2 October 2012

Flexible Finance

0% APR

Representative*

**Personal
Lease****

Proud Sponsor of Home Nations Football

Customer offers effective
2 October 2012 to 17 December 2012
(subject to exclusions and conditions)

* = Finance subject to status. Terms and conditions apply.
Applicants must be 18 or over. Guarantee/indemnity may be
required. Finance supplied by either Vauxhall Motor Finance
RH1 1SR or Vauxhall Finance, PO Box 6666, Cardiff CF15 7YT.
** = Personal Lease by ALD Automotive Ltd.

INSIGNIA CUSTOMER OFFERS

At Vauxhall we know that customers demand choice. Not only do we have an extensive range of models to choose from, you can also choose 1 of the 2 offers right. With our unique Flexible Finance programme you can now take advantage of an unbeatable finance rate with no minimum deposit, and a payment term to suit you of anywhere between 24 months and 60 months. For even more great deals contact your local retailer or call 0845 600 1500 or visit www.offers.vauxhall.co.uk

TERMS AND CONDITIONS

All offers described are available on vehicles ordered or registered between 2 October 2012 and 17 December 2012 inclusive. Offer prices quoted are correct at the time of publication (October 2012). Prices are subject to change. In line with Vauxhall's policy of price transparency, the offer price shown is an on-the-road price including 20% VAT, number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Government Vehicle Excise Duty (variable depending upon model) and the DVLA's new vehicle first registration fee of £55.00. Excludes fuel and insurance. Offers may not apply to retailer stocks and are subject to availability. Restrictions may apply. Contact your retailer for details.

FINANCE OFFER

Not available on Insignia ES or Tech Line models and cannot be used in conjunction with any other Finance offers. Offer available for orders and registrations between 2 October 2012 and 17 December 2012. **Eligibility:** Offer only applies to private individuals, Vauxhall Partners and small businesses 1-24 vehicles (purchase only excluding B2B). All other customers are excluded. **Availability:** Available on selected retailer stocks at participating retailers only and may not be available on all retailer stocks. **Finance Provider:** Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Guarantee/indemnity may be required. Finance supplied by either Vauxhall Motor Finance RH1 1SR or Vauxhall Finance, PO Box 6666, Cardiff CF15 7YT.

PERSONAL LEASE

Offer available to individuals for orders received between 2 October 2012 and 17 December 2012. Figures based on a non-maintenance contract hire package over 36 months and 6,000 miles per year (max). Rentals and excess charges are based on the current VAT rate. An excess charge will be applied for mileage in excess of 6,000 mile p.a. Excess charges also apply if the car is not serviced and maintained in accordance with manufacturer guidelines and returned to Vauxhall Leasing in a condition commensurate with the BVRLA Fair Wear and Tear guidelines for its age and mileage. Package includes R.F.L. and Vauxhall Assistance. Free metallic paint is only available in conjunction with Vauxhall Leasing offer and applies to selected models only. Offer subject to availability and status. UK supplied vehicles only. For full specification, details, terms and conditions contact your local retailer. Guarantee and/or indemnity may be required. Applicants must be 18 or over. Details correct at time of publication and may vary, e.g. if list price changes. Personal contract hire by ALD Automotive Ltd., trading as Vauxhall Leasing, Oakwood Park, Lodge Causeway, Fishponds, Bristol BS16 3JA.

Personal Lease

INSIGNIA COMPANY CAR DRIVER/FLEET INFORMATION

INSIGNIA TECH LINE. HIGH SPEC, LOW P11D

High spec. Impressively low P11D values. Our new Tech Line ecoFLEX models are highly desirable to both Fleet Decision Makers and Company Car Drivers. With CO₂ emissions from just 115g/km and fuel consumption of up to 65.7mpg (combined) Tech Line's impressive standard specification includes Sat Nav, Bluetooth®, USB, aux-in and cruise control.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive
www.vauxhall3dtd.co.uk
or call 0870 240 4848**

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate for 2011-12 tax year) to calculate your annual benefit in kind tax liability.

Example:

Insignia Tech Line 2.0CDTi (160PS) ecoFLEX
Start/Stop 5-door hatchback
(CO₂ emissions 114g/km)

On-the-road RRP	£21155.00
Deduct: Vehicle Excise Duty	(£0.00)
New vehicle first registration fee	(£55.00)
Effective list price	£21100.00
Add: Optional two-coat metallic paint	£525.00

List price for tax purposes (P11D value)
£21625.00

Car benefit charge	
2012-13 tax year (16%)	£3460.00
Benefit in kind tax liability (2012-13 tax year)	
Basic Rate (20%) tax payer	£692.00
Higher Rate (40%) tax payer	£1384.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2012-13 tax year	Diesel 2012-13 tax year
up to 75	5	8

INSIGNIA FEATURES/OPTIONS

SATELLITE NAVIGATION

The Navi 600 satellite navigation system, fitted as standard to Insignia Nav and Tech Line models, offers dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The SD card supplied with the system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads across more than 30 European countries. Additional country-specific maps with street level detail are available to download. The navigation data is loaded onto the unit's internal flash memory for fast access. The CD player plays regular audio CDs and MP3 tracks recorded to CD. The optional Navi 900 satellite navigation system adds a number of enhancements. The European mapping is expanded to street level detail, whilst 'pseudo 3D' map navigation and 'bird's eye view' offer depth perception, continuous zooming and smooth scrolling when homing in on your destination. A sophisticated Points of Interest menu enables you to choose attractions via a number of criteria – it even shows pictures of the option selected.

The voice recognition module enables you to operate the navigation system, radio (including DAB digital radio where fitted) and music selection via CD or USB by voice control. This means you can keep both hands on the steering wheel at all times. A logbook feature allows you to record details for individual journeys which can subsequently be downloaded via USB. Details recorded include start and finish locations with latitude/longitude, time and odometer stamp, whether private or business and any general comments you may wish to add.

MP3 CD PLAYER

An MP3 is a compressed sound or music file and, due to its small size, it takes up less space on a compact disc, which means that more tracks can be recorded onto a CD. It's possible to fit almost 10 hours of music onto one CD, and, in a way, turn a single-disc CD/MP3 player into a multi-disc autochanger.

AUX-IN SOCKET

The aux-in socket, located in the front centre armrest storage facility, allows you to connect your portable MP3 music player directly into the car's audio system. All you need is a suitable connecting lead and you can listen to all your favourite tunes through your car's speaker system.

When using an MP3 player in the car the majority of the controls, such as track selection, remain solely on the player, while only the volume is controlled via the car's regular audio controls.

USB CONNECTION

Fitted as standard to all Insignia models, the USB connection is located alongside the aux-in socket within the centre armrest. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in sockets only allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

DMB DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

VOICE-ACTIVATED MOBILE PHONE SYSTEM WITH BLUETOOTH®

Vauxhall's optional factory-fit dual-band mobile phone system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control and will connect wirelessly to phones with Bluetooth® technology. All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio. Certain functions can also be controlled by voice activation.

VOICE-ACTIVATED EMBEDDED MOBILE PHONE SYSTEM WITH BLUETOOTH®

This is the next generation of in-car mobile phone system. The mobile phone's contacts, caller lists and phone settings are downloaded to the in-car flash drive and, once this synchronisation is complete, the car effectively becomes the phone.

The mobile phone will sit in standby mode and the Bluetooth® function will no longer drain the battery, whilst all calls will be transmitted via the car's, rather than the mobile phone's, aerial. Any alterations that have been made to the contacts, caller lists etc. whilst the units have been synchronised will be transferred back to the mobile phone.

INFINITY® PREMIUM SOUND SYSTEM

For the ultimate in premium sound performance Insignia can also be specified with the Infinity Sound System. Featuring a 7x45 Watt amplifier and Digital Sound Processor, the system comprises 9 premium speakers on saloon and 8 on hatchback and Sports Tourer, including 2 rear-mounted 6x9 inch subwoofers on saloon (1 rear-mounted subwoofer on 5-door/Sports Tourer models), 4 door-mounted 6.5 inch wide band speakers, 2x1 inch tweeters mounted in the A-pillar and 1 front-mounted 3.5 inch medium range unit. The unit is optional at extra cost on all Insignia models except ES.

* VED = Vehicle Excise Duty. Correct at time of publication (October 2012).

Fuel consumption and CO₂ emission data complies with the relevant EU testing regulations used by vehicle manufacturers to enable comparisons between different models. **Important:** Please note fuel consumption can be affected by many factors including driving style, road and traffic conditions, vehicle mileage and standard of maintenance. In addition these results relate to the particular vehicle tested, inevitably there will be differences between individual vehicles of the same model.

Vauxhall supporting

SMARTER DRIVING TIPS

- **Drive at an appropriate speed:** – Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** – Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** – Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** – If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** – Under inflated tyres increase CO₂ emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** – Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

VAUXHALL LIFETIME WARRANTY

We're so confident in Vauxhall quality and reliability that we are now able to offer a lifetime warranty. Available to the first owner of all new Vauxhall passenger cars, it's valid for the lifetime of the vehicle up to a maximum of 100,000 miles*.

In addition our warranty also includes Vauxhall Assistance for 12 months from first registration and six years body panel anti-perforation warranty. Full details of Vauxhall's warranties including terms, conditions and exclusions can be obtained through any authorised Vauxhall Retailer or go to

www.vauxhall.co.uk/warranty

LIFETIME
WARRANTY 100,000 MILE

*Vauxhall Lifetime Warranty covers lifetime ownership of first car owner, 100,000 mile limit, annual check required. The warranty excludes wear and tear and serviceable items and the vehicle must be serviced in accordance with the manufacturer's servicing schedule to continue the lifetime warranty. Terms and conditions apply. Offer available to all Vauxhall passenger cars, (this offer does not apply to car-derived vans) from 1st August 2010.

INSIGNIA SPECIFICATIONS

TRANSMISSION

Six-speed manual gearbox

Standard on all models excluding Elite 2.0CDTi 16v (195PS) BiTurbo/2.8i V6 24v.

Six-speed automatic transmission with ActiveSelect® function

Standard on: Elite 2.0CDTi 16v (195PS) BiTurbo/2.8i V6 24v models.

Optional on: 2.0i 16v Turbo/2.0CDTi 16v (130PS/160PS) models.

- Electronically controlled with adaptive driving function
- Fluid drive with torque converter, lock-up clutch, neutral control fuel-saving feature and ActiveSelect®

Adaptive 4X4

Electronically controlled permanent four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– 11.0m (36.1ft.)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight multi-link with rising-rate mini-block coil springs (linear rate on 4X4 models) and gas-pressure dampers.

Anti-roll bar. 4X4 models feature revised rear subframe and suspension geometry.

- SRi – lowered sports suspension

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction

control systems are activated, enhancing dynamic performance. And on models featuring Adaptive 4X4 the emphasis is switched more towards rear-wheel drive

- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes
- Gas-filled rear dampers: Insignia's rear dampers are increased to 37mm diameter for enhanced performance

BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system
- Disc brakes all round

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 85kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

† = Painted and fully fitted price – available at participating retailers.

INSIGNIA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions	First year rate	Standard rate
Band A	up to 100g/km	£0.00	£0.00
Band B	101-110g/km	£0.00	£20.00
Band C	111-120g/km	£0.00	£30.00
Band D	121-130g/km	£0.00	£100.00
Band E	131-140g/km	£120.00	£120.00
Band F	141-150g/km	£135.00	£135.00
Band G	151-165g/km	£170.00	£170.00
Band H	166-175g/km	£275.00	£195.00
Band I	176-185g/km	£325.00	£215.00
Band J	186-200g/km	£460.00	£250.00
Band K	201-225g/km	£600.00	£270.00
Band L	226-255g/km	£815.00	£460.00
Band M	over 255g/km	£1030.00	£475.00

* = Correct at time of issue – 2 October 2012.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

MASTERFIT

Vauxhall's MasterFit retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please call **0845 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk
