

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company car and van taxation and finance. For further information please call **0870 010 0651**.

Sureguard protection

Sureguard Assistance offers the benefits of Vauxhall Assistance for three years from first registration, while Sureguard Warranty also provides a parts and labour warranty for high-mileage or long-term owners. For details contact your local Vauxhall retailer or call **0870 752 7020**.

Business Lease

Business Lease, from GMAC, offers the versatility of a purchase-based finance plan, while making the most efficient use of tax and cash-flow benefits for VAT-registered business users. It's available for all Vauxhall Commercial Vehicles up to 12 months old and offers highly flexible term lengths, variable deposits and a choice of payment profiles. Ask your retailer for full details.

Business First

Available to business users only, Business First enables you to drive a new vehicle without a large, initial financial outlay. You pay to use the vehicle, not to own it. The vehicle is provided over a predetermined period, and when that period comes to an end the vehicle is returned. Ask your retailer for full details.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. There are over 200 light commercial vehicle and 120 heavy commercial vehicle retailers nationwide.

In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. Call **0800 010 304** for a free driver's pack.

Premier Service Centres

Our Premier Service Centres feature a guaranteed same day repair service (provided the parts are in stock) and an appointment-free service for diagnosis and repairs taking less than 90 minutes. All repairs are carried out within 24 hours of diagnosis, while suitable alternative transport can be arranged to keep you mobile.*

*= Terms and conditions apply.

The GM Platinum Card is issued by HFC Bank Limited and is available to persons aged 18 years or over and resident in the UK (or 21 and over in the Channel Islands) and is subject to status and conditions. Written quotations are available upon request from The GM Platinum Card, PO Box 3615, Birmingham B3 2RJ. The typical APR quoted is the rate for new customers. *Rebate Points are earned on purchases using The GM Platinum Card. Rebate Points are not earned on Balance Transfers or Cash Advances. You earn money off a new Vauxhall/Saab by accumulating Rebate Points under the Rebate Points Programme. Vauxhall Motors Ltd is solely responsible for the operation of the Rebate Points Programme, which is subject to the Rebate Points Programme Rules. You can redeem up to 2500 Rebate Points subject to the Model Line Maximum which will vary in amount in relation to different Vauxhall/Saab vehicle model lines and unlimited Partner Points. Rebate Points and unlimited Partner Points are redeemable as discounts on a new Vauxhall/Saab vehicle and must be redeemed four years from the issue date. Rebate Points may not be redeemed by Motability Contract Hire customers. The GM Card is a trading name and style of both HFC Bank Limited and Vauxhall Motors Ltd. HFC Bank registered in England No. 1117305. Registered Office: North Street, Winkfield, Windsor, Berkshire SL4 4TD is authorised and regulated by the Financial Services Authority. Member HSBC Group. HFC Bank Limited is not a member of the same group of companies as Vauxhall Motors Ltd, Saab GB Limited or GMAC (UK) plc. Vauxhall Motors Ltd, Registered Office: Griffin House, Osborne Road, Luton, Bedfordshire LU1 3YT. Registered in England number 135767. - CN6/0987.

The Wheels of Business

New Corsavan 2008 Edition 1

The small van that gives you more

THE WHEELS OF BUSINESS

Whatever your load, Vauxhall Commercial Vehicles are designed to help you deliver a top quality job. New Corsavan builds on the success of the previous model with brilliant new styling, a dynamic new chassis, enhanced interior comfort and even more load carrying ability. Along with the hugely popular New Astravan and Combo, it completes our most impressive Light Commercial Vehicle range yet. Together, they offer gross vehicle weights from 1615kg to 1995kg, backed by superb reliability and low running costs.

If you need even greater capacity, New Vivaro and Movano panel vans offer GVWs from 2770kg to 3500kg. Both are available in a range of wheelbase, roof height and payload formats so you can tailor a vehicle to meet your specific requirements. Movano is also available in chassis cab and crew cab variants – the ideal platform for our range of specialist conversions.

The success of the line-up is reflected in the large number of industry plaudits attracted by the range. New Corsavan, for example, was recently named 'Car-derived Van of Year' in the *Professional Van & Light Truck* magazine awards for 2007 – the first of many such accolades that are sure to follow for Vauxhall's new car-derived contender.

Whichever Vauxhall Commercial Vehicle you choose, you can rely on the fact that Vauxhall's nationwide network of retailers will meet all your servicing and maintenance needs. To minimise downtime, there is a growing network of Premier Service Centres, providing a fast, efficient repair service at times to suit you.

THE SMALL VAN THAT GIVES YOU MORE

With its sporty good looks, New Corsavan makes a clear style statement for any image-conscious business. Small enough for congested city streets, yet big enough to eat up the miles on the open road, it matches a dynamic new chassis with a light, spacious cabin and high levels of safety and security. And the new, longer load area is easy to access with purpose-built load protection and a class-leading 550kg payload capacity.

New Corsavan's stylish new shape is longer, wider and taller than before, meaning more space for the driver and passenger. The load area is longer and higher too, making it more practical and easier to load. And, at 550kg, New Corsavan payload capacity has never been greater.

Few vans can match New Corsavan's low running costs. Both the 1.3CDTi 16v diesel and 1.2i 16v petrol engines are economical and insurance group ratings are low (1E T2). Service intervals are a long 20,000 miles/one year on all models and the warranty stretches to three years/60,000 miles.

The New Corsavan cabin is built for long term driver comfort. The new seats provide even more support. The striking new fascia is more ergonomically efficient, and a stereo radio/CD player is standard. There is also plenty of useful in-cab storage for your paperwork, drinks and all those other essentials for a busy working day.

Introduce our stylish new Sportive model – complete with body-colour detailing, 15-inch alloy wheels, a 1.3CDTi 16v (90PS) common rail turbo diesel engine and six-speed gearbox – and New Corsavan just got a whole lot more appealing.

WHAT VAN? SAID...

'Well put-together and astonishingly frugal, Vauxhall's New Corsavan is a useful little package.'
JUNE 2007

Max. payload
550kg

3-year/60,000 mile
warranty

Insurance Group
1E T2

Sportive model illustrated

New Corsavan takes its load carrying duties very seriously indeed, with improvements concentrated in the areas that really matter. A tall, wide tailgate aperture makes it easy to load. The longer, higher load area has superb load and occupant protection features. Most of all, it carries an impressive 550kg max. payload – more than any previous Corsavan, and more than any of its competitors too.

EASY LOADABILITY

The New Corsavan has never been easier to load. The taller tailgate aperture allows larger items to be loaded. The tailgate itself lifts high (for good headroom) and extends down into the bumper making for a low loading height.

LOAD PROTECTION

A sturdy steel floor and half-height steel bulkhead, tough sidewall half-height panelling and load restraint lashing eyes are all standard. An upper load restraint mesh, fitted rubber floor mat and four-piece load compartment cover are optional for even more load protection.

Four-piece load compartment cover optional at extra cost.

LOADSPACE DIMENSIONS*	mm	inches
Maximum load floor length	1257	49.5
Maximum load area height	924	36.4
Maximum load area width	1264	49.8
Width between wheel arches	969	38.1
Load sill height (unladen)	691	27.2
Max. tailgate aperture height	650	25.6
Max. tailgate aperture width	980	38.6

LOADSPACE VOLUME	cu.m	cu.ft
Maximum loadspace volume (VDA method)	0.92	32.5

*Please refer to pages 17-19 of the Specification section for more detailed loadspace, weight and towing data.

New Corsavan's high-lift tailgate opens to reveal a practical 0.92 cu.m (32.5 cu.ft) loadspace. For additional load and occupant protection, a steel upper load restraint mesh and rubber floor mat (both illustrated) are optional at extra cost.

Max. load floor length

Max. payload 550kg

LOADSPACE

- | 550kg max. payload | Steel load area floor | Half-height steel bulkhead | Sidewall half-height panelling | Load restraint lashing eyes
- | Upper load restraint mesh (optional) | Fitted rubber floor mat (optional) | Four-piece load compartment cover (optional)

DYNAMICS AND EFFICIENCY

- Choice of engines: 1.2i 16v (80PS/110Nm) petrol, 1.3 CDTi 16v (75PS/170Nm) and 1.3 CDTi 16v (90PS/200Nm)* diesels
 - Six-speed manual gearbox* | Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD)
 - Dynamic Safety Suspension (DSA) | One-year unlimited mileage manufacturer's warranty
 - Second and third year no-fee customer option warranty up to 60,000 miles
 - Five-speed manual gearbox**
 - Electric speed-sensitive power-assisted steering
- *Sportive models only. **Excluding Sportive models.

New Corsavan's ride and handling is better than ever before, meaning an even more comfortable and relaxing day at the wheel – especially important for any van driver. Both engine choices – common rail diesel and multi-valve petrol, are designed to save you money. Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) is standard, as is speed-sensitive power-assisted steering, making New Corsavan especially easy to manoeuvre and park.

WHAT VAN? SAID...

'Go for the 1.3CDTi and you will not be disappointed.'

APRIL 2007 1.3CDTi 16v 75PS

Dynamic Safety Suspension (DSA). When any vehicle brakes on surfaces with differing levels of grip (eg. gravel or mud versus dry tarmac), there is always the potential for loss of control. New Corsavan's DSA suspension helps correct this tendency, making the van safer under 'break away' conditions.

Anti-lock Braking System (ABS). The latest ABS system with Electronic Brakeforce Distribution (EBD) and Emergency Brake Assist (EBA) can reduce emergency stopping distances even further, particularly on slippery roads and help drivers retain steering control.

20,000 mile/1-year service intervals

3-year/60,000 mile warranty

1.3CDTi 16v common rail diesel. Base models feature our award-winning 1.3CDTi 16v (75PS) engine matched to a five-speed gearbox. Sportive models take the 90PS version matched to a six-speed gearbox. Both versions deliver outstanding performance combined with excellent fuel economy.

ESP-plus and TC. The optional Electronic Stability Programme-plus (ESP-plus) with Enhanced Understeering Control (EUC) works in conjunction with the van's Traction Control (TC) system to help you maintain control during adverse or emergency conditions. Sensing when the vehicle is about to slide on a bend, ESP-plus gently applies corrective braking to the appropriate wheel or (up to four) wheels, correcting the slide and helping you regain control more rapidly. Traction control also stops wheelspin during acceleration.

1.2i 16v Twinport. The 80PS (110Nm) multi-valve petrol engine uses advanced Twinport technology for increased performance and fuel economy, allied to rigorous emissions control. This unit is backed by a five-speed manual gearbox.

NEW CORSAVAN

Known simply as New Corsavan, the base model provides a well-equipped and cost-efficient introduction to the model line-up. Drivers can choose between two highly responsive yet economical engines: 80PS 1.2i 16v Twinport petrol and 75PS 1.3CDTi 16v common rail turbo diesel.

Standard features include:

- | Punch Charcoal cloth seat trim
- | Driver's airbag
- | Pyrotechnic body-lock seatbelt pretensioners
- | Anti-lock braking system
- | Emergency brake assist
- | Electronic brakeforce distribution
- | Electronic engine deadlock immobiliser
- | Remote control central door deadlocking
- | Speed-sensitive power-assisted steering
- | Five-speed gearbox
- | Satin stone-effect centre console
- | CD 30 stereo radio/CD player
- | Electrically adjustable door mirrors
- | Passenger's underseat storage tray
- | Half-height steel bulkhead
- | Steel load area floor
- | Load restraint lashing eyes

Model and engine availability and insurance groups (ABI)

1.2i 16v	1E
1.3CDTi 16v (75PS)	1E

In-cab stowage features include a passenger's underseat storage tray (above) and a document pocket in the driver's sun visor (not illustrated). Both door pockets include a drinks holder and space for bottles up to 1.5 litres; the centre console features two more drinks holders and coin holders.

SPORTIVE

With a host of exterior enhancements that include two-coat metallic paint, body-colour detailing, dark-style headlights and 15-inch alloy wheels – and power provided by a more potent 90PS 1.3CDTi 16v turbo diesel engine – Sportive is an exciting addition to the New Corsavan line-up.

Additional features over and above base model include:

- | Sports-style seats with Fuse Garnet Red cloth trim
- | Driver's seat height adjuster
- | Reach and rake adjustable steering
- | Air conditioning
- | Interior light pack
- | Electrically operated windows
- | Matt chrome-effect centre console
- | Sports instruments
- | Six-speed gearbox
- | Electrically adjustable/heated door mirrors
- | Body-colour door mirrors, side-protection mouldings and door handles
- | Dark-style headlights
- | Front fog lights
- | 15-inch alloy wheels
- | Sportive badge
- | Sports chrome exhaust tailpipe
- | Two-tone horn
- | Two-coat metallic paint

--------------------	----

Inside, too, New Corsavan Sportive adds fresh appeal and driving flair that's bound to excite any small van user. With additional design cues and extra features that include electrically operated windows (above), it's perfect for the business that's going places in style.

OPTIONS AND ACCESSORIES

Vauxhall options and accessories are all about choice – selecting your New Corsavan then personalising it to suit the way you work. There's a choice of factory-fitted options and a huge range of retailer-fit accessories. You can also choose styling products from the VXR range as well as auto design specialist Irmscher International. For further information please ask your Vauxhall Commercial Vehicle retailer for more details.

INDIVIDUAL OPTIONS

- > CD 60 satellite navigation system
- > ESP-plus
- > Passenger's airbag
- > Air conditioning*
- > Electric windows*
- > Heated door mirrors*
- > Front fog lights*
- > Rear parking sensors
- > Load area rubber floor mat
- > Four-piece load compartment cover
- > Upper load restraint mesh

OPTION PACK

- New Corsavan Plus Pack*
- > Driver's seat height adjuster **1**
 - > Steering column adjustable for reach and rake

*Standard on Sportive models

◀ ▶ **Load area options.** Load area safety and security can be further enhanced with a range of extra-cost options. The steel upper load restraint mesh and fitted rubber floor mat provide added protection from shifting loads, while the four-piece load compartment cover hides the load from prying eyes.

◀ **Rear parking sensors.** This factory-fitted option provides an audible warning when an object is detected within a set range behind the vehicle.

ACCESSORIES

Vauxhall accessories are the right choice for your New Corsavan. The list below is just a small sample of the range available. For a full list, please refer to the Vauxhall Commercial Vehicle Accessories brochure, Commercial Vehicle and Accessory Price Guide or visit our website www.vauxhall-accessories.com

- > Safety
- > Exterior protection
- > Interior protection
- > Security
- > Load carriers
- > Audio and navigation
- > Towing
- > VXR styling

Developed in conjunction with auto design specialists Irmscher International, a range of styling accessories are available to enhance and help personalise your New Corsavan:

- > Interior styling
- > Exterior body styling
- > Styling pack
- > Sports silencer
- > Alloy wheels

▼ **Irmscher rear hood spoiler.**

▲ **New Corsavan VXR Styling Pack.** Boost your style with a front lower spoiler, side sills, rear roof spoiler and rear lower skirt.

◀ **Rubber floor mats (pair).**

◀ **Steering wheel security bar.**

◀ **Rear parking sensors.** The accessory early warning system helps safeguard your van and pedestrians. When reverse gear is selected, the system beeps as you reverse close to an obstruction (like posts, fences or people), rising to a continuous tone when the object is approximately 300mm away.

Front door pockets.

Rev counter.

Safety

Standard features • Driver's dual-stage airbag • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Fuel tank located ahead of rear axle • Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution (EBD) – see page 9 • Straight Line Stability control (SLS) – Optimises directional stability when braking • Cornering Brake Control (CBC) – Makes the vehicle easier to control in extreme situations such as braking sharply on a bend • Drag Torque Control (DTC) – Helps maintain stability when suddenly lifting off the accelerator • Emergency Brake Assist (EBA) – Increases brake force applied in emergency braking situations • Adaptive Brake Lights (ABL) – Brake lights flash when ABS is activated, thus warning following vehicles that heavy braking is in progress • Height-adjustable seat head restraints • Height-adjustable inertia-reel seatbelts • Pyrotechnic body-lock seatbelt pretensioner system – Tightens the diagonal belt during the early stages of a frontal impact • Driver's and passenger's seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Seatbelt unfastened audible warning • Anti-submarining ramps in seats – Help prevent occupants sliding underneath the lap belt during a collision

Additional features	Corsavan	Sportive
Passenger dual-stage airbag	○	○
Electronic Stability Programme-plus (ESP-plus) with traction control – see page 9	○	○

Security

Standard features • Electronic theft protection for audio equipment • Electronic engine deadlock immobiliser • 'Key left in ignition' audible warning • Visible Vehicle Identification Number (VIN) • Freewheeling door locks • Door-to-door illumination – Keeps the headlights and rear lights on for 30 seconds after the front doors are locked • Remote control central locking (doors, tailgate, fuel flap) with security deadlocks

Facia, instruments and controls

Standard features • Multi-function display panel showing time, date, audio information and outside air temperature (with ice warning function) • Digital clock with automatic RDS time adjustment • Adjustable speed limit audible warning – Allows the driver to set the speed above which an alarm sounds • Trip odometer • Rev counter • Electronically controlled fuel gauge • Low fuel level warning light • Headlight/brake light bulb failure warning light • Service-due indicator • Handbrake-on warning light • Instrument panel light dimmer • Lights-on audible warning • Electric headlight beam levelling • Glovebox with lid • Cigar lighter • Ashtray

Additional features	Corsavan	Sportive
Steering column adjustable for reach and rake	□	●
Sports instruments		●

Audio, communication and navigation

	Corsavan	Sportive
CD 30 stereo radio/CD player • AM/FM stereo radio with 36 station presets • RDS with Traffic Programme • CD player • Remote display • 17 watts per channel output	●	●
CD 60 stereo radio/CD player with MP3 format/satellite navigation • AM/FM stereo radio with 40 station presets • RDS with Traffic Programme • CD player with MP3 format • Auxiliary-in socket • Satellite navigation system • Colour monitor • 20 watts per channel output Mobile phone system with Bluetooth® (does not include phone or cradle) and graphic information display	○	○

Heating and ventilation

Standard features • Side window demist vents and four adjustable heating and ventilation outlets • Air blend heater with four-speed fan and illuminated controls • Interior pollen filter • Interior odour-reducing activated charcoal filter¹

Additional feature	Corsavan	Sportive
Air conditioning (includes air recirculation facility)	○	●

Seating

Standard features • Reclining front seats • Front passenger's underseat storage tray

Additional features	Corsavan	Sportive
