# MOKKA COMPANY CAR DRIVER/FLEET INFORMATION

## DESIGN, TECH LINE AND TECH LINE GT. HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design, Tech Line and Tech Line GT models are seriously fit for Fleet.

Design models (Insignia, Astra and Corsa) all feature very low P11D values, generous standard specification with a choice of high tech ecoFLEX engines for great fuel economy and low emissions including the new 'whisper diesel' 1.6CDTi (from 97g/km and 76.3mpg combined).

For even more standard specification, step up to our Tech Line range (Insignia, Astra, Mokka, Zafira Tourer and Meriva) again you are guaranteed low P11D values, plus great standard kit including Sat Nav (in lieu of parking sensors and Winter Pack on Meriva), Bluetooth®, USB connection, aux-in socket and digital radio (excluding Meriva).

For maximum impact, take a look at the Astra Tech Line GT with its dynamic sports styling.

With Design, Tech Line or Tech Line GT you can take for granted low Whole Life Costs and low company car driver taxation.

## COMPANY CAR DRIVER FREE\* 3 DAY TEST DRIVE

Our free\* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free\* test drive [www.vauxhall3dtd.co.uk](http://www.vauxhall3dtd.co.uk) or call 0870 240 4848\*\*

## BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

|  |           |
|--|-----------|
| <b>Mokka Tech Line 1.6CDTi 110PS</b>                         |           |
| <b>Start/Stop ecoFLEX (CO<sub>2</sub> emissions 109g/km)</b> |           |
| <b>On-the-road RRP</b>                                       | £18614.00 |
| Deduct: Vehicle Excise Duty                                  | (£0.00)   |
| New vehicle first registration fee                           | (£55.00)  |
| <b>Effective list price</b>                                  | £18559.00 |
| Add: Optional two-coat metallic paint                        | £545.00   |
| <b>List price for tax purposes (P11D value)</b>              | £19104.00 |

|   |          |
|---|----------|
| <b>Car benefit charge</b>                               |          |
| 2015-16 tax year (19%)                                  | £3629.76 |
| <b>Benefit in kind tax liability (2015-16 tax year)</b> |          |
| Basic Rate (20%) tax payer                              | £725.95  |
| Higher Rate (40%) tax payer                             | £1451.90 |

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

| CO <sub>2</sub> emissions in grams per kilometre | Percentage of car's price to be taxed |                         |
|--|---------------------------------------|-------------------------|
|  | Petrol 2015-16 tax year               | Diesel 2015-16 tax year |
| up to 50   | 5                                     | 8                       |
| 51-75  | 9                                     | 12                      |
| 76-94  | 13                                    | 16                      |
| 95-99  | 14                                    | 17                      |
| 100-104  | 15                                    | 18                      |
| 105-109  | 16                                    | 19                      |
| 110-114  | 17                                    | 20                      |
| 115-119  | 18                                    | 21                      |

| 200-204  | 35                                    | 37                      |
| 205-209  | 36                                    | 37                      |
| 210 and above                                    | 37                                    | 37                      |

To calculate your own personal liability a car tax calculator is available at: <https://www.vauxhallfleet.co.uk/toolbox>

\*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. \*\*Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

## FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to [www.vauxhall-toolbox.co.uk](http://www.vauxhall-toolbox.co.uk)

## ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit [www.vauxhall-toolbox.co.uk](http://www.vauxhall-toolbox.co.uk) or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

## CONTACT VAUXHALL FLEET

Please contact one of our dedicated sales teams who will be happy to help with your particular enquiry.

FWD = Front-wheel drive.

**Please note:** On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

\*\* = 17-inch alloy wheels as standard. Optional alloy wheels are not available.

\* = Please note that stocks are limited and that specifications may differ from those described in this Price Guide – consult your Retailer for further details.

# MOKKA FEATURES/OPTIONS

## SAFETY

### Standard features

**Airbags:** • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags for front and outer rear seat passengers • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

**Seating:** • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

**Electronic:** • Switchable Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Emergency brake assist – Increases brake force applied in emergency braking situations • Hill start assist • Descent control system (4X4 models only) • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

**Body:** • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

**Pedestrian:** • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

### Additional features

Safety interlock on models with automatic transmission – Requires the foot brake to be applied before shifting out of Park

● = Standard equipment. ○ = Optional at extra cost.

<sup>4</sup> = Includes 12 months of OnStar services and Wi-Fi from date of first registration. A second year of OnStar services, including roadside assistance, but excluding Wi-Fi is available for £79. Only available in conjunction with CD 600 or Navi 950 satellite navigation system. Destination download feature only operates on models fitted with Navi 950 IntelliLink satellite navigation system.

### Vauxhall OnStar

Once only the preserve of premium brands, our people friendly personal connectivity and service assistant is now available across the Vauxhall car range. Vauxhall OnStar is a new, one-of-a-kind system that gives you in-car access to a host of innovations at the touch of a button. 24/7, 365 days a year you are connected to a qualified advisor – not to a machine. In the event of a crash, OnStar even automatically calls for help. Vauxhall OnStar also transforms your Vauxhall into a Wi-Fi Hotspot and turns your smartphone into a remote control for your car\*.

Find out more about the full range of OnStar services at [www.vauxhall.co.uk/onstar.html](http://www.vauxhall.co.uk/onstar.html)  
Vauxhall OnStar – Your personal connectivity and service assistant.

\* Some features may not be available in your region, for your carline, or trim level. Please check [www.vauxhall.co.uk/onstar.html](http://www.vauxhall.co.uk/onstar.html) for a current overview of potential restrictions.

### DIGITAL RADIO

Now widely available in the UK, digital radio broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle. You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

### SATELLITE NAVIGATION

The satellite navigation system, standard on Tech Line, offers dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident. In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route. The unit comes ready-loaded with all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads across many European countries. Additional country-specific maps with street level detail are available to download. This data is then loaded via USB onto the unit's internal flash memory for fast access.

### INTELLILINK

The CD 600 and Navi 950 audio systems include the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, videos, slideshows, podcasts and more.

### START/STOP TECHNOLOGY

Mokka's Start/Stop system, fitted as standard to all models with a manual gearbox, offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima

- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

### TRANSMISSIONS

#### Five-speed manual gearbox:

Standard on 1.6i models

#### Six-speed manual gearbox:

Standard on all models except 1.6i

#### Six-speed automatic transmission with Active Select function:

Available at extra cost on 1.4i Turbo and 1.6CDTi 136PS front-wheel drive models. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

#### Intelligent 4X4

Electronically controlled four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

### STEERING

- Speed-sensitive power-assisted steering

### SUSPENSION

**Front:** Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

**Rear:** Independent. Multi-link with coil springs and gas-pressure dampers.

### BRAKES

- Anti-lock Braking System (ABS)
- Dual circuit, diagonally split braking system

### BODY

- Aerodynamic drag co-efficient: Cd 0.36

### FUEL TANK CAPACITY

- 52 litres (11.4 gallons).

FWD = Front-wheel drive.

**Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

# MOKKA ADDITIONAL INFORMATION

## ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00\*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

### Vehicle Excise Duty\*

|        | CO <sub>2</sub> emissions (g/km) | First year rate | Standard rate |
|--------|----------------------------------|-----------------|---------------|
| Band A | up to 100                        | £0.00           | £0.00         |
| Band B | 101-110                          | £0.00           | £20.00        |
| Band C | 111-120                          | £0.00           | £30.00        |
| Band D | 121-130                          | £0.00           | £110.00       |
| Band E | 131-140                          | £130.00         | £130.00       |
| Band F | 141-150                          | £145.00         | £145.00       |
| Band G | 151-165                          | £180.00         | £180.00       |
| Band H | 166-175                          | £295.00         | £205.00       |
| Band I | 176-185                          | £350.00         | £225.00       |
| Band J | 186-200                          | £490.00         | £265.00       |
| Band K | 201-225                          | £640.00         | £290.00       |
| Band L | 226-255                          | £870.00         | £490.00       |
| Band M | over 255                         | £1100.00        | £505.00       |

\* = Correct at time of issue.

## E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

## PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free\*\* phone call away, 24 hours a day, 365 days a year!

\*\* = Mobile phone users will be charged at their standard tariff.

## VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at [www.vauxhall-leasing.co.uk](http://www.vauxhall-leasing.co.uk)

## IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Alternatively, details can be found on our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

## VAUXHALL SERVICE PLAN

Vauxhall Retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

## FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)
