Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

S/S = Start/Stop.

* = **Please note:** Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements.

An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

** = CO₂ emissions are based on vehicles fitted with standard 17-inch alloy wheels. If optional alloy wheels are specified, at extra cost, CO₂ emissions will be affected.

ZAFIRA TOURER FEATURES/OPTIONS

SAFETY

Driver / passenger airbags

- Driver's airbag • Front passenger's airbag • Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers

Seating

- Height adjustable front and outer rear seat head restraints • Anti-submarining ramps in front seats – Prevents occupants sliding underneath the lap belt during a collision.

Seatbelts

- Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Third-row lap and diagonal inertia-reel seatbelts (when all seats are occupied within the Zafira Tourer the passenger side third-row seat is only usable by a passenger up to a maximum height of 150cm (4ft 11 inches))
- Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact. • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact. • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision.

Child safety

- Deactivation switch for front passenger's front and side-impact airbags – Permits the safe use of a child seat in the front passenger seat • ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install. • Child-proof locks on rear doors

Driver / passenger safety

- Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact. • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear
- Burst-proof door locks and anti-jam door design

Pedestrian safety

- Bonnet / headlight / wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries.

Stability

Electronic Stability Programme (ESP):

– Works in conjunction with the vehicle's electronic braking and engine systems to keep the car stable in many different situations. ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.

Additional ESP features:

- Cornering brake control • Straight line stability control • Rollover mitigation • Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Braking

Anti-lock Braking System (ABS):

– Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering.

Additional braking features:

- The same electronic systems used in the ABS and ESP also deliver exceptional braking performance.
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance.
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. • Adaptive brake lights – Automatically warns other road users of heavy braking. • Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline. • Hazard warning lights

Tyre pressure

- Tyre pressure monitoring system

ZAFIRA TOURER FEATURES/OPTIONS

	Design	Energy	SRi	Tech Line Nav	Elite Nav	Price (£) exc. VAT	Total (£) inc. VAT
DRIVER ASSISTANCE Steering • Speed sensitive electrically assisted power steering • Reach and rake adjustable steering	●	●	●	●	●		
Cruise control with speed limiter: <i>The cruise control feature enables you to maintain a constant speed – making it ideal for economical motorway driving. The speed limiter function can be set to ensure that you do not exceed the speed limit and can be easily overridden if required.</i> • Steering wheel mounted controls	●	●	●	●	●		
Electric parking brake • Centre console switch in lieu of handbrake lever • Premium centre console featuring adjustable armrest				●	●		
Front camera system <i>A wide range of class-leading driver assistance and safety features are controlled by the front camera system.</i> Traffic sign recognition: <i>Detects and then displays speed limits, reducing uncertainty and the risk of speeding.</i> • Recognises different road signs, including temporary speed restrictions • Displays reminder in the driver information centre   Always know the speed limit							
Following distance indicator: <i>Indicates how many seconds you are behind the vehicle in front – helping you maintain a safe distance.</i> • Timings are shown in the driver information centre   Keeps a safe distance				○	○	670.83	805.00
Lane departure warning with lane assist: <i>If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph. The lane keep assist function additionally provides gentle steering correction to help drivers keep in their lane if no active inputs are made.</i> • Warning light in instrument cluster • Audible warning • Steering wheel 'nudge' warning • Facia on/off switch • Both systems switch to standby when in road works or when road markings are confused   Keeps you in lane							

● = Standard equipment. ○ = Optional at extra cost.

ZAFIRA TOURER FEATURES/OPTIONS

DRIVER ASSISTANCE		Design	Energy	SRI	Tech Line Nav	Elite Nav	Price (£) exc. VAT	Total (£) inc. VAT
Driver Assistance Pack A wide range of class-leading driver assistance and safety features are controlled by the front camera system. Forward collision alert with automatic city emergency braking: In certain circumstances and at speeds above 5mph warns when approaching another vehicle too quickly. At speeds above 5mph and up to 53mph the system provides additional braking support to help the driver brake more quickly and effectively in an emergency situation. At speeds above 5mph and up to 37mph if no avoiding action is taken by the driver, the system automatically slows the vehicle with emergency braking. • Visual warnings – projected onto windscreen and shown in the instrument cluster • Audible warning • Additional braking support • Low speed collision mitigation braking Automatic cruise control: Automatic cruise control decelerates the vehicle when approaching a slower moving vehicle. It then adjusts the vehicles speed to follow the vehicle at the selected following distance. The vehicle speed increases or decreases to follow the vehicle in front, but will not exceed the set speed. 								
 Helps maintain constant speed								
Side blind spot alert: Side blind spot alert helps prevent potential collisions with other vehicles 'hidden' in the vehicle's side blind spots. If a vehicle enters one of the blind spots a warning light illuminates in the relevant door mirror. • Ultrasonic side sensors with three-metre range • LED warning light in door mirrors • Audible warning is sounded if the indicators are used and the system has detected another vehicle • Electrically folding door mirrors 								
 Warns of vehicles in your blind spot								
Following distance indicator: Indicates how many seconds you are behind the vehicle in front – helping you maintain a safe distance. • Timings are shown in the driver information centre 								
 Keeps a safe distance								
Front and rear parking distance sensors • Front and rear parking distance sensors • Audible warning		●	●	●	●	●		
Rear-view camera The rear-view camera gives a clear view of the area behind your car and helps place the car perfectly, without needing to strain your neck. • Activated when reverse gear selected • Camera view appears in infotainment screen • Rear bumper and one-metre grid lines shown as reference points 								
 See what's behind you on the central screen								
FlexRide adaptive chassis control system with continuous damping control					○	○	675.00	810.00

● = Standard equipment. ○ = Optional at extra cost.

= Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

OPTIONAL TRANSMISSION

Six-speed automatic transmission with ActiveSelect[®] function

A six-speed automatic transmission is optional on 1.4i Turbo (140PS) and 2.0CDTi (170PS) models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect[®] manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– 11.40m (37.4ft.)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Hill start assist
- Electric parking brake (standard on Tech Line Nav and Elite Nav models only)

BODY

Aerodynamic drag co-efficient:
– Cd 0.32.

FUEL TANK CAPACITY

58 litres (12.8 gallons)

ADBLUE TANK CAPACITY

7.8 litres (1.7 gallons)

ZAFIRA TOURER SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i Turbo (140PS)	2310	1300 (750)
1.4i Turbo (140PS) automatic	2340	1550 (750)
1.6CDTi (134PS) Start/Stop ecoTEC	2380	1450 (750)
2.0CDTi (170PS) Start/Stop	2455	1650 (750)
2.0CDTi (170PS) automatic	2470	1650 (750)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

LOADSPACE DIMENSIONS millimetres (inches)

Maximum floor length – behind front seats, second-row and third-row seats folded	1842 (72.5)
Maximum floor length – behind second-row seats	1093 (43.0)

ZAFIRA TOURER COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE NAV HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification with a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit www.vauxhall-toolbox.co.uk or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

BENEFIT IN KIND COMPANY CAR TAXATION*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Zafira Tourer Design 1.6CDTi (134PS)	
Start/Stop ecoTEC 5-dr MPV	
(CO ₂ emissions 119g/km)	
On-the-road RRP	£24400.00
Deduct: Vehicle Excise Duty	(£205.00)
New vehicle first registration fee	(£55.00)
Effective list price	£24140.00
Add: Optional two-coat metallic paint	£565.00
List price for tax purposes (P11D value)	£24705.00

Car benefit charge	
2018-19 tax year (28%)	£6917.00
Benefit in kind tax liability (2018-19 tax year)	
Basic Rate (20%) tax payer	£1383.40
Higher Rate (40%) tax payer	£2766.80

* = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position. ** = Excludes residents of Scotland.

BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BIK rates for Scotland are:

- Over £11,850-£13,850 Starter Rate 19%
- Over £13,850-£24,000 Basic Rate 20%
- Over £24,000-£43,430 Intermediate Rate 21%
- Over £43,430-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Non-Diesel† 2018-19 tax year	Diesel†† 2018-19 tax year
Up to 50	13	17
51-75	16	20
76-94	19	23
95-99	20	24
100-104	21	25

ZAFIRA TOURER ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VAUXHALL FINANCE LEASING

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact. For further information, please contact your local Vauxhall Retailer or visit www.vauxhall.co.uk/leasing

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £310 is payable for the first five years of standard rate payments.

VEHICLE EXCISE DUTY*

	CO ₂ emissions	First year rate		Standard rate
		Non-diesel**	Diesel†	
Band A	0g/km	£0.00	£0.00	£0.00
Band B	1 – 50g/km	£10.00	£25.00	£140.00
Band C	51 – 75g/km	£25.00	£105.00	£140.00
Band D	76 – 90g/km	£105.00	£125.00	£140.00
Band E	91 – 100g/km	£125.00	£145.00	£140.00
Band F	101 – 110g/km	£145.00	£165.00	£140.00
Band G	111 – 130g/km	£165.00	£205.00	£140.00
Band H	131 – 150g/km	£205.00	£515.00	£140.00

 † = Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

TRUST VAUXHALL

CUSTOMER CARE COMMITMENT

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

* = Mobile phone users will be charged at their standard tariff.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling
