## How to use this brochure

This brochure showcases some of the highlights of Movano. Please note that some of the vehicles shown include options available at extra cost and not all of the features described are available on every model. You can click through to our detailed Price and Specification Guide for all the latest details.

# Carries British business

We have a long and rich history building light commercial vehicles in Britain. With 90 years of experience that has helped shape the way we build our vans today; vehicles that are truly tried and tested, and have become iconic on British roads. And with the recent launch of an all-electric Vivaro, the bar's been set even higher.

Movano joins updated versions of both Combo Cargo and Vivaro to complete a range that's innovative, hardworking and totally in tune with the wants and needs of British businesses. With Movano variations for every kind of job, from panel vans and doublecabs, to chassis cabs, crew cabs and platform cabs for conversion to box vans, tippers, dropsides and many more specialist applications.

Even better, not only do we build more commercial vehicles than any other UK manufacturer (more than 62,000 vehicles built in the last year), we've won over 30 major awards since 2015, given by the toughest judges in the industry. Need we say more?

# Movano built for business

Big in size and big on features, with impressive payload, versatility and driver comfort – Movano is built for you and your business.

With endless options for endless possibilities; four load lengths, three roof heights, large load volumes and more model variants than ever before. Plus, a range of purpose-built factory and Vauxhall approved conversions.

Not to mention a well-thought out interior and host of first-class features that make life in your van easier. Like a comfortable cabin that puts all your buttons and switches right where you need them. Enhanced safety systems that keep you safe on the road and an improved range of diesel engines that keep your costs down and efficiency levels up. It's time to expect a whole lot more from your work van.

# Highlights

Movano offers an extensive range of models that give you more of what you need from a light commercial vehicle

- Panel Van and Doublecab
- Chassis Cab and Crew Cab
- Approved price-listed conversions

- 1** Up to **four vehicle lengths** and **three heights** depending on your chosen variant.
- 2** Real world GVWs from **2800 to 4500kg**. Payloads up to **c2.1T**.
- 3** **FWD** or **RWD** drivetrain configurations available across the range.
- 4** Improved BiTurbo engine line-up ensures **competitive cost of ownership**.

# Highlights

1

The dashboard design puts all your buttons and switches within easy reach.

2

Enjoy an impressively useful maximum load volume of up to **17.0cu.m**, a load length of up to **4.3 metres** and a payload of **up to c2.1T**.

3

Stay safe and stress-free with a range of driver assistance systems including blind spot alert, side-wind assist and surround rear vision.

Movano Van

# Challenge accepted

No challenge is too great for Movano. With a choice of four GVWs (2800, 3300, 3500, 4500kg) and no less than three different drivetrains, it really means business.

**Front-wheel drive** with a lower loading height and low kerbweight.

**Single rear-wheel drive** for improved towing capability.

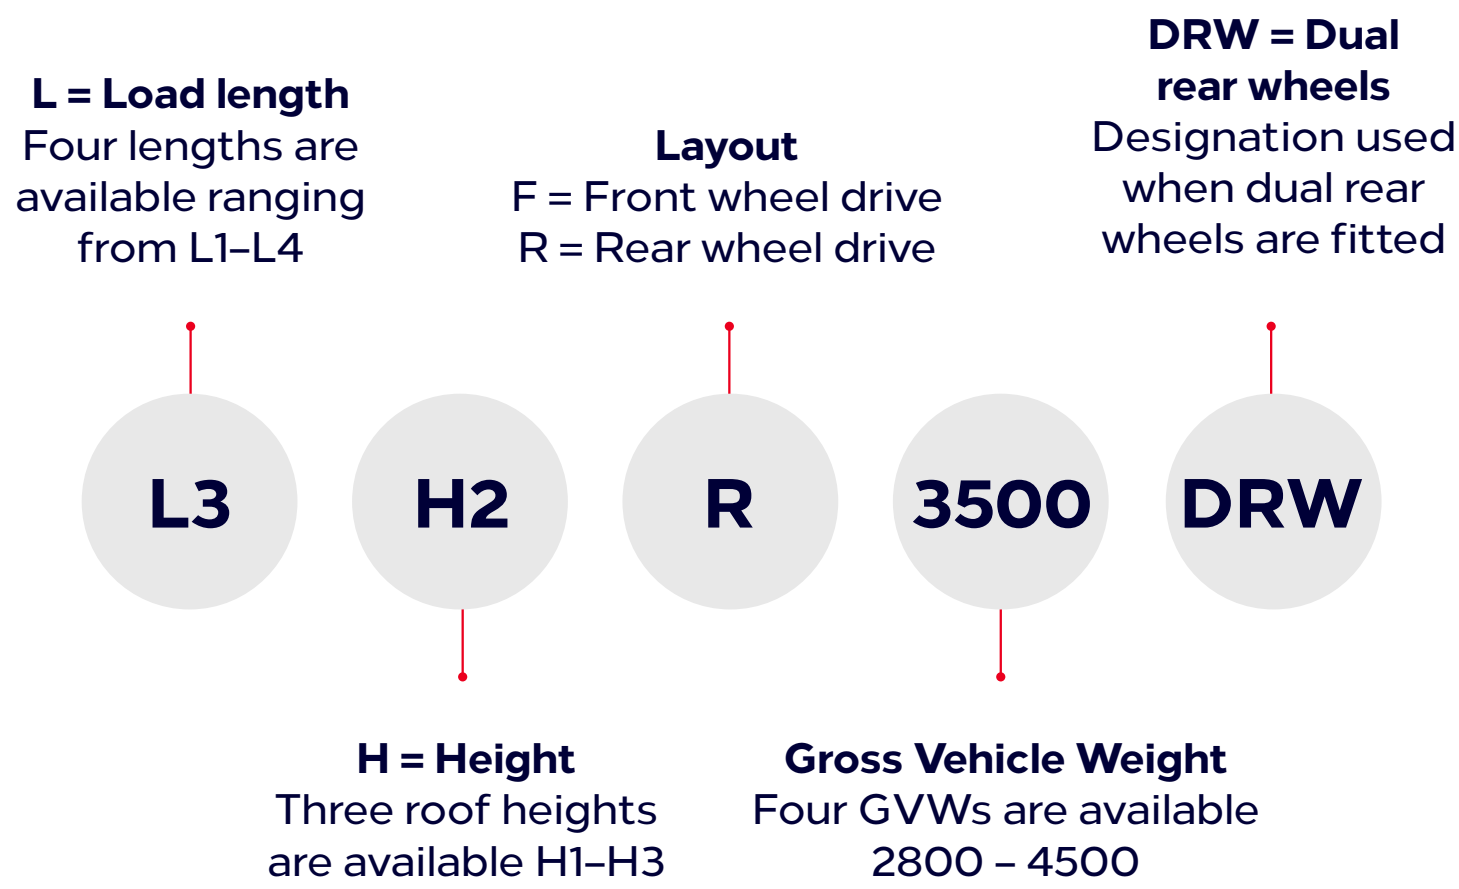

**Dual rear-wheel drive** for improved traction and higher GVWs.

# The line-up

With Movano you're spoilt for choice. The complete range includes four variants, with a comprehensive selection of drivetrain and configuration options. From Panel Vans and Doublecabs to Chassis, Crew and Platform Cabs for specialist conversions. Depending on the variant you choose, there are four load lengths, and four GVWs – between 2.8 and 4.5 tonnes.

To help you choose the Movano that's just right for your business, we use a customer-friendly naming scheme. For example, an L3 H2 R3500 DRW model can be easily identified as shown below.

Panel Van – FWD models

L1 H1 F2800/F3300/F3500

L1 H2 F2800/F3300/F3500

L2 H2 F3300/F3500

L2 H3 F3500

L3 H2 F3500

L3 H3 F3500

Panel Van – RWD models

L3 H2 R3500

L3 H2 R3500 DRW/R4500 DRW

L4 H2 R3500

L4 H2 R3500 DRW/R4500 DRW

L3 H3 R3500

## Movano Panel Van

# Access all areas

Movano offers superb accessibility. The wide-opening rear and side-access doors mean a Euro pallet can be easily loaded sideways, while a flat load floor ensures easy access to up to 2100kg of payload... pretty impressive.

---

**Load volume**  
**up to 17.0cu.m**

---

**Load length**  
**up to 4383mm**

---

**Payload**  
**up to c2.1T**

---

## Movano Doublecab

# You and The crew

Transport up to six passengers, all your equipment and more with the Movano Doublecab. Featuring four individually contoured rear seats with full lap and diagonal seatbelts. Plus, rear storage that includes a full-length tray under the seat cushion.

---

**Load volume**  
**up to 9.0cu.m**

---

**Load length**  
**up to 2640mm**

---

**Payload**  
**up to c1.3T**

---

# Fit for purpose

Chassis Cab, Crew Cab and Platform Cab models provide the perfect base for a wide variety of specialist body conversions.

## Chassis Cab

Movano Chassis Cab models feature rugged box section chassis rails, featuring wide top sections with built-in mounting points. The bolted rear under-run bar provides additional in-built safety, as well as ample margins for additional bodywork while retaining outstanding payloads.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or dual rear-wheel drive

### 1. Practical and safety-conscious.

Whether you're travelling one-up or seven-up, crew cab pays serious attention to the needs of driver and crew. Fabrics are hard-wearing and easy to clean, comfort levels high and safety features impressive; everything you would expect of this award-winning model.

## Crew Cab

Providing the same choice of body configurations and GVWs as the Chassis Cab but extra accommodation for four additional crew members.

- Three load lengths (L2, L3, L4)
- Two GVWs (3500kg or 4500kg)
- Front-wheel drive, rear-wheel drive or dual rear-wheel drive

## Platform Cab

Ideal for those conversions requiring a low floor and walk-through access from the cab. The interface panel makes for easy integration of the cab with the conversion body, while an extended-length wiring loom is available to power the rear lights or extended conversions.

- One load length (L3)
- One GVW (3500kg)
- Two roof heights (H1, H2)
- Front-wheel drive

Log on to [vauxhall.co.uk/conversions](https://vauxhall.co.uk/conversions) for more information.

### 2. Underseat stowage.

Storage is never an issue with our out-of-sight, out-of-mind underseat storage facility.

# Vauxhall conversions

With Chassis Cabs, Crew Cabs, Platform Cabs, Movano is big on choice. It's incredibly versatile too, with front-wheel drive, rear-wheel drive and dual rear-wheel drive options available.

There's a range of specialist, Vauxhall approved conversions available across our light commercial vehicle range. From Combo through to the Vivaro and Movano ranges, there's an enormous breadth of choice to suit your exact requirements. So, whichever model you choose, you can be confident your Vauxhall Commercial Vehicle will always be 100% fit for purpose.

Base models illustrated left to right: L3 H1 F3500 with box van conversion, L4 H1 R3500 RWD DRW crew cab with dropside conversion and L2 H1 R3500 RWD DRW with tipper conversion.

# Totally in tune

Movano's comfortable and versatile cabin is completely in tune with your individual and professional needs. Inside, you'll find a well-equipped driving environment with ample storage features, and radio with Bluetooth® connectivity as standard. Add Multimedia Navi Pro and you'll also get smartphone projection and a fully integrated sat nav.

# Infotainment

## Bluetooth® and DAB Radio

The standard CD16 is simple to use whether tuning to AM, FM or DAB radio stations or using Bluetooth® connectivity to stream music or make phone calls hands-free. All models also feature USB functionality.

## Smartphone Projection

With optional Multimedia Navi Pro, Apple CarPlay or Android Auto™ projects your smartphone onto a high-resolution 7-inch touchscreen and puts everything you need at your fingertips; contacts, music and phone sat nav.

## Navigation System

A new generation voice-controlled dynamic Sat Nav system that makes every journey easier, delivering connected services and real-time traffic information.

Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc., also registered in the U.S. and other countries.  
\*In-car features should be used by drivers only when safe to do so. Drivers must be in full control of the vehicle at all times.

# A workspace that works

Movano's new and improved cabin is equipped with plenty of large and useful storage spaces, with secure areas in both the doors and dashboard. If that's not enough, the Convenience Pack option transforms your cab into a full-on mobile office. Very smart.

# Storage solutions

## Door Pockets

Three separate storage pockets in both front doors – the largest perfect for holding large items like 1.5l bottles.

## Underseat Storage

On models fitted with the Convenience Pack, there's additional storage found underneath the front passenger bench – the perfect place to stow important work equipment and valuables.

## Dashboard Storage

Lots of smaller items to stow? You'll get multiple storage solutions, including a huge 11-litre passenger glovebox – that'll come in handy.

# Safety first

**1. ESP-Plus with TCS:** ESP reduces throttle response and varies the braking force to each of the wheels to help retain control of the van in difficult road conditions. Traction control senses the lack of traction under acceleration and reacts to maintain grip. The system also features the additional benefits of hill-start assist and trailer stability programme.

**2. Rear-view camera:** The rear-view camera provides a view of everything behind to make reversing so much easier.

**Surround rear vision (not illustrated):** Ensures that the driver has improved rearward vision of the road behind at all times by effectively replacing the rear-view mirror.

**3. Side wind assist:** Applies the brakes on the correct side of the vehicle counteracting the wind to avoid the van drifting out of lane.

**4. Side blind spot alert:** Uses sensors and a visual projection on the wing mirror, alerting the driver to vehicles in your blind spot to prevent accidents in overtaking situations.

# A helping hand

**1. Parking distance sensors:** Ensures safer parking through use of sensors and warning alerts as obstacles approach. Available with a rear-view camera to make things even easier.

**2. Automatic lighting and windscreen wipers:** Available with high-beam assist and lane departure warning as part of the Safety Assist Pack.

**3. High Beam Assist:** Switches the headlights between high beam and dipped beam automatically to avoid blinding other drivers.

**4. Lane Departure Warning:** Recognises when the vehicle is drifting lanes and alerts the driver via audio and visual cues.

# Ultra-efficient

## BiTurbo diesel engines

Movano boasts a brand-new range of powerful yet frugal BiTurbo diesel engines, for low running costs, reduced emissions and maximum efficiency.

# A great place to be

Movano's well thought-out cabin is fully-focused on driver and passenger comfort. Drivers can opt for a 'comfort' seat for more relaxation and even greater levels of adjustment.

# Colours

Your work van says a lot about you. Look the part with a choice of 10 body colours.

- 1. Polar White
- 2. Slate Grey
- 3. North Sea Blue
- 4. Signal Blue
- 5. Saffron Yellow
- 6. Mandarin Orange\* Brilliant
- 7. Poppy Red\* Brilliant
- 8. Halo Silver\* Metallic
- 9. Ambient Blue\* Metallic
- 10. Pearl Black\* Metallic

\*Optional at extra cost.

# Movano options

There's plenty you can do to make Movano work even harder. Whether it's enhanced security, higher levels of safety or a tow bar you're after, there's an option to suit. We also offer a range of mechanical options that can seriously add to Movano's performance as a working vehicle.

**1. Full-height load area panelling and wheel arch protection.**

Plywood panels provide maximum loadspace protection.

**2. Protective floor.**

A resin-coated plywood floor protects the load floor from damage. Load area protection panels illustrated available on RWD models only.

**3. Tow bar.\***

- Tow bar with 13-pin electrics
- Trailer stability programme

\*Movano Panel Van models only.

# Accessories

Take your van's practicality to the next level with our range of genuine accessories.

The list below is just a small sample of the range available. For a full list, please refer to the latest LCV Price and Specification Guide, accessible via the button below, or check out our website at: [vauxhall.co.uk/accessories](https://vauxhall.co.uk/accessories)

1. Floor mats
2. Towing hitches with ball
3. Splash guards
4. Roof crossbars
5. Roof racks
6. Roof carrier ladder
7. Rear window protection grilles

# Your smartest business move yet

And there you have it; your ultimate work van. Big, strong and tough enough to tackle any task you throw its way. All topped off with a comfortable interior that's packed with smart features and top of the range tech. Isn't that the business?
