

# Corsa

2010 Models Edition 3

# C'MON!

## Put the fun back into driving

Get yourself into a Corsa. And get a lot more fun out of life. With stunning styling and brilliant attention to detail, inside and out. A dynamic chassis and punchy petrol or diesel engines. Plus bags of clever features. It can only make life better. Wherever you go. Whatever's in store for you.

*This brochure covers Corsa Expression, S, Exclusiv, SE, SXi and SRi models only. Some of the models shown include options and accessories available at extra cost. Not all of the features described are available on every model. So please check in the Equipment section for further details. From time to time, we also offer alternative Corsa models such as Special Editions, featured in their own separate literature or found on the Vauxhall website: [www.vauxhall.co.uk](http://www.vauxhall.co.uk)*

# C'MON Check the style

Corsa looks brilliant from every angle. The seriously sporty three-door, sharp and dynamic with real attitude. And the flexible five-door – maybe a little more grown-up, but ever so versatile and wonderfully well proportioned. On the inside, we've got sharp tailored fabrics, clean lines, modern surface finishes and chrome-effect detailing. And every model has its own unique personality, so all you have to do is choose the one that matches yours.

# RESPECT your world.

We all share a responsibility to look after our world. That's why Vauxhall has been at the forefront of green automotive initiatives for many years. We are always looking to reduce vehicle CO<sub>2</sub> emissions, of course, and our ecoFLEX models like the Corsa 1.3CDTi (95PS) have among the lowest vehicle CO<sub>2</sub> emissions in the UK.

But our commitment to preserving the environment goes even further. We are working on even cleaner, alternative power sources, including zero-emission fuel cell technology for example. We have dramatically reduced manufacturing emissions, and our new models use more recycled materials and more recyclable parts than ever before.

We also offer free and easily accessible, environmentally friendly, end-of-life vehicle disposal through our partners Autogreen Ltd.

That way, we reduce our environmental impact in every phase of every vehicle's life cycle. Because your world is our world, too.

## A new dimension of driving fun

Okay, we could just tell you that the Corsa chassis has been designed to ensure pure driving pleasure without ever compromising ride comfort. But wouldn't it be better to discover how much fun it is to drive by trying it for yourself?

**▶ Corsa ecoFLEX.** Corsa's ecoFLEX range has among the lowest vehicle CO<sub>2</sub> emissions in the UK – so low in fact that the new 1.3CDTi 16v (95PS) models break the sub-100g/km threshold and as such are now exempt from Vehicle Excise Duty\*. A host of modifications play a vital part in keeping Corsa ecoFLEX (95PS) at the forefront of eco-conscious motoring; a variable geometry turbocharger, lowered chassis with aerodynamic wheel covers, optimised gear ratios with a 'shift up' indicator and optimised-rolling resistance tyres\*\* all help to achieve an incredible 76.3mpg on the combined cycle, creating our most economical model ever.

The 1.3CDTi 16v (75PS) also features improved fuel economy and reduced emissions. Even the new 1.7CDTi 16v 130PS unit only produces 119g/km. And for the first time, there's now two ecoFLEX petrol models – the new 1.0i 12v (65PS) with just 117g/km CO<sub>2</sub> and the 1.2i 16v Easytronic (85PS) with 119g/km. Both models qualify for Band C Vehicle Excise Duty\*. Corsa's trademark fun-to-drive character remains undiminished.

\*Correct at time of going to press.  
\*\*S models only.

**Chassis.** The Corsa chassis combines serious ride comfort with real agility, especially now as new modifications to the spring, damper and anti-roll bar settings have resulted in noticeably enhanced driving comfort. The advanced anti-lock braking system combines with other chassis safety features to improve stability and steering behaviour in a range of emergency situations.

Choose the sporty SRi – or the optional 17-inch alloy wheels on SE or SXi models – and you will also enjoy a lower ride height and sportier spring and damper settings, plus progressive rate, variable ratio, speed-sensitive power steering.

**▶ Six-speed and Auto.** Cars like Corsa never used to come with a six-speed manual gearbox, but the 1.3CDTi 16v (90PS) and 1.7CDTi 16v diesel models do. Others come with a five-speed manual as standard, with sophisticated four-speed automatic (1.4i 16v VVT) and Easytronic (1.2i 16v VVT) transmissions also available.

**▶ Easytronic.** Choose Corsa's optional Easytronic transmission and you'll get a five-speed manual gearbox with a fully automatic mode. In manual mode, you push the lever forward or back to shift gears up or down and by nudging the lever to the side you switch to fully automatic mode. There's no clutch pedal so you can drive it on an automatic-only driving licence.

**Petrol engines.** Corsa models are now available with three new, Euro 5 compliant ECOTEC petrol engines – the 1.0i 12v ecoFLEX, the 1.2i 16v VVT and 1.4i 16v VVT. The lightweight 1.0 litre 12v engine delivers a nippy 65PS whilst the 1.2 and 1.4 litre units, with 85PS and 100PS respectively, feature 16 valves and Variable Valve Timing (VVT) allowing them to provide most of the maximum torque across a wide rev band. The result? Incredible flexibility through the gears, high power and low fuel consumption. And the efficiency doesn't end there. CO<sub>2</sub> emissions are at our lowest levels yet. At just 117g/km of CO<sub>2</sub> on the 1.0i 12v manual and 119g/km on 1.2i 16v VVT Easytronic both models qualify for the lower Band C Vehicle Excise Duty\*.

**Speed-sensitive power steering.** With Corsa's power steering, it's easier to turn the wheel at parking speeds when you need assistance the most, but it's more stable, with more feedback, once you're out on the road.

We've also modified the steering components for even more precise handling and straight line control. The set-up is even tuned to the specific engine to ensure the perfect level of assistance, with a progressive rate variable ratio system standard on SRi models for an even sportier response.

**Turbo diesels.** Corsa's diesel engine range combines performance, refinement and efficiency. The new range-topping 1.7CDTi 16v ecoFLEX (130PS) joins three variations of the 1.3CDTi 16v: the 75PS ecoFLEX, a 90PS edition and a new 95PS ecoFLEX unit with a Diesel Particulate Filter (DPF). All four match serious mid-range punch with incredible economy. How do we do it? Common rail injection, an intercooled turbocharger and plenty of Vauxhall know-how.

**▲ ABS and ESP-plus.** Corsa's Anti-lock Braking System (ABS) includes safety features like Straight Line Stability control and Cornering Brake Control as standard. Electronic Stability Programme-plus (ESP-plus) is optional on all models. Turn to the Technical data on page 51 for more details.

**▶ Halogen AFL.** Optional on SE, SXi and SRi models, Halogen Adaptive Forward Lighting moves the headlight beams up to 15 degrees left or right of the straight ahead position when you turn the steering wheel, helping improve your vision of the approaching bend. See page 51 for more details.

**Double pretensioners.** Front seatbelt pretensioners act on the diagonal shoulder restraint on all models. And on the lap belt too, on Exclusive models and above. So in the event of a collision, they're ready to interact with the front airbags and compensate for lateral seat movement.

**▲ Adaptive brake lights.** ABS brakes can shorten your stopping distance in slippery road conditions, but what about the driver behind you? With Corsa, if the ABS is activated at over 18mph, your brake lights blink at five times a second, warning the following driver that you're emergency braking.

**▶ Security.** Every Corsa features an engine deadlock immobiliser as standard. Expression models are fitted with central locking whilst all other models feature remote control central deadlocking. There's also an internal door locking switch for added reassurance in the event of unwanted attention from outside the car.

## Intelligent safety

Our life-saving safety features are almost taken for granted on Vauxhall cars nowadays, but it doesn't mean we've stopped inventing new ones. Double front seatbelt pretensioners and adaptive brake lights are just two examples of how Corsa achieves such a high safety rating.

**Door-to-door illumination.** Every Corsa features door-to-door illumination. Just flick the headlight stalk as you exit the car and the dipped headlights and rear lights stay on for 30 seconds – helping you find your way out of an unlit driveway or car park. Most models feature welcome lighting too, switching on the interior light and rear number plate lights when the car is unlocked.

**Winter Pack.** Standard on SE and optional on Exclusiv, SXi and SRi models, the Winter Pack provides both driver and front passenger with heated seats, while the heated steering wheel is a first-in-class feature.

**Rain and light sensors.** Automatic lighting control can switch the car's lights on when it gets dark. Other sensors can switch the wipers on and even dim the rear-view mirror – all automatically. These features are standard on SE and optional as the Sight and Light Pack on SXi and SRi.

**Infotainment.** If quality sounds are high on your agenda, you won't be disappointed by Corsa. Choose Expression or S and you get a quality CD player/radio. Select Exclusiv, SE, SXi or SRi and you're also treated to MP3 CD format and an auxiliary-in socket so you can play tracks direct from your personal MP3 player. The optional CD 60 system adds sophisticated satellite navigation. And a mobile phone system\* with Bluetooth® wireless connectivity is also available. Turn to page 43 for more feature information.

\*Please refer to the online Vauxhall Car and Accessory Price Guide for a list of phone-specific cradles.

**Air con and ECC.** Air conditioning provides chilled air on hot days, faster demisting on damp days and a more pleasant atmosphere throughout the year. Move up to Electronic Climate Control (ECC) for a more consistent control of the interior temperature.

**Cruise control.** The easy-to-use, twist up/twist down cruise control – standard on SE, SXi and SRi models and available as part of the Plus Pack on Exclusiv – allows you to maintain a steady speed without keeping your foot on the throttle. So it's more comfortable on long journeys and easier to keep to speed limits too.

**▲ Driving position.** You're going to be spending some quality time in your Corsa. So we've made it easy for you to make sure it's exactly how you want it. The Corsa interior is big on ergonomic efficiency. Which means it's designed around real people, with space to relax and plenty of room for long legs and broad shoulders – front and rear. All the controls are within easy reach so you don't have to take your eyes off the road for more than a moment to adjust the heating or the audio, for example.

Best of all, it's easy to find the perfect seating position with a driver's seat that moves six ways – including height adjustment – on most models. On Exclusiv models and above (optional on S as part of the Plus Pack), you'll find fully adjustable steering too, bringing us right back to what we said earlier about real people and perfect ergonomics.

## Easy life

Corsa is available with some pretty brilliant features so you never have to compromise on what you really want. Like real quality audio and satellite navigation. Your favourite seating position. And added peace of mind. So it's easy to choose a Corsa that fits the way you live perfectly.

## Clever equipment

How do you build a small car that feels like a big one? You give it plenty of space for you and your friends. You make room available for all your kit with clever storage solutions. And you make plenty of smart features available, so every Corsa is exactly the way you want it.

▼▶ **Flex-Fix®.** The revolutionary Flex-Fix® system incorporates an integrated carrier for two bikes, so you don't need a separate roof or rear carrier. Optional at extra cost on Exclusiv, SE and SXi models. Please see additional information below right or page 50 for more technical information.

▲ **Sunroof with interior blind.** Optional at extra cost on Exclusiv, SE, SXi and SRi models, the electrically operated sunroof stretches wide across the car for maximum fresh air and blue sky. And if the sun's too strong, you simply wind out the roller blind to reduce glare. Noise is kept to a minimum thanks to an integrated wind deflector.

◀▶▶ Most of the time Flex-Fix® stays hidden behind the rear number plate, but when the need arises, you simply extend it, attach the extra rear lights, fix your bikes to the carrier and off you go. An acoustic warning sounds when the carrier is extended and reverse gear is engaged.

▼ **Translucent controls.** Smart backlit, translucent controls are standard on the audio equipment and, on some models, heating and air conditioning system and window switches.

◀▼ **Clever storage.** Corsa has so many places to keep your belongings. There are drinks holders and storage compartments in the centre console, an underseat storage tray under the front passenger's seat and the front door pockets (and rear side panels on 3-door models) have holders for bottles up to 1.5L.

▲ **DualFloor luggage compartment.** When the rear seat backs are folded, it provides a long, level, load surface which makes loading that bit easier. And when lowered, it offers a deeper load area. Optional at extra cost on SE, SXi and SRi models.

# C'MON!

## Make a choice

So here's the question. Do you get what you want? Or make do with what you get? We suspect the former. So it's just as well that Corsa comes with a brilliant choice of feature-packed models, petrol and diesel engines, and drop-dead gorgeous colour and trim choices.

**EXPRESSION AND S**

Yet more Vauxhall models that disprove the theory that you only get what you pay for, Corsa Expression and S come packed with all this essential kit for a competitive price.

**Standard features include:**

- Driver's and front passenger's dual-stage airbags
- Anti-lock Braking System (ABS)
- Emergency Brake Assist
- Electronic engine deadlock immobiliser
- CD player/stereo radio (CD 30)
- Speed-sensitive power-assisted steering
- Door-to-door illumination
- Electrically adjustable door mirrors
- Body-colour bumpers
- Map pockets on front seat backs
- Central locking

**In addition S models include:**

- Remote control central deadlocking
- Electrically operated front windows
- Welcome lighting

## SXi

Great handling and responsive performance are certainly good reasons to choose SXi. But so is the ability to stand out and get away in style.

### Additional features over and above Exclusiv model include:

- 16-inch alloy wheels
- Front fog lights
- Dark-style headlights and tail lights
- Sports-style front seats
- Sports instruments
- Leather-covered sports steering wheel
- Dark-tinted windows (excludes windscreen and front door windows)
- Chrome-effect exhaust tailpipe
- Cruise control
- Multi-function trip computer
- Front map reading lights
- Rear reading light (5-door)

- ▶ Multi-function trip computer.

- ◀ **Aluminium pedals.** Standard on Corsa SRI, aluminium pedals add a further sporting accent to the Corsa cockpit. They also feature rubber inserts for additional grip.

- ▶ **Body styling.** Serious body styling is all part of the SRI package. Not just this rear skirt, but a front lower spoiler, side sills, a rear roof spoiler, a chrome-effect exhaust tailpipe and 17-inch five-spoke alloy wheels.

Graphic Information Display illustrated above is standard with the optional Electronic Climate Control, available at extra cost.

Please note: Insurance groups relate to the 50 group rating.

Model illustrated features Adaptive Forward Lighting and Sight and Light Pack, optional at extra cost.

SRI

Vauxhall options and accessories are all about choice – selecting your new car, then personalising it to suit yourself. There's a choice of factory-fitted options and a huge range of retailer-fit accessories. You can also choose styling products from the VXR range as well as auto design specialist Irmscher International. Available individually or in special packs at great prices. You'll find further information on the following pages or just ask your Vauxhall retailer for more details.

*SE model illustrated features VXR Styling Pack, 17-inch twin-spoke alloy wheels and two-coat metallic paint, optional at extra cost.*

## VXR Styling

Inspired by our racing heritage, Vauxhall VXR styling products come with all the same experience, knowledge, and passion for style and performance. They put the accent firmly on quality and exclusivity, with a winning edge. And they add flair, personality and excitement to every Corsa model. VXR styling products are available as factory-fit option packs or accessories fitted by your Vauxhall retailer.

◀▶ **VXR Styling Pack\***. Available on SE and SXi models the VXR Styling Pack consists of a front lower spoiler, side sills, rear roof spoiler and rear skirt. In addition, SE models include a chrome-effect exhaust tailpipe (standard on SXi).

\*Not available on models fitted with the optional Flex-Fix® system. Deletes spare wheel.

**▶ Rear parking distance sensor.** This clever early warning system helps safeguard your car. When reverse gear is selected, the system beeps as you reverse close to an obstruction, rising to a continuous tone when the object is approximately 300mm away.

**▼ Bluetooth®.** With the optional mobile phone system, your phone interfaces with the infotainment unit, for operation via the steering wheel controls and fascia display. Bluetooth® wireless connectivity with voice activation is included. Does not include phone or cradle.

*Please refer to page 43 of the Technical data section for further details.*

## OPTIONS AND OPTION PACKS

Corsa options are available individually or in special option packs at great prices. The Equipment section has more details.

### INDIVIDUAL OPTIONS INCLUDE:

- Alloy wheels
- Flex-Fix® integrated carrier system
- Air conditioning
- Halogen adaptive forward lighting
- Electronic Stability Programme-plus (ESP-plus)
- ISOFIX system for front passenger seat
- Electronic Climate Control (ECC)

**▼ Sunroof with interior blind.** Optional on all models except Expression and S, Corsa's electrically operated sunroof has a manually operated roller blind to reduce glare, and twin-chamber insulation to reduce noise when it's shut. An integrated wind deflector reduces wind noise, too.

**▲ Satellite navigation.** Fast becoming the 'must have' option for people on the move, this CD-ROM based Sat Nav system guides you to your destination, with clearly spoken directions and directional pictograms of the route. It can also point out accident black spots, schools and points of interest.

**▼ Winter Pack.** Standard on SE and optional at extra cost on Exclusiv, SXi and SRi models.

- Electrically heated front seats
- Electrically heated leather-covered steering wheel

**◀ Sight and Light Pack.** Standard on SE and optional at extra cost on SXi and SRi models.

- Automatic lighting control
- Rain-sensitive windscreen wipers
- Electro-chromatic anti-dazzle rear-view mirror

Vauxhall accessories are the right choice for your Corsa. Whatever you're into, there's certain to be a Vauxhall accessory with your name on it, all fitted by trained Vauxhall professionals. We've only featured a small selection of what's available here, so please check with your Vauxhall retailer for accessory availability information or visit our website at [www.vauxhall-accessories.com](http://www.vauxhall-accessories.com)

 **Privacy shades.** Available for the rear side and tailgate windows, privacy shades provide shade for rear seat passengers and increase security. The tailored fit still allows the rear windows to be opened.

 **Rear parking distance sensors.** Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 300mm away.

**FURTHER ACCESSORIES AVAILABLE INCLUDE:**

- Thatcham approved alarm system
- Floor mats
- Cargo liner
- Mudflaps
- Headlight protectors
- Detachable tow bar
- Electrically chilled 12-litre cool bag
- Thule roof boxes
- Thule alloy ski carrier
- Anti-slip mat
- Steering wheel security bar
- Child seats
- Alloy wheels
- VXR styling accessories

 **Base carrier.** The Vauxhall roof rack system begins with this base carrier. It comprises of two T-track bars which support a wide range of attachments. Each carrier is supplied with locks for security.

 **Thule bicycle carrier.** Used in conjunction with the Vauxhall base carrier this system, manufactured by Thule, allows a bicycle to be transported on the roof of your vehicle. Designed to enable easy installation, the bicycle is secured using quick release straps and a lock for security. Available in steel or aluminium.

## VAUXHALL ACCESSORY PACKS

Vauxhall accessory packs bring together a selection of essential accessories at great prices, helping you to protect your car and equipping you for roadside emergencies.

*irmscher*

## Styling

Developed in conjunction with auto design specialists Irmischer International, Corsa styling accessories perfectly complement the vehicle's lines, as well as being manufactured to the same exacting standards as the car itself. For availability details please ask your Vauxhall retailer.

▼ **Irmischer alloy wheels.** They're the perfect way to personalise your Corsa. With a huge range to choose from (style illustrated is Stila), and sizes from 14 to 17 inches, you're sure to find one to suit your style and budget. And don't forget to ask about our accessory wheel locking kits too.

◀ ▲ **Protection Pack.**

- Velour mats
- Mudflaps
- Cargo liner

▶ **Cross hatch front grille.** Being different is easy with the cross hatch front grille from Irmischer. Featuring an aluminium upper strip with a laser-etched 'Irmischer' logo it adds style and individuality.

▲ **Sports silencer.** For distinctive looks (with chrome-plated tailpipes) and a sportier exhaust note, these split oval design tailpipes are the perfect choice for your Corsa. The rear bumper sports insert (also shown above) is available separately.

▶ **Safety Pack.**

- First aid kit
- Warning triangle
- Hi-visibility vest

# CORSA VXR

**This is extra-sensory stimulation. Cars with soul and power to make you feel alive, electrified and inspired. A range of driver-focused, performance machines for the road, born on the track.**

**Interior features include:**

- > Recaro shell-backed sports front seats
- > Three-spoke flat bottom leather-covered sports steering wheel with VXR logo
- > Unique VXR gear knob
- > Alloy pedals
- > Air conditioning
- > VXR alloy-effect door sill covers

**Exterior features include:**

- > 17-inch Y-design alloy wheels (right)
- > 18-inch V-spoke alloy wheels with anthracite inner, optional at extra cost (far right)
- > VXR honeycomb sports grille and air dam/bumper
- > VXR side sills, rear bumper incorporating diffuser and rear roof spoiler

"WITH EXCELLENT STYLE AND PERFORMANCE, THE NEW FLAGSHIP CORSA IS THE BEST VXR YET."

*AUTO EXPRESS - MARCH 2007*

## CORSA VXR.

Whichever way you look at it, Corsa VXR doesn't hang around. The lightweight 1.6 litre turbo puts out 192PS and the software controlled overboost increases max torque to 260+Nm for safer overtaking. No worries in the chassis department either. With lowered sports suspension, bigger brakes and Electronic Stability Programme (ESP) with traction control – it's all designed for rapid, safe progress.

*For more information on the Corsa VXR please ask your Vauxhall retailer for a copy of the latest VXR range brochure.*

This season's 'must have' colour? Take your pick from a brilliant range of Corsa shades. Plenty to choose from. All coupled with a great cloth trim line-up.

## Safety

**Standard features** • Driver's dual-stage airbag • Front passenger's dual-stage airbag • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Reinforced passenger safety cell • Side-impact protection beams • Fuel tank located ahead of rear axle

• Child-proof locks on rear doors • ISOFIX child seat restraint system for outer rear seats incorporating top tether – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation (does not include child seat) • Deactivation switch for front passenger's airbag

• Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution • Straight Line Stability control • Cornering Brake Control – see **D1** on page 51 • Emergency Brake Assist – see **D2** on page 51 • Adaptive Brake Lights • Drag Torque Control – Helps maintain stability when suddenly lifting off the accelerator

• Height-adjustable front seat head restraints • Height-adjustable front seatbelts • Pyrotechnic front body-lock seatbelt pretensioner system – Tightens the diagonal belt during the early stages of a frontal impact • Driver's and front passenger's seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Adjustable outer rear seat head restraints • Three inertia-reel lap and diagonal rear seatbelts • Anti-submarining ramps in all seats – Help prevent occupants sliding underneath the lap belt during a collision • Driver's seatbelt unfastened audible warning

<b>Satellite navigation/CD player with MP3 format/stereo radio (CD 60)</b> • Satellite navigation system • CD player with MP3 format • Auxiliary-in socket • AM/FM stereo radio with 40 station presets • RDS with Traffic Programme • Remote monochromatic graphic information display • 20 watts per channel output • 7 speakers			○	○	○	○
Mobile phone system with Bluetooth® (does not include phone or phone-specific cradle) and graphic information display			○	○	○	○
Steering wheel mounted audio controls			●	●	●	●

### Satellite navigation

The CD 60 navigation unit uses GPS (Global Positioning System) satellites linked to a comprehensive CD-ROM mapping system to guide you to your chosen destination virtually anywhere in mainland Britain. The system uses a range of menu-driven options which are easily accessed via the steering wheel mounted audio controls.

The audible direction guidance prompt gives details of road numbers and motorway junction numbers, while you can also plan your route to avoid toll roads if required. Route guidance instructions in the form of directional arrows are shown on the graphic information display.

The CD 60 also features Traffic Message Channel (TMC), a specific application of RDS used for broadcasting real-time traffic information. TMC can also offer dynamic route guidance – alerting the

driver to a problem on the planned route and calculating an alternative route to avoid the incident.

The CD-ROM supplied with the system covers all major link roads and streets in towns and cities across mainland Britain. Updated discs and additional discs for all major European countries are available at extra cost.

### Auxiliary-in socket

The auxiliary-in socket allows you to connect your portable MP3 music player directly into the car's audio system. All you need is your music player and a suitable connecting lead and you can listen to all your favourite tunes through your car's speaker system. Using your MP3 music player in the car couldn't be easier – use it to select the music, as you would normally do, while controlling the volume via the car's regular volume controls.

### Mobile phone system with Bluetooth®

Vauxhall's factory-fit dual-band mobile phone system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control and will connect wirelessly to phones with Bluetooth® technology.

All the required information is displayed on the multi-function display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio. Certain functions can also be controlled by voice activation. Please note, not all features work with all phones.

Mounted on the centre console, the phone system base unit can be fitted with phone-specific cradles (available as accessories) for many different mobile phones. A list of compatible cradles is featured in the online Vauxhall Car and Accessory Price Guide.

CD player/stereo radio (CD 30).

Mobile phone system with Bluetooth®.

tbc = To be confirmed.

All information was accurate and up-to-date at the time of going to press. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Vauxhall retailer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO<sub>2</sub> emission data determined according to regulation EC 715/2007, inclusive of implementing regulation EC 692/2008 and/or ECE R83 series 05, taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment may lead to slightly higher results than the stated consumption and CO<sub>2</sub> figures. In addition, it may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. The driving performance figures shown are attainable when the vehicle is empty, plus a load of 200kg.

Vauxhall supporting

### Smarter driving tips

- **Drive at an appropriate speed:** – Staying within the speed limit increases driver safety, reduces CO<sub>2</sub> emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** – Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** – Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** – If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** – Under inflated tyres increase CO<sub>2</sub> emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** – Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO<sub>2</sub> emissions

**1300kg**  
Maximum  
towing weight

1.3CDTi 16v (90PS) SE	1695	1725	1200 (500)	1200 (500)
1.3CDTi 16v (90PS) SXi	1675	1705	1200 (500)	1200 (500)
1.3CDTi 16v (95PS) S	1595	1600	–	–
1.3CDTi 16v (95PS) Exclusiv	1595	1600	–	–
1.7CDTi 16v SE	1750	1780	1300 (500)	1300 (500)
1.7CDTi 16v SRi	1750	1780	1300 (500)	1300 (500)

**Please note:** For S/Exclusiv (exc. 1.3CDTi 16v (95PS) and SXi models fitted with optional air conditioning 20kg must be added to gross vehicle weight. 10kg must be added for S/Exclusiv 1.3CDTi 16v (95PS). **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed a total of 75kg. The **maximum towing weights** are based on the ability of the car – with two occupants of 75kg each – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 55kg (45kg on 1.2i 16v VVT models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

## Vauxhall Assistance and warranties\*\*

- All new Vauxhalls qualify for a three-year vehicle warranty consisting of a one year/ unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

\*\* = Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall retailer for details.

## Optional transmissions

### Five-speed Easytronic transmission:

Available at extra cost on 1.2i 16v S and Exclusiv models. Easytronic transmission is a five-speed manual gearbox with a fully automatic mode. In manual mode, you simply push the lever forward or back to shift gears up or down sequentially. The fascia display tells you what gear you're in – 1 to 5, N for Neutral or A for Auto. Switch to fully automatic mode and it has many of the features of a regular automatic including a kickdown function. There's no clutch pedal so you can drive it on an automatic-only driving licence. Easytronic also comes with a winter mode, which selects second gear for standing starts in slippery conditions.

### Four-speed automatic transmission:

Optional at extra cost on 1.4i 16v models only. Electronically controlled, with Winter driving mode. Fluid drive with torque converter and lock-up on third and fourth ratios eliminating wasteful slip. Electronic park/brake pedal safety interlock. Neutral control fuel-saving feature. Transmission oil cooler integral with engine coolant radiator.

## Steering

- Rack and pinion
- Electric power-assisted steering standard on all models – variable rate on diesel models except 1.3CDTi 16v (95PS) – progressive variable rate on SRi models, and on SE/SXi models fitted with optional 17-inch alloy wheels
- Turning circle (kerb-to-kerb): All models except SE/SXi with optional 17-inch alloy wheels and SRi – 10.10m (33.2ft). SE/SXi with optional 17-inch alloy wheels and SRi – 11.10m (36.4ft)

## Suspension

**Front:** Independent. MacPherson struts with gas-pressure damper cartridge and coil springs. Anti-roll bar.

**Rear:** Compound crank with progressive-rate mini-block coil springs and gas-pressure dampers.

- Lowered suspension on 1.3CDTi 16v (95PS) models
- Sports suspension with lower ride height on SRi models, and on SE/SXi models fitted with optional 17-inch alloy wheels

## Body

- Aerodynamic drag co-efficient: Cd 0.33

## Fuel tank capacity

- 40 litres (8.8 gallons) – 1.3CDTi 16v (95PS) models only
- 45 litres (9.9 gallons) – except 1.3CDTi 16v (95PS) models

## Brakes

- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution
- Emergency Brake Assist
- Cornering Brake Control
- Straight Line Stability control
- Dual circuit, diagonally split, dual rate servo-assisted system
- Low brake fluid level warning light

Maximum crank arm length		no limit

## Features explained

### D1. Cornering Brake Control

Makes the car easier to control in extreme situations, especially when braking sharply on a bend. Particularly effective when carrying out emergency manoeuvres. The system works by sensing the different rotational speeds of the individual road wheels and co-ordinating the level of braking pressure applied to each wheel.

### D3. Electronic Stability Programme-plus (ESP-plus) with Enhanced Understeering Control

The system works in conjunction with the car's traction control set-up, sensing when the vehicle is about to slide on a bend and applying corrective braking to the appropriate wheel or wheels, correcting the slide and helping you regain control more rapidly (with conventional ESP systems the braking force is applied at only one wheel).

### D2. Emergency Brake Assist (EBA)

Emergency brake assist detects the urgency with which the brake pedal is pressed and rapidly increases the pressure to the maximum the system can provide, shortening stopping distances. It also enhances pedal feel.

### D4. Adaptive Forward Lighting – halogen

Optional at extra cost on SE, SXi and SRi. Adaptive Forward Lighting is a sophisticated lighting system that 'allows you to see around corners!' Corsa is one of the first cars in its class to offer such technology; *Autocar* magazine described it as a 'must-have' feature. There are two main functions:

#### Curve light

Activated by movements of the steering wheel, the curve light allows the headlight beam to move up to 15 degrees in the direction you're about to go.

#### Cornering light

When turning into a junction or rounding a tight corner, the cornering light projects an additional beam of light at approximately 90 degrees, giving a 'wide angle' effect.

# Trust Vauxhall

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a three-day test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

## Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

## Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply, for further details please contact your local Vauxhall retailer.

## Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at one of around 400 Vauxhall retailers. To find your nearest retailer call **0845 600 1500**.

## In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

## Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0844 84 85 840** (Great Britain) or **0845 35 13 410** (N. Ireland). Or just visit our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

## For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please **Lo-call 0845 600 1500**.

Alternatively, details can be found on our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

When you have finished with this brochure please recycle it

- Save up to **£1500\*** on a new Vauxhall with The GM Card
- **100 Rebate Points worth £100** when you use The GM Card for the first time
- Rebate Point saving is on top of any discount or offer negotiated with the Retailer
- Earn **3 Rebate Points (£3)** for every **£100** you spend

**Typical 14.9% APR variable**

To apply call **0845 746 2777** or visit [www.gmcard.co.uk](http://www.gmcard.co.uk)

The GM Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Card, PO Box 3615, Birmingham B3 2RJ. The typical APR quoted is the rate for new customers. Rebate Points are earned on purchases using The GM Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Vauxhall by accumulating Rebate Points under the Rebate Points Programme. General Motors UK Limited is solely responsible for the operation of the Rebate Points Programme, which is subject to the Rebate Points Programme Rules. \*You can redeem up to 1500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall vehicle model lines and unlimited Partner Points. Rebate Points and unlimited Partner Points are redeemable as discounts on a new Vauxhall vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and General Motors UK Limited. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. Member HSBC Group. HFC Bank Limited is not a member of the same group of companies as General Motors UK Limited or GMAC UK plc. General Motors UK Limited, Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT. Registered in England number 135767. - CN6/0987.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (March 2010). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only.
