Combi

With added versatility the Combi comes standard with numerous comfort and safety features to make it the perfect transportation vehicle to get the job done. It comes complete with a 10 inch HD touchscreen with wireless mirror screen and 4G connectivity.

Design

The Design is packed with practical features as standard to provide ample, comfortable and safe accommodation for all the family. It has 60/40 split bench seats and the third-row three-passenger bench seat is foldable for added flexibility. The door mirrors are electrically adjustable and heated and rear parking distance sensors help make for safer driving.

Ultimate

Ultimate is the most premium model of the Vivaro range. With keyless entry and start, Vauxhall Connect and a sophisticated Hi-Fi pack, and top of the range tech, the Ultimate is specifically designed for luxurious comfortable travel.

New Vivaro Life Electric Combi

Combi (Medium) 9-seater **OTR from £39,100.00**

Infotainment:

- Multimedia Pro
 - 10-inch HD touchscreen with wireless mirror screen
 - AM/FM/DAB digital radio
 - USB-C Data + charge port
 - 4G connectivity
 - Voice control via Smart Device
 - Two speakers and two tweeters
- Vauxhall Connect

Interior convenience/styling:

- Air conditioning
- Multi-function trip computer
- Electronic parking brake
- Dual front passengers’ bench seat with underseat storage
- Second-row three-passenger 60/40 split bench seat with tilt and fold function
- Third-row three-passenger fixed bench seat
- 10-inch colour digital instrument cluster
- Paddles for regenerative braking selection. Three levels – light; medium; strong

- 16-inch steel wheels
- Electrically operated front windows
- Nearside and offside sliding side-access doors with fixed windows
- Tailgate with wash/wipe and heated rear window
- Side-protection mouldings

Safety/security:

- Six airbags
- Height-adjustable lap and diagonal inertia-reel seatbelts
- Electronic stability programme with traction control
- Anti-lock braking system
- Tyre Pressure Monitoring System (TPMS)
- Hill start assist
- Remote control central deadlocking
- Selective door locking
- Electronic engine deadlock immobiliser
- High Beam Assist
- Automatic on/off headlight control
- Rain-sensitive windscreen wipers
- Cruise control with speed limiter
- Intelligent Speed Assistance
- Lane Keeping Assist
- Advance Emergency Braking System
- Driver Attention Alert
- Rear parking distance sensors

XL Combi (Long) 9-seater **OTR from £40,000.00**

New Vivaro Life Electric Design

Features over and above Combi :

Design (Medium) 8-seater OTR from £50,105.00

Interior convenience/styling:

- Mistral black Side Trim panels with Decorative Inserts
- Premium Roof trim (Woven)
- Acoustic pack (motor and cabin noise absorbers)
- Illuminated sunvisors and retractable handles
- Third-row three-passenger foldable bench seat
- Grey fabric Curitiba trim
- Individual driver and front passenger seat

Exterior convenience/styling:

- 17-inch steel wheels with full-diameter trims
- Electrically adjustable/heated/ foldable door mirrors
- Painted black side-protection mouldings
- Body-colour front and rear bumpers
- Tinted rear windows

Safety/security:

- Ten airbags
- Front fog lights
- Eco LED Headlamps with integrated DRL

XL Design (Long) 8-seater OTR from £51,005.00

- Body-colour rear corner bumper with black centre section

New Vivaro Life Electric Ultimate

Features over and above Design :

**Ultimate
(Medium) 8-seater** **OTR from
£55,430.00**

Infotainment:

- Multimedia NAVI Infotainment System
 - 10-inch HD touchscreen with wireless mirror screen
 - AM/FM/DAB digital radio
 - 4G connectivity
 - Voice control
 - USB connection
- Includes 6 month subscription for connected services
- Hi-Fi Pack including amplifier – TOSCA premium speakers (includes four in row 1; four in row 2, central loudspeaker on dashboard and subwoofer)
- Vauxhall Connect

Interior convenience/styling:

- Dual-zone electronic climate control with rear air conditioning
- Second-row rail mounted, three-passenger foldable 60/40 split bench seat
- Third-row rail mounted, three-passenger foldable 60/40 split individually sliding bench/single seat
- Leather seat trim
- Heated leather steering wheel
- Heated power driver’s seat and heated front passenger’s seat with massage facility
- Driver’s seat memory functions
- Roof-mounted rear heater controls
- Rear parcel shelf

Converter Pack – Upgraded battery and alternator (L3 720 battery, class 18 alternator) – Towbar pre-conditioning (rear electric harness + fast connectors (behind rear bumper) + beam with 13 pin socket) – Conversion interface box - Only for use for electrical connections for integral elements of a vehicle conversion (Not available with rear air conditioning NR02)	BQ01		£230	£230	

Safety features

1. Intelligent speed assistance
Recognises speed limit signs and visually warns the driver of local restrictions followed by an acoustic warning if the limit is exceeded.

2. High beam assist
Switches the headlights between high beam and dipped beam automatically to avoid blinding other drivers.

3. Lane keep assist
If the driver has not actively steered or signalled, the system performs corrective steering actions to help prevent the vehicle crossing painted boundary lines or road side edges.

4. Active cruise control with stop and go facility (Optional)
Maintains the speed set but if a slower vehicle is detected ahead, the system will automatically lower the vehicle speed to keep a safe distance. The system will bring the vehicle to a complete standstill if required.

Driver attention alert*
Monitors your time behind the wheel and sends a warning after two and three hours continuous driving. The system continues to analyse driving patterns via the front camera and steering wheel movements, and then warns you when it's time to take a quick break.

Forward collision alert incorporating Advance Emergency Braking System (AEBS)*
This system alerts the driver of a potential forward collision through a combination of visual and then audible warnings. Should the driver fail to react, autonomous emergency braking is triggered to help mitigate/avoid the impact by reducing the speed of the vehicle. AEBS provides additional assistance to optimise braking performance while a dynamic brake support function boosts pressure to help further minimise stopping distances.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times. *Not illustrated.

Driver Assistance

Standard Features – The following features are standard across the entire New Vivaro Life Electric range. Specific features by model are outlined in the separate tabular information.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering
- Cruise control

Visibility

- Rain sensitive windscreen wipers with variable intermittent wipe
- Intermittent rear window wash/wipe
- Laminated, acoustic windscreen

Parking

- Rear parking distance sensors**
- Electronic parking brake

Features over Multimedia Pro

- Fully integrated satellite navigation system
- Includes 6 months subscription for Connected Services
- Hi-Fi Pack including amplifier – TOSCA premium speakers. (4 in Row 1, 4 in Row 2, central loudspeaker on dashboard and subwoofer)

Driver information

- 10-inch colour digital instrument cluster
- Multi-function trip computer
- Central facia display – including audio information, clock and outside air temperature

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on models with Satellite Navigation only.

Vauxhall Connect

Safety

The more you know, the safer your journey – that’s why our smart tech and connected services keep you constantly updated on what’s going on inside and outside your vehicle.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)

e-Remote control

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle’s cabin temperature before you get in.

Convenience

- E-remote control (Electric only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature (additional subscription)

Live navigation plus†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts

Maintenance

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

Connect ONE

Covers Emergency call and Breakdown call, Telemaintenance and Vehicle Status & Information.

Connect PLUS

Covers Public charging, Pre-conditioning, Live Navigation and Remote Access.

Explore MyVauxhall

Ready to make life easier? Meet MyVauxhall – your one-stop shop for everything Vauxhall. Plan journeys from the comfort of your armchair. View your next scheduled service, book a vehicle repair, access your handbook and much more!

Also if you drive an electric vehicle or plug-in hybrid, you’ll love our e-Remote Control app feature. Use it to pre-condition your cabin temperature before journeys – and maximise your charge. Or pre-schedule charging times at night, and benefit from cheaper electricity.

Download MyVauxhall App

*Subject to subscription – after you have taken delivery of your vehicle, please subscribe on: connect.vauxhall.co.uk **via MyVauxhall App. †Standard on models with Satellite Navigation only. Additional terms and conditions apply to connected services, including customer acceptance of location sharing prior to activation.

Specifications*

Single-Speed Electronic Drive Selector

All-electric single speed drive means there is no need for multiple gears. Instead the e-toggle enables the driver to select from the following:

- Park
- Reverse
- Neutral
- Drive

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

The New Vivaro Life Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Charging

New Vivaro Life Electric comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option. The charging flap’s Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time.

More information under www.vauxhall.co.uk/adblue In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Company car driver and fleet information

Benefit in kind company car taxation*
The car benefit charge will be the car’s list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO₂	
On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2023 – 24 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

* Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents
Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,571 – £14,876 Starter Rate 19%
- Over £14,877 – £26,561 Basic Rate 20%
- Over £26,562 – £43,662 Intermediate Rate 21%
- Over £43,663 – £75,000 Higher Rate 42%
- Over £75,001 – £125,140 Advanced Rate 45%
- Above £125,140 Top Rate 48%

To calculate your own personal liability, click the link [Vauxhall BiK Tool](#)

CO ₂ (g/km)	Electric range (miles)	% 2024 – 25 tax year
0	–	2%

150 – 154	–	35%
155 – 159	–	36%
160+	–	37%

Vehicle Excise Duty†
The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A ‘first year rate’ of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £410 is payable for five years after registration.

VED Band	CO ₂ (g/km)	First year rate Petrol/ Diesel	First year rate Hybrid/ Electric
A	0	£0	£0
B	1 – 50	£10	£0
C	51 – 75	£30	£20
D	76 – 90	£135	£125
E	91 – 100	£175	£165
F	101 – 110	£195	£185
G	111 – 130	£220	£210
H	131 – 150	£270	£260
I	151 – 170	£680	£670
J	171 – 190	£1,095	£1,085
K	191 – 225	£1,650	£1,640
L	226 – 255	£2,340	£2,330
M	Over 255	£2,745	£2,735

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months’ Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer’s warranty and a second and third year manufacturer’s warranty with a 60,000 miles limitation

- Vauxhall Assistance for 12 months from first registration
- Six years’ body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and ‘at home’ service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free[†] phone call away, 24 hours a day, 365 days a year!

LEASYS

Leasys UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile.
