

Corsa Limited Edition 2010 Models

Take a closer look at Corsa Limited Edition.

We know it's a tall order. A three- or five-door Corsa with serious sports styling, must-have features as standard and a dynamic chassis that's fun to drive... oh, and did we mention 'affordable to insure' too? Check this one out. Full body kit. Cool paint combination. Lowered

ride height with sports suspension. All your interior comforts. And a punchy 1.2i 16v VVT (85PS) petrol or super-frugal 1.3CDTi 16v (75PS) ecoFLEX diesel engine. The Corsa Limited Edition. Available for a limited time only.

You don't look this sharp by chance. You need Corsa's natural style, a whole lot of attitude, and the full VXR Styling Pack. A front lower spoiler, side sills, rear roof spoiler and rear lower skirt. Paint it all white. Add black details and roof. Match it with black 17-inch twin-spoke alloy wheels and you can see the result for yourself.

Exterior

Do opposites attract? They do here. Corsa Limited Edition is all about contrast. Solid Glacier White paint with a pearlescent Black Sapphire roof. White door handles and door mirror housings with black B-pillars. White bumpers with black alloy wheels.

All information was accurate and up-to-date at the time of publication. The company reserves the right to alter engine specifications at any time, which may influence the content of the shown data. Please consult your Vauxhall retailer for the latest information. All figures quoted relate to the EU base model with standard equipment. Fuel consumption data and CO₂ emission data determined according to regulation EC 715/2007, inclusive of implementing regulation EC 692/2008 and/or ECE R83 series 05, taking into consideration the vehicle weight in running order, as specified by the regulation. Additional equipment may lead to slightly higher results than the stated consumption and CO₂ figures. In addition, it may increase the weight of the vehicle when empty and in some cases the permissible axle weights as well as the permissible total weight of the vehicle and reduce the permissible towing weights. This may lead to a reduction in top speed and increased acceleration time. The driving performance figures shown are attainable when the vehicle is empty, plus a load of 200kg. ** = Insurance groups relate to the 50 group rating. † = Manufacturer's figures.
