**NEW VIVARO. BUILT TO TAKE IT ALL.**

New Vivaro

# BUILT TO PERFORM

New Vivaro looks tough because it is tough.

It's been completely redesigned to improve performance in every way. In Panel Van, Doublecab and Combi variants. And remember, it's built in Britain to the toughest standards so it's robust enough to take everything you can throw at it – and in it.

**Designed to perform with a tough new look**

**Engineered to last**

**Built in Britain to the highest standards**

Register online at [www.vauxhall.co.uk/newvivaro](http://www.vauxhall.co.uk/newvivaro) for updates on New Vivaro.

The vehicles illustrated within this brochure may not necessarily represent the correct final UK specification and not all the features, options or accessories described are available on every model.

New Vivaro

# BUILT FOR THE LONG HAUL

Inside, Vivaro is all-new too.

And not just the way it looks. We've improved the driving environment so you sit more comfortably, with everything you need right at your fingertips. Then there's an improved infotainment system, which means you're well connected and have all your entertainment at hand. On top of all that, the New Vivaro is as good to drive as ever.

This is your office but that doesn't mean you can't enjoy being here.

**Enhanced cab design for total comfort and control**

**Great place to be, great to drive however long the journey**

**Stay in touch with high levels of infotainment and communication**

# BUILT TO TAKE YOU FURTHER

The robust New Vivaro isn't just more efficient. It makes your whole business more efficient.

With its superb new range of flexible and efficient turbo-diesel engines and our innovative ECO mode system, this is an altogether more cost-effective Vivaro with smooth power delivery allied to improved economy and reassuringly low CO<sub>2</sub> emissions.

**Impressive fuel economy of up to 47.9mpg (combined figure)**

**CO<sub>2</sub> emissions as low as 155g/km**

**New turbo diesel engines deliver up to 140PS and 340Nm**

New Vivaro

# BUILT TO BE MORE FLEXIBLE

The efficient New Vivaro doesn't only strike the perfect balance between performance and running costs. It also takes a more flexible approach to load carrying.

Combining a bigger cargo area volume and superb payload capacity with two wheelbase options and the availability of the FlexCargo bulkhead option, the New Vivaro panel van can carry even challenging loads with ease.

**FlexCargo bulkhead available for loads of up to 4150mm in length**

**Improved loadspace dimensions enable L1 models to hold 8ft x 4ft sheets**

**Payload capacity up to 1281kg**

New Vivaro

# PANEL VAN

Versatility and flexibility in equal measure. Whatever you need, the New Vivaro has it all.

**Note:** Kerbweights for standard vehicles include coolant, oil, 90% full fuel tank and spare wheel. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. Gross plated weights (including axle weights) quoted on the vehicle plate must never be exceeded. Roof load should not exceed 200kg including the weight of the roof rack/carrier when Vauxhall approved carrier system used. Sportive models: Kerbweights are increased by 45kg on Sportive Panel Van and 55kg on Sportive Doublecab models with a corresponding decrease in payload. Please see the New Vivaro Price and Specification Guide for further detail on Combi models.

# Trust Vauxhall

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Fleet Customer Services

Our dedicated support services for fleet managers include factory demonstrators and information on whole life costs, company car and van taxation and finance. For further information please call **0870 010 0651**.

## Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new vehicle warranty. It covers most mechanical and electrical components. Terms and conditions apply. For further details please contact your local Vauxhall Commercial Vehicle retailer.

When you have finished with this brochure please recycle it

## Business Lease

Business Lease, from GMAC, offers the versatility of a purchase-based finance plan, while making the most efficient use of tax and cash-flow benefits for VAT-registered business users. It's available for all Vauxhall Commercial Vehicles up to 12 months old and offers highly flexible term lengths, variable deposits and a choice of payment profiles. Ask your retailer for full details.

## Business First

Available to business users only, Business First enables you to drive a new vehicle without a large, initial financial outlay. You pay to use the vehicle, not to own it. The vehicle is provided over a predetermined period, and when that period comes to an end the vehicle is returned. Ask your retailer for full details.

## Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at a Vauxhall Commercial Vehicle retailer. Nationwide there are over 250 light commercial vehicle retailers and a further 195 heavy commercial vehicle retailers.

## In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

## Premier Service Centres

Our Premier Service Centres feature a guaranteed same day repair service (provided the parts are in stock) and an appointment-free service for diagnosis and repairs taking less than 90 minutes. All repairs are carried out within 24 hours of the diagnosis.
