MOKKA X FEATURES / OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seating

- Height-adjustable front seat head restraints • Height-adjustable outer rear seat head restraints

Seatbelts

- Height adjustable front inertia-reel lap and diagonal seatbelts • Three inertia-reel lap and diagonal rear seatbelts • Front body-lock diagonal seatbelt pretensioner system – *Tightens the seatbelt during the early stages of a frontal impact, limiting forward movement.* • Driver's and front passenger's lap belt pretensioner system • Front seatbelt force limiters – *Reduces potential upper body injuries during a frontal impact.* • Front and rear 'seatbelt unfastened' warning light

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – *Permits the safe use of a child seat in the front passenger seat.* • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – *Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install.*

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – *Reduces potential injury to the driver's legs and feet during a severe frontal impact.* • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Collapsible windscreen wiper system – *Designed to reduce pedestrian head injuries.*
- Upper and lower bumper design – *Reduces upper and lower leg injuries.*

Stability

Switchable Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Cornering brake control • Straight line stability control
- Descent control system (4X4 models only) • Rollover mitigation
- Traction control

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – *When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.* • Electronic brakeforce distribution – *Automatically apportions the optimum braking force to each wheel.* • Adaptive brake lights – *Automatically warns other road users of heavy braking.* • Hill start assist – *Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.* • Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

Front fog lights	●	●	●	●		
Premium LED Adaptive Forward Lighting (AFL) – Only available with Sight and Light Pack on Design and Active models. Six LED elements light the road 30% brighter than halogen, allowing you to see hazards sooner and giving you more time to react. The AFL system uses data such as vehicle speed, steering angle and when the indicators are used to determine the most suitable lighting. • Enhanced colour driver information display • Intelligent main beam control • Automatic headlight levelling • LED tail lights Every type of driving environment has been considered: Urban light: With street lighting and speeds below 35mph, the system automatically enhances the dipped beam function. Country light: As speeds increase, so does the lighting's performance. Dynamic curve light: At speeds between 25mph and 45mph, and above a set steering angle, extra light is projected onto the relevant side of the road to give you a better view. Static cornering light: At lower speeds, when you indicate and turn the steering above a certain angle, corners and bends are illuminated to match steering inputs. Parking light: When reversing, additional side-facing lights are activated in the headlights. Energy saving mode: On Start/Stop models, the system deactivates the static cornering light function when Start/Stop mode is active. Tourist mode: If you're driving on the continent, switch to Tourist mode and your lights will dip automatically for oncoming traffic. High beam: Powerful down-the-road illumination on top of the LED low beam. Full-on lighting for maximum visibility.	○	○	○		966.67	1160.00

S/S = Start/Stop. FWD = Front-wheel drive.

= Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

*CO₂ emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO₂ produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO₂ with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

** = Correct at time of publication.

MOKKA X SPECIFICATIONS

TRANSMISSIONS

Six-speed manual gearbox:

All models

Six-speed automatic transmission with Active Select function:

Available at extra cost on 1.4i (140PS) front-wheel drive models. Electronically controlled with adaptive driving function and fuel-saving eco mode. Fluid drive with torque converter, lock-up clutch and Active Select.

Intelligent 4X4

Electronically controlled four-wheel drive with variable torque split between front and rear axles.

- Torque transfer device: When pulling away from standstill, or under acceleration, more power is diverted to the rear wheels for maximum grip
- Electronic limited-slip differential: Fitted to the rear axle, it can transfer up to 50% of the rear axle torque between the rear wheels

STEERING

- Speed-sensitive power-assisted steering
- Turning circle (wall-to-wall): 11.50m (37.7ft)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Torsion beam with coil springs and gas-pressure dampers.

BRAKING AND STABILITY

- Switchable Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Traction control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Electronic brakeforce distribution
- Adaptive brake lights
- Hazard warning lights

All models

Front ventilated discs: 300mm diameter

Rear discs: 268mm diameter

BODY

- Aerodynamic drag co-efficient: Cd 0.35

FUEL TANK CAPACITY

- 53 litres (11.7 gallons)

ADBLUE TANK CAPACITY

- 9.6 litres (2.1 gallons)

MOKKA X SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i Turbo (140PS) ecoTEC FWD	1828	1200 (500)
1.4i Turbo (140PS) FWD automatic	1843	1200 (500)
1.4i Turbo (140PS) 4X4	1879	1200 (500)
1.6CDTi (136PS) ecoTEC FWD manual	1883	1500 (500)

FWD = Front-wheel drive.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

LOADSPACE DIMENSIONS millimetres (inches)

Maximum length (behind rear seats)	731 (28.8)
Maximum length (rear seats folded)	1428 (56.2)
Maximum width	1006 (39.6)

Please note:

Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

MOKKA X COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE NAV HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers. It allows you to choose most models in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%†† for Basic Rate, 40%†† for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka X Design Nav 1.6CDTi (136PS) Start/Stop ecoTEC BlueInjection FWD (CO ₂ emissions 127g/km)	
On-the-road RRP	£22320.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
Effective list price	£22060.00
Add: Optional two-coat metallic paint	£575.00

List price for tax purposes (P11D value)	£22635.00
--	-----------

Car benefit charge	
2018-19 tax year (30%)	£6790.50
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1358.00
Higher Rate (40%) tax payer	£2716.00

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. †† = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

- The BIK rates for Scotland are:
- Over £11,850-£13,850 Starter Rate 19%
 - Over £13,850-£24,000 Basic Rate 20%
 - Over £24,000-£43,430 Intermediate Rate 21%
 - Over £43,430-£150,000 Higher Rate 41%
 - Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed

Call: 01582 409999 (8.30am-5.00pm)

Email: vauxhallspecialvehicles@vauxhall.co.uk

MOKKA X ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£140.00
Band C	51 – 75g/km	£25.00	£105.00	£140.00
Band D	76 – 90g/km	£105.00	£125.00	£140.00
Band E	91 – 100g/km	£125.00	£145.00	£140.00
Band F	101 – 110g/km	£145.00	£165.00	£140.00
Band G	111 – 130g/km	£165.00	£205.00	£140.00
Band H	131 – 150g/km	£205.00	£515.00	£140.00
Band I	151 – 170g/km	£515.00	£830.00	£140.00
Band J	171 – 190g/km	£830.00	£1,240.00	£140.00
Band K	191 – 225g/km	£1,240.00	£1,760.00	£140.00
Band L	226 – 255g/km	£1,760.00	£2,070.00	£140.00
Band M	over 255g/km	£2,070.00	£2,070.00	£140.00

* = Correct at time of issue. ** = Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

† = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling
