

ASTRA PRICE/SPECIFICATION GUIDE

1 July 2016 | Model Year 2015/2016

Proud Sponsor of Home Nations Football

ASTRA COMPANY CAR DRIVER/FLEET INFORMATION

DESIGN AND TECH LINE HIGH SPEC, LOW P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line models are seriously fit for Fleet.

Design models (Insignia, Astra and Corsa) all feature very low P11D values, generous standard specification with a choice of high tech ecoFLEX engines for great fuel economy and low emissions including the new 'whisper diesel' 1.6CDTi (from 88g/km and 85.6mpg combined).

For even more standard specification, step up to our Tech Line range (Insignia, Astra, Mokka, Zafira Tourer and Meriva) again you are guaranteed low P11D values, plus great standard kit including Sat Nav (in lieu of parking sensors and Winter Pack on Meriva), Bluetooth®, USB connection, aux-in socket and digital radio (excluding Meriva).

With Design and Tech Line you can take for granted low Whole Life Costs and low company car driver taxation.

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive www.vauxhall3dtd.co.uk or call 0870 240 4848**

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Astra Tech Line 1.6CDTi 110PS Start/Stop ecoFLEX 5-door hatchback
(CO₂ emissions 97g/km)

On-the-road RRP	£18910.00
Deduct: Vehicle Excise Duty	(£0.00)
New vehicle first registration fee	(£55.00)
Effective list price	£18855.00
Add: Optional two-coat metallic paint	£545.00

List price for tax purposes (P11D value)
£19400.00

Car benefit charge	
2016-17 tax year (19%)	£3686.00
Benefit in kind tax liability (2016-17 tax year)	
Basic Rate (20%) tax payer	£737.20
Higher Rate (40%) tax payer	£1474.40

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

ASTRA RANGE HIGHLIGHTS

DESIGN

Standard features include

- 16-inch 7-spoke alloy wheels
- Electronic Stability Programme (ESP)
- Driver's and front passenger's airbags
- Front seat side-impact airbags
- Full-size curtain airbags
- Tyre pressure monitoring system
- Daytime running lights
- Air conditioning
- CD/MP3 CD player/stereo radio
- Aux-in socket
- Cruise control
- Steering wheel mounted audio controls
- Chrome-bezelled steering wheel
- Driver's seat height adjuster
- Front seat back storage pockets
- 60/40 split-folding rear seat back
- Electrically operated front windows
- Electrically adjustable/heated door mirrors
- Remote control central deadlocking
- Steering column adjustable for reach and rake
- Black roof rails (Sports Tourer)
- 12-volt auxiliary power socket located in luggage compartment (Sports Tourer)
- Retractable luggage compartment cover (Sports Tourer)

EXCITE

Features over Design

- 17-inch alloy wheels
- Chrome-effect exterior side window surround
- LED daytime running lights
- Wega cloth/Morrocana trim
- Three-spoke leather-covered steering wheel
- Bluetooth® mobile phone system
- USB connection with iPod control

LIMITED EDITION

Features over Design

- 19-inch 5-spoke alloy wheels
- Sports style front bumper, body-colour front upper grille, side sills and rear lower skirt
- LED daytime running lights
- Chrome-effect exterior side window surround
- Bluetooth® mobile phone system
- USB connection with iPod control
- Perforated leather seat facings (front and outer rear seats)
- Heated front seats
- Ergonomic sports front seats with extendable seat cushions
- Driver's seat with tilt and four-way electrical lumbar adjustment
- Fold-down rear seat centre armrest with load-through facility
- Three-spoke leather-covered sports steering wheel

TECH LINE

Features over Design

- 17-inch 10-spoke alloy wheels
- Three-spoke leather-covered sports steering wheel
- Navi 650 satellite navigation system with seven-inch colour monitor
- Six premium speakers
- USB connection with iPod control
- Bluetooth® mobile phone system
- Digital radio
- Multi-function trip computer
- Shark fin aerial
- Chrome-effect exterior side window surround

TECH LINE GT

Features over Tech Line

- 18-inch 5-split-spoke alloy wheels
- Sports style front bumper, body-colour front upper grille, side sills and rear lower skirt
- LED daytime running lights
- Lowered sports suspension
- Sports front seats
- Front centre armrest with storage facility
- Remote control alarm system
- Centre console surround ambient lighting

SRI

Features over Design

- 17-inch 5-spoke alloy wheels
- Lowered sports suspension (excl. 1.4i 100PS)
- Three-spoke leather-covered sports steering wheel
- Sports front seats
- Front fog lights
- Multi-function trip computer
- Remote control alarm system (optional at extra cost on 1.4i 100PS models)
- Chrome-effect exterior side window surround
- Dark-tinted rear windows (Sports Tourer)
- Centre console surround ambient lighting (hatchback)

BiTurbo

Features over Design

- 18-inch 5-spoke alloy wheels
- Leather-covered flat-bottomed sports steering wheel
- Leather-covered gear knob
- Lowered sports chassis
- Sports style front bumper, body-colour front upper grille, side sills, rear lower skirt and rear roof spoiler
- Multi-function trip computer
- Chrome-effect front door sill covers
- Chrome-effect exterior side window surround
- Dual-tone horn
- Sports pedals
- Chrome-effect twin exhaust
- Centre console surround ambient lighting

ELITE

Features over Design

- 17-inch 10-spoke alloy wheels
- Three-spoke leather-covered sports steering wheel
- Rain-sensitive windscreen wipers
- Automatic lighting control with tunnel detection
- Electro-chromatic anti-dazzle rear-view mirror
- Front fog lights
- Dual-zone electronic climate control
- Perforated leather seat facings (front and outer rear seats)
- Heated front seats
- Ergonomic sports front seats with extendable seat cushions
- Driver's seat with tilt and four-way electrical lumbar adjustment
- Fold-down rear seat centre armrest with load-through facility
- Electrically foldable door mirrors
- Remote control alarm system
- Electrically operated rear windows
- Dark-tinted rear windows (Sports Tourer)
- Silver-effect roof rails (Sports Tourer)

ASTRA FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Active-safety front seat head restraints • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts (height-adjustable front) • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • Drivers and front passenger's seat belt unfastened warning lights • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Hydraulic brake fade assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency brake assist – Increases brake force applied in emergency braking situations • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

Pedestrian: • Multi-pivot bonnet hinges – Allows the bonnet to move downwards cushioning any impact • Collapsible windscreen wiper system – Reduces the risk of head injury • Low density foam near front bumper crossmember – Reduces lower leg injuries • Plastic lower front bumper stiffener – Reduces knee injuries

Luggage capacity will be reduced. 6 = Optional on hatchback models only. 7 = Also included with optional Navi 650 and Navi 950 audio units. 8 = Optional on hatchback models only. Also included with optional Navi 650 and 950 audio units.

SATELLITE NAVIGATION

The optional Navi 650/950 satellite navigation systems offer dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The Navi 650 system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads for Western Europe. Additional country-specific maps with street level detail are available to download. Navi 950 IntelliLink covers street level mapping across Europe. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

USB CONNECTION

A USB connection is fitted in conjunction with the optional Navi 650 and 950 satellite navigation systems. It provides iPod control and read-out of iPod functions through the audio system display and charges the iPod whilst connected.

DIGITAL RADIO

Standard on Tech Line and Tech Line GT and optional on most other models, Digital radio offers the user a variety of advantages over traditional FM, starting with improved sound quality. You'll often find a broader range of stations, many of which are not available on FM – you simply select the station, by name, from the displayed list. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

INTELLILINK

The Navi 950 audio system includes the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, slideshows, podcasts and more.

BLUETOOTH® MOBILE PHONE SYSTEM WITH VOICE ACTIVATION

Vauxhall's optional factory-fit dual-band Bluetooth® system has been considerably enhanced, (standard on, Excite, Limited Edition, Tech Line and Tech Line GT). Now fully integrated into the audio and communication system, it also features voice control* for certain functions.

All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

* = Please note, voice control is not available with CD 400+ and Navi 650 units.

ASTRA SPECIFICATIONS

TRANSMISSION

Five-speed manual gearbox

Standard on: 1.4i 100PS/1.6i 115PS/1.3CDTi 95PS

Six-speed manual gearbox

Standard on: 1.4i 140PS Turbo/1.6CDTi 110PS/
1.6CDTi 136PS/2.0CDTi 165PS/2.0CDTi 195PS

BiTurbo

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.6i 115PS and 2.0CDTi 165PS models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
– 11.0m (36.1ft.)

SUSPENSION

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg on hatchback models and 100kg on Sports Tourer models. The maximum towing weights are based on the ability of the car with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

ASTRA ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	up to 100	£0.00	£0.00
Band B	101-110	£0.00	£20.00
Band C	111-120	£0.00	£30.00
Band D	121-130	£0.00	£110.00
Band E	131-140	£130.00	£130.00
Band F	141-150	£145.00	£145.00
Band G	151-165	£185.00	£185.00
Band H	166-175	£300.00	£210.00
Band I	176-185	£355.00	£230.00
Band J	186-200	£500.00	£270.00
Band K	201-225	£650.00	£295.00
Band L	226-255	£885.00	£500.00
Band M	over 255	£1120.00	£515.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VAUXHALL SERVICE PLAN

Vauxhall Retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.
