Customer Deposit	£4,105.47
Amount of Credit	£13,243.53
Interest Charges	£871.47
Total Amount Payable	£19,135.47
Optional Final Payment (GFV)	£7,150.00
Fixed Rate of Interest per year, true	2.84%
Mileage per annum	10,000
Excess mileage charge, per mile	£0.09
Duration of Agreement	36 months
Representative APR	2.9% APR

For even more great deals contact your local retailer or call 0845 600 1500 or visit www.vauxhall.co.uk/offers

TERMS AND CONDITIONS: *Offer subject to availability at participating Retailers only. Personal Contract Purchase. Finance subject to status, Terms, Conditions and Exclusions apply. Applicants must be 18 years or over. Finance by Vauxhall Finance, PO Box 6666, Cardiff, CF15 7YT. Customer deposit shown after deduction of Vauxhall contribution. Vauxhall Deposit Contribution only available when vehicle financed through Vauxhall Finance. At the end of the agreement there are three options: i) Retain the vehicle: Pay the optional final payment to own the vehicle based on mileage of 10,000 miles per annum. ii) Return the vehicle, or iii) Replace: Part Exchange the vehicle, where equity is available. Offer applies to private individuals, Vauxhall Partners and small businesses 1-24 (purchase only excluding B2B supported units). All other customers are excluded. Offer available on orders or registrations between 16 December 2014 and 1 April 2015.

MOKKA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN, TECH LINE AND TECH LINE GT. HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design, Tech Line and Tech Line GT models are seriously fit for Fleet.

Design models (Insignia, Astra and Corsa) all feature very low P11D values, generous standard specification with a choice of high tech ecoFLEX engines for great fuel economy and low emissions including the new 'whisper diesel' 1.6CDTi (from 97g/km and 76.3mpg combined).

For even more standard specification, step up to our Tech Line range (Insignia, Astra, Mokka, Zafira Tourer and Meriva) again you are guaranteed low P11D values, plus great standard kit including Sat Nav (in lieu of parking sensors and Winter Pack on Meriva), Bluetooth®, USB connection, aux-in socket and digital radio (excluding Meriva).

For maximum impact, take a look at the Astra Tech Line GT with its dynamic sports styling.

With Design, Tech Line or Tech Line GT you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Ampera, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive

www.vauxhall3dtd.co.uk

or call 0870 240 4848**

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka Tech Line 1.7CDTi 130PS

Start/Stop (CO₂ emissions 120g/km)

On-the-road RRP £17949.00

Deduct: Vehicle Excise Duty (£0.00)

New vehicle first registration fee (£55.00)

Effective list price £17894.00

Add: Optional two-coat metallic paint £545.00

List price for tax purposes (P11D value) £18439.00

Car benefit charge
2014-15 tax year (20%) £3687.00

Benefit in kind tax liability (2014-15 tax year)

Basic Rate (20%) tax payer £737.00

Higher Rate (40%) tax payer £1475.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

MOKKA RANGE HIGHLIGHTS

Exclusiv **£18,264-£21,649**

Standard features include

- Switchable electronic stability programme
- Traction control
- Anti-lock braking system
- Tyre pressure monitoring system
- Driver's and front passenger's airbags
- Front seat side-impact airbags
- Full-size curtain airbags
- Dual-zone electronic climate control
- CD/MP3 CD player/aux-in socket (CD 450)
- USB connection with iPod control
- Bluetooth® functionality
- Digital radio
- Steering wheel mounted audio controls
- Steering column adjustable for reach and rake
- Leather-covered steering wheel
- Front centre armrest
- Multi-function trip computer
- Cruise control
- 60/40 split flip and fold rear seat
- Remote control alarm system
- Remote control central locking
- Automatic lighting control
- High beam assist
- Rain-sensitive windscreen wipers
- Electro-chromatic anti-dazzle rear-view mirror
- 230-volt rear power outlet behind front seats
- Electrically foldable door mirrors
- Electrically adjustable/heated door mirrors
- Electrically operated front windows
- Electrically operated rear windows
- Front fog lights
- Front and rear parking distance sensors
- Stainless steel exhaust tailpipe (excluding 1.6i)
- Alloy-effect protective front skid plate
- Side-protection mouldings
- Silver-effect roof rails
- Sterling silver-effect 18-inch alloy wheels with 215/55 R 18 tyres (emergency tyre inflation kit in lieu of spare wheel)
- Daytime running lights

4X4 models also feature

- Intelligent four-wheel drive
- Descent control system
- Hill start assist

Tech Line **£16,199-£19,649**

Additional features over and above Exclusiv models

- Satellite navigation/CD/MP3 CD player/stereo radio (Navi 950)

4X4 models also feature

- Intelligent four-wheel drive
- Descent control system
- Hill start assist

SE **£20,764-£24,149**

Additional features over and above Exclusiv models

- Leather seat facings
- Electrically heated front seats
- Ergonomic sports front seats
- Rear seat centre armrest with drinks holders
- Electrically heated steering wheel
- Driver's sunglasses holder

FWD = Front-wheel drive.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT).

12 months' Vehicle Excise Duty (see intro tab) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

* = Provisional data.

MOKKA FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags for front and outer rear seat passengers • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Switchable Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Emergency brake assist – Increases brake force applied in emergency braking situations • Hill start assist (4X4 models only) • Descent control system (4X4 models only) • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

Pedestrian: • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

DIGITAL RADIO

Now widely available in the UK, digital radio broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

SATELLITE NAVIGATION

The satellite navigation system, standard on Tech Line, optional on Exclusiv and SE, offers dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'.

Here you can specify parameters such as if you

are towing a caravan or have a roof box fitted. The system will use this information in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route. The unit comes ready-loaded with all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads across many European countries. Additional country-specific maps with street level detail are available to download. This data is then loaded via USB onto the unit's internal flash memory for fast access.

INTELLILINK

The CD 600 and Navi 950 audio systems include the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, videos, slideshows, podcasts and more.

= Official Government Test Environmental Data. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

START/STOP TECHNOLOGY

Mokka's Start/Stop system, fitted as standard to all models with a manual gearbox, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima

- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

TRANSMISSIONS

Five-speed manual gearbox:

Standard on 1.6i models

Six-speed manual gearbox:

Standard on all models except 1.6i

Six-speed automatic transmission with Active Select function:

Available at extra cost on front-wheel drive models excluding 1.6i. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Intelligent 4X4

Electronically controlled four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Speed-sensitive power-assisted steering

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Independent. Multi-link with coil springs and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system

BODY

- Aerodynamic drag co-efficient: Cd 0.36

FUEL TANK CAPACITY

- 54 litres (11.9 gallons).

MOKKA SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.6i FWD	1764	1200 (500)
1.4i Turbo FWD	1828	1200 (500)
1.4i Turbo FWD automatic	1843	1200 (500)
1.4i Turbo 4X4	1879	1200 (500)
1.7CDTi 130PS FWD manual	1858	1200 (500)
1.7CDTi 130PS FWD automatic	1861	1200 (500)
1.7CDTi 130PS 4X4	1919	1200 (500)

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

LOADSPACE DIMENSIONS millimetres (inches)

	millimetres (inches)
Maximum length (behind rear seats)	745 (29.3)
Maximum length (rear seats folded)	1449 (57.0)

		Hi-visibility vest				– 12N/12S electrics	
		Temporary tyre inflation kit				– 13-pin electrics	
		Tyre sealant					

1 = For use with optional factory-fit satellite navigation systems.

Please note:
Prices shown are a fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

MOKKA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	up to 100	£0.00	£0.00
Band B	101-110	£0.00	£20.00
Band C	111-120	£0.00	£30.00
Band D	121-130	£0.00	£110.00
Band E	131-140	£130.00	£130.00
Band F	141-150	£145.00	£145.00
Band G	151-165	£180.00	£180.00
Band H	166-175	£290.00	£205.00
Band I	176-185	£345.00	£225.00
Band J	186-200	£485.00	£265.00
Band K	201-225	£635.00	£285.00
Band L	226-255	£860.00	£485.00
Band M	over 255	£1090.00	£500.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

VAUXHALL SERVICE PLAN

Vauxhall retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please call **0845 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits*

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer**
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670†**

*The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.
**Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.
† Calls may be recorded. Vauxhall Motor Insurance is underwritten by Ageas Insurance Limited.
