Interest Charges	£1,228.46
Total Amount Payable	£20,802
Optional Final Payment (GFV)	£6,438
Fixed Rate of Interest per year, true	3.93%
Mileage per annum	10,000
Excess mileage charge, per mile	£0.09
Duration of Agreement	36 months
Representative APR	4.0% APR

For even more great deals contact your local Retailer or call 0345 600 1500 or visit www.vauxhall.co.uk/offers

TERMS AND CONDITIONS: *Offer subject to availability at participating Retailers only. Personal Contract Purchase. Finance subject to status, terms and conditions apply. Applicants must be 18+. Finance by Vauxhall Finance, PO Box 6666, CF15 7YT. Customer deposit shown after deduction of Vauxhall contribution. Vauxhall Deposit Contribution only available when vehicle financed through Vauxhall Finance. At the end of the agreement there are three options: i) Retain the vehicle: Pay the optional final payment to own the vehicle, ii) Return the vehicle, or iii) Replace: Part Exchange the vehicle, where equity is available. Offer applies to private individuals, Vauxhall Partners and small businesses 1-24 units (purchase only excluding B2B supported units). All other customers are excluded. Offer available on orders or registrations between 1 April 2016 to 30 June 2016.

GTC COMPANY CAR DRIVER/FLEET INFORMATION

COMPANY CAR DRIVER FREE* 3 DAY TEST DRIVE

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

Click below to book your free* test drive
www.vauxhall3dtd.co.uk
or call 0870 240 4848**

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants; congestion charges; parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

FLEET TOOLBOX

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information. Visit the Fleet Toolbox by going to www.vauxhall-toolbox.co.uk

ROADTRIP APP

The Vauxhall RoadTrip App is a free app that calculates and logs your mileage expenses for any UK business trips and generates reports to help you complete your mileage claims. Available for both iPhone and Android, visit www.vauxhall-toolbox.co.uk or visit the iPhone or Android stores and search for Vauxhall RoadTrip to download it to your smartphone or tablet.

BENEFIT IN KIND COMPANY CAR TAXATION†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20% for Basic Rate, 40% for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

GTC SRi 1.6CDTi 110PS Start/Stop ecoFLEX
(CO₂ emissions 111g/km)

On-the-road RRP £23045.00

Deduct: Vehicle Excise Duty (£0.00)

New vehicle first registration fee (£55.00)

Effective list price £22990.00

Add: Optional two-coat metallic paint
£545.00

List price for tax purposes (P11D value)
£23535.00

Car benefit charge
2016-17 tax year (22%) £5177.00

Benefit in kind tax liability
(2016-17 tax year)

Basic Rate (20%) tax payer £1035.40

Higher Rate (40%) tax payer £2070.80

† = Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

CO ₂ emissions in grams per kilometre	Percentage of car's price to be taxed	
	Petrol 2016-17 tax year	Diesel 2016-17 tax year
up to 50	7	10
51-75	11	14

GTC FEATURES/OPTIONS

SAFETY

Standard features

Airbags: • Driver's airbag • Front passenger's airbag • Front seat side-impact airbags • Full-size curtain airbags • Deactivation switch for front passenger's front and side-impact airbags – Ensures front passenger airbags do not inflate when a child seat is fitted to the front passenger's seat

Seating: • Active-safety front seat head restraints • Height-adjustable front and outer rear seat head restraints • Five lap and diagonal inertia-reel seatbelts • Front body-lock diagonal seatbelt pretensioner system – Tightens the seatbelt during the early stages of a frontal impact • Drivers and front passenger's lap belt pretensioner system • Front seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Anti-submarining ramps in front seats – Help prevent occupants sliding underneath the lap belt during a collision • ISOFIX child seat restraint system for outer rear seats incorporating top tether (does not include child seat) – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation

Electronic: • Electronic Stability Programme-plus (ESP-plus) – Reduces the possibility of losing control of the vehicle • Anti-lock Braking System (ABS) • Electronic brakeforce distribution • Cornering brake control • Hydraulic brake fade assist – Automatically raises braking pressure to compensate for brake fade under repeated applications of heavy braking • Emergency brake assist – Increases brake force applied in emergency braking situations • Straight line stability control • Traction control • Adaptive brake lights – If the driver brakes hard enough to activate the ABS function the brake lights flash on and off at a frequency of four times per second, warning following vehicles that heavy braking is in progress • Tyre pressure monitoring system

Body: • Energy-absorbing steering column • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Side-impact protection beams • Reinforced passenger safety cell • Deformation zones front and rear • Burst-proof door locks and anti-jam door design

SECURITY

Standard features • Remote control ultrasonic security alarm system • Driver's internal central locking switch • 'Key left in ignition' audible warning • Electronic theft protection for audio equipment • Remote control central deadlocking (doors, tailgate, fuel filler flap) • Electronic engine deadlock immobiliser • Visible Vehicle Identification Number (VIN) plate • Freewheeling door locks • Locking wheel nuts for alloy wheels

Additional feature

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Driving Assistance Pack • Forward collision alert • Lane departure warning • Traffic sign recognition • Following distance indicator • Intelligent light ranging ¹	<input type="radio"/>	<input type="radio"/>	625.00	750.00

HEATING AND VENTILATION

Standard features • Air conditioning with air recirculation • Air blend heater with six-speed fan • Side window demist vents and adjustable face-level air vents • Interior pollen filter

Additional feature

	SRI	Limited Edition	Price (£) exc. VAT	Total (£) inc. VAT
Dual-zone electronic climate control incorporating air conditioning with humidity sensor	<input type="radio"/>	<input type="radio"/>	329.17	395.00

○ = Optional at extra cost.

¹ = Requires Premium Forward Lighting Pack.

GTC FEATURES/OPTIONS

Destination download feature only operates on models fitted with optional Navi 650 or Navi 950 IntelliLink satellite navigation systems.

Vauxhall OnStar

Once only the preserve of premium brands, our people friendly personal connectivity and service assistant is now available across the Vauxhall car range. Vauxhall OnStar is a new, one-of-a-kind system that gives you in-car access to a host of innovations at the touch of a button. 24/7, 365 days a year you are connected to a qualified advisor – not to a machine. In the event of a crash, OnStar even automatically calls for help. Vauxhall OnStar also transforms your Vauxhall into a Wi-Fi Hotspot and turns your smartphone into a remote control for your car**.

Find out more about the full range of OnStar services at www.vauxhall.co.uk/onstar.html

Vauxhall OnStar – Your personal connectivity and service assistant.

** Some features may not be available in your region, for your carline, or trim level. Please check www.vauxhall.co.uk/onstar.html for a current overview of potential restrictions.

SATELLITE NAVIGATION

The optional Navi 650/950 satellite navigation systems offer dynamic route guidance via RDS-TMC (Traffic Message Channel) with directions given audibly and via the 7-inch colour monitor. TMC is a specific

application of RDS used for broadcasting real-time traffic information. It alerts the driver to a problem on the planned route and calculates an alternative route to avoid the incident.

In addition to route planning criteria such as 'shortest distance' or 'avoiding toll roads', you can now select an energy-optimised 'green route'. Here you can specify parameters such as if you are towing a caravan or have a roof box fitted. The system will use this information, in conjunction with known factors including your vehicle's weight and engine type, to calculate the most fuel-efficient route.

The Navi 650 system covers all major link roads and streets in towns and cities across mainland Britain and Ireland, plus trunk and main roads for Western Europe. Additional country-specific maps with street level detail are available to download. Navi 950 IntelliLink covers street level mapping across Europe. The CD player plays regular audio CDs and MP3 tracks recorded to CD.

DIGITAL RADIO

Now widely available in the UK, digital multi-media broadcasts offer the user a variety of advantages over traditional FM, starting with the digital quality sound which is immune to any hiss or crackle.

You'll often find a broader range of stations on offer too, many of which are not available on FM, and listening to them couldn't be easier – you simply select the station, by name, from the displayed list, thus removing the need to retune or look for stations when travelling around. Some stations will even display the artists' names and song titles on the car's graphic display, while they're played.

BLUETOOTH® MOBILE PHONE SYSTEM WITH VOICE ACTIVATION

Vauxhall's optional factory-fit dual-band Bluetooth® system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control for certain functions. All the required information is displayed on the graphic information display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio.

USB CONNECTION

Fitted as standard, the USB connection is located alongside the aux-in within the centre console. It provides iPod control and read-out of iPod functions through the audio system display. Traditional aux-in only

allow control of volume through the car's audio system. The USB connection also means that the iPod will charge whilst it is connected.

INTELLILINK

The CD 600 and Navi 950 audio systems includes the latest IntelliLink technology, designed to support portable Bluetooth® and USB audio devices, so you can hook up your smartphones or tablets to make calls and access your own music, slideshows, podcasts and more.

INFINITY® PREMIUM SOUND SYSTEM

For the ultimate in premium sound performance GTC can also be specified with the Infinity Sound System. Featuring a 7 x 45 Watt amplifier and Digital Sound Processor, the system comprises eight premium speakers, including one rear-mounted 8-inch subwoofer, two door-mounted and two rear mounted 6.5-inch wide band speakers, two 1-inch tweeters mounted in the A-pillar and a front-mounted 3.5-inch medium range unit. The unit is optional at extra cost on all models.

GTC SPECIFICATIONS

EXTERIOR DIMENSIONS millimetres (inches)

TRANSMISSION

Six-speed automatic transmission with ActiveSelect® function

A six-speed automatic transmission is optional on 1.4i 140PS Turbo models. On the road, a wide selection of shift patterns is adapted to the style and habits of the driver, anticipating when maximum acceleration or maximum efficiency is required. The electronic control will also adapt to the prevailing road conditions, reducing gear shifting when climbing or descending and using engine braking assistance during down changes.

The ActiveSelect® manual mode allows the gear lever to be used like a sequential manual gearbox – you simply push the lever forward or back to change up or down the gears. The driver also benefits from a 'neutral' gear disengagement at idle, which reduces vibration and contributes to improved fuel consumption.

SUSPENSION

The HiPerStrut (High Performance Strut) front suspension improves grip and allows more power to be applied during cornering. The reduced kingpin angle means less camber loss, which allows the front tyres to retain more of their contact patch with the road during cornering, therefore delaying the onset of understeer. The shorter spindle length significantly reduces torque steer reactions and improves resistance to steering kickback through uneven bends.

Front: Independent. HiPerStrut sports suspension with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight compound crank rear axle with one-piece, hollow cast trailing arms. Built-in anti-roll bar. Progressive-rate double conical mini-block springs with Watt's link and gas-pressure dampers.

BRAKES

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution
- Hydraulic brake fade assist
- Cornering brake control
- Emergency brake assist
- Electric parking brake
- Hill start assist

LUGGAGE CAPACITIES*

	litres (cu.ft.)
Rear seats up	380 (13.4)
Rear seats down	1165 (41.1)

Please note fitment of Infinity® Sound System reduces load volume by 38 litres due to a raised luggage compartment floor.

* = Measured using the ECIE method.

STEERING

- Power-assisted steering
- Turning circle (kerb-to-kerb):
 - 10.9m (35.7ft.)

FUEL TANK CAPACITY

All models: 56 litres (12.3 gallons)

WEIGHTS AND TOWING DATA kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i 120PS Turbo Start/Stop	1960	1350 (700)
1.4i 140PS Turbo Start/Stop	1960	1350 (700)
1.4i 140PS Turbo (automatic)	1980	1350 (700)
1.6i 200PS Turbo Start Stop	1990	1500 (730)
1.6CDTi 110PS Start/Stop ecoFLEX	2005	1500 (730)
1.6CDTi 136PS Start/Stop ecoFLEX	2010	1500 (730)

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 100kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

GTC ACCESSORIES

	Total (inc. VAT)

Door sill plates	£72.00

Please note:

Prices shown are a fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

GTC ADDITIONAL INFORMATION

ON-THE-ROAD PRICES

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include the recommended cost of number plates and delivery to a Vauxhall Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

PRICE PROTECTION

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

VEHICLE EXCISE DUTY

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grammes (g) per kilometre (km) travelled and divided into 13 charging bands shown in the table below.

From 1 April 2010 the Government introduced a new 'first year rate' of Vehicle Excise Duty payable on all new cars. In subsequent years the amount of Vehicle Excise Duty payable will revert to the standard rate.

Vehicle Excise Duty*

	CO ₂ emissions (g/km)	First year rate	Standard rate
Band A	up to 100	£0.00	£0.00
Band B	101-110	£0.00	£20.00
Band C	111-120	£0.00	£30.00
Band D	121-130	£0.00	£110.00
Band E	131-140	£130.00	£130.00
Band F	141-150	£145.00	£145.00
Band G	151-165	£185.00	£185.00
Band H	166-175	£300.00	£210.00
Band I	176-185	£355.00	£230.00
Band J	186-200	£500.00	£270.00
Band K	201-225	£650.00	£295.00
Band L	226-255	£885.00	£500.00
Band M	over 255	£1120.00	£515.00

* = Correct at time of issue.

E10 FUEL

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

PROTECTING THE ENVIRONMENT

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see www.vauxhall.co.uk/recycling

VAUXHALL ASSISTANCE

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

** = Mobile phone users will be charged at their standard tariff.

VAUXHALL LEASING

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and van leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact.

For further information, please see your local Vauxhall Retailer or call us on **0870 737 2557**. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

IN THE EVENT OF AN ACCIDENT...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

VAUXHALL SERVICE PLAN

Vauxhall Retailers offer a great service for owners of all Vauxhall cars. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your car in peak condition at all times.

FOR MORE PRODUCT INFORMATION

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at www.vauxhall.co.uk
