

# MERIVA

2016 Models Edition 3

# WELCOME TO A LIFETIME OF FORWARD THINKING

VX\_BPS\_18771

1903 – Forward thinking has been in our nature from the very start. The 6HP, our first ever car, had two forward gears. And no reverse.

VX\_BPS\_18772

1922 – The Silver Arrow OE 30-98 was capable of speeds of over 100mph, this model was built for shipping magnate Sir Leonard Ropner to race at Brooklands.

VX\_BPS\_18773

1937 – The Vauxhall 10' H-type, the first British car to have integral construction.

VX\_BPS\_18774

1957 – The PA Cresta introduced Americana styling to the UK.

VX\_BPS\_18775

1984 – The MkII Astra introduced class-leading aerodynamic styling that still looks good today. The Formula Vauxhall Lotus ran a modified version of the Astra GTE's 2.0i 16v engine.

VX\_BPS\_18776

1971 – The formation of Dealer Team Vauxhall (DTV). The track car was the precursor to our enormous success in touring car racing.

VX\_BPS\_18777

1999 – The Zafira introduced the revolutionary Flex7® seating system inventing the seven-seat compact MPV.

VX\_BPS\_18780

VX\_BPS\_18779

1990 – The Calibra was the world's most aerodynamic production car.

VX\_BPS\_18778

1989 – The Lotus Carlton was the world's fastest production four-door saloon.

2012 – The 'RAK e'. A radical looking electric concept car for the future. Our forward thinking continues.

2012 – Ampera. The first ever Extended-Range Electric Vehicle (E-REV) that redefined electric vehicle innovation leading to it being voted European Car Of The Year 2012.

VX\_BPS\_18782

VX\_BPS\_18781

2015 – Introduction of Vauxhall OnStar. Your personal onboard assistant.

Scan this QR code with your smartphone for more information on the last 110 years of Vauxhall innovation. Don't forget to download a QR reader from your app store first.

**The world was a very different place in 1903 when Vauxhall made its first car.** We steered with tillers, not wheels. Six horsepower was considered pretty nippy. And King Edward's face was still on the stamps. But for us, one important thing hasn't changed: we started out with a philosophy of Forward Thinking and, over 110 years later, it still motivates everything we do. Who knows what innovations the next 110 years will bring?

VX\_MER\_23601

## COMFORT MEETS STYLE MEETS CONVENIENCE

When it comes to comfort, convenience, quality and style the Meriva just gets it all right. FlexDoors® make access so easy. FlexSpace® and FlexRail® systems mean you can completely re-arrange the interior in a couple of clicks. And the high driving position and luxury seating for five make it a relaxing place to be for everyone. On the outside, the Meriva doesn't disappoint. From the imposing front grille to its modern rear styling Meriva is sure to get noticed. So you get a car that's as good to look at for passers by as it is for you to drive.

This brochure covers Meriva Life, Club, Tech Line and SE models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. We may also offer alternative Meriva models such as Special Editions. So for all current model or equipment details visit the Vauxhall website: [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

VX\_MER\_25739

## SPACE TO LIVE

**Inside the Meriva is a great place to be.** Up front the driver's seat holds you comfortably in a high sitting position as you take in a better view of the road ahead and the ergonomically designed fascia layout. And in the back there's ingenious solutions to sort out those everyday family transport dilemmas.

Every Meriva includes FlexSpace® as standard, a simple way to go from five seats to four, three or two instantly to meet your needs. Then we added FlexFloor®, our two-position, adjustable luggage compartment floor that can be lowered to give you more load height and volume. And then there's FlexRail®, a versatile, modular, multi-level storage system situated between the front seats with spaces and connectivity for MP3 players and mobile phones.

So whatever life throws your way, you can relax knowing that your Meriva has all the comfort and the flexibility to handle it with ease.

VX\_MER\_25740

# GENIUS OR JUST COMMON SENSE

**We made the Meriva a car that's not just easier to live with – it makes life easier.** We added rear-hinged FlexDoors<sup>®</sup>, that open far wider than normal, to make it easier to get in and out of the back seat and safer for everyone at the roadside. Then we gave the Meriva our Flex-Fix<sup>®</sup> bike carrier. A fully integrated, optional rear carrier system that can safely carry two bikes but completely folds away into the rear bumper when you don't need it. Now that makes sense to us.

# STAY CONNECTED ON THE MOVE

**The infotainment system in the Meriva is there to help.**

Not get in the way or take over. And it's so easy to use, whether it's the standard radio and CD player with aux-in or any of the other options available.

All models feature USB connection for your MP3 player or phone with control via the steering wheel controls and Bluetooth® connectivity so you can make calls hands-free.

And there's even sat nav with the option of IntelliLink technology that lets you make calls and stream audio using Bluetooth® from portable devices via a big 7-inch colour screen.

Whichever you choose, all this tech doesn't just work, it works the way you want it to.

VX\_MER\_25741

VX\_MER\_20868

# PERFORMANCE MEANS ECONOMY TOO

**It may be perfect for family life but the Meriva is great to drive too.** With confident balance and lively, efficient multi-valve petrol, turbo-powered and ultra-efficient diesel engines that are all as good at saving fuel as they are at performing on the road. Add to that lower CO<sub>2</sub> emissions – as low as 116g/km with the 1.6CDTi (136PS) – and savings on Vehicle Excise Duty and you have a range of engines designed to save you money without having to compromise in any way.

WALL STREET CAFE

# PROTECT WHAT'S IMPORTANT

**We've done everything possible to protect you, your Meriva and other road users.** That's why we offer a series of sophisticated safety features and options.

There's Adaptive Forward Lighting to make cornering at night safer, front and rear parking distance sensors for those tight parking situations, active-safety front seat head restraints to minimise the risk of whiplash and up to six airbags.

And with the family in mind, all Meriva models feature ISOFIX mountings on the outer rear seats for the safer installation of child seats.

The Meriva doesn't just feel safer than ever. It is.

# POWER WITH A SENSE OF RESPONSIBILITY

Compromise is a thing of the past with our range of engines. They manage to combine comparatively low fuel consumption and emissions with brisk performance so you can have it all. The Meriva engine line-up consists of three 1.4 litre petrol engines and a diesel that is not only designed to be fuel efficient with low CO<sub>2</sub> emissions but surprisingly quiet out on the road too.

## FUEL ECONOMY AND EMISSIONS

Engines	CO <sub>2</sub> emissions (g/km) <sup>#</sup>	Fuel economy combined (mpg) <sup>#</sup>	VED band (2016/17)*		Benefit-in-Kind rate (2016/17 tax year)**
			First Year	Standard	
<b>Petrol</b>					
1.4i (100PS)	140	47.1	£130	£130	25%
1.4i Turbo (120PS)	139	47.9	£130	£130	24%
1.4i Turbo (140PS)	149	44.8	£145	£145	26%
1.4i Turbo (120PS) automatic	166	39.8	£300	£210	30%
<b>Diesel</b>					
1.6CDTi (136PS) S/S ecoFLEX	116	64.2	£0	£30	23%

<sup>#</sup>Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

\*Correct at time of publication.

\*\*Taxation information for guidance only. Please take professional advice on your own tax position.

S/S = Start/Stop.

All Meriva petrol engines feature Variable Valve Timing technology for high fuel economy and performance. A 100PS engine is matched with two turbocharged versions – a 120PS model and a range topping 140PS variant. Meriva's Euro 6 compliant 1.6CDTi 'Whisper Diesel' ecoFLEX engine – a powerful 136PS with 320Nm of torque – is also turbocharged, adding fuel-injection and common rail diesel technology which cuts emissions, reduces

noise and lowers fuel consumption. The engine also features Start/Stop technology as standard. Saving even more fuel by automatically stopping the engine when you come to a standstill and restarting when you want to move off.

# CONNECTS WITH YOUR LIFE

**You don't need a degree in technology to get the most out of the Meriva's infotainment options.** Whether you're syncing a smartphone, finding the quickest way to a new place or just listening to music on an MP3 player, it's easy.

The choice is yours. Every Meriva comes with a CD player, stereo radio with aux-in and USB for your MP3 player and Bluetooth® connectivity. If you need just that little bit more technology you can upgrade to our new Navi 650 sat nav unit or Navi 950 IntelliLink system (right) for voice controlled navigation, phone calls and music tracks. It's all designed to make your life easier.

**Our optional Navi 650 infotainment system** features the very latest sat nav with 7-inch colour screen, it lets you make calls and stream audio from your smartphone, tablet or other portable device using Bluetooth® and gives you fast access to map data and points of interest to keep you informed on the move. Optional at extra cost\* on all models.

**1.** Or there's our **Navi 950 IntelliLink** that features voice commands for navigation and phone calls. Optional at extra cost on SE models.

**2. 3.** Then there's **Aux-in, USB and Bluetooth®**. You can either hook up an MP3 player, smartphone or USB stick to listen to music or downloaded podcasts. Connecting via the USB also means you can control your device via the steering wheel and audio display. All models now also feature Bluetooth® as standard, which allows you to make calls safely on the move.

Upgrade to **digital radio** for digital quality sound and a more diverse range of stations that are easier to find by name. Optional at extra cost on all models.

\*The Navi 650 system on Tech Line models can be ordered as an extra-cost option or a no-cost option in lieu of front and rear parking distance sensors, electrically heated front seats and electrically heated steering wheel.

# VAUXHALL OnStar®

## YOUR PERSONAL ON BOARD ASSISTANT

Vauxhall OnStar<sup>1</sup> gives you an incomparable feeling of safety, 24/7, 365 days a year.

Best of all it's free of charge for the first 12 months on Meriva SE models\*. Even for your 4G Wi-Fi Hotspot<sup>2</sup> you will get a free data trial period<sup>3</sup>.

**Driving will never be the same again.**

# WHAT ONSTAR CAN DO FOR YOU

SOS

## Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed notify the emergency services and provide them with your exact GPS location<sup>1</sup>.

## 4G Wi-Fi Hotspot<sup>2</sup>.

Your car is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot<sup>2</sup> for up to seven devices<sup>1</sup>.

## Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights<sup>1</sup>.

## Stolen Vehicle Assistance.

If someone steals your car, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your car from being restarted so it can be recovered<sup>1</sup>.

## Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

## Destination Download.

Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Vauxhall's navigation system<sup>1,4</sup>.

# YOUR PRIVACY. YOUR CALL

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on Meriva models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies<sup>5</sup> can OnStar override this.
- OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

<sup>1</sup>Optional on Meriva Club, Life and Tech Line models. <sup>2</sup>The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator. <sup>3</sup>4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar) for terms and conditions, details of availability, coverage and charges. <sup>4</sup>For details please check [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar) <sup>5</sup>An embedded Vauxhall navigation unit and map data are requirements for this service. <sup>6</sup>In events such as a crash or if your vehicle is stolen.

# HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on Meriva SE and is available as an extra cost option on all other models.

To get it:

1. Request OnStar when you order your new Vauxhall Meriva.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase 4G Wi-Fi Hotspot<sup>1</sup> data packages separately from the nominated network provider by following the instructions on [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar). Charges apply after the free trial period.

To find out more, visit [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar)

<sup>1</sup>4G is subject to mobile network coverage and availability.

# HOW MY VAUXHALL SERVICES DO MORE FOR YOU

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar Services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Retailer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services. Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall anytime anywhere!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from Apple App Store.

# SAFER ALL OVER

Like every new Vauxhall, the Meriva comes with advanced safety features. From the high-strength steel rigid passenger cell, to active headrests that help prevent whiplash in the event of a rear impact. We've got you, and your passengers, covered.

**5-star reassurance.** The Vauxhall Meriva was awarded the best possible rating by the Euro NCAP body for its safety performance.

**1. Passenger protection.** The Meriva's passive safety systems include a high-strength steel rigid passenger cell and a full complement of airbags. Just in case. All models feature twin front airbags and side impact airbags with Club, Tech Line and SE models adding curtain airbags too.

**2. Active-safety front seat head restraints.** Another important safety feature. Designed to minimise one of the most common injuries that can occur even in a low impact rear collision, whiplash. Standard on Club, Tech Line and SE models. Optional on Life models as part of the Protection Pack.

**3. Front and rear parking distance sensors.** These sensors accurately tell you how close you are to cars in front or behind whilst parking by giving you an audible signal that increases the closer you get to an obstacle. Standard on Tech Line, optional on all other models.

**4. Adaptive Forward Lighting.** This option, available on Club, Tech Line and SE models as part of the Light Pack, makes cornering at night safer with dynamic curve light that actually angles your headlights into the bend you're entering. While the static cornering light throws light up to 90° to the left or right so you can see better at low speed corners and junctions.

**Electronic Stability Programme (ESP-plus).** Every Meriva features the latest ESP-plus with Traction Control reducing the tendency to oversteer or understeer almost unnoticeably.

**Anti-lock Braking System.** The advanced Anti-lock Braking System (ABS) combines with other chassis safety features to improve stability and steering behaviour in a range of emergency situations.

# DESIGNED TO TAKE THE STRAIN

**We designed the Meriva to be easy on you.** From the easy-access FlexDoors®, Flex-Fix® slide-out bicycle carrier system or FlexSpace® versatile seating system. In fact, its all-round ergonomic concept was the first to receive certification from Germany's prestigious AGR\* organisation, in recognition of its capacity to reduce the strain on your back. And that's a world first.

Ergonomic sports front seats. The perfect choice for long-distance drivers. Optional on Club and SE models, the front seat adjusts to suit your posture by letting you fine tune the lumbar adjustment and extend the seat cushion, giving your upper body and legs greater support where it's needed most. The seat has also won the coveted AGR\* seal of approval for helping to prevent the back pain and tension suffered by some car occupants.

\*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

**1. Easy-access FlexDoors®.** The rear hinges on our FlexDoors® mean you can open the doors much wider than normal, making it easier to get in and out of the back seats, or to help other people do the same. Even placing a bag in the back is simpler – and safer – than with ordinary doors.

**2. We've got your back.** Everything about the Meriva is designed to take the strain away from your back by reducing muscle loads and twisting angles which, together, are a main cause of back strain.

\*Bicycle size restrictions apply. Please contact your local Vauxhall Retailer for further information.

**3. Flex-Fix® integrated bike carrier.\*** This practical bike carrier slides out of the rear bumper, making it simple to mount up to two bikes on the car, screwdriver-free. When you don't need it anymore, it slides back into the bumper. Optional at extra cost on Club and SE models.

**4. Versatile FlexSpace® seating.** Our FlexSpace® system lets you switch quickly and simply from three rear seats to two, or one, or none at all – without ever removing a seat.

# IT ALL SITS TOGETHER COMFORTABLY

**There's no one thing that makes the Meriva so comfortable and easy to live with.** It's a combination of features and technologies large and small. Whether it's air conditioning or the electric parking brake, for instance, we wanted to make every journey you take a pleasure and for you and your passengers to get there feeling refreshed, no matter how long the journey.

**1. Panoramic glass roof.** Big, bright and beautiful, this sunroof (standard on SE models) stretches right over both rows of seats so everyone can see out. But if you need a little less light, there's the electrically powered sunshade too.

**2. FlexRail® interior storage.** You can keep your belongings secure in place, out of sight and easy to reach with this modular storage system located between the two front seats. Club models feature the rails complete with a practical sliding tray/cup holder. SE models feature the rails, sliding tray/cup holder and the sliding centre storage system.

**Air conditioning.** Need help staying cool on hot summer days? No problem with Meriva. Air con is standard across the range.

**3. Electronic climate control.** We added dual-zone settings for the driver and front passenger so you can set a different temperature for each side of the car. Optional at extra cost on Club and SE models.

**4. Heated steering wheel.** No more freezing cold steering wheels in winter with this easy-to-grip leather-stitched version. Standard on Tech Line models. Optional as part of the Winter Pack on Club and SE models.

**5. Electric parking brake.** A push-button handbrake is really easy to use, and it frees up space between the seats for more FlexRail® storage. Standard on all models.

# LIFE

Standard features include:

- Electronic Stability Programme-plus
- Anti-lock Braking System
- FlexFloor®
- FlexSpace® flexible rear seats
- Twin front airbags
- Front seat side-impact airbags
- Air conditioning

### ASTOR CLOTH/MORROCANA TRIM

VX\_MER\_22489

Dark Galvanised Astor fabric seat inserts. Jet Black Morrocana bolsters. Standard on Tech Line/SE models.

# ACCESSORIES

**The Meriva is the family car of choice.** And we know that every family is different so there's a long list of accessories to choose from. They're all there so you can fine-tune your Meriva to fit your way of life. Maybe you have children, like to mountain bike, have dogs or all of those. Whatever you need, make sure it's a Genuine Vauxhall Accessory so we can guarantee it works as well as the rest of your car. See the whole range at [Vauxhall.co.uk/accessories](http://Vauxhall.co.uk/accessories)

Vehicle illustrated features accessory base carrier and Thule Pacific hard roof box. In addition, the Flex-Fix® integrated bike carrier, Light Pack, 17-inch alloy wheels and two-coat metallic paint are optional at extra cost.

**1.-3. FlexConnect.** A universal carrier system that attaches to the base of either of the front seat head restraints enabling a variety of comfort and convenience attachments to be installed.

**Folding picnic table.** A folding table with integrated cup holder. Conveniently stows flat when not in use.

**iPad holder.** Securely holds an iPad2 or iPad Mini for easy viewing.

**Clothes hanger.** Helps keep your jacket crease free.

**4. Floor mats.** A range of hard-wearing floor mats is available to protect your interior and are easy to take out and clean.

**5. The DUO ISOFIX baby seat** caters for babies from 9-18kg and can be attached using the ISOFIX child seat restraint fittings, standard on the outer rear seats of all Meriva models.

**6. Semi-rigid cargo liner.** Keep the boot clean and tidy with this semi-rigid moulded plastic liner that you can easily remove for cleaning. The non-skid surface stops the load from sliding around and there's even a lip to limit damage should liquids spill.

## Performance, fuel economy, emissions and VED rates

Model	Wheel size (inches)	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km) <sup>#</sup>			CO <sub>2</sub> emissions (g/km) <sup>#</sup>	Vehicle Excise Duty*	
		Maximum speed (mph)	Acceleration 0-62mph (secs)	Urban driving	Extra-urban driving	Combined figure		First year rate	Standard rate
<b>Manual</b>									
1.4i (100PS)	16/17	110	14.0	37.2 (7.6)	56.5 (5.0)	47.1 (6.0)	140	£130	£130

\* = Correct at time of publication.

# = Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

## Tyre rating

Tyre size	Fuel efficiency group	Wet grip performance	External noise	
			Measured (dB)	Group
205/55 R 16	B-E	B-E	68-72	
225/45 R 17	C-E	B	68-72	
225/40 R 18	E	B	71	

Tyre rating according to EU Regulation 1222/2009

## Fuel tank capacity

All models: 54 litres (11.9 gallons)

If you wish to view more comprehensive specifications and technical data this is available online. To download/request a Price and Specification guide or Brochure, please visit [www.vauxhall.co.uk/brochure](http://www.vauxhall.co.uk/brochure)

## Smarter driving tips

- **Drive at an appropriate speed:** Staying within the speed limit increases driver safety, reduces CO<sub>2</sub> emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** Under inflated tyres increase CO<sub>2</sub> emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO<sub>2</sub> emissions

## Weights and towing data kg

	Gross vehicle weight	Max. towing weights Trailer with brakes (without brakes)
1.4i (100PS)	1905	700 (670)
1.4i Turbo (120PS)	1930	1150 (680)
1.4i Turbo (120PS) automatic	1995	1300 (720)
1.4i Turbo (140PS)	1965	1300 (680)
1.6CDTi (136PS) Start/Stop ecoFLEX	2040	1150 (730)

**Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 60kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.
