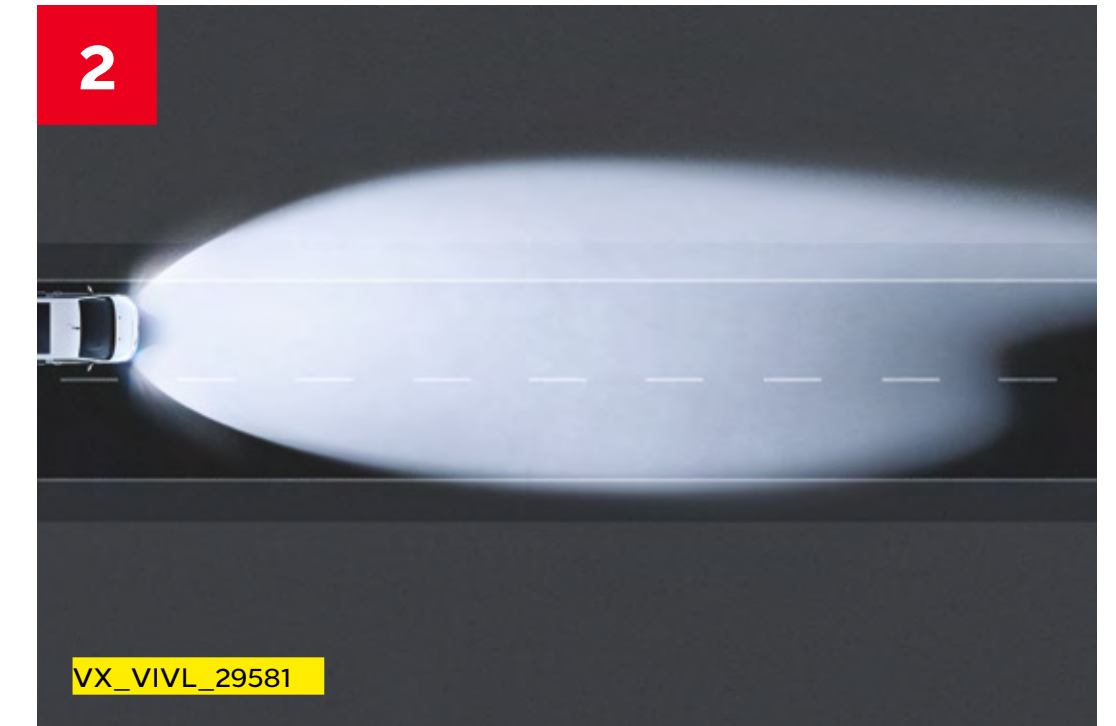

Make your daily drive a doddle with Vivaro-e Life's range of state-of-the-art driver assistance and safety features. Best of all, you'll get a whole host as standard on the Vivaro-e Life Elite, including keyless entry and start, automatic headlights and blind spot alert.

Additional safety features can be grouped together and bought as packs, making it easy to add the level of security and protection you need.

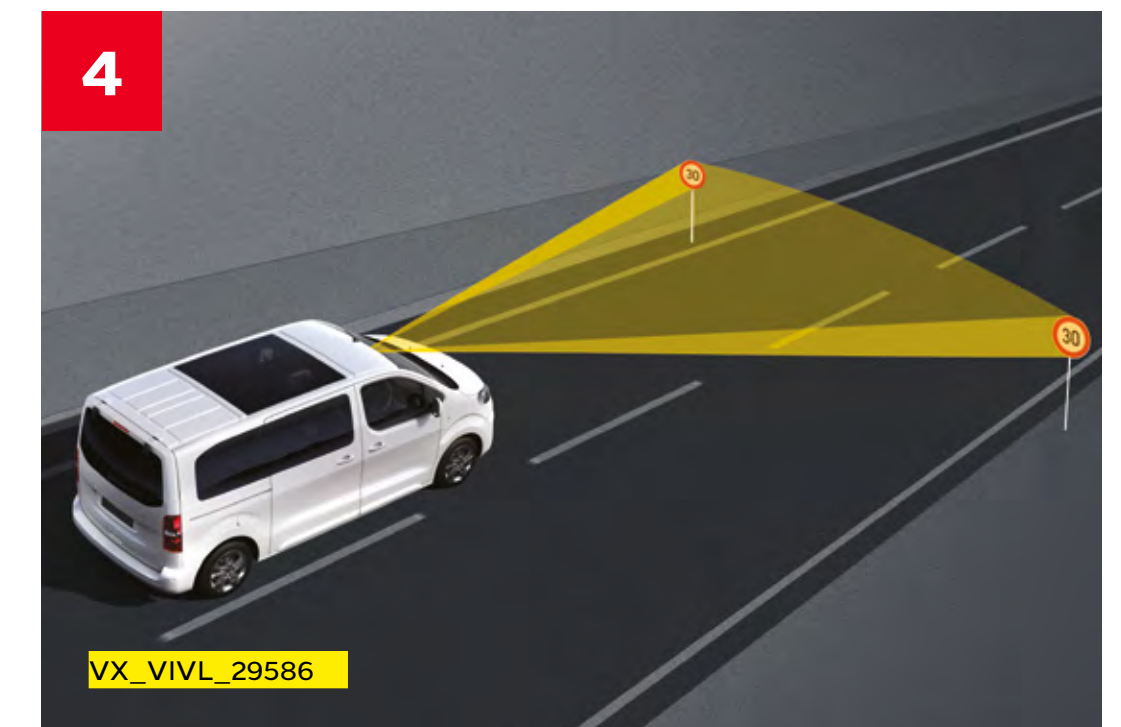

In control and out of harm's way

- 1. Keyless Entry and Start:** Just get in and go without needing to locate your car keys – as long as they're in your pocket, bag or somewhere close.
- 2. High Beam Assist:** Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.
- 3. Head-Up Display:** See vital info such as speed and cruise control data projected in the driver's line of sight on the Head-Up Display.
- 4. Rear-view Camera:** Gives you a helping hand with a top-view image of the area around the car via the 180° Panoramic Rear-View Camera to make parking as simple as possible.
- 5. Side Blind Spot Alert:** Uses sensors and a visual projection on the wing mirrors, alerting the driver of vehicles in the car's blind spot to prevent accidents in overtaking situations.

Looking out for you

- 1. Driver Drowsiness System:** Monitors the time you have been behind the wheel and analyses your driving patterns via the front camera and steering wheel movements to let you know when it's time to take a quick break.
- 2. Forward Collision Alert:** Scans the road ahead to alert the driver to the potential for a collision with vehicles or pedestrians.
- 3. Automatic Emergency Braking with Pedestrian Detection:** Takes action to avoid an accident, applying the brakes automatically in case of potential collision.
- 4. Speed Limit Adaptation:** Uses Speed Sign Recognition to analyse changes in the speed limit. With one push of the memory button, allow cruise control to adjust your speed accordingly.
- 5. Lane Departure Warning:** Recognises when the vehicle is at risk of drifting out of lane and alerts the driver via audio and visual cue.

Ready for the city

Despite its generous dimensions, the Vivaro-e Life remains wonderfully agile and totally at home in the city. A choice of two lengths gives you flexibility to choose the size to suit you.

Sit back, relax...

Every element of the Vivaro-e Life Elite's refined interior has been designed to make the driving experience more rewarding than ever before. You'll enjoy full leather seats, front and back. As well as ergonomic heated front seats with a massage function for those moments you need to unwind.

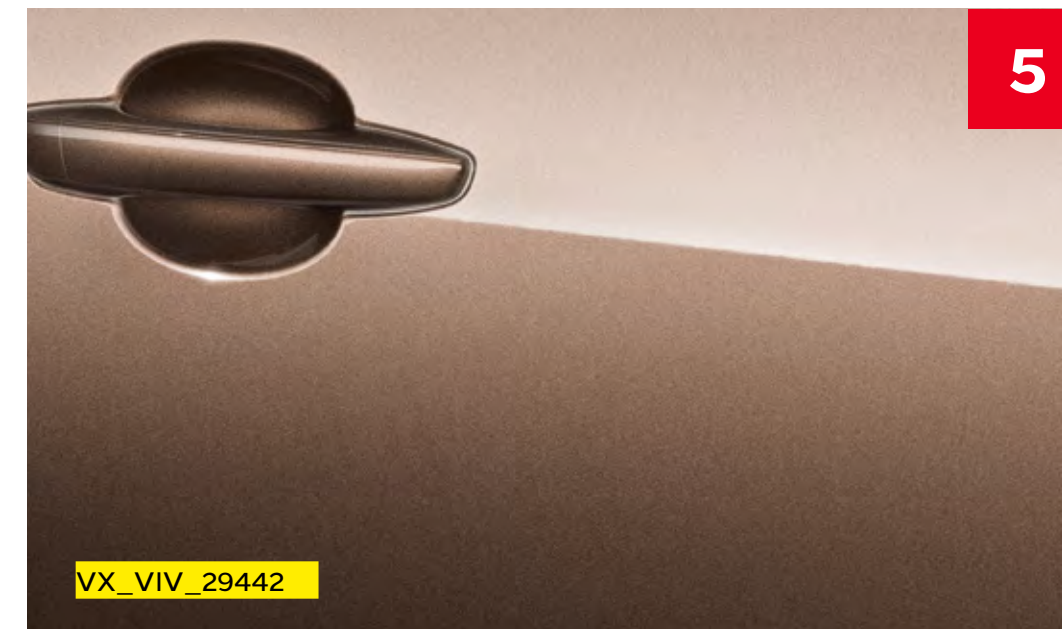

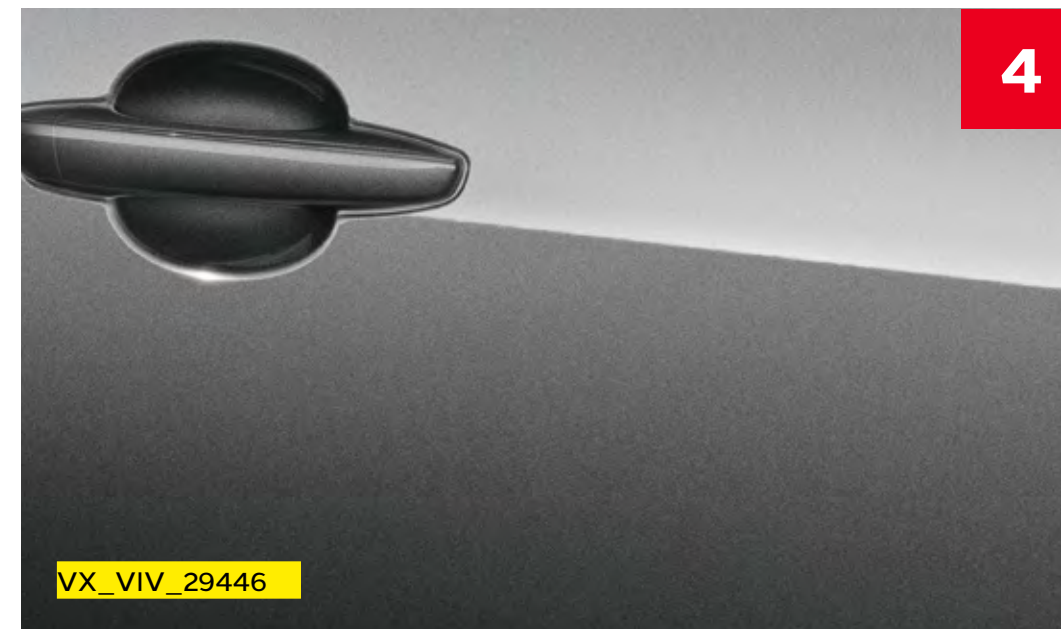

1. Carla black leather seats – Elite.
2. Black vinyl seats with Curitiba fabric inserts – Combi.

Colours

Take your pick from eight eye-catching colours.

1. Jade White Solid
2. Diamond Black Metallic
3. Quartz Silver Metallic
4. Moonstone Grey Metallic
5. Rich Oak Brown Metallic

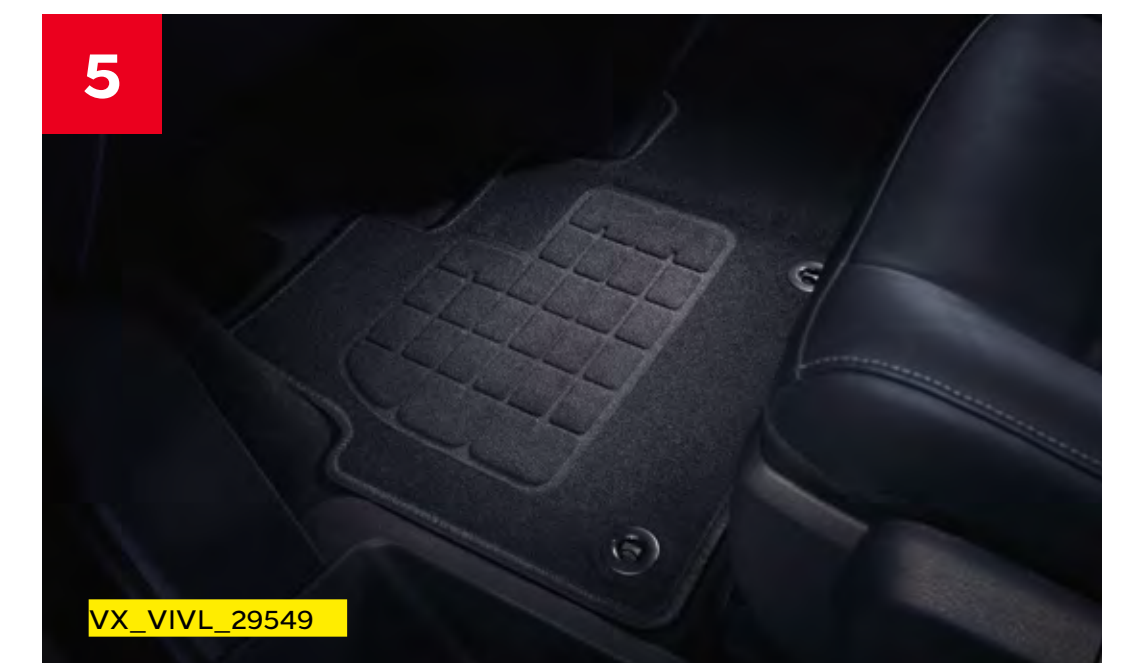

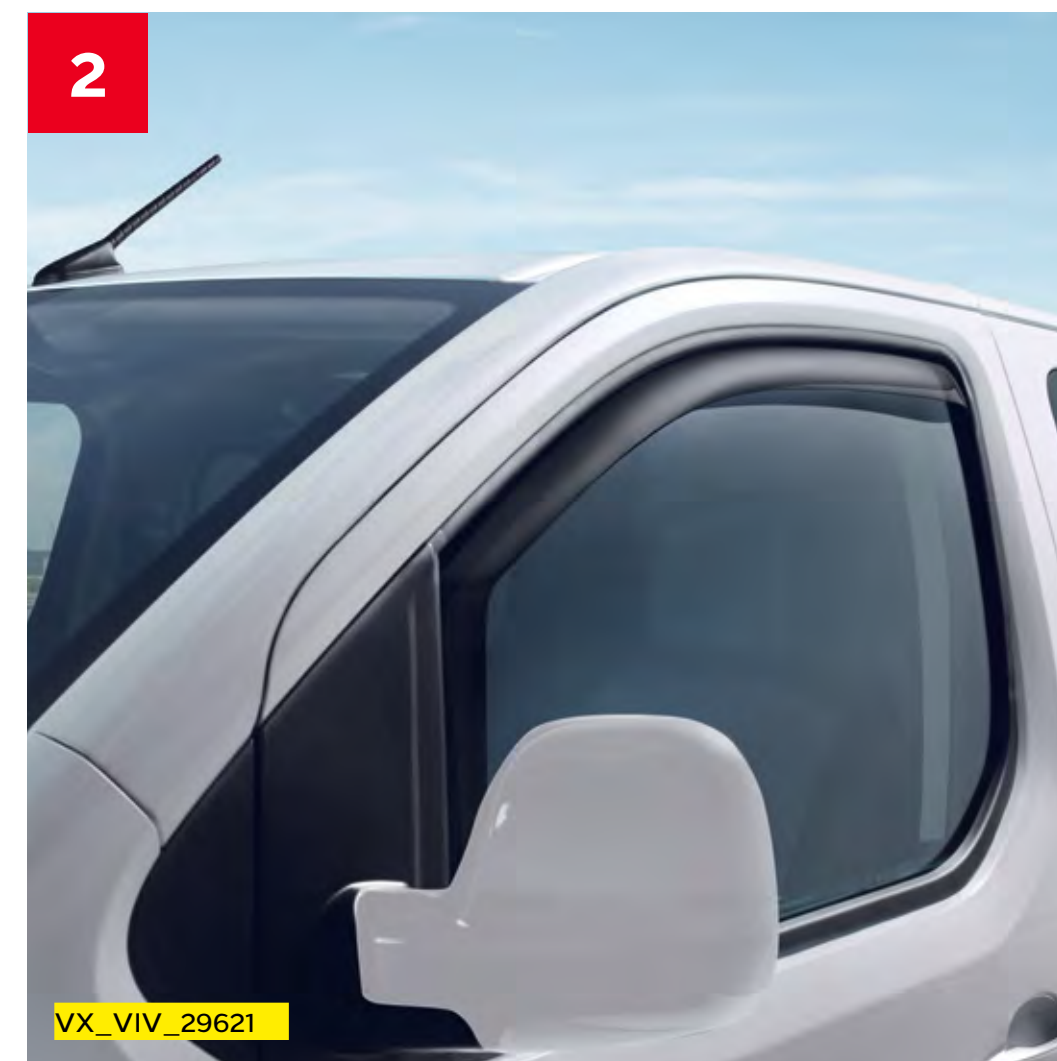

Please refer to the latest Price and Specification Guide for details of colour availability by model and price, accessible via the button above. The colours illustrated may vary slightly from the actual paint colour. As a result they should be used as a guide only. Your Vauxhall Retailer has a comprehensive display of our paint samples.

Accessories adventure-ready

Vauxhall's range of original accessories has been designed to make the Vivaro-e Life the ultimate partner in adventure, whether you're headed for the country with bikes or to the beach with camping equipment. Find the perfect accessories to match your family's active lifestyle.

- 1. Protective boot cover:** Made from black, waterproof-coated cloth. Perfect if you have pets or need to transport muddy items.
- 2. Wind Deflectors:** Equip the front doors of the Vivaro-e Life with a set of two wind deflectors. Transparent, designed to clip into place, and make driving in rainy conditions with the window open easy.
- 3. Roof carrier system:** There's a range of Thule products available from roof boxes to bike carriers that are easily fitted to the cross bars of the base carrier system.
- 4. Splash guards:** The essential accessory designed to protect the lower bodywork against stone chips, grit and other road material.
- 5. Floor Mats:** Rubber or carpet mats, designed to be easily cleaned so you can keep the interior of your Vivaro-e Life looking sharp.

And finally...

The Vivaro-e Life Elite; where safety and efficiency meets the highest standards of Vauxhall engineering and design precision. The result? A family car which exceeds expectations at every turn.
