## How to use this brochure

This brochure showcases some of the highlights of Vivaro. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to our detailed Price and Specification Guide for all the latest details

**Please note, due to ongoing shortages in the global supply chain, some Vivaro models may be built with reduced levels of standard equipment. Please consult your supplying Retailer for further details.**

## Carries British business

We have a long and rich history building light commercial vehicles in Britain. With 90 years of experience that has helped shape the way we build our vans today; vehicles that are truly tried and tested, and have become iconic on British roads. And with the launch of the New Movano, Vauxhall now lead the way in offering a fully electric powertrain across its entire LCV range.

New Movano joins Combo and Vivaro to complete a range that's innovative, hardworking and totally in tune with the wants and needs of British businesses. With New Movano variations for every kind of job, from panel vans and doublecabs, to box vans, tippers, dropsides and many more specialist applications. And our van building expertise hasn't gone

unnoticed. Not only do we build more light commercial vehicles here in the UK than any other manufacturer, we are the UK's best-selling electric LCV brand. Not content, we recently announced a £100 million investment in our UK plant at Ellesmere Port to transform the facility for a new era in the manufacturing of electric LCV models.

# Vivaro. Carries British business

The Vivaro gives you more; more practicality, more choice, and more clever features than ever before.

With three versatile bodystyles – the Panel Van, Doublecab and Platform Cab – you'll find a Vivaro that works for you and your business. So, sit back and prepare to be impressed...

# Made in Britain

Vivaro marks a proud almost 90 years of Vauxhall Motors building vans in Britain. Now, we're the UK's largest commercial vehicle manufacturer with over one million Vivaro-type vans built since production started in 2001.

Made in our Luton manufacturing facility, the Vivaro merges iconic design with engineering precision. It is designed to perform with a level of durability, practicality and comfort you'll struggle to find anywhere else.

VX\_VIV\_29440

# Top of its class

Vivaro is built for business. It's designed from the ground up to deliver class-leading payload, flexible loadspace, and useful connectivity features.

And the availability of an all-electric powerplant takes it even further.

It all adds up to make Vivaro the benchmark vehicle in its segment.

# Highlights

VX\_VIV\_31155

**1** Experience a **best-in-class** all-electric powerplant with zero emissions, a range of up to **205 miles** and an 80% charge in just **30 minutes**.

VX\_VIV\_29613

**2** Enjoy an impressively useful maximum load volume of up to **6.6cu.m**, a load length of up to **4 metres** and a payload of **c1.4T**.

VX\_VIV\_33229

**3** Turn the cabin into your own personal workspace with the multi-function front passenger bench seat with **fold-down table**.

# Highlights

- 1** Striking design meets engineering precision.
- 2** All-electric power Panel Van, Doublecab and Platform Cab with little or no compromise on payload and volume. **Best-in-class LCV electric operation.**
- 3** A superior, **car-like driving behaviour**, and state-of-the-art technology rarely found in commercial vehicles.
- 4** Highly efficient diesel engines ensure **competitive cost of ownership.**
- 5** Choose between **three bodystyles** to find the right Vivaro for your business needs.
- 6** Tailor your space with **two different body lengths**. Capable of taking up to three Euro pallets and 8x4 sheets.

VX\_VIV\_e\_33221

Vivaro-e

# Plug in work hard

The all-electric Vivaro gives you real-world commercial vehicle capabilities with little to no compromise. It leads the way with zero emissions whilst driving, up to 205 mile range and a seriously generous payload.

---

**Vehicle range**  
**up to 205 miles\***

---

**Payload**  
**up to 1226kg**

---

\*The Vivaro-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP (Combined) test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other light commercial vehicles tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle payload and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

# Run electric, no compromise

**1. Charging options:** Simple to charge, with a choice of two battery packs and a 7.5 kW on-board charger. You can even opt for a larger 11kW version and charge up in as little as 30 minutes at a DC rapid charger.

**2. Electric efficiencies:** Substantial savings on fuel versus diesel models. Zero emissions whilst driving mean no congestion charges in city centres. Cheaper to service and maintain. Up to 205 miles with virtually no operating compromises.

**3. Specific electric LCV connectivity:** Monitor essential info using the in-cab 3.5-inch digital display. Set delayed charging cycles, search for charging stations and a set navigation route, all from a smartphone app.

**4. Driving experience:** A unique driving experience with car-like ride and handling. An exceptional 260Nm of torque and a powerful 136PS. And an automatic transmission with compact auto shifter plus the ability to switch between three driving modes: ECO, Normal and Power. The regenerative braking system also helps to recharge the batteries.

Vivaro Van

# Design with purpose

Meet the clever features and practical solutions that make every working day in Vivaro easier. Twin sliding side-access doors as standard give you easy access to the load area.

## Foldable Front Seat

Fold up the base of the outer front seat to free up additional loadspace when you need it. That's **6.6cu.m** in total.

## FlexCargo Load-through

Seat three comfortably up front or use the load-through bulkhead to **maximise load length** when carrying longer cargo (up to 4024mm to be precise).

## Capacities

Cut down on journeys by carrying more each time, thanks to Vivaro's maximum **payload of c1.4T** and its ability to carry **8x4 sheets** or up to **three Euro pallets** with ease.

VX\_VIV\_33224

Vivaro Doublecab

# Crew to carry?

The Vivaro Doublecab\* has you covered. It boasts space for up to **six crew**, giving you up to **4.0cu.m** of versatile loadspace should you need it.

---

**Seating for  
up to six crew**

---

**Load volume  
up to 4.0cu.m**

---

\*Doublecab rear seating is not equipped with ISOFIX child seat mountings.

# Intuitive technology

Vivaro is packed full of features to ensure you stay in control and connected on the move. Innovative features such as head-up display and rear-view camera. Not to mention, Vauxhall Connect, Android Auto™, Apple CarPlay and an intuitive 7-inch touchscreen that puts everything at your fingertips; your phone contacts, phone maps and so on. To top it off, smart navigation with Multimedia Navi Pro gets you from A to B with ease.

1

## 1. Vauxhall Connect\*\*

Peace of mind when you need it most with emergency or breakdown assistance at the touch of a button. Access to live navigation services and regular vehicle diagnostic info plus a host of remote convenience features available through the MyVauxhall App.

\*\*Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

VX\_VIVL\_29518

## 2. Rear-view Camera\*

Reversing out of your driveway or into a tight parking space? Our clever 180° rear-view camera gives you an extra wide view of everything behind you.

\*Optional on certain models.

2

VX\_VIVL\_29519

# Infotainment

## Bluetooth® and DAB Radio

The touchscreen is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

## Smartphone Projection

Apple CarPlay or Android Auto™ projects your smartphone onto a high-resolution 7-inch touchscreen and puts everything you need at your fingertips; contacts, music and phone sat nav.

## Navigation System

A new generation voice-controlled 3D Connect Nav system that makes every journey easier, delivering connected services and real-time traffic information with TomTom Traffic.

# Your office on wheels

And as if it wasn't versatile enough, Vivaro's comfortable cabin can be transformed into your very own mobile office. With a fold-down table, a variety of practical storage solutions, and creature comforts such as air-con as standard. That's everything you need to keep your business on track – day in, day out.

# Storage solutions

## Door pockets

No less than three separate storage pockets in both front doors, the largest perfect for holding large items like 1.5l bottles.

## Passenger bench with integrated storage

On Doublecab models there's additional storage volume underneath the front passenger bench, so you can stow work equipment and other valuable objects.

Please note, seat trim may differ from that illustrated.

## Dashboard storage

Lots of smaller items to stow? **With up to 14 different storage solutions** throughout the cabin and a glovebox with cooling function, the Vivaro has you covered.

# You're in good hands

**1. Driver Drowsiness Alert:**\* Monitors the time you've been behind the wheel and analyses your driving patterns via the front camera and steering wheel movements, letting you know when it's time to take a quick break.

**2. Speed Limit Adaptation:**\* Uses speed sign recognition to analyse changes in the speed limit. With one push of the memory button, allow the semi-adaptive cruise control to adjust your speed accordingly.†

**3. High Beam Assist:**\* Switches the headlamps between high beam and dipped beam automatically to avoid blinding other drivers.

**4. Lane Departure Warning:**\* Recognises when the vehicle is drifting lanes and alerts the driver via audio and visual cue.

\*Optional on certain models as part of the Driver Assistance Pack.  
 †On single and dual carriageways the speed limit for vans is 10mph less than for passenger cars.

# Driveability

## Car-like driving

Vivaro is as tough as a work van should be, yet smooth and refined, with a special car-like driveability that makes everyday driving a doddle.

## Efficiency

Vivaro boasts a range of powerful yet frugal diesel engines and smooth transmissions, for low running costs, reduced emissions and maximum efficiency.

VX\_VIV\_31385

Fuel economy and CO<sub>2</sub><sup>#</sup> results for the Vivaro diesel van range. Combined mpg (l/100km): 35.3 (8.0) – 42.8 (6.6). CO<sub>2</sub> emissions: 209 – 172g/km.

WLTP Combined CO<sub>2</sub> (g/km)/Miles Per Gallon (mpg) figures are based on a configured vehicle as per pack code for UK with no options fitted as at 23 November 2021.

<sup>#</sup>Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO<sub>2</sub> values of other vehicles tested to the same technical standard. The fuel consumption achieved, and CO<sub>2</sub> produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO<sub>2</sub> figures. The CO<sub>2</sub> figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

# Driving features

## Eight-speed Auto

A smooth and ultra-efficient eight-speed auto will take you further for less.

# Sit back, relax...

And get comfortable in the Vivaro's spacious cabin. With seats designed for perfect ergonomic support across even the longest of journeys.

All models feature black cloth trimmed seats with Curitiba fabric inserts.

# Colours

Look the business on and off the road with a choice of four colours.

1. Jade White
2. Pearl Black Metallic
3. Quartz Silver Metallic
4. Moonstone Grey Metallic

# Accessories

Take your van's practicality to the next level with our range of genuine accessories.

1. Floor mats
2. Towing hitches with ball
3. Towing hitches with ball
4. Roof crossbars
5. Roof racks
6. Load compartment protection kit/floors
7. Wind deflectors

# Let's wrap it up

Vivaro is built to drive your business forward. With class-leading efficiency, including an all-electric powertrain, stacks of clever features and practical solutions that make your van work even harder.
