

CORSAVAN

2017 Models Edition 2

The Wheels of Business. Helping you deliver.

Whatever your line of business, Vauxhall Commercial Vehicles can help you deliver. With four different award-winning models – Corsavan, Combo, Vivaro and Movano – we offer a massive choice of over 340 variants including panel vans, chassis cabs, crew cabs,

platform cabs, tippers, dropsides, box vans and passenger carriers. We're also committed to keeping your business moving. That means reliable, fuel-efficient vehicles – including our ecoFLEX range – supported by a dedicated network of over 400 retailers

offering the expert support and back-up you need. We build more commercial vehicles at our British production facilities than any other UK manufacturer – indeed, almost 74,000 vans were built in the UK in 2016 alone. We've also won over 30 industry awards since

2010 – major awards, presented by some of the toughest judges in the business. Introduce the in-built reassurance of the Vauxhall brand and it's easy to see why Vauxhall Commercial Vehicles really are 'The Wheels of Business'.

CORSAVAN. THE SMALL VAN THAT GIVES YOU MORE.

An impressive redesign of its award-winning predecessor, the Corsavan is now more stylish and capable for your business than ever.

Its sharp exterior projects a dynamic business image, and its high-class ergonomic interior is packed with innovative features like touch-screen infotainment, Bluetooth® connectivity and heated windscreen, to make your daily drive more enjoyable.

Corsavan is powered by an impressive range of fuel-efficient engines, with active safety systems and six airbags fitted as standard. An impressive payload of up to 581kg ensures it can deliver the goods too.

In every way, Corsavan is the perfect small van – that gives you more.

Some of the vehicles shown include options and accessories available at extra cost. And not all of the features, options or accessories described are available on every model. For model and equipment availability please refer to the latest Commercial Vehicle Range Price and Specification guide, available to download at www.vauxhall.co.uk for details.

EASY DOES IT

Designed for hard working businesses everywhere, Corsavan makes loading and unloading easy.

The tailgate opens high to give you plenty of headroom, yet drops down for a conveniently low loading height – it also features interior handles to make pulling the tailgate down easier too.

With an impressive 581kg payload*, an accommodating 1257mm maximum load floor length and a generous 0.92 cubic metres load capacity, it's easy to see why Corsavan is more than up to the job.

*For an exact definition, please refer to the Glossary of Terms section within the Commercial Vehicle Range Price and Specification guide, available to download from vauxhall.co.uk

1. Load protection. A sturdy half-height steel bulkhead, tough sidewall half-height panelling and load restraint lashing eyes help protect against heavy, shifting loads. And an upper load restraint mesh and rubber floor mat (pictured above) are available as extra cost options.

2. Load area storage. A handy four-part load compartment cover is also available as an extra cost option.

INTERIOR COMFORT

Whatever your business, Corsavan is ready to provide a safe, easy and comfortable journey with a full range of interior features.

The Corsavan features sharp and distinctive interior styling together with an in-cab environment designed for maximum comfort and durability. In addition, ambient lighting and reduced levels of noise and vibration guarantee a relaxed and stress-free workday experience, whatever your trade. And when it comes to cabin clutter, Corsavan has everything well organised with a range of smart and handy storage ideas for both the cabin and the load area.

As well as the usual creature comforts like electric windows, door mirrors and remote central deadlocking, both models feature digital radio, USB and Bluetooth® connectivity. Sportive models really turn it on with sports-style seats, a heated windscreen and air conditioning – you can even equip Corsavan with the added convenience of electronic climate control as an affordable option.

1. Bluetooth® connectivity and digital radio. Corsavan doesn't just work hard, it plays hard too. As well as the usual CD player and stereo radio, it's kitted out for you to connect all the media on your smartphone, MP3 player or tablet using the aux-in socket, USB or Bluetooth® for hands-free connectivity and music streaming. Digital radio means a broader range of channels with easier tuning and crystal clear sound.

2. IntelliLink infotainment. Designed to work without a CD player, the optional IntelliLink system features a touchscreen interface with smartphone* projection that enables certain apps and features to display on the colour screen through Apple CarPlay™ or Android Auto™.

3. Banish winter blues. Ice and condensation melt away with the heated windscreen. Standard on Sportive models.

4. Storage spaces. Corsavan provides plenty of handy storage spaces too, including a centre console with drink holder and large door pockets (big enough for a 1.5-litre bottle) with specialised compartments for mobile phones and all those essential odds and ends.

*Please note that compatibility and certain functions may be different depending on the type of device and version of operating system you're using with the IntelliLink systems. To check compatibility go to www.apple.co.uk or www.android.co.uk. You may also incur additional costs from your operator for some services and as such we recommend that you check the data costs on your tariff. Apple CarPlay and Apple are trademarks of Apple Inc. registered in the U.S. and other countries. Android is a trademark of Google Inc.

Please note: When specified, the R4.0 IntelliLink infotainment system does not feature an aux-in socket.

YOUR PERSONAL ON BOARD ASSISTANT

Vauxhall OnStar¹ gives you an incomparable feeling of safety, 24/7, 365 days a year.

Best of all it's free of charge for the first 12 months if you choose the OnStar option for Corsavan². Even for your 4G Wi-Fi Hotspot³ you will get a free data trial period⁴.

Driving will never be the same again.

WHAT ONSTAR CAN DO FOR YOU

SOS

Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your van. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location¹.

4G Wi-Fi Hotspot³.

Your van is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot³ for up to seven devices¹.

Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights¹.

Stolen Vehicle Assistance.

If someone steals your van, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your van from being restarted so it can be recovered¹.

Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your van like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

YOUR PRIVACY. YOUR CALL

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on Corsavan models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your van's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies⁵ can OnStar override this.
- OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

¹The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator. ²Optional at extra cost on all Corsavan models. ³4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check www.vauxhall.co.uk/onstar for terms and conditions, details of availability, coverage and charges. ⁴For details please check www.vauxhall.co.uk/onstar ⁵In events such as a crash or if your vehicle is stolen.

HOW CAN I GET ONSTAR?

Vauxhall OnStar is optional on all Corsavan models.

To get it:

1. Request OnStar when you order your new Vauxhall Corsavan.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase 4G Wi-Fi Hotspot¹ data packages separately from the nominated network provider by following the instructions on www.vauxhall.co.uk/onstar. Charges apply after the free trial period.

To find out more, visit www.vauxhall.co.uk/onstar

¹4G is subject to mobile network coverage and availability.

HOW MY VAUXHALL SERVICES DO MORE FOR YOU

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Retailer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services. Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall anytime anywhere!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from the Apple App Store.

ENGINES AND DRIVING DYNAMICS

Delivering impressive engine efficiency and driving agility, Corsavan comes with a range of Euro 6 compliant engines, including one petrol and three powerful turbo diesel units that add up to some serious cost savings. Which means Corsavan makes absolute business sense whatever the requirement.

Engine efficiency

Featuring a turbocharger design that achieves higher torque from lower revs, the ecoFLEX 1.3CDTi (95PS) Start/Stop engine boasts 85.6mpg on the combined cycle, with CO₂ emissions as low as 84g/km.

The Sportive 1.3CDTi (95PS) Start/Stop engine achieves 74.3mpg on the combined cycle and CO₂ emissions of just 101g/km.

Driving agility

Of course Corsavan is a joy to drive too, with electrically powered steering and a totally redesigned chassis for a smooth, superior ride that makes the working day less stressful.

The speed-sensitive electric power steering system features City Mode – which boosts power assistance for easier parking and manoeuvrability. At the same time, suspension modifications optimise steering for a more responsive feel.

In addition, the Easytronic transmission is available with the 1.3CDTi (95PS) Start/Stop ecoFLEX diesel.

- 1. City Mode.** Specially developed for Corsavan's electric power steering system, City Mode lightens the steering for easier parking and manoeuvrability in tight situations.
- 2. Front camera system.** This clever safety technology reads and alerts you to traffic signs before you do, warns if you drift from your lane or approach vehicles in front too fast – it even helps you keep your distance too.
- 3. Rear-view camera and rear parking distance sensors.** Mounted in the tailgate, the optional rear-view camera gives a wide viewing angle of the area behind the vehicle displayed on the infotainment system screen, while optional parking distance sensors alert you to the proximity of objects to the rear bumper.
- 4. Easytronic transmission.** Easytronic offers all the main features and flexibility of a regular automatic plus the performance and control of a 'one-touch' manual gearbox. Available as an extra cost option on standard Corsavan models

ENGINES DATA*

	Maximum power	Maximum torque	Fuel economy mpg (litres/100km)#			CO ₂ emissions (g/km)#
			Urban driving	Extra-urban driving	Combined figure	
Petrol						
1.2i (70PS)	70PS (51kW) @ 5600rpm	115Nm (85 lb.ft) @ 4000rpm	42.2 (6.7)	61.4 (4.6)	52.3 (5.4)	126

MAKE IT YOUR OWN

Corsavan gives you plenty of options and packs to make it work even better for you.

As well as the IntelliLink infotainment system, Driving Assistance Pack, Winter Pack and electronic climate control, further options include:

- Vauxhall OnStar
- Load area rubber floor mat
- Upper load restraint mesh
- Cargo net
- Fixings for cargo net
- Load compartment cover
- Easytronic transmission
- Rear parking distance sensors
- Rear-view camera (Sportive)
- 16-inch black alloy wheels (Sportive)

1. IntelliLink. Compatible with Apple and Android systems, this touchscreen based infotainment system is designed to connect Bluetooth® and USB devices to share apps and content from your smartphone or MP3 player.

2. Driving Assistance Pack. Helping drivers to keep safe on the road, this pack includes forward collision alert, traffic sign recognition, lane departure warning, following distance indicator and electro-chromatic anti-dazzle rear-view mirror.

3. Winter Pack. Making the colder months more bearable for drivers, this pack includes electrically heated seats and an electrically heated leather-covered steering wheel.

4. Electronic climate control. Incorporating air conditioning, Corsavan's electronic climate control is a sensor-controlled, single-zone, fully automatic system that can set and hold the desired cabin temperature.

VX_COV_22810

VX_COV_25321

VX_COV_22791

VX_COV_22786

1. Base carrier. Our roof rack system starts off with this base carrier, and can be complemented by two T-track bars – the system also works with a range of Thule attachments.

2. Detachable tow bar. Comes complete with 13-pin electrics and is easily mounted and detached.

3. Mudflaps. A smart appearance is important to business, so Corsavan's accessory mudflaps help protect the vehicle's paint and bodywork.

4. Rubber floor mats. A pair of hardwearing, non-slip rubber mats help protect the Corsavan's interior floor from everyday wear and tear.

ACCESSORIES

With all the big stuff taken care of, the little things make a real difference to your driving experience. Fitted by trained Vauxhall professionals, Genuine Vauxhall Accessories allow you to get more out of your working day.

All are designed and specified to the same exacting standards as the Corsavan, and all come with a comprehensive warranty.

Other accessories include:

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet decision makers include factory demonstrators and information on whole life costs, company car and van taxation and finance. For further information please call **0870 010 0651**.

Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new vehicle warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Vauxhall Commercial Vehicle retailer.

When you have finished with this brochure please recycle it

Business Lease

Business Lease, from GMAC, offers the versatility of a purchase-based finance plan, while making the most efficient use of tax and cash-flow benefits for VAT-registered business users. It's available for all Vauxhall Commercial Vehicles up to 12 months old and offers highly flexible term lengths, variable deposits and a choice of payment profiles. Ask your retailer for full details.

Business First

Available to business users only, Business First enables you to drive a new vehicle without a large, initial financial outlay. You pay to use the vehicle, not to own it. The vehicle is provided over a predetermined period, and when that period comes to an end the vehicle is returned. Ask your retailer for full details.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. Nationwide there are over 250 light commercial vehicle retailers and a further 195 heavy commercial vehicle retailers.

In the event of an accident...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit www.vauxhall.co.uk/AccidentManagement

Premier Van Centres

Our 100-strong network offers convenience, expertise and value. Enjoy while-you-wait repairs (if the parts are in stock), appointment-free service for diagnosis and transparent pricing. What's more, our Vauxhall-trained technicians will use genuine Vauxhall parts.

For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest retailer, call **0345 600 1500**.

Alternatively, details can be found on our website at: www.vauxhall.co.uk/vans
