

Charge fast. Pay less. Explore more.

Welcome to bp pulse

Get 6 months **FREE** membership to thousands of electric vehicle charging points across the UK.*

Follow these steps to redeem your offer

- 1 Download the bp pulse app from your chosen app store
- 2 Open the app and select 'Sign up'
- 3 Select whether you would like an access card or key fob
- 4 Add your address details
- 5 Put your new VIN number (found on your car windscreen and in your service book) in the 'offer code' box
- 6 Set up your direct debit details

Download our bp pulse app for location and live availability of bp pulse points across the UK.

*This offer is available to purchasers of new electric or plug-in hybrid vehicles from PSA Groupe brands, including PEUGEOT, Citroen, DS Automobiles & Vauxhall. You will be charged for any electricity costs incurred (if applicable), even during your free period of membership.

Where to? Going places is easy with bp pulse.

Access our public charging network.

- Super-fast and simple charging
- Favourable charging tariffs
- Flexible charging with access card, key fob or the app
- 24/7 customer support
- Exclusive offers from partner brands

More power to you

We're expanding our network of bp pulse150 ultra-fast charging units to bp forecourts.
