Corsa inTouch

WITH PIONEER TOUCH SCREEN NAVIGATION DVD SYSTEM

AVAILABLE ON CORSA SXi AND CORSA DESIGN

If there's a new Corsa on your mind, we know you're looking for great styling, a dynamic drive and bags of clever features, but we'll bet you love your in-car entertainment too. So look out for Corsa inTouch SXi and Design models. With a punchy 1.2i 16v engine, alloy wheels and air-con – plus the latest touch-screen Pioneer Sat Nav system as part of the deal.

Let's face it. In-car audio doesn't come much smarter than this. Voted Europe's best sat nav and in-car multi-media system*, the touch-control colour screen gives you clear Europe-wide 3D navigation. And with voice guidance there's no need to rely on your best mate for help. You can even add your own favourite destinations to the sat nav memory for a hassle-free festival road trip or city-centre jaunt.

On the way, you can listen to your favourite tunes on radio or CD, of course, but hooking up your MP3 player couldn't be easier, either. So wherever you're off to, your own personal playlist will be right there with you. It'll even charge your MP3 player on the go! Park up and you can even watch a movie on DVD – or video files direct from an SD memory card or USB stick – all controlled via that simple touch screen. Don't forget, all this is with 50 watts x 4 of power as standard, though if you're really into volume, it's wired ready for extra amps and speakers.

AVIC-F900BT NAVIGATION DVD AV HEAD UNIT THE ALL-AND-MORE SOLUTION

- Full navigation and entertainment system
- Full integration in standard double head unit slot (2-DIN)
- RGB (multi-colour) key illumination

Looking for more? The latest Parrot Bluetooth® wireless phone technology means you can keep safely in touch, hands-free, while on the move. You can make that all-important call to anyone on your own personal contact list – or one of your favourite sat nav destinations – without having to look up the number.

So C'mon. Get into a Corsa. And keep in Touch!

**The European Imaging and Sound Association (EISA) named the Pioneer NavGate AVIC-F900BT as Europe's best in-car navigation and multi-media system for 2008-2009.*

Fuel economy and emissions

	Fuel economy mpg (litres/100km)			CO ₂ emissions (g/km)
	Urban driving	Extra-urban driving	Combined figure	
1.2i 16v SXi	35.3 (8.0)	56.5 (5.0)	46.3 (6.1)	146
1.2i 16v Design	36.7 (7.7)	60.1 (4.7)	48.7 (5.8)	139

The fuel consumption figures shown comply with EC directive 1999/100 to provide a realistic indication of fuel consumption by taking into account everyday driving conditions, such as cold starts, acceleration and braking. These figures take account of the vehicles kerbweight, ascertained in accordance with the above regulation. **Important:** the results given relate to the particular car tested. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption; therefore the results do not express or imply any guarantee of fuel consumption attainable.
