

MOKKA PRICE/SPECIFICATION GUIDE

24 February 2014

Proud Sponsor of Home Nations Football

MOKKA CUSTOMER OFFERS

At Vauxhall we know that customers appreciate flexibility. Not only do we have an extensive range of models to choose from, on most of them you can also take advantage of our Flexible Finance offer. Here's how it works:

0% APR | flexible Representative finance

- 1 Choose your car**
Select a new Vauxhall.
- 2 Choose your deposit**
- 3 Choose your term**
From 24 to 60 months.
- 4 PLUS Lifetime Warranty***

For even more great deals contact your local retailer or call
0845 600 1500 or visit www.vauxhall.co.uk/offers

TERMS AND CONDITIONS: Available on selected models only, at participating retailers. Finance subject to status. Terms and conditions apply. Applicants must be 18 or over. Finance supplied by Vauxhall Finance, PO Box 6666, Cardiff, CF15 7YT. 24-60 month term. Offer will apply to private individuals, Vauxhall Partners and small businesses 1- 24 (purchase only, excluding B2B supported units). All other customers are excluded. Refer to www.vauxhall.co.uk/offers or contact your local Vauxhall retailer for details. *Vauxhall Lifetime Warranty covers lifetime ownership of first registered keeper, 100,000 mile limit. Terms and Conditions apply.

MOKKA COMPANY CAR DRIVER/FLEET INFORMATION

MOKKA TECH LINE. HIGH SPEC, LOW P11D

High spec. Impressively low P11D values. Our new Tech Line models are highly desirable to both Fleet Decision Makers and Company Car Drivers. With CO₂ emissions from just 120g/km and fuel consumption of up to 62.8mpg (combined) Tech Line's impressive standard specification includes Sat Nav, Bluetooth®, USB, aux-in and cruise control.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Ampera, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive

www.vauxhall3dtd.co.uk

or call 0870 240 4848**

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka Tech Line 1.7CDTi 16v (130PS)

Start/Stop (CO₂ emissions 120g/km)

On-the-road RRP £17749.00

Deduct: Vehicle Excise Duty (£0.00)

New vehicle first registration fee (£55.00)

Effective list price £17694.00

Add: Optional two-coat metallic paint £545.00

List price for tax purposes (P11D value) £18239.00

Car benefit charge
2013-14 tax year (19%) £3465.00

Benefit in kind tax liability (2013-14 tax year)

Basic Rate (20%) tax payer £693.00

Higher Rate (40%) tax payer £1386.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed

FWD = Front-wheel drive.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT).
12 months' Vehicle Excise Duty (see intro tab) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

MOKKA FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags for front and outer rear seat passengers • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Height-adjustable front and rear seat head restraints • Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Switchable Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Emergency brake assist – Increases brake force applied in emergency braking situations • Hill start assist • Descent control system • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

Pedestrian: • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

DIGITAL MULTI-MEDIA BROADCAST (DMB) DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

SATELLITE NAVIGATION

The satellite navigation system, standard on Tech Line, optional on Exclusiv and SE, offers dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you

are towing a caravan or have a roof box fitted. The system will use this information in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The unit comes ready-loaded with all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads across many European countries. Additional country-specific maps with street level detail are available to download. This data is then loaded via USB onto the unit's internal flash memory for fast access.

INTELLILINK

The CD 600 and Navi 950 audio systems include the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, videos, slideshows, podcasts and more. The built-in smartphone link will also enable you to download a range of apps.

START/STOP TECHNOLOGY

Mokka's Start/Stop system, fitted as standard to all models with a manual gearbox, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima

- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

MOKKA SPECIFICATIONS

WEIGHTS AND TOWING DATA ^{kg}

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.6i 16v VVT FWD	1764	1200 (500)
1.4i 16v VVT Turbo FWD	1828	1200 (500)
1.4i 16v VVT Turbo FWD automatic	1843	1200 (500)
1.4i 16v VVT Turbo 4X4	1879	1200 (500)
1.7CDTi 16v (130PS) FWD manual	1858	1200 (500)
1.7CDTi 16v (130PS) FWD automatic	1861	1200 (500)
1.7CDTi 16v (130PS) 4X4	1919	1200 (500)

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

TRANSMISSIONS

Five-speed manual gearbox:

Standard on 1.6i 16v VVT models

Six-speed manual gearbox:

Standard on all models except 1.6i 16v VVT

Six-speed automatic transmission with Active Select function:

Available at extra cost on front-wheel drive models excluding 1.6i 16v VVT. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Intelligent 4X4

Electronically controlled permanent four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Speed-sensitive power-assisted steering

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Independent. Multi-link with coil springs and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system

BODY

- Aerodynamic drag co-efficient: Cd 0.36

FUEL TANK CAPACITY

- 54 litres (11.9 gallons).

VAUXHALL LIFETIME WARRANTY

We're so confident in Vauxhall quality and reliability that we are now able to offer a lifetime warranty. Available to the first owner of all new Vauxhall passenger cars, it's valid for the lifetime of the vehicle up to a maximum of 100,000 miles*.

In addition our warranty also includes Vauxhall Assistance for 12 months from first registration and six years body panel anti-perforation warranty. Full details of Vauxhall's warranties including terms, conditions and exclusions can be obtained through any authorised Vauxhall Retailer or go to www.vauxhall.co.uk/warranty

LIFETIME
WARRANTY 100,000 MILE

*Vauxhall Lifetime Warranty covers lifetime ownership of first car owner. 100,000 mile limit, annual check required. The warranty excludes wear and tear and serviceable items and the vehicle must be serviced in accordance with the manufacturer's servicing schedule to continue the lifetime warranty. Terms and conditions apply. Offer available to all Vauxhall passenger cars. (this offer does not apply to car-derived vans) from 1st August 2010.

MOKKA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the retailer, motor insurance or any other goods or services supplied by agreement between the retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions	First year rate	Standard rate
Band A	up to 100g/km	£0.00	£0.00
Band B	101-110g/km	£0.00	£20.00
Band C	111-120g/km	£0.00	£30.00
Band D	121-130g/km	£0.00	£105.00
Band E	131-140g/km	£125.00	£125.00
Band F	141-150g/km	£140.00	£140.00
Band G	151-165g/km	£175.00	£175.00
Band H	166-175g/km	£285.00	£200.00
Band I	176-185g/km	£335.00	£220.00
Band J	186-200g/km	£475.00	£260.00
Band K	201-225g/km	£620.00	£280.00
Band L	226-255g/km	£840.00	£475.00
Band M	over 255g/km	£1065.00	£490.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

MASTERFIT

Vauxhall's MasterFit retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please call **0845 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk

VAUXHALL INSURANCE WITH ADDED REASSURANCE

Comprehensive cover – Summary of benefits*

- Competitive premiums
- Repairs by a Vauxhall technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer**
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on **0844 463 2670†**

*The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.
**Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.
