

# NEW VIVARO LIFE

Price and Specification Guide | 7 April 2020 | Model Year 2020

# CONTENTS

To find the information you want use the links below to navigate around the guide:

---

## [RANGE HIGHLIGHTS >](#)

Explore the New Vivaro Life range and find your perfect model.

## [MODELS >](#)

Find all the information you need about your chosen model.

## [PRICES >](#)

Find on-the-road recommended retail prices.

## [FEATURES/OPTIONS >](#)

Tailor your chosen model to suit your needs with everything from satellite navigation to rear-view camera and parking sensors.

## [EXTERIOR COLOURS >](#)

Add some sparkle to your car with a metallic paint.

## [WHEELS AND TYRES >](#)

Check out the standard and optional wheel and tyre combinations.

## [PERFORMANCE, FUEL ECONOMY AND EMISSIONS >](#)

Know how many miles you will get around town, the CO<sub>2</sub> figures and the 0-62 time.

## [DIMENSIONS >](#)

Ensure your car will fit in the garage and know how much luggage you can take for a long weekend away.

## [SPECIFICATIONS >](#)

Towing weights, transmissions and other useful details you may need to know.

## [ACCESSORIES >](#)

Add some practical touches to your car with our range of quality accessories.

## [COMPANY CAR INFORMATION >](#)

Benefit in Kind company car tax, 3 day test drives and P11D.

## [FURTHER INFORMATION >](#)

Price protection, vehicle excise duty, our range of additional products and much more.

# NEW VIVARO LIFE RANGE HIGHLIGHTS

New Vivaro Life's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO<sub>2</sub> (g/km) figures, valid 3 March 2020, are based on a configured vehicle as per pack code for UK with no options fitted.

#Fuel consumption and CO<sub>2</sub> figures are determined according to the WLTP test cycle. CO<sub>2</sub> figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO<sub>2</sub> figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO<sub>2</sub> emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

# FEATURES/OPTIONS

## SEATING

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<b>Driver's and front passenger's seat</b> • Reach • Backrest recline • Padded head restraint • Foldable backrest for front passenger's seat		●

# FEATURES/OPTIONS

## SAFETY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<b>Driver Safety Pack</b> <ul style="list-style-type: none"> <li>• Semi-adaptive cruise control</li> <li>• Forward collision alert with automatic emergency braking and pedestrian detection</li> <li>• 3.5-inch colour information display</li> </ul>	B26		○	375.00	450.00
<b>Airbag</b> <b>Driver and front passengers airbag:</b> <ul style="list-style-type: none"> <li>• Driver and front passenger's airbag with deactivation switch • Driver and front passengers' curtain and side-impact airbags</li> </ul>		●			
<b>Driver and front passenger's airbags:</b> <ul style="list-style-type: none"> <li>• Driver and front passenger's airbag with deactivation switch • Driver and passenger's side-impact airbags</li> <li>• Full-length curtain airbags (first-, second- and third-row seating)</li> </ul>			●		
<b>Stability</b> Electronic Stability Programme-plus (ESP-plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●		
<b>Tyre pressure</b> <ul style="list-style-type: none"> <li>• Tyre pressure monitoring system</li> </ul>		●	●		
<b>Braking</b> Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●		

● = Standard equipment. ○ = Optional at extra cost.

# FEATURES/OPTIONS

## SECURITY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<b>Features</b> • Electronic engine deadlock immobiliser • Steering column lock • Lockable fuel filler cap • Anti-theft spare wheel cradle		●	●

## DRIVER ASSISTANCE CONTINUED

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<p><b>IntelliGrip Pack</b></p> <p>For those drivers who regularly take their vehicle off road, this pack helps the driver cope with whatever conditions they encounter. IntelliGrip traction control is designed to increase grip in difficult conditions without the additional weight of a conventional four-wheel drive system. It's an innovative grip control system that provides improved traction on certain terrain and conditions through a combination of optimised torque distribution and limited wheel spin, managed through the electronic stability programme.</p> <ul style="list-style-type: none"> <li>• IntelliGrip: A choice of five selectable modes to suit the driving conditions: ESP on, ESP off, snow, mud, sand</li> <li>- Only available when 17-inch wheels are specified for Edition models.</li> </ul>	H4H	○	○	200.00	240.00

215/60 R 17	Summer IntelliGrip	C	A	72	
215/60 R 17	All season	E	B	71	

Tyre rating according to EU Regulation 1222/2009

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other cars tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

# SPECIFICATIONS

## Transmission

### Six-speed manual gearbox:

- Front-wheel drive • Transverse engine/gearbox

### Eight-speed automatic transmission:

- Front-wheel drive • Transverse engine/gearbox

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovative solution that is both elegant and intuitive.

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.

## Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

## Brakes

### Front ventilated disc brakes:

- 304mm x 28mm

### Rear disc brakes:

- 290mm x 12mm

## Fuel tank capacity

- 70 litres (15.4 gallons)

## AdBlue® tank capacity

- 22.5 litres (4.95 gallons)

## Start/stop technology

New Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

## Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes
<b>LIFE EDITION M (MEDIUM) EURO 6D TEMP (6.2)</b>		
1.5 (100PS) Turbo D S/S	2830	1400
<b>LIFE ELITE M (MEDIUM) EURO 6D TEMP (6.2)</b>		
2.0 (150PS) Turbo D S/S	3100	1900
2.0 (180PS) Turbo D S/S automatic	3100	1800
<b>LIFE EDITION L (LONG) EURO 6D TEMP (6.2)</b>		
1.5 (120PS) Turbo D S/S	2830	1400
<b>LIFE ELITE L (LONG) EURO 6D TEMP (6.2)</b>		
2.0 (150PS) Turbo D S/S	3100	1900
2.0 (180PS) Turbo D S/S automatic	3100	1800

S/S = Start/Stop.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 170kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

**Please note:** Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

<sup>1</sup>Restrictions apply to the use of child seats, please consult your Vauxhall Retailer or request a copy of the Child seats brochure. <sup>2</sup>Without transponder.

# COMPANY CAR DRIVER AND FLEET INFORMATION

## High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

## Company Car Driver Free 3 Day Test Drive

Our free\* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE\* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

\*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](http://vauxhallfleet.co.uk/testdrive/index/terms).

## Benefit in kind company car taxation\*\*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%<sup>†</sup> for Basic Rate, 40%<sup>†</sup> for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

New Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO <sub>2</sub> emissions 170g/km)	
On-the-road RRP	£31,525.00
Deduct: Vehicle Excise Duty	(£540.00)
New vehicle first registration fee	(£55.00)
Effective list price	£30,930.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£31,530.00
Car benefit charge 2020–21 tax year (37%)	£11,667.00
Benefit in kind tax liability (2020–21 tax year)	
Basic Rate (20%) tax payer	£2,333.40
Higher Rate (40%) tax payer	£4,666.80

\*\*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

<sup>†</sup>Excludes residents of Scotland.

### BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

#### The BiK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

# FURTHER INFORMATION

## On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [www.vauxhall.co.uk/AccidentManagement](http://www.vauxhall.co.uk/AccidentManagement)

## Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit [www.vauxhall.co.uk/offers-finance/business-leasing.html](http://www.vauxhall.co.uk/offers-finance/business-leasing.html)

## Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

## Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate		Standard rate
		Petrol <sup>#</sup>	Diesel <sup>†</sup>	
A	0	£0	£0	£0
B	1-50	£10	£25	£145

<sup>#</sup>Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

<sup>†</sup>Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# FURTHER INFORMATION

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT\*\*** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: [vauxhall.co.uk/vauxhallcare](http://vauxhall.co.uk/vauxhallcare)
