NEW INSIGNIA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN, TECH LINE AND TECH LINE GT. HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design, Tech Line and Tech Line GT models are seriously fit for Fleet.

Design models (New Insignia, Astra, New Corsa and Corsa) all feature very low P11D values, generous standard specification with a choice of high tech ecoFLEX engines for great fuel economy and low emissions including the new 'whisper diesel' 1.6CDTi (from 97g/km and 76.3mpg combined).

For even more standard specification, step up to our Tech Line range (New Insignia, Astra, Mokka, Zafira Tourer and Meriva) again you are guaranteed low P11D values, plus great standard kit including Sat Nav (in lieu of parking sensors and Winter Pack on Meriva), Bluetooth®, USB connection, aux-in socket and digital radio (excluding Meriva).

For maximum impact, take a look at the Astra Tech Line GT with its dynamic sports styling.

With Design, Tech Line or Tech Line GT you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Ampera, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Insignia Tech Line 2.0CDTi (140PS) ecoFLEX Start/Stop 5-door hatchback
(CO₂ emissions 98g/km)

On-the-road RRP	£21984.00
Deduct: Vehicle Excise Duty	(£0.00)
New vehicle first registration fee	(£55.00)
Effective list price	£21929.00
Add: Optional two-coat metallic paint	£545.00
List price for tax purposes (P11D value)	£22474.00

Car benefit charge	
2014-15 tax year (15%)	£3371.00
Benefit in kind tax liability (2014-15 tax year)	
Basic Rate (20%) tax payer	£674.00
Higher Rate (40%) tax payer	£1348.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

NEW INSIGNIA FEATURES/OPTIONS

TECHNOLOGY IN A FINER FORM

It's our most sophisticated infotainment system ever. New Insignia models feature improved infotainment systems as standard right across the range, with Bluetooth® and digital radio on each and every model.

TOUCH R700 INTELLILINK

Upgrade to the optional Touch R700 IntelliLink and effortlessly connect to your preferred choice of digital media. Using the clear 8-inch colour touch-screen, it's easy to contact clients and colleagues, friends and family – and access all the information you need, on demand. It's also possible to re-configure the optional displays with a choice of 60 personal favourites. This allows you to prioritise icons and select key information on the centre console display – just as you would on a home computer screen. That's everything from your favourite bands to your most listened to radio stations. As you would expect of such an advanced system, Touch R700 also offers video playback and audio streaming via Bluetooth®-enabled devices – and fingertip control from an optional touch-pad located just behind the gear lever.

TOUCH-PAD INFOTAINMENT CONTROL

This new feature works just like the touch-pad on a laptop, providing instant access to menus. It's standard with Navi 900 and optional with Touch R700.

NAVI 900 INTELLILINK

For easy, hands-free operation, upgrade to Navi 900, with touch-screen and IntelliLink technology. This advanced, interactive sat nav unit understands voice commands for destination input. Additional features include pan-European sat nav menus, video playback and audio streaming via Bluetooth®. Navi 900 IntelliLink is fitted as standard on Tech Line and Nav models.

DIGITAL INSTRUMENT CLUSTER

With New Insignia, key information is no longer confined to the centre console display. You can read off infotainment, phone and – on models equipped with the Navi 900 unit – sat nav menus located within the digital instrument cluster. The controls themselves are conveniently mounted on the steering wheel. The digital instrument cluster is fitted as standard on Country Tourer Nav models and is optional at extra cost on all other models specified with IntelliLink infotainment systems.

BOSE® SOUND SYSTEM

Featuring up to nine speakers, the optional Bose® sound system delivers unprecedented performance, immersing you and your passengers in high quality surround sound. Features include: 4x45w channels, digital amplifier with six channels of customised equalisation, 7 premium speakers and subwoofer (dual on saloon, single on hatchback/Sports Tourer/Country Tourer)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 85kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

TRANSMISSION

Six-speed manual gearbox

Standard on all models excluding Elite/Country Tourer 2.0CDTi BiTurbo (195PS)

Six-speed automatic transmission with ActiveSelect[®] function

Standard on: Elite/Country Tourer

2.0CDTi BiTurbo (195PS).

Optional on: 1.6i Direct Injection Turbo (170PS)/

2.0i Direct Injection Turbo (250PS)/

2.0CDTi (130PS/163PS) models.

- Electronically controlled with adaptive driving function
- Fluid drive with torque converter, lock-up clutch, neutral control fuel-saving feature and ActiveSelect[®]
- Steering wheel mounted paddle-shift for fingertip sequential gear changes (fitted in conjunction with VX-Line leather-covered sports steering wheel)

Adaptive 4X4

Electronically controlled permanent four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb): – 11.4m (37.4ft.)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight multi-link with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

- SRi – lowered sports suspension

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of three distinct driving modes – Normal (default setting), Sport or Tour.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance.

- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance New Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes
- Gas-filled rear dampers: New Insignia's rear dampers are increased to 37mm diameter for enhanced performance

BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system
- Disc brakes all round

FUEL TANK CAPACITY

All models: 70 litres (15.4 gallons)

NEW INSIGNIA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	up to 100	£0.00	£0.00
Band B	101-110	£0.00	£20.00
Band C	111-120	£0.00	£30.00
Band D	121-130	£0.00	£110.00
Band E	131-140	£130.00	£130.00
Band F	141-150	£145.00	£145.00
Band G	151-165	£180.00	£180.00
Band H	166-175	£290.00	£205.00

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.
