Choose Your Trim Level

SE Edition

First in the line-up is the wonderfully well-equipped SE Edition.

Corsa-e SE Premium

Say hello to the new Corsa-e. It's 100% electric, 100% exciting.

VX_COR_33201

SRI Edition

For even more style, opt for SRI Edition. Sporty from the inside out. Relax in the sports style front seats and feel the power with the sport switch. Relax a little more with a host of premium features including heated seats and climate control.

Corsa-e SRI Premium

For even more style in your Corsa-e.

VX_COR_32592

Elite Edition

For even more features, designed to be the trim for 'comfort' and style opt for the Elite Edition.

Corsa-e Elite Premium

Step inside for a bigger touchscreen and more comfort with heated seats and steering wheel.

VX_COR_33203

Ultimate

Ultimate is the top of the range Corsa available, with top of the range equipment on the inside and out. It looks the business with all the exterior equipment including, dark-tinted rear windows and IntelliLux LED® Matrix Headlights.

VX_COR_32593

Corsa Range Highlights

SE Edition

Standard features include:

- Multimedia infotainment system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers
- LED headlights
- LED daytime running lights
- High beam assist
- 16-inch silver 8-spoke alloy wheels
- Air conditioning
- Cruise control with intelligent speed limiter
- Remote control central locking
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Lane departure warning with lane keep assist
- Speed sign recognition
- Flat-bottomed leather-covered steering wheel
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- 60/40 split-folding rear seats
- Electronic parking brake (auto models only)
- Paddle shift (auto models only)

SRI Edition

Features over SE Edition models:

- 7-inch digital instrument cluster
- Sports front and rear body styling
- Alloy-effect sports pedals
- Sport switch
- Heated sports-style front seats
- Heated steering wheel (excluding auto models)
- Electronic climate control
- Front centre armrest with storage
- Electronic parking brake (all models)
- LED tail lights
- LED front fog lights
- Chrome-effect exhaust tailpipe extension
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Rear parking distance sensors
- 17-inch diamond-cut bi-colour alloy wheels
- Remote control security alarm system
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Black headliner

Elite Edition

Features over SE Edition models:

- 7-inch digital instrument cluster
- Heated front seats
- Heated steering wheel (excluding auto models)
- Electronic climate control
- Electronic parking brake (all models)*
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Front passenger's seat height adjuster
- Front centre armrest with storage
- Fabric/premium leather-effect seat trim
- Panoramic rear-view camera
- Front and rear parking distance sensors
- Electrically folding door mirrors
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Chrome-effect lower side window trim
- 17-inch diamond-cut bi-colour alloy wheels
- Remote control security alarm system
- LED front fog lights

Ultimate

Features over Elite Edition models:

- Multimedia Navi Pro infotainment system
 - Satellite Navigation
 - 10-inch colour touchscreen
 - 2D/3D street level mapping
 - European coverage
 - Points-of-interest search
- Alcantara seat trim
- Driver's seat with massage function
- IntelliLux LED® Matrix headlights with LED tail lights
- Adaptive cruise control (excluding auto models)
- Keyless entry and start
- Lane positioning assistant (excluding auto models)
- Black headliner
- Vauxhall Connect

*Excluding 75PS engine.

Corsa-e Range Highlights

SE Premium

Standard features include:

- Multimedia Navi infotainment system
 - Satellite navigation
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers
- Electronic climate control
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Electric parking brake
- Rear parking distance sensors
- Keyless start
- 16-inch bi-colour alloy wheels
- High gloss black B-pillars
- Remote control security alarm system
- LED headlights with high beam assist
- Cruise control with intelligent speed limiter
- Trip computer
- Driver's seat height adjuster
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Lane departure warning with lane assist
- Speed sign recognition
- Flat-bottomed leather-covered steering wheel
- Driver drowsiness alert
- Automatic emergency city braking
- Anti-lock Braking System (ABS)
- Six airbags
- 60/40 split-folding rear seats
- Vauxhall Connect
- 7-inch digital instrument cluster
- Front centre armrest with storage

SRi Premium

Features over SE Premium models:

- Sports style front seats
- Black headliner
- Alloy-effect sports pedals
- LED tail lights
- LED front fog lights
- Black roof and A-pillars
- Dark tinted rear windows
- 17-inch bi-colour alloy wheels

Elite Premium

Features over SE Premium models:

- Multimedia Navi Pro infotainment system
 - 10-inch colour touchscreen
- IntelliLux LED® Matrix headlights with LED tail lights
- LED front fog lights
- Keyless entry and start
- 17-inch bi-colour alloy wheels
- Heated front seats
- Heated steering wheel
- Front passenger's seat height adjuster
- Fabric/premium leather-effect seat trim
- Panoramic rear-view camera
- Front and rear parking distance sensors
- Electrically folding door mirrors
- Black roof and A-pillars
- Dark-tinted rear windows
- Chrome-effect lower side window trim

Corsa SE Edition

VX_COR_33201

SE Edition OTR from £17,380

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- Air conditioning
- Flat-bottomed leather-covered steering wheel
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Driver's seat height adjuster
- 60/40 split-folding rear seats
- Electronic parking brake (auto models only)
- Paddle shift (auto models only)

Exterior convenience/styling:

- LED headlights
- LED daytime running lights
- High beam assist
- 16-inch silver 8-spoke alloy wheels
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors

Safety/security:

- Remote control central locking
- Lane departure warning with lane keep assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- Hill start assist
- ISOFIX child seat fixings on outer rear seats

Corsa SRi Edition

VX_COR_32592

SRi Edition OTR from £20,930

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- 7-inch digital instrument cluster
- Electronic climate control
- Flat-bottomed leather-covered steering wheel
- Heated steering wheel (excluding auto models)
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Sport switch
- Heated sports-style front seats
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Black headliner
- Alloy-effect sports pedals
- Paddle shift (auto models only)
- Electronic parking brake
- Front centre armrest with storage

Exterior convenience/styling:

- LED headlights and tail lights
- LED daytime running lights
- LED front fog lights
- High beam assist
- 17-inch diamond-cut gloss black 5-twinspoke alloy wheels
- Remote control central locking
- Electrically operated front and rear windows
- Chrome-effect exhaust tailpipe extension
- Black roof and A-pillars
- High gloss black B-pillars
- Dark-tinted rear windows
- Rear parking distance sensors

Safety/security:

- Lane departure warning with lane assist
- Speed sign recognition
- Driver drowsiness alert
- Forward collision alert
- Automatic emergency city braking
- Remote control security alarm system
- ISOFIX child seat fixings on outer rear seats

Corsa Elite Edition

VX_COR_33203

Elite Edition OTR from £19,445

Infotainment:

- Multimedia system
 - 7-inch colour touchscreen
 - AM/FM/DAB digital radio
 - Bluetooth® audio streaming
 - Bluetooth® mobile phone portal
 - Apple CarPlay/Android Auto™
 - USB connection
- Six speakers

Interior convenience/styling:

- 7-inch digital instrument cluster
- Electronic climate control
- Flat-bottomed leather-covered steering wheel
- Heated steering wheel (excluding auto models)
- Heated front seats
- Cruise control with intelligent speed limiter
- Trip computer
- Speed-sensitive power-assisted steering
- Steering column adjustable for reach/rake
- Steering wheel audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Automatic lighting control
- Automatic anti-dazzle rear-view mirror
- Driver's and front passenger's seat height adjuster
- Front centre armrest with storage
- Fabric/premium leather-effect seat trim
- Electronic parking brake (excluding 75PS engine)
- Paddle shift (auto models only)

Corsa's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer.

Corsa-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Corsa range.

Airbags

- Driver's airbag
 - Front passenger's airbag
 - Front seat side-impact airbags
 - Full-size curtain airbags

Seating

- Height-adjustable head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back when pulling away on an incline

Child Safety

- Deactivation switch for front passenger's airbag
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors
- Bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Stability

- Electronic Stability Programme (ESP)
ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- Works in conjunction with the cruise control/speed limiter to help the driver adapt to the recognised speed limit

Driver Information and Security

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up indication light (manual models only)
– indicates when to change gear for optimum fuel economy

Driver information display (centrally located in instrument cluster)

- Service-due indicator
- Deflation detection system

Multi-function trip computer (displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit
(see infotainment for details)

Security

- Electronic engine deadlock immobiliser
- Steering column lock
- Lockable fuel filler flap
- Remote control central door locking
- Two keys – One folding with integral remote

Convenience

Standard Features – The following features are standard across the entire Corsa range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors incorporating vanity mirrors with covers
- Illuminated glovebox with lid
- Interior courtesy light and front map reading lights
- Luggage compartment lighting
- Two-litre open door pockets

Heating and Ventilation

- Cabin particulate filter – removes dust, airborne particles and pollen
- Four-speed fan with illuminated controls
- Four adjustable facia vents
- Windscreen and side window demist vents

Exterior Convenience

- Solar heat-absorbing windscreen
- Two-speed windscreen wipers with variable intermittent wipe
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Glazed tailgate with heated window and wash/wipe facility
- Twin electrically adjustable/heated door mirrors
- Remote control central door locking

Infotainment

Standard Features

Multimedia

Standard on SE Edition, SRi Edition and Elite Edition models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets
- Six speakers
- 20 watts per channel output

Media connections:

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel-mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen.

Infotainment

Nav Model Features

Multimedia Navi with 7-inch touchscreen

Optional on SE Edition, SRi Edition and Elite Edition models at £500 including VAT

Standard on Corsa-e SE Premium and SRi Premium models

Features as Multimedia, with the addition of navigation features:

Onboard features:

- 7-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Vauxhall Connect*

Standard on Ultimate models

Standard on Corsa-e SE Premium, SRi Premium and Ultimate models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Multimedia Navi Pro with 10-inch touchscreen

Standard on Ultimate models

Standard on Corsa-e Elite Premium models

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Interior Styling and Comfort

Steering wheel:

1.2 (130PS) Turbo automatic	1650	1200 (580)

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 70kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

- Front-wheel drive
- Five-speed manual gearbox
 - Available on 1.2 (75PS) models.
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.5 (102PS) Turbo D models.
- Eight-speed automatic transmission
 - Available on 1.2 (100PS) Turbo /1.2 (130PS) Turbo models.

Steering

- Speed-sensitive power-assisted steering

- 1.5 (102PS) Turbo D 41 litres

Start/Stop technology

Corsa's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Corsa-e Specifications

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

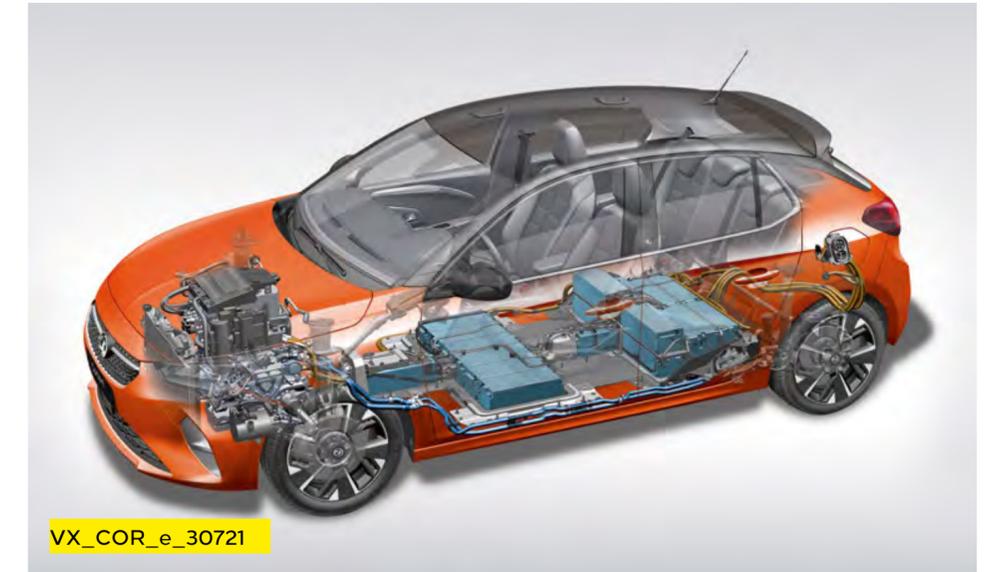

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Corsa-e
CO ₂ emissions	0g/km
Maximum power	100/136kW/PS
Maximum torque	260/192Nm/lb. ft.
Acceleration 0-60mph	7.6 sec
Maximum speed	93mph
Transmission	Automatic electric drive with fixed gear ratio
Kerbweight	1530kg
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

VX_COR_e_30721

VX_COR_e_30722

The Corsa-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Corsa-e Specifications

Charging

Corsa-e is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard as shown below. Additional charging accessories are available at extra cost, see Accessories page for more details or consult your local Retailer.

	11kW on-board charger
Mode 3, 3-phase 22kW cable	Standard
Mode 2, emergency charging cable	Optional accessory £584

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Corsa-e) or by using the Multimedia Navi Pro infotainment system (standard on Elite Premium).

Charging

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ³Available on petrol and diesel models only. ⁴Not compatible with SRi models.

⁵Not available in Gloss Black. ⁶Not available in Carbon fibre-effect. ⁷Only available with 17-inch diamond-cut bi-colour alloy wheels. ⁸Available in red and blue only.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Corsa SE Edition 1.5 (102PS) Turbo D Start/Stop (CO₂ emissions 105g/km)

On-the-road RRP	£19,370.00
Deduct: Vehicle Excise Duty	(£160.00)
New vehicle first registration fee	(£55.00)
Effective list price	£19,155.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£19,755.00
Car benefit charge 2021-22 tax year (25%)	£4,939.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£987.80
Higher Rate (40%) tax payer	£1,975.60

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%
150-154	34%
155-159	35%
160-164	36%
165-169	37%
170+	37%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021-22 tax year
0	-	1%
1-50	130+	1%
1-50	70-129	4%
1-50	40-69	7%
1-50	30-39	11%
1-50	<30	13%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Corsa-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

Comfort and Convenience

- Dual-zone electronic climate control
- Heated perforated flat-bottomed leather-covered steering wheel

- Steering wheel audio/phone/cruise controls
- Interior ambient lighting
- 60/40 split-folding rear seat backs (Hatchback only)
- 40/20/40 split-folding rear seat backs with remote easy-fold facility (Sports Tourer only)
- Flex load floor with luggage restraining nets (pair, Sports Tourer only)
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors with puddle light
- Soundproofed insulated windscreen
- Driver's ergonomic active sports-style seat (AGR approved*)
- Heated front seats
- Paddle shift (auto models only)
- Front centre armrest with cup holder
- Centre rear seat armrest and load-through facility
- Flex load floor
- Frameless automatic anti-dazzle rear-view mirror
- Remote control security alarm system
- Keyless entry and start
- Intelli-Space (Sports Tourer only. See page 24 for more information)

Styling

- Sports-style front and rear bumpers
- 17-inch black alloy wheels
- Black Griffin logo and vizzor frame
- Black lower window moulding
- Dark-tinted rear windows
- Black roof
- Black headliner
- Alloy-effect sports pedals
- Silver-effect roof rails (Sports Tourer only)

All-new Astra Ultimate

VX_AST_32919

Ultimate OTR from £29,815

PureSense

- IntelliLux adaptive LED® pixel headlights and LED tail lights
- LED daytime running lights
- LED front fog lights
- High beam assist
- Electronic parking brake
- Front and rear parking distance sensors
- Lane departure warning with lane keep assist
- Traffic sign recognition
- Driver drowsiness alert
- Forward collision alert (all speed)
- Adaptive cruise control
- Automatic emergency braking with pedestrian detection
- Eight airbags
- Hill start assist
- ISOFIX child seat fixings on outer rear seats
- In-crash braking
- Intelli-Vision 360° panoramic parking camera
- Lane change assist with side blind spot alert
- Lane positioning assist
- Rear cross traffic alert
- Semi automated lane change assist**
- Advanced intelligent speed adaption**

PureConnect

- Multimedia Pure Panel Pro Navigation system
 - 10-inch colour touchscreen
 - 10-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Natural voice recognition
 - Wireless Apple CarPlay/Android Auto™
 - 2 x front USB connections

- Eight speakers • Vauxhall Connect
- Intelli-HUD (Head-Up Display)
- Wireless charger for mobile devices

Comfort and Convenience

- Dual-zone electronic climate control with Intelli-Air (air quality sensor)
- Heated perforated flat-bottomed leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- Interior ambient lighting
- 60/40 split-folding rear seat backs
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors with puddle light
- Heated soundproofed insulated windscreen
- Heated ergonomic active sports-style front seats (AGR approved*)
- Paddle shift (auto models only)
- Front centre armrest with cup holder
- Centre rear seat armrest and load-through facility
- Flex load floor
- Frameless automatic anti-dazzle rear-view mirror
- Alcantara interior seat trim
- Remote control security alarm system
- Keyless entry and start
- Panoramic sunroof

Styling

- Sports-style front and rear bumpers
- 18-inch grey diamond-cut alloy wheels
- Black Griffin logo and vizer frame
- Black lower window moulding
- Dark-tinted rear windows
- Black roof • Black headliner
- Alloy-effect sports pedals

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

PureSense

PureSense Features – The following features are available across the All-new Astra range. Specific features by model are outlined in the separate tabular information.

Automatic emergency braking with pedestrian detection

Front camera system

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

Front camera and radar system – Standard on Ultimate models only

Adds radar-based technology, enabling you to avoid or mitigate the impact of front-end collisions by detecting fixed and mobile objects, such as cycles and pedestrians. The system will even bring the vehicle to a complete standstill when driving under 30mph in traffic

*Cycles, motorcycles, animals and other objects are not detected.

Cruise control with intelligent speed adaption

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- When the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Extended traffic sign recognition

This system is an evolution of standard speed sign recognition. As well as speed signs, it recognises most other traffic signs by using the front camera and displays them on the driver information cluster within the Pure Panel.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Speed sign recognition

PureSense Features – The following features are available across the All-new Astra range.
Specific features by model are outlined in the separate tabular information.

Intelli-Vision

Intelli-Vision is a video assistance function for all low-speed manoeuvres. It uses four cameras (front/rear/lateral in door mirrors) and is activated automatically when the car is put into reverse. It can also be activated manually by the driver. The full-HD cameras show real-time images of the surroundings to avoid collisions during parking manoeuvres.

Adaptive cruise control

Adaptive cruise control uses the radar system to adjust the vehicle's speed to maintain a safe distance from the vehicle ahead, up to the speed limit set. To overtake, the driver just has to pull out into an empty lane and the system will return the car to the set speed just like normal cruise control. Also with automatic models, the system also enables the car to follow the vehicle in front from a full stop when in a traffic jam. To restart just press the 'resume' button or use the accelerator.

Adaptive cruise control.

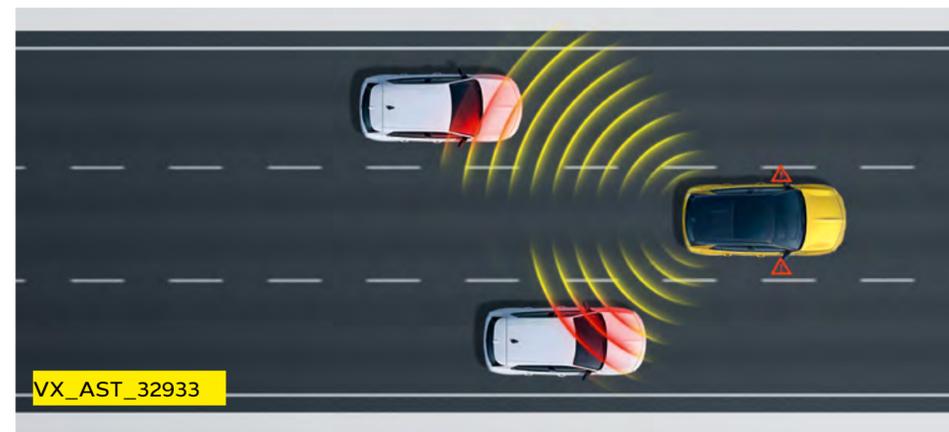

Forward collision alert (low/all speed)

This invaluable feature operates automatically from 3mph and gives an audible warning as well as a visible warning through the driver information display if a collision is imminent. The driver can set their own distance: mid or far via the infotainment system menu.

Intelli-Drive 1.0 (Includes the following three features):

Lane change assist with side blind spot alert

This system is radar-based and uses ultrasonic rear bumper sensors to detect a vehicle in your blind spot. The ultrasonic sensors work up to a 75 metre range, even detecting vehicles approaching at high speeds, making changing lanes safer.

Lane change assist with side blind spot alert

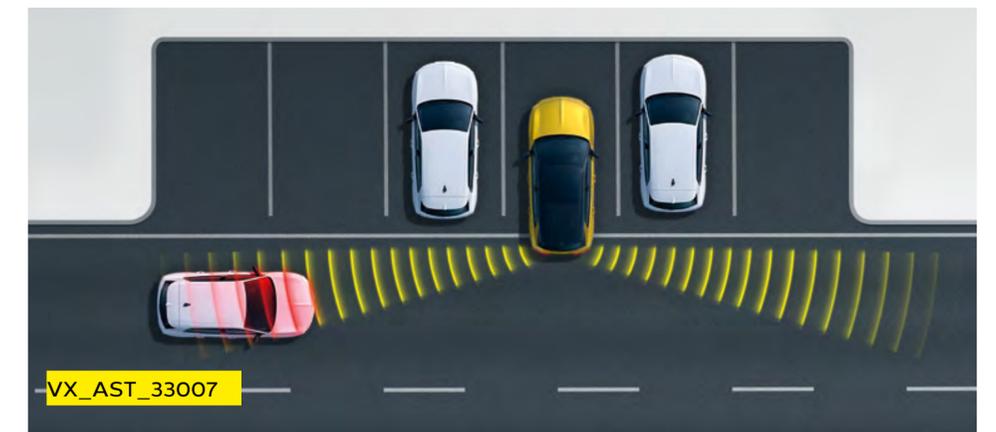

Lane positioning assist

This works as a semi-automatic system that helps you integrate into a motorway lane, follow a particular lane, or follow a vehicle ahead. Engaged at the touch of a button, you can retake control from the system at any time simply by moving the steering wheel or braking to cancel.

Rear cross traffic alert

Rear cross traffic alert is radar-based and uses rear bumper sensors to detect moving objects to the rear sides of the vehicle when reversing. The system is able to detect cars, trucks, motorcycles, bicycles and pedestrians.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Rear cross traffic alert.

PureSense Features – The following features are available across the All-new Astra range.
Specific features by model are outlined in the separate tabular information.

Intelli-Drive 2.0 (Includes the following two features):*

Semi-automated lane change assist

The system assists drivers with lane change manoeuvres between 45 and 70mph. If the required conditions are met, the message 'OK?' is displayed in the driver information cluster, accompanied by an acoustic signal. Simply press the OK button on the steering wheel and the system will steer the vehicle into the intended lane in the desired position. If the required conditions are not met, orange warning lines are displayed on the driver information cluster, accompanied by an audible warning and the lane change request is denied.

Advanced intelligent speed adaptation

When a new speed limit is detected by traffic sign recognition, the system displays the speed and 'OK?' flashes for a few seconds in the driver Information cluster. If rain is detected, the system will suggest a lower speed than the set speed to adapt to the prevailing weather conditions. Deactivation of the system is possible through the setting menu.

Intelli-HUD (Head-Up Display)

The innovative Intelli-HUD head-up display projects the essential driving information onto the windscreen, in the driver's field of vision. Thanks to its resolution and its wide projection size, it gives a more realistic view of the information. The Intelli-HUD can display different pages linked to the instrument panel in order to share the displayed information on both screens. The pages can be selected via the left stalk. Pop-ups such as media, alerts, receiving calls and phone book can be displayed independently.

IntelliLux adaptive LED® pixel headlights

With 84 segments per headlight (168 in total), the new IntelliLux adaptive LED® pixel light system offers vastly improved visibility that helps to make night time driving significantly safer. The system automatically adapts the headlights according to the type of road or driving conditions in both dipped and full beam modes. There are 11 variations to ensure the correct lighting pattern for driving in a city street or country lane, cornering, parking or negotiating a tight bend. There's even a tourist mode for driving your car on European roads.

Please note, Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

*Available on orders from September 2022.

PureConnect

Standard Pure Panel Features – The following features are standard across the entire All-new Astra range.

Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment colour touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

Pure Panel Pro Digital Display

- Features a Multimedia system with 10-inch infotainment colour touchscreen and full digital 10-inch driver information cluster with edge-to-edge glass finish. Standard on GS Line and Ultimate.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display (centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer (displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central fascia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Digital infotainment display.

Pure Panel digital display.

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

Convenience

- E-remote control (Plug-in HYBRID-e only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Standard Infotainment Features – The following features are standard across the entire All-new Astra range.

Onboard features

- Satellite navigation system with natural voice recognition
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers
- Customizable screen adaption with enhanced profile management and driver recognition
- Heating, Ventilation and Air Conditioning (HVAC) user interface
- Over-the-air updates (e.g. for software)
- WiFi updates (e.g. content download)

Natural voice recognition

Works with 'wake-up' command 'Hey Vauxhall' to control the following functions:

- Satellite navigation commands
- Phone connectivity functions
- Choice of music playback
- Operation of electronic climate control

Media connections

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- SMS read out and reply

Smartphone interface

- Apple CarPlay
- Android Auto™
- Wireless smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features

- Steering wheel mounted audio controls
- Shark fin aerial

Drive Smart

- Live navigation provided by TomTom® services (subscription free for three years and subject to fee thereafter)
- Real time traffic news
- Parking prices and availability
- Weather information
- Natural voice recognition
- Fuel prices
- Charging station search
- Quick search for addresses and points of interest
- Road safety alerts

For further details and terms and conditions see separate Vauxhall Connect page.

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Versatility – Sports Tourer

Standard Features – The following features are available across the All-new Astra Sports Tourer range. Specific features by model are outlined in the separate tabular information.

Intelli-Space

- 40/20/40 split-folding rear seat backs
- Intelli-Space load floor adjustable in two heights for flat load area. Adds additional 40 litres of load volume in lower position
- Easy accessible storage boxes in the boot floor accommodate tyre inflation kit and first-aid kit

- Side storage with nets
- Luggage compartment retractable cover

Additional features (petrol/diesel)

- Spare-wheel storage area
- Rear seat backs with remote easy-fold facility

Additional feature (plug-in HYBRID-e)

- Special under-carpet storage space for battery, charging cable, tyre inflation kit and first-aid kit

Plug-in HYBRID-e Specifications*

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish automatic gearbox with electric shifter with shift paddles

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **B button:** to switch to regenerative braking

Drive Mode Selector

The Drive Mode selector is positioned next to the automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Weights

- Kerbweight: 1678kg Hatchback/1717kg Sports Tourer
- Gross vehicle weight: 2150kg Hatchback/2170kg Sports Tourer
- Maximum towing weight:
Braked trailer 1450kg Hatchback/
1400kg Sports Tourer (without brakes 750kg)

Charging

- All-new Astra Plug-in HYBRID-e range comes with a Mode 2 cable and a 3.7kW on-board charger as standard. Includes cable bag at no extra cost
- A 7kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A Mode 2 cable (standard UK socket**) would charge the vehicle in less than 8 hours.

All-new Astra Plug-in HYBRID-e range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

Charging		
Supply	Socket	Charge Time (0-100%)
AC current - Domestic 3 pin socket (2.3kW)	Type 2	5h 30m
AC current - Home wallbox or public charger (3.6kW)	Type 2	3h 30m
AC current - Home wallbox or public charger (7kW) [†]	Type 2	1h 55m

Preliminary data determined according to WLTP test procedure methodology. EU type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.
*Provisional data. **Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit. [†]Requires optional 7kW on board charger.

Petrol Engine*

Petrol Engine	1.6 (180PS) Direct Injection Turbo/Electric
Maximum power	150PS (110kW) @ 6000rpm
Combined power	180PS (133kW) @ 6000rpm
Maximum torque	250Nm (184lb.ft.) @ 1750rpm
Combined torque	360Nm (265lb.ft.) @ 6000rpm
Combined CO ₂ emissions (WLTP)#	24–26g/km
Combined fuel economy (WLTP)#	256 mpg (1.1 l/100km)
Combined maximum speed	140mph
0–60mph	7.7 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Convenience

- E-remote control
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

For further details and terms and conditions see separate Vauxhall Connect page.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

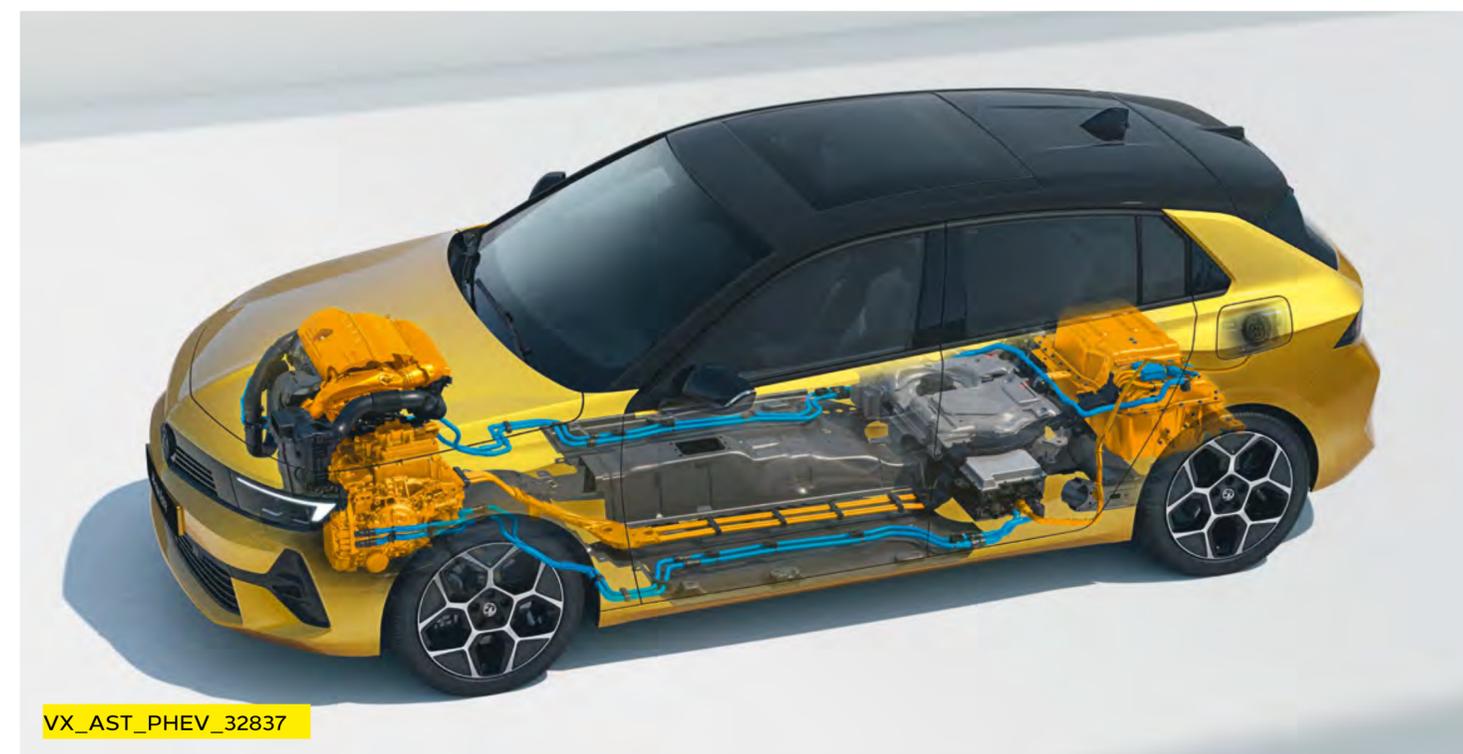

These figures were obtained using a combination of battery power and fuel. The All-new Astra Plug-in HYBRID-e requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

*Provisional data.

Electric Motor*

Specifications

Transmission

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo models

Diesel engine: 1.5 (130PS) Turbo D model

8-speed automatic transmission

Available on the 1.2 (130PS) Turbo/1.5 (130PS) Turbo D, the 8-speed automatic transmission enables increased drive comfort and improved fuel economy. The automatic gear lever has been replaced by an ergonomic e-toggle in harmony with the interior design. The new e-toggle is standard for combustion engine and plug-in hybrid.

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **M button:** Manual shifting mode for combustion engines. The driver changes gears with the shift paddles on steering wheel

The driver can also select between three different driving modes, Sport, Normal and Eco, which offer several enhancements to the driving experience.

VX_AST_32924

Braking and stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Steering

- Power-assisted steering
- Turning circle (wall-to-wall):
 - 10.51m (34.5ft.) Hatchback
 - 10.71m (35.1ft.) Sports Tourer

Fuel Tank Capacity

52 litres (11.4 gallons) Petrol/Diesel

42 litres (9.2 gallons) Plug-in HYBRID-e

AdBlue® tank capacity

13 litres (2.8 gallons)

Start/Stop technology

All-new Astra's feature Start/Stop technology offering real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from - 2021/22 tax year

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Weights and Towing Data ^{kg}**

	Gross vehicle weight		Maximum towing weights Trailer with brakes (without brakes)	
	Hatchback	Sports Tourer	Hatchback	Sports Tourer
1.2 (110PS) Turbo	1820	1870	1250 (660)	1200 (680)
1.2 (130PS) Turbo	1840	1880	1250 (660)	1200 (690)
1.2 (130PS) Turbo auto	1880	1900	Factory-fit 1400 / Retailer-fit 1200 (680)	Factory-fit 1400 / Retailer-fit 1200 (710)
1.5 (130PS) Turbo D	1920	1960	1550 (710)	1500 (730)
1.5 (130PS) Turbo D auto	1940	1980	1550 (710)	1500 (740)

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

**Provisional data.

Dimensions and Capacities

All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	Hatchback	Sports Tourer
Load floor length (rear seats folded)	1589 (62.5)	1850 (72.8)
Load floor length (behind rear seats)	795 (31.3) 770 (30.3)**	1026 (40.3) 1018 (40.0)**
Load area width	1020 (40.2)	1032 (40.6)
Load area height	599 (23.5) 601 (23.6)**	599 (23.5) 601 (23.6)**
Tailgate aperture width (maximum)	1019 (40.1)	tba
Tailgate aperture height	526 (20.7)	482 (18.9)

Luggage Capacities* Litres (cu.ft.)	Hatchback	Sports Tourer
Rear seat up (under luggage compartment cover)	422 (14.9) 352 (12.4)**	597 (21.0) 516 (18.2)**
Rear seat down (measured to roof)	1339 (47.2) 1268 (44.7)**	1634 (57.7) 1553 (54.8)**

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor. **Plug-in HYBRID-e.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

All-new Astra Design 1.5 (130PS) Turbo D (CO₂ emissions 114g/km[†])

On-the-road RRP	£25,405.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£25,170.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£25,770.00
Car benefit charge 2021-22 tax year (26%)	£6,701.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,340.20
Higher Rate (40%) tax payer	£2,680.40

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

[†]Provisional data.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51–54	14%
55–59	15%
60–64	16%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, for Plug-in HYBRID-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

PureTechnology

The Insignia is a car that looks good and performs beyond expectations with the very latest in automotive technology at its disposal. Like IntelliLux adaptive LED[®] pixel headlights and state-of-the-art driver assistance systems.

Vauxhall PureTechnology

Vauxhall powertain efficiency

Range of ultra-efficient turbo-charged petrol and diesel engines

- Impressive cost of ownership
- Up to 61.4 mpg (4.7 l/100km) fuel economy – WLTP
 - WLTP combined CO₂ as low as 122g/km
 - Smooth 9-speed electrified automatic transmission

Vauxhall PureSense

Intelligent automotive technology that scans the world around you to improve your drive and keep you and your passengers safer.

- IntelliLux adaptive LED[®] pixel headlights
- Front camera safety system including
 - Forward collision alert
- Lane departure warning with lane assist
 - Automatic emergency braking
 - Speed sign recognition

Vauxhall PureConnect

Smart connectivity that keeps you in touch and entertained throughout your business day.

- Smartphone projection
- Wireless phone charging
- Satellite Navigation with dynamic mapping and voice recognition

Choose Your Trim Level

Design

VX_INS_33206

The Design starts the line-up, giving you plenty of great features as standard.

GS Line

VX_INS_33207

Step up to the GS Line and really turn heads. With a sporty attitude inside and out, and plenty of eye-catching features.

Insignia Range Highlights

Design

Standard features include:

PureSense

- LED headlights, tail lights and daytime running lights
- Front fog lights
- High beam assist
- Ambient LED lighting
- Automatic lighting control
- Electronic parking brake
- Front and rear parking distance sensors
- Lane departure warning with lane assist
- Speed sign recognition
- Forward collision alert (low speed)
- Automatic emergency braking with pedestrian detection
- Cruise control with intelligent speed limiter

PureConnect

- Multimedia Navi Pro infotainment system
 - 8-inch colour touchscreen
 - Satellite Navigation
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - On-board voice control
 - Twin front USB sockets, aux in and memory card slot
- 8-inch digital instrument cluster
- Seven speakers (5 front, 2 rear)
- Six airbags
- Remote control security alarm system
- Hill start assist
- ISOFIX child seat fixings on outer rear seats
- Following distance indicator

Comfort and Convenience

- Dual-zone electronic climate control
- Heated leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Ergonomic active driver's seat (AGR-approved*)
- Heated sports front seats
- Front centre armrest
- Automatic anti-dazzle rear-view mirror

Styling

- 18-inch bi-colour high gloss black, multi-spoke diamond-cut alloy wheels

GS Line

Features over Design models:

PureSense

- Wireless charger for mobile devices
- IntelliLux adaptive LED® pixel headlights
- FlexRide adaptive chassis (200PS only)

PureConnect

- Twin rear USB sockets

Comfort and Convenience

- VX-Line, heated, flat-bottomed leather-covered steering wheel
- Ergonomic active sports front seats (AGR-approved*)

Insignia's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

PureSense

Standard Features – The following features are standard across the entire Insignia range.
Specific features by model are outlined in the separate tabular information.

Cruise control with intelligent speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Forward collision alert (low speed)

Calculates the distance of vehicles ahead and pedestrians and warns the driver in case of a possible collision. The driver can choose the preferred distance.

- Visual warnings – Red LEDs projected onto windscreen and visual warning shown in the instrument cluster
- Audible warning

Following distance indicator

Indicates how many seconds you are behind the vehicle in front – Helping you maintain a safe distance.

- Timings are shown in the driver information display
- Warning light in the instrument cluster if the gap to the vehicle ahead is below that set by the driver

Lane departure warning with lane assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Facia on/off switch

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- When the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Automatic emergency braking with pedestrian detection

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

*Cycles, motorcycles, animals and other objects are not detected.

Parking sensors

- Front and rear parking distance sensors

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

PureConnect

Standard Infotainment Features

Multimedia Navi Pro with 8-inch touchscreen

Onboard features:

- 8-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Seven speakers
- 20 watts per channel output
- 8-inch digital colour instrument cluster
- SD card slot
- Personalised profiles

Media connections:

- Twin front USB sockets and aux in
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Driver information:

Instrumentation

- Speedometer and rev counter
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy
- Speedometer and rev counter

Driver information display:

- 8-inch digital instrument cluster
- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

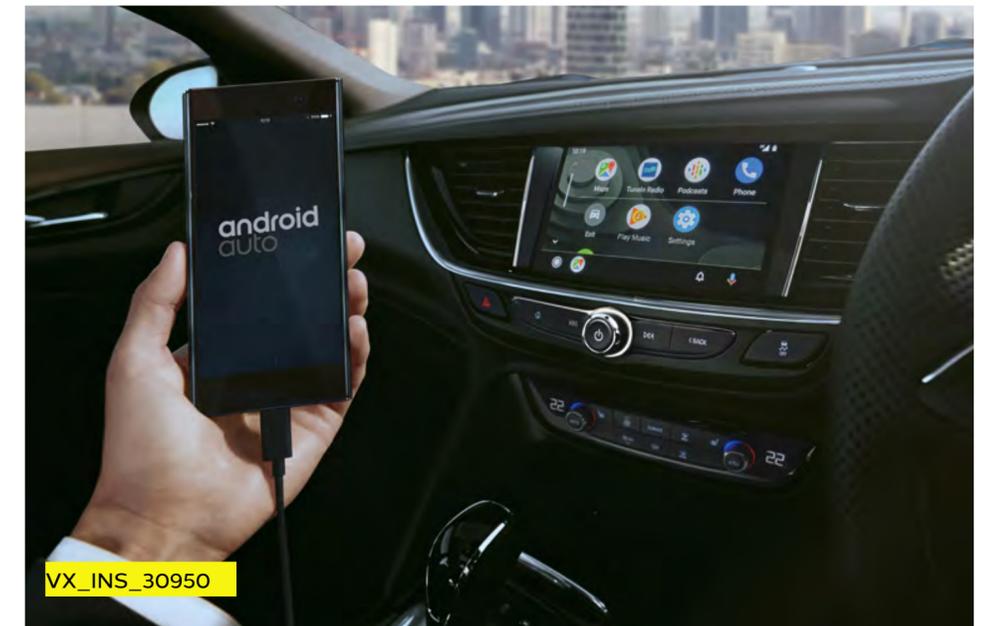

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

8-inch colour touchscreen and digital information display.

Smartphone projection.

Comfort and Convenience

Standard Features – The following features are standard across the entire Insignia range.
Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver's and front passenger's sunvisors with vanity mirrors
- Reach and rake-adjustable steering
- Steering wheel audio/phone/cruise controls
- Automatically dimming anti-dazzle rear-view mirror
- Premium centre console featuring adjustable armrest
- Rain-sensitive windscreen wipers

Heating and Ventilation

- Dual-zone electronic climate control
- Heated leather-covered steering wheel

Interior Storage

- Illuminated glovebox with lid
- Front door pockets with 1.5-litre bottle holder
- Two drinks holders in centre console
- Rear door pockets with 1-litre bottle holder
- Front centre adjustable armrest with 4-litre storage capacity (2.8 litres on GS Line models)

Exterior Convenience

Door mirrors

- Electrically adjustable/heated door mirrors
- Manually folding door mirrors

Windows

- Electrically operated front and rear windows with safety autoreverse and one-touch up/down facility
- Heated rear window • Tinted windows

Luggage Area

- Luggage compartment cover • Fully carpeted load area
- Interior tailgate handle • Four load restraint lashing eyes
- Storage tray in spare wheel well

Interior Lighting

- Central front/rear courtesy lights • Ambient LED lighting
- Illuminated load area • Twin rear reading lights
- Twin front reading lights with illuminated switches

Safety and Security

Standard Safety Features – The following features are standard across the entire Insignia range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Electronic parking brake
- Hill start assist

Tyre pressure

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat)
- Child-proof locks on rear doors

Pedestrian safety

- Active bonnet/headlight/wiper structure – Designed to reduce pedestrian head and upper body injuries.
- Upper and lower bumper design – Reduces upper and lower leg injuries

Security

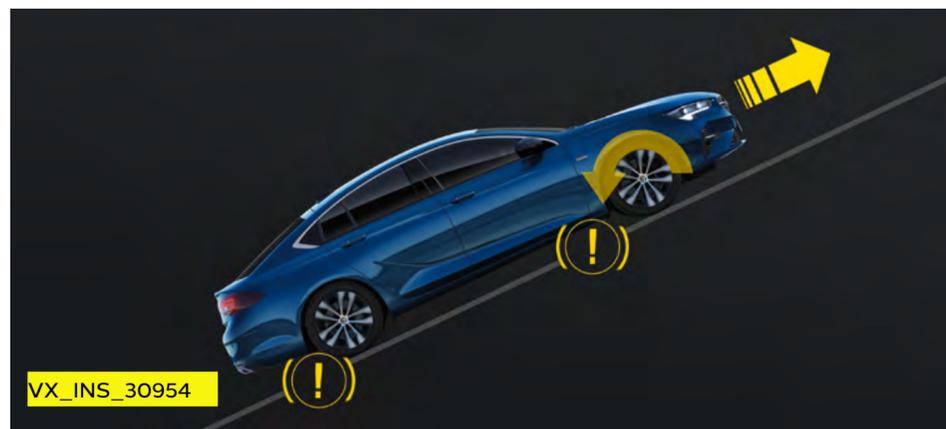

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Freewheeling door locks

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver's door

Remote control ultrasonic security alarm system

- Remote control (operates in conjunction with central locking)
- Ultrasonic interior sensors
- Tilt sensor
- Independent power supply
- Thatcham approved (T1)

Hill start assist.

ISOFIX child seat mountings.

Remote control central locking.

Lighting

Standard Lighting Features – The following features are standard across the entire Insignia range. Specific features by model are outlined in the separate tabular information.

Exterior Lighting

- LED daytime running lights
- LED headlights
- LED tail lights
- LED side repeat indicators
- Front fog lights
- Automatic lighting control with tunnel detection: When the automatic lighting control is switched on, the system switches between daytime running lights and headlights automatically depending on external lighting conditions

- Lights-on audible warning: When driver's door is opened an audible warning sounds to alert the lights have been left on.
- High beam assist
- LED brake lights
- High-level LED centre rear brake light
- Door-to-door illumination: Headlights illuminate the area for an adjustable time after leaving the vehicle.
- Welcome lighting: Headlights and tail lights illuminate when the vehicle is unlocked

IntelliLux adaptive LED® pixel headlights

Standard on GS Line models only. With 84 segments per headlight (168 in total), the new IntelliLux adaptive LED® pixel light system offers vastly improved visibility that helps to make night time driving significantly safer. The system automatically adapts the headlights according to the type of road or driving conditions in both dipped and full beam modes. There are 11 variations to ensure the correct lighting pattern for driving in a city street or country lane, cornering, parking or negotiating a tight bend. There's even a tourist mode for driving your car on European roads.

Specifications

Transmission

Six-speed manual gearbox

Diesel engines: 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D

Eight-speed Automatic transmission

Available on 1.5 (122PS) Turbo D and 2.0 (174PS) Turbo D.

Nine-speed Automatic transmission

Available on 2.0 (200PS) Turbo. The new 9-speed automatic transmission enables increased drive comfort and improved fuel economy. For extra reliability the transmission has been engineered to help reduce the amount of splash losses, hydraulic losses and the amount of torsional vibrations.

Suspension

Front: Independent. Lightweight MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar.

Rear: Lightweight 4-link with rising-rate mini-block coil springs and gas-pressure dampers. Anti-roll bar.

FlexRide (Adaptive Stability Technology) system

FlexRide offers drivers the choice of four distinct driving modes – Normal (default setting), Sport, Tour and Competition mode.

- Sport mode: This stiffens the car's suspension and sharpens steering and throttle responses. It also raises the threshold at which the ESP and traction control systems are activated, enhancing dynamic performance
- Tour mode: Ideal for long motorway journeys, the Tour mode adjusts the dampers to a softer setting to create a perceptibly smoother ride and further enhance Insignia's ride comfort
- Continuous damping control: Utilises data from up to 11 variables including acceleration, braking and cornering to constantly control the suspension for optimum stability, driver engagement and comfort. Operates in all three driving modes

Braking and stability

- Electronic Stability Programme (ESP)
- Cornering brake control
- Straight line stability control
- Rollover mitigation
- Drag torque control
- Hill start assist
- Anti-lock Braking System (ABS)
- Emergency brake assist
- Fading brake support
- Electronic brakeforce distribution
- Adaptive brake lights

Steering

- Dual pinion electrical power steering

Fuel Tank Capacity

62 litres (13.6 gallons)

AdBlue® Tank Capacity

15 litres (3.3 gallons)

[#]Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Braked towing weight is applicable to vehicles fitted with optional Factory-fit tow bar. †Braked towing weight is applicable to vehicles fitted with a Retailer-fit Accessory tow bar.

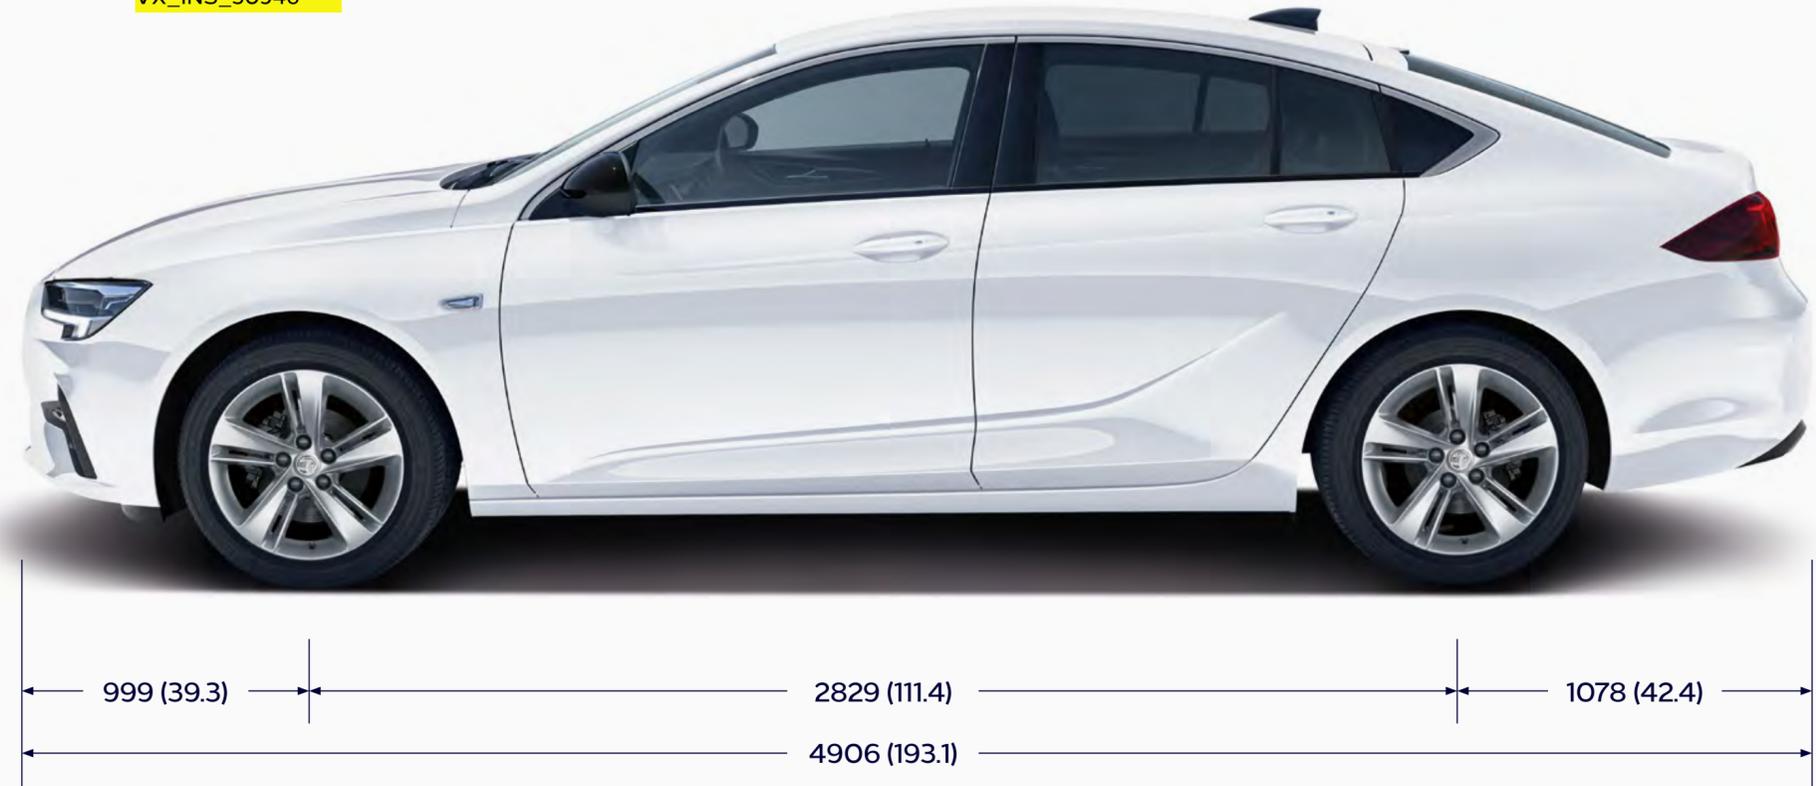

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 100kg on all models. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

VX_INS_30945

VX_INS_30946

Loadspace Dimensions	
Load floor length (rear seats folded)	1937 (76.3)
Load floor length (behind rear seats)	1133 (44.6)
Load area width	1030 (40.5)
Load area height	722 (28.4)
Tailgate aperture height	557 (21.9)

Luggage Capacities* Litres (cu.ft.)	
Rear seat up (under luggage compartment cover)	490 (17.3)
Rear seat down (measured to roof)	1450 (51.1)

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your free* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Insignia Design 1.5 (122PS) Turbo D (CO₂ emissions 122g/km)

On-the-road RRP	£30,720.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£30,485.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£31,085.00
Car benefit charge 2021-22 tax year (28%)	£8,704.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,740.80
Higher Rate (40%) tax payer	£3,481.60

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1-50	£10	£155
C	51-75	£25	£155
D	76-90	£115	£155
E	91-100	£140	£155

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service.
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour

Choose Your Trim Level

SE Edition

First in the line-up is the wonderfully well-equipped SE Edition.

Mokka-e SE Premium

Mokka-e's entry level trim which is highly equipped as standard.

SRI Premium

This sporty number in the range comes with stylish red accents and is loaded with even more tech.

Mokka-e SRI Premium

Stylish, sporty and 100% electric in more ways than one.

Elite Edition

Both Elite models come with sat nav as standard, with Elite Premium giving you even more styling and technology features.

Mokka-e Elite Premium

e-mobility with more than a hint of style and technology thrown in.

Ultimate

All you could ask for; our Ultimate model has it all.

Mokka-e Ultimate

All you could ask for and all-electric; the Ultimate model is top-of-the range.

Mokka's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

*Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

Effective 12 January 2022

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Mokka-e is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

Mokka-e is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Mokka range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Inertia-reel lap and diagonal seatbelts
- Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency city braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 53mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 53mph it brakes automatically to reduce speed by a maximum of 14mph – to reduce speed even further the driver must brake him/herself

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline
- Adaptive brake lights – Automatically warns other road users of heavy braking

Child Safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Hill start assist.

ISOFIX child seat mountings.

Automatic emergency city braking.

Driver Assistance

Standard Features – The following features are standard across the entire Mokka range.
Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system.

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Pure Panel – Driver Information

Standard Features – The following features are standard across the entire Mokka range. Specific features by model are outlined in the separate tabular information.

Digital Display Information

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With up to a 10-inch infotainment touchscreen and 12-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

Driver Information

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central facia display (format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Pure Panel – Infotainment

Standard Features

Multimedia with 7-inch touchscreen

Standard on SE Edition

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay • Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Standard on Elite Premium and Ultimate models and all Mokka-e models only. Services may require a subscription/fee and are subject to mobile network coverage and availability. Standard on Nav models only. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee.

Multimedia Navi with 7-inch touchscreen

Standard on Elite Edition

Standard on Mokka-e SE Premium models

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Multimedia Navi Pro with 10-inch touchscreen

Standard on SRi Premium, Elite Premium and Ultimate

Standard on Mokka-e SRi Premium, Elite Premium and Ultimate models

Features as Multimedia Navi, with the addition of:

- 10-inch colour touchscreen

Vauxhall Connect*

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live navigation and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door)
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management

Please note, Apple CarPlay screen illustrated on 10-inch colour touchscreen on multimedia Navi Pro audio unit.

Interior Styling and Comfort

SE Edition/SE Premium

Steering wheel:

- Three-spoke design
- Flat bottomed leather-covered steering wheel
- Satin chrome-effect bezel

Facia and door trim:

- Black facia with silver trim inserts
- Instrument panel bar Light Gravel
- Atlantis black trim inserts on front doors
- Chrome-effect interior door handles

Seating:

- Driver's seat (six-way adjustable):
 - Height
 - Reach
 - Backrest

1.5 (110PS) Turbo D	1750	1200 (640)

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Specifications

Transmission

- Front-wheel drive
- Six-speed manual gearbox
 - Available on 1.2 (100PS) Turbo/1.2 (130PS) Turbo/1.5 (110PS) Turbo D models.

AdBlue® Tank Capacity

– 15 litres (3.3 gallons)

Start/Stop technology

New Mokka's Start/Stop system offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored.

If necessary, the engine will automatically be restarted.

Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

All-new Mokka-e Specifications

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

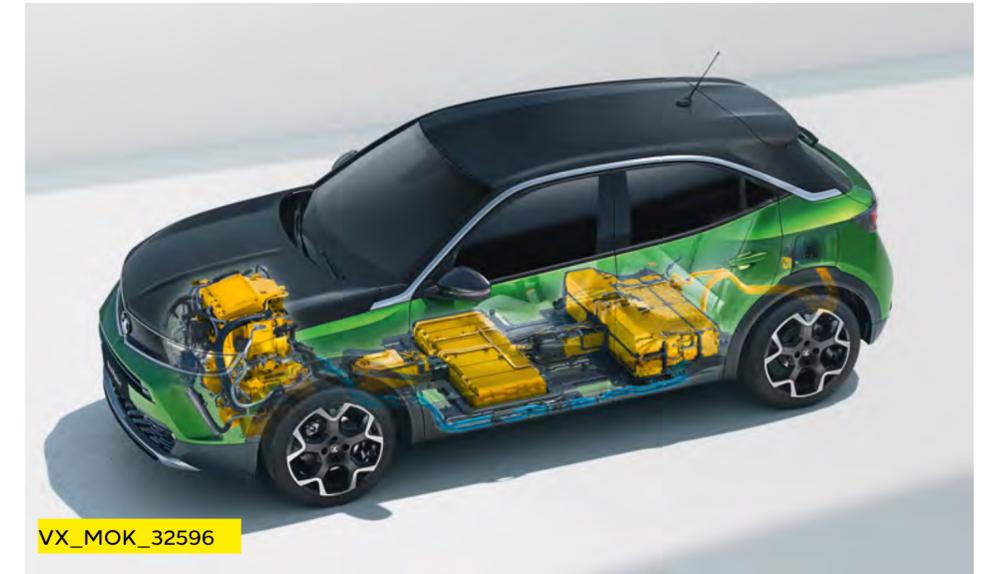

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Drivetrain	Mokka-e
CO ₂ emissions	0g/km
Maximum power	100/136kW/PS
Maximum torque	260/192Nm/lb. ft.
Acceleration 0-60mph	9.2 sec
Maximum speed	93mph
Transmission	Automatic electric drive with fixed gear ratio
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)

All-new Mokka-e Specifications

Charging

New Mokka-e comes fitted with an 11kW on-board charger and mode 3 cable.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Mokka-e) or by using the Multimedia Navi Pro infotainment system (standard on SRi Premium, Elite Premium and Ultimate).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m
AC current – Public charger (11kW)*	Type 2	5h
DC current – Rapid charger (100kW)	CCS	30m (0-80%)

Battery	
Battery capacity	50kWh
AC on-board charger speed (standard)	11kW
EV range (WLTP high)	209 miles
Energy consumption (Combined low/high)	15.8-16.2kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

The Mokka-e is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Requires optional 11kW on board charger.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	Mokka	Mokka-e
Maximum length behind rear seats	667 (26.3)	667 (26.3)
Maximum length rear seats folded	1418 (55.8)	1418 (55.8)
Maximum width	1021 (40.2)	1021 (40.2)
Maximum height	780 (30.7)	780 (30.7)

Luggage Capacities Litres (cu.ft.)	Mokka	Mokka-e
Rear seats up (under luggage compartment cover)	350 (12.37)	310 (10.9)
Rear seats folded (to roof)	1105 (39.0)	1060 (37.4)

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ³Side steps and splash guards are not available together.

⁴Only available with anti-dazzle rear-view mirror. ⁵Only for use with 18-inch diamond-cut alloy wheels. ⁶Available on petrol and diesel models only.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Mokka SE Edition 1.5 (110PS) Turbo D Start/Stop (CO₂ emissions 114g/km)

On-the-road RRP	£23,635.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£23,400.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£24,000.00
Car benefit charge 2021-22 tax year (26%)	£6,240.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,248.00
Higher Rate (40%) tax payer	£2,496.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%
150-154	34%
155-159	35%
160-164	36%
165-169	37%
170+	37%

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to Mokka-e/Corsa-e/Grandland X hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Mokka-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

PureTechnology

The New Crossland is Vauxhall's most practical SUV that not only looks great but is prepared to up the ante with innovative automotive technology. Like a front camera safety system and a panoramic rear-view camera.

Choose Your Trim Level

Design

Design is Crossland's entry level trim which has a high level of specification as standard including the 7-inch colour touchscreen with smartphone projection, air-con and cruise control.

Please note, Power Orange (GPQ) is no longer available to factory order.

GS Line

Opt for GS Line for a touch of sportiness in your Crossland. Offering the visual appeal with a black roof, dark-tinted rear windows, 17-inch black alloy wheels and an interior that's unique to the GS Line.

It's sporty from the inside out but still offering the practicality and versatility needed for every day family life.

Ultimate

The top of the range Crossland – Ultimate has everything from Alcantara interior trim to satellite navigation.

New Crossland Range Highlights

Design

Crossland's petrol and diesel engines meet the Real Driving Emissions Step 2 (RDE2) standards.

[#]Fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. On-the-road prices feature a VED based on preliminary CO₂ information.

PureSense

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Rear-view mirror

- Automatically dimming anti-dazzle rear-view mirror

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Automatic emergency braking with pedestrian detection

Front camera system

Monitors the traffic situation in front of the vehicle using the front camera to detect mobile and fixed cars as well as adult pedestrians. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.*

*Cycles, motorcycles, animals and other objects are not detected.

Lane departure warning

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Forward collision alert

The system operates automatically and gives an audible warning as well as a visual warning when approaching another vehicle too quickly.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

PureConnect

Standard Infotainment Features

Multimedia with 7-inch touchscreen

Standard on Design

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc. are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone).
- SMS read out and reply

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

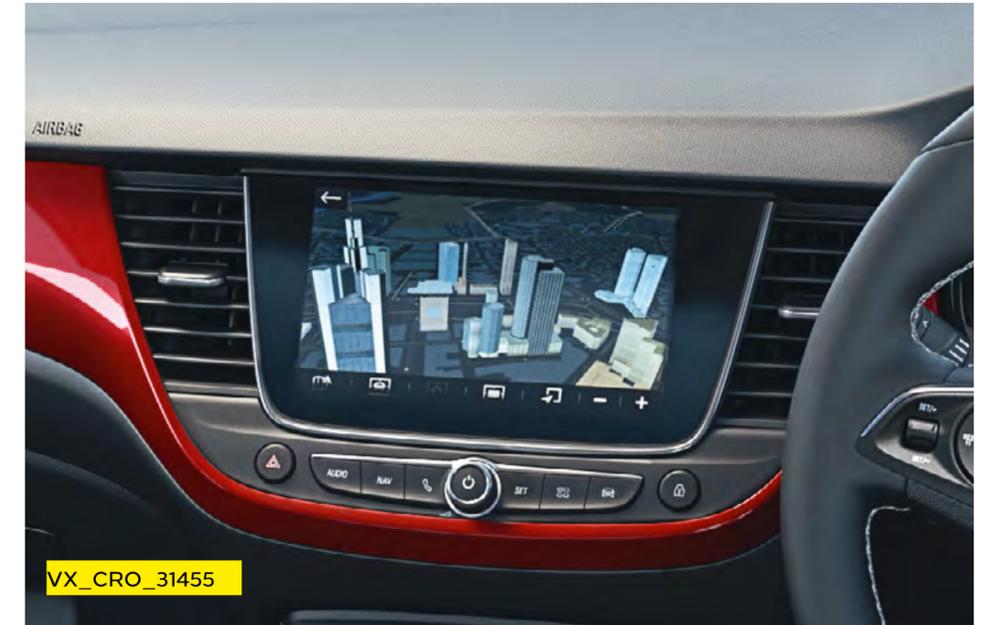

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 8-inch Touchscreen

Standard on GS Line and Ultimate

Features as Multimedia, with the addition of:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- 1 extra USB connection

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Please note, Apple CarPlay screen illustrated on 8-inch colour touchscreen on multimedia Navi Pro audio unit.

Standard Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Driver Information

Instrumentation

- Speedometer and rev counter
- Fuel gauge with low fuel level warning light
- Water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in instrument cluster)

- Trip computer data
- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on driver information display)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy

Central facia display

(format dependent on infotainment unit)

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit (see infotainment for details)

Safety and Security

Standard Safety Features – The following features are standard across the entire New Crossland range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats
- Pretensioners on outer rear seatbelt retractors
- Load limiters on front and outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats

Braking

- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

- Tyre pressure monitoring system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on outer rear seats (does not include child seat)
- Child-proof locks on rear doors

Pedestrian safety

- Collapsible windscreen wiper system – Designed to reduce pedestrian head injuries
- Upper and lower bumper design – Reduces upper and lower leg injuries

Security

- Electronically protected audio equipment
- Engine deadlock immobiliser
- Visible Vehicle Identification Number (VIN)
- Locking wheel bolts for alloy wheels
- Luggage area cover

Remote control central locking

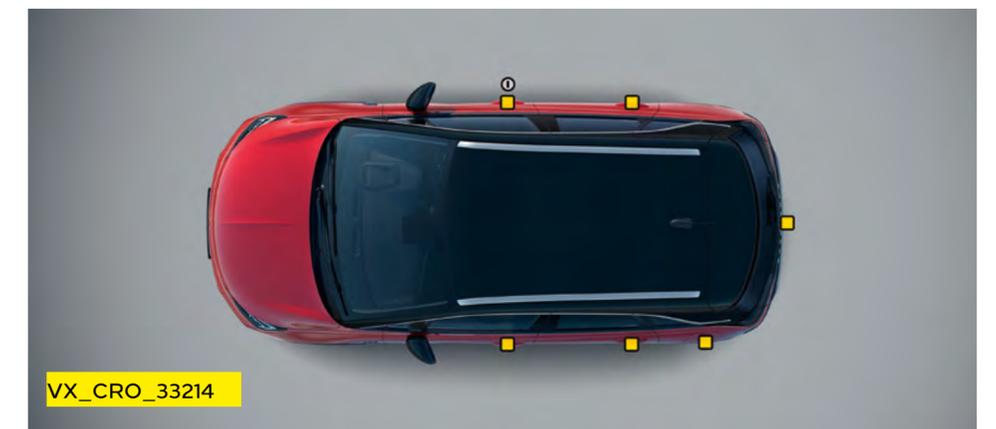

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver's door

Hill start assist.

ISOFIX child seat mountings.

Remote control central locking.

Lighting

Standard Lighting Features – The following features are standard across the entire New Crossland range. Specific features by model are outlined in the separate tabular information.

Exterior Lighting

- LED headlights
- LED side repeat indicators
- Lights-on audible warning – When driver’s door is opened an audible warning sounds to alert the lights have been left on

- Rear fog light
- Reversing light
- Hazard warning lights
- Automatic lighting control

Interior Lighting

- Central front courtesy light
- Central rear courtesy lights
- Fade up/fade down

1.5 (110PS) Turbo D	1820	840 (620)

*Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification. *Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum noseweight** should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Body

- Aerodynamic drag co-efficient: Cd 0.31

Start/Stop technology

Crossland's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

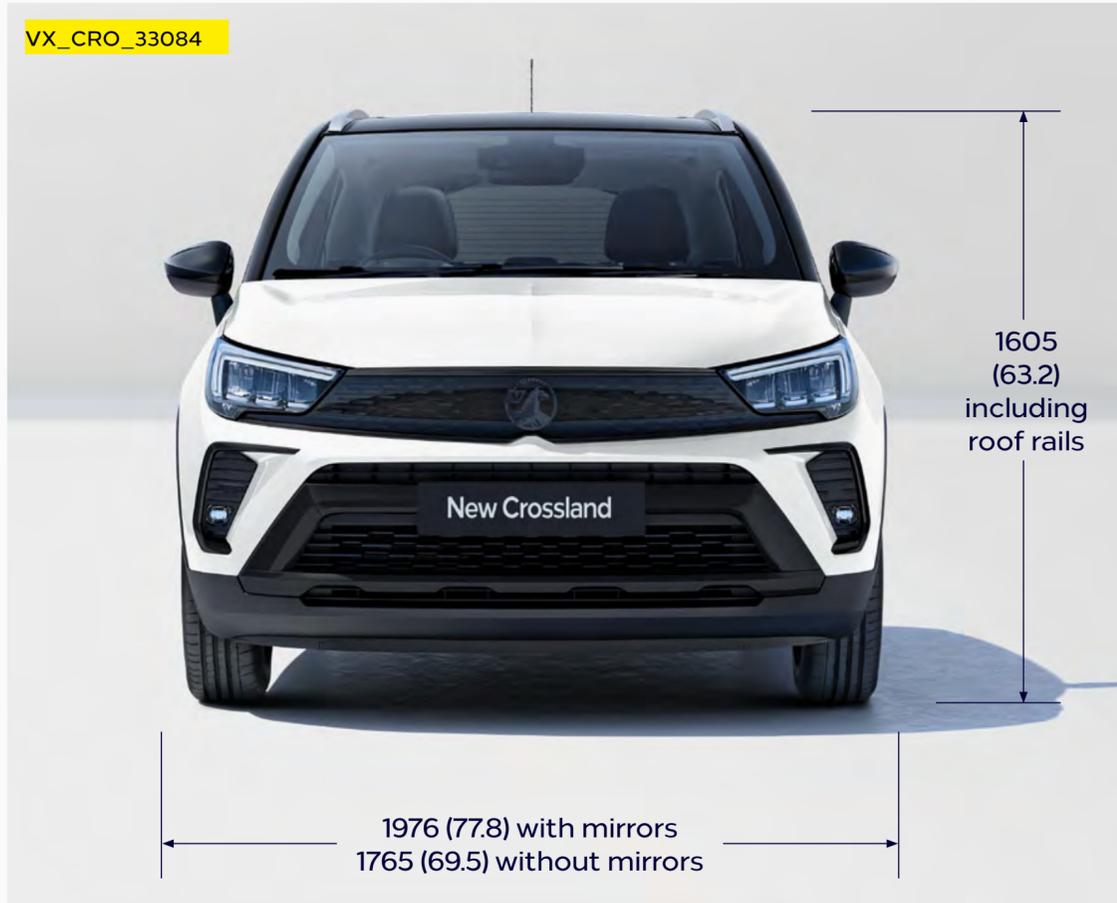

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

Loadspace Dimensions	
Maximum length behind rear seats	793 (31.2)
Maximum length rear seats folded	1483 (58.4)

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Can only be fitted with rear parking sensors. ³Only compatible with IOA radio (BYOM2). ⁴Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer. ⁵Not compatible with spare wheel. ⁶A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

High spec, low P11D

As a business and company car driver, you'll find all of our models are seriously fit for fleet; we're talking very low P11D values, generous standard specification and high-tech engines designed for great fuel economy and low emissions – and that's just to get you started.

To get access to even more spec as standard, simply take a step up in the range – low P11D values will continue to apply.

Drivers and businesses all have unique requirements and by taking advantage of low whole-life costs and low company car driver taxation you can get in the driving seat with the spec to suit.

Company Car Driver Free 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your free* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at vauxhallfleet.co.uk/testdrive/index/terms.

Benefit in kind company car taxation**

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%[†] for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

New Crossland Design 1.5 (110PS) Turbo D Start/Stop (CO₂ emissions 120g/km)

On-the-road RRP	£20,225.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£19,990.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£20,590.00
Car benefit charge 2021-22 tax year (28%)	£5,766.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,153.20
Higher Rate (40%) tax payer	£2,306.40

**Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
[†]Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%
145-149	33%
150-154	34%
155-159	35%
160-164	36%
165-169	37%
170+	37%

Fleet Toolbox

Discover the facts in our online Toolbox for both Company Car Drivers and Fleet Decision Makers. The Fleet Toolbox has a host of useful calculators, comparators, interactive listings and information.

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel
A	0	£0	£0
B	1-50	£10	£155
C	51-75	£25	£155
D	76-90	£115	£155
E	91-100	£140	£155
F	101-110	£160	£155
G	111-130	£180	£155
H	131-150	£220	£155
I	151-170	£555	£155
J	171-190	£895	£155
K	191-225	£1,345	£155
L	226-255	£1,910	£155
M	Over 255	£2,245	£155

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free* phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT**** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Effective 12 January 2022

New Grandland Model Year 2022A

New Grandland Ultimate

VX_GRA_32069

Ultimate

OTR from £31,570

PureSense

- IntelliLux adaptive LED® pixel headlights
- LED front fog lights, tail lights and daytime running lights
- High beam assist
- Automatic lighting control
- Electronic parking brake
- Front and rear parking distance sensors
- Lane departure warning with lane keep assist
- Speed sign recognition
- Driver drowsiness alert
- Automatic emergency braking
- Highway integration assist (auto only)
 - Lane positioning assistant
 - Adaptive cruise control
- Six airbags
- Hill start assist
- ISOFIX child seat fixings on front passenger seat and outer rear seats
- 360° panoramic parking camera
- Side blind spot alert
- Advanced park assist

PureConnect

- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 12-inch digital instrument cluster
 - Satellite navigation
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Apple CarPlay/Android Auto™
 - Front and rear USB connection
- Six speakers
- Wireless charger for mobile devices

Comfort and Convenience

- Dual-zone electronic climate control
- Heated flat-bottomed leather-covered steering wheel
- Steering wheel audio/phone/cruise controls
- 60/40 split-folding rear seat backs
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated power folding door mirrors
- Soundproofed insulated windscreen
- Ergonomic active heated sports-style front seats (AGR approved*)
- Front passenger's sports-style seat
- Driver's armrest • Centre rear seat armrest with load through facility
- Automatic anti-dazzle rear-view mirror
- Remote control security alarm system
- Storage pocket on front seat backs
- 12-volt accessory socket in luggage compartment
- 230-volt accessory socket in rear
- Power operated tailgate with foot sensor
- Alcantara interior seat trim
- Heated windscreen
- Keyless entry and start

Styling

- 19-inch diamond-cut bi-colour alloy wheels
- Black roof with high gloss black roof rails
- High gloss black exterior detailing
- High gloss black front and rear badging
- Body colour protective wheel arches and lower door cladding
- Dark-tinted rear windows
- Alloy sports pedals (auto models only)
- Alloy-effect protective front/rear skid plates

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany.

This vehicle is covered by our Price Protection Guarantee. See 'Further Information' page for details.

New Grandland Plug-in HYBRID-e Prices

	Pack Code	Fuel Type	Price (£)	VAT (£)	Total (£)	On-the-road RRP (£)	Financial Year 2021/22 BiK 20% (£)	WLTP Combined CO ₂ (g/km) [#] – pack code	Insurance groups
GS Line									
1.6 (225PS) Turbo/Electric	2B75 ID81	Petrol/Electric	27,554.17	5,510.83	33,065.00	33,820.00	61.90	31	23E
Ultimate									
1.6 (225PS) Turbo/Electric	2V75 ID81	Petrol/Electric	30,516.67	6,103.33	36,620.00	37,375.00	68.42	31	tba

WLTP Combined CO₂ (g/km) figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price.

PureSense

Standard Driver Assistance Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system warns when the car moves outside of lane markings at speeds above 37mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster
- On models with Sat Nav, where the front camera system is unable to detect any speed signs the speed limit stored in the navigation database will be displayed

Driver drowsiness alert

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Automatic emergency braking

Monitors the traffic situation in front of the vehicle to detect mobile and fixed cars. The system first warns you through a series of visual and audible alerts and should you not react quickly enough, will automatically brake the vehicle to avoid or mitigate the impact of front-end collisions.

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Model Specific Features/Option

*Optional at extra cost including VAT.

PureConnect

Standard Features – The following features are standard across the entire New Grandland range.

Pure Panel Digital Display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
– 6 mile/12 mile range reserve/Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function
- Additional features dependent on infotainment unit

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in digital instrument cluster)

- Total mileage • Service-due indicator
- Oil life • Tyre pressure monitoring system

Multi-function trip computer

(displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed • Average fuel economy
- Instantaneous fuel economy • Driving time

Digital central facia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Standard Features – Vauxhall Connect* is the new way to stay connected while on the road. Smart technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip. Activating Vauxhall Connected Services is easy, just visit Vauxhall Connect Store or download MyVauxhall app.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)
- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall SOS

In the event of a breakdown or accident, you can count on Vauxhall Connect as your car has its own SIM card installed. If something happens that means there may have been an accident – say, the airbags are inflated or the pre-tensioners on the seatbelts are activated – an automatic message will go off to the emergency services, with details of your location. Vauxhall Connect SOS can be activated manually too – just press the button and you'll be put straight through to the emergency services on the system's integrated phone. So, if you have an accident, or see one, it only takes a few seconds to call for help.

Got a problem with your car but don't need the emergency services? Just press the Vauxhall Connect Assistance button and you'll be connected to our control centre over the system's integrated phone.

Convenience

- E-remote control (Plug-in HYBRID-e only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

E-remote

Check and manage your electric/hybrid vehicle range remotely and in real time using your smartphone. With MyVauxhall you can check the charge and range of your vehicle at any time, and if you're plugged into a charging point, you're even able to control charging when you're far away. To offer peace of mind, you can be alerted when the battery is full or the charging is interrupted.

The remote pre-conditioning feature allows you to warm or cool the vehicle to an optimal temperature before starting your journey. With your comfort in mind, this feature allows you to maximise range if your vehicle is on charge, by taking energy from the source, rather than the battery.

This service is supplied free of charge by Vauxhall for the life of the vehicle.

Drive Smart

- Live navigation† (subscription included for three years) with on-line traffic, fuel prices and parking information, Points Of Interest (POI) search and weather
- Trip and drive management**
- Timestamping of trips, trip details, last vehicle position, guide-to-car and more

Live Navigation Plus†

Vauxhall's fully integrated navigation system helps you stay informed, providing real-time information from the leading European GPS provider, TomTom®. It can be operated using natural voice recognition, meaning your eyes need never leave the road.

Vauxhall Live Navigation Plus is included free of charge for three years and can then be renewed at a cost.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for addresses and points of interest
- Road safety alerts

Standard Features

Multimedia with 7-inch touchscreen

Standard on Design models

Onboard features:

- 7-inch colour touchscreen
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 25 station presets

Media connections:

- USB connection
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)
- Six speakers

Mobile phone portal:

- Bluetooth® connectivity
- Handsfree calls via steering wheel controls
- Vehicle microphone
- Phone book access – contacts/last calls/missed calls etc. are mirrored on IntelliLink's display and are easily navigated using the touchscreen (features dependent on mobile phone)

Smartphone interface:

- Apple CarPlay
- Android Auto™
- Smartphone projection that allows operations via voice command, touchscreen and buttons to control apps and music playback

Additional features:

- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Multimedia Navi Pro with 10-inch touchscreen

Standard on GS Line and Ultimate models

Standard on GS Line and Ultimate Plug-in HYBRID-e models

Features as Multimedia, with the addition of:

Onboard features:

- 10-inch colour touchscreen

Navigation features:

- Satellite navigation system
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB

Additional features:

- Shark fin aerial

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries.

Comfort and Convenience

Standard Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- 60/40 split-folding rear seat backs
- Reach and rake-adjustable steering
- Steering wheel mounted audio/phone/cruise controls
- Rain-sensitive windscreen wipers
- Intermittent rear window wash/wipe
- Electronic parking brake with switch located in centre console

Interior Storage

- Front door pockets with 2.6-litre capacity
- Rear door pockets with 1.8-litre capacity
- Two drinks holders in centre console
- Rear door pockets with 1.8-litre capacity
- Covered storage compartment in centre console and in driver's armrest

Luggage area

- Luggage compartment foldable cover
- Illuminated luggage area
- Fully carpeted luggage area

Standard Features – The following features are standard across the entire New Grandland range. Specific features by model are outlined in the separate tabular information.

Heating and Ventilation

- Electronic climate control incorporating air conditioning
- Dual-zone control – Allowing different temperature settings for driver and front passenger
- Advanced predictive logic control system using a sun sensor
- Charcoal filter – Removes dust, airborne particles, pollen and unpleasant odours
- Automatic air direction and fan speed with manual override
- Rear passenger compartment heating ducts

Exterior Convenience

- Soundproofed insulated windscreen
- Tinted windows
- Electrically operated front and rear windows with safety autoreverse and one-touch facility
- Twin electrically adjustable/heated power door mirrors (wide-angle on driver’s side) with automatic timed cut-off

Security

- Remote control security alarm system (operates in conjunction with central locking)
- Electronically protected audio equipment
- Engine deadlock immobiliser
- Luggage area cover

Remote control central locking

- Operates on doors, tailgate and fuel filler flap
- Deadlocking
- Central locking activation switch on driver’s door

Safety and Lighting

Standard Safety Features – The following features are standard across the entire New Grandland range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Front seat side-impact airbags
- Full-size curtain airbags for driver, front seat passenger and outer rear seat passengers

Seatbelts

- Inertia-reel lap and diagonal seatbelts for all seats
- Dual seatbelt pretensioners on front seats
- Pretensioners on outer rear seatbelt retractors
- Load limiters on outer rear seatbelt retractors
- Smart seatbelt reminder for front and rear seats – warning lights and audible warning

Braking

- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Tyre pressure

- Deflation detection system

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX compatible child seat mountings located on front passenger's seat and outer rear seats (does not include child seat). Rear seat mountings incorporate top tether anchor points – allows ISOFIX child safety seats to be securely fixed into the car
- Child-proof locks on rear doors

Pedestrian safety

- Collapsible windscreen wiper system – designed to reduce pedestrian head injuries
- Upper and lower bumper design – reduces upper and lower leg injuries

Parking distance sensors

- Front and rear parking distance sensors

VX_GRA_33144

Plug-in HYBRID-e Specifications

Electrified Transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish Automatic gearbox with electric shifter with shift paddles

Drive Mode Selector

The Drive Mode selector is positioned next to the Automatic gearbox with electric shifter and enables drivers to select one of the following:

- Hybrid is the default mode and offers the best of both worlds between controlled fuel consumption and on-road performance
- Sport Mode, draws on the combined power of the engine and motor for a more dynamic drive
- Electric activates the electric engine only, for zero CO₂ emissions and complete silence

Fuel tank capacity

- 43 litres (9.4 gallons)

Weights

- Kerbweight FWD: 1735kg
- Maximum towing weight FWD:
Braked trailer 1250kg (without brakes 600kg)

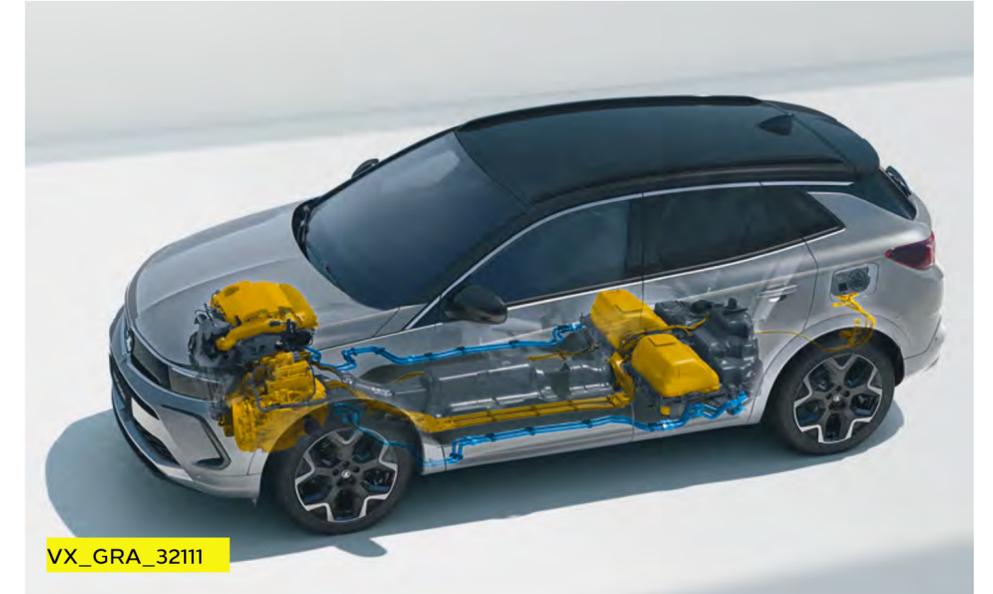

Charging

- Grandland Plug-in HYBRID-e range comes fitted with a type 2 charging cable and a 3.3kW on-board charger as standard. Includes cable bag at no extra cost
- A 6.6kW on-board charger can be purchased as an option for £500 inc VAT

This option halves the vehicle charging time when charging with a 7kW wallbox.

Please note: A type 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Grandland Plug-in HYBRID-e range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

AC current – Home wallbox or public charger (3.6kW)	Type 2	3h 30m
AC current – Home wallbox or public charger (7kW)**	Type 2	1h 45m

Preliminary data determined according to WLTP test procedure methodology. EG type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

*Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit. **Requires optional 6.6kW on board charger.

Petrol Engine

Petrol Engine	1.6 (225hp) Direct Injection Turbo/Electric
Maximum power	180hp (133kW) @ 6000rpm
Combined power output	225hp (165kW)
Maximum torque	300Nm (221lb.ft.) @ 3000rpm
Combined torque	360Nm (265lb.ft.)
Combined CO ₂ emissions (WLTP)#	31g/km
Combined fuel economy (WLTP)#	192mpg (1.5l/100km)
Maximum speed/electric only	140/84mph
0-60mph	8.9 secs
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d

Electric Motor

Electric Motor	
Maximum power	110hp (81.2kW) @ 2500rpm
Maximum torque	320Nm (236lb.ft.) @ 500-2500rpm

Battery	
Battery capacity	13.2kWh
AC on-board charger speed (standard)	3.3kW
Equivalent Electric-only Range - EAER (WLTP high)#	39 miles
Energy consumption (WLTP Combined)	16.1kWh/100km
Battery warranty	8 years/100,000 miles/70% capacity

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed via MyVauxhall App or Infotainment system.

These figures were obtained using a combination of battery power and fuel. The Grandland Plug-in HYBRID-e requires mains electricity for charging.

#WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

Petrol Engine

	1.2 (130PS) Turbo
Capacity	1199cc
Maximum power	130PS (96kW) @ 5500rpm
Maximum torque	230Nm (169lb.ft.) @ 1750rpm
Configuration	3 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger. Variable Valve Timing. Common rail direct injection
Emission compliance	Euro 6d
Service interval	12,500 miles or 1 year (whichever occurs sooner)

Diesel Engine

	1.5 (130PS) Turbo D automatic
Capacity	1499cc
Maximum power	130PS (96kW) @ 3750rpm
Maximum torque	300Nm (221lb.ft.) @ 1750rpm
Configuration	4 cylinders, 4 valves per cylinder, double overhead camshafts
Fuel/induction system	Turbocharger with intercooler. Common rail direct injection
Emission compliance	Euro 6d Diesel Particulate Filter
Service interval	20,000 miles or 1 year (whichever occurs sooner)

Specifications

Start/Stop technology

Grandland's Start/Stop system, fitted as standard to all models, offers real benefits by improving fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored.

If necessary, the engine will automatically be restarted.

Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Fuel tank capacity

- 53 litres (11.6 gallons)

AdBlue[®] tank capacity

- 17 litres (3.7 gallons)

Transmissions

Six-speed manual gearbox

Standard on all models.

Eight-speed automatic transmission

Available at extra cost on all models.

Steering

- Speed-sensitive electric power-assisted steering

Suspension

Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs.

Anti-roll bar.

Rear: Compound crank with coil springs and gas-pressure dampers.

Braking and stability

- Switchable Electronic Stability Programme (ESP)
- Anti-lock Braking System (ABS)
- Corner stability control
- Traction control
- Hill start assist
- Hydraulic brake assist
- Electronic brakeforce distribution

All models

Front ventilated discs: 304mm diameter

Rear discs: 268mm diameter

Performance, Fuel Economy and Emissions**

	Performance (manufacturer's figures)		Fuel economy mpg (litres/100km)#		CO ₂ emissions g/km#		Vehicle Excise Duty*		BiK rates from - 2021/22 tax year
	Maximum speed (mph)	Acceleration 0-60mph (sec)	Combined Low	Combined High	Combined Low	Combined High	First year rate	Standard rate	
1.2 (130PS) Turbo	122	10.4	44.8 (6.3)	45.6 (6.2)	140	142	£220	£155	32%
1.2 (130PS) Turbo auto	121	10.3	43.4 (6.5)	44.1 (6.4)	146	148	£220	£155	33%
1.5 (130PS) Turbo D auto	119	12.3	53.3 (5.3)	54.3 (5.2)	136	138	£220	£155	31%

Weights and Towing Data^{kg}**

	Gross vehicle weight	Maximum towing weights Trailer with brakes (without brakes)
1.2 (130PS) Turbo	1930	1400 (600)
1.2 (130PS) Turbo auto	1955	1200 (600)
1.5 (130PS) Turbo D auto	2000	1300 (600)

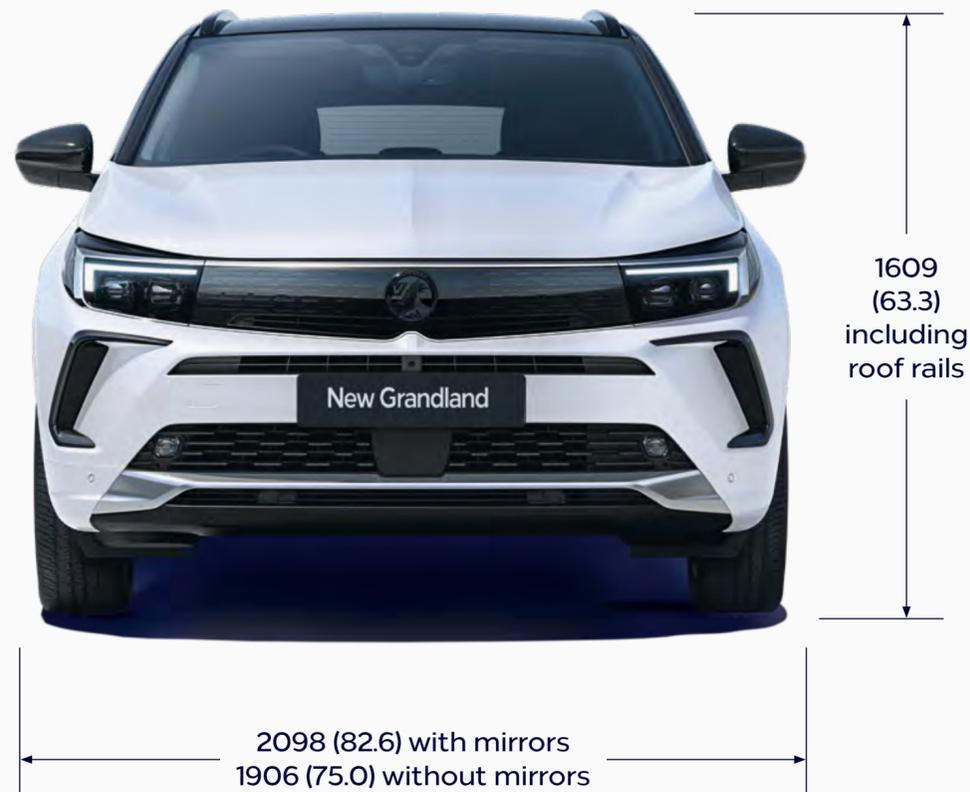

#Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. The CO₂ figures display a range to reflect the highest value for the highest emitting version with all available options added, through to a minimum value to represent the lowest emitting version in standard specification.

*Correct at time of publication. **Provisional data.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed 70kg. The **maximum towing weights** are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

Dimensions and Capacities All measurements in mm (inches) unless stated otherwise.

VX_GRA_33127

VX_GRA_33126

Loadspace Dimensions	Petrol/Diesel	Plug-in HYBRID-e range
Maximum length (behind rear seats)	873 (34.4)	873 (34.4)
Maximum length (rear seats folded)	1696 (66.8)	1696 (66.8)
Maximum width	1053 (41.5)	1053 (41.5)

				– Adapter (various)	£120		

Please note: Prices shown are fully fitted and painted, where applicable and include VAT. Please check with your local Vauxhall Retailer for details. It is advisable to ensure your insurance policy is adequate to cover additional fitted accessories. Prices correct at time of publication.

¹Vehicle must be ordered with spare wheel fixing option (T7Y) in order to accommodate the spare wheel. ²Petrol and diesel models only. ³For manual transmission only. ⁴Restrictions apply to the use of child seats, please consult your vehicle user manual or Vauxhall Retailer.

⁵A dedicated T-Track adapter (Thule 697-4 or Thule 697-6) is required for the installation of specific roof boxes, contact your local Vauxhall Retailer for details.

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Grandland Design 1.5 (130PS) Turbo D auto (CO₂ emissions 136g/km)

On-the-road RRP	£28,310.00
Deduct: Vehicle Excise Duty	(£180.00)
New vehicle first registration fee	(£55.00)
Effective list price	£28,075.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£28,675.00
Car benefit charge 2021-22 tax year (31%)	£8,890.00
Benefit in kind tax liability (2021-22 tax year)	
Basic Rate (20%) tax payer	£1,778.00
Higher Rate (40%) tax payer	£3,556.00

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570-£14,667 Starter Rate 19%
- Over £14,667-£25,296 Basic Rate 20%
- Over £25,296-£43,662 Intermediate Rate 21%
- Over £43,662-£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Percentage of cars price to be taxed 2021-22 tax year
Up to 50	13%
51-54	14%
55-59	15%
60-64	16%
65-69	17%
70-74	18%
75-79	19%
80-84	20%
85-89	21%
90-94	22%
95-99	23%
100-104	24%
105-109	25%
110-114	26%
115-119	27%
120-124	28%
125-129	29%
130-134	30%
135-139	31%
140-144	32%

Email: vauxhallspecialvehicles@vauxhall.co.uk

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/Plug-in HYBRID-e models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	First year rate Petrol/Diesel	Standard rate Petrol/Diesel	Standard rate Electric
A	0	£0	£0	£0
B	1-50	£10	£155	£0
C	51-75	£25	£155	£0
D	76-90	£115	£155	£0
E	91-100	£140	£155	£0
F	101-110	£160	£155	£0
G	111-130	£180	£155	£0
H	131-150	£220	£155	£0
I	151-170	£555	£155	£0
J	171-190	£895	£155	£0
K	191-225	£1,345	£155	£0
L	226-255	£1,910	£155	£0
M	Over 255	£2,245	£155	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, for Plug-in HYBRID-e models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

- Air conditioning
- Steering wheel mounted audio controls
- 60/40 split-folding rear seat back
- Chrome-effect interior door handles
- Luggage compartment cover
- Chrome-effect instrument rings
- Leather-covered steering wheel
- Fold-flat front passenger seat with armrest
- Front-seat back pockets
- Two foldable tables with cupholders
- Electronic parking brake

Exterior convenience/styling:

- Nearside and offside sliding side-access door with opening windows
- Tailgate with opening heated rear window and wiper
- Body-colour front and rear bumpers
- Body-colour side protection mouldings
- Body-colour door handles and side-access door rail covers
- Body-colour door mirrors
- Front fog lights
- 16-inch alloy wheels
- Emergency tyre inflation kit

- Electrically adjustable/foldable/heated door mirrors
- Sight and Light Pack
 - Rain-sensitive windscreen wipers
 - High beam assist
- Electrically operated front and rear windows
- Dark-tinted rear windows
- Panoramic rear-view camera
- LED daytime running lights

Safety/security:

- Rear parking distance sensors
- Automatic emergency braking with pedestrian detection
- Electronic stability programme with traction control
- Anti-lock braking system
- Forward collision alert
- Emergency brake assist
- Lane departure warning with lane keep assist
- Automatic lighting control
- Cruise control with speed limiter
- Speed sign recognition
- Six airbags
- Driver drowsiness system
- Tyre pressure monitoring system

SE 7-seat

OTR from £30,110*

7-seat models additionally feature:

- Two individual split-folding and removable third-row seats
- Sliding facility for third-row seats (XL models only)

*Price shown is after allowing for PiCG (Plug-in Car Grant).

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted as at 23 November 2021.

#The Combo-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). New Combo-e Life is expected to be a qualifying model for this grant subject to acceptance by OZEV. Please check with your Retailer for latest status. The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

New Combo-e Life is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

Safety

Standard Features – The following features are standard across the entire Combo-e Life range.

Airbags

- Driver's airbag
- Front passenger's airbag
- Two front seat side-impact airbags
- Full-size curtain airbags

Seating

- Three height adjustable rear seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Automatic emergency braking – The system works automatically in conjunction with forward collision alert, at speeds between 3mph and 70mph, and detects both vehicles and pedestrians. If no avoiding action is taken by the driver, at speeds below 19mph the system automatically slows the vehicle to a full stop with emergency braking of 0.9g. At speeds from 19mph to 70mph it brakes automatically to reduce speed by a maximum of 30mph – to reduce speed even further the driver must brake themselves

- Anti-lock Braking System (ABS)
- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Engine drag torque control – Improves directional stability by preventing the driven wheels from locking on slippery surfaces under the influence of engine braking
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control
- Drag torque control – Maintain stability on slippery roads when lifting off the accelerator or changing gear

Tyre pressure

- Tyre pressure monitoring system

Automatic emergency braking.

ISOFIX child seat mountings.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Cruise control with speed limiter

With steering wheel mounted controls. Enables you to maintain a constant speed, making it ideal for economical motorway driving.

Steering

- Speed sensitive electrically assisted power steering
- Reach and rake adjustable steering column

Front camera system

A range of class-leading driver assistance and safety features are controlled by the front camera system

Parking sensors

- Rear parking distance sensors

Forward collision alert

The system operates automatically from 3mph and gives an audible warning as well as a visual warning when approaching another vehicle too quickly

Speed sign recognition

Detects and then displays speed limits, reducing uncertainty and the risk of speeding.

- Recognises different speed signs, including temporary speed restrictions
- Displays reminder in the instrument cluster

Driver drowsiness system

The system monitors driving time and driving behaviour to help prevent accidents caused by tiredness.

Lane departure warning with lane keep assist

If the driver has not actively steered or signalled, the lane departure warning system provides gentle steering correction and warns when the car moves outside of lane markings at speeds above 40mph.

- Warning light in instrument cluster
- Audible warning
- Facia on/off switch

Wipers

- Intermittent rear window wash/wipe
- Magic Wash System – Mounted in the front windscreen wipers, Combo-e Life models benefit from our innovative windscreen wash system, designed to more effectively distribute water and reduce wastage. Using nozzles located above the wiper blades, fluid is distributed as the wiper sweeps the windscreen. This avoids the ‘temporary blindness’ of more conventional bonnet mounted systems between fluid release and wiper sweeping, improving visibility

Convenience

Standard Features – The following features are standard across the entire Combo-e Life range. Specific features by model are outlined in the separate tabular information.

Interior Convenience

- Front 12-volt electrical accessory socket
- Driver’s sun visor incorporating vanity mirror with cover
- Dipping rear-view mirror
- Steering wheel mounted audio controls
- Front and rear USB connection

Interior Storage

- Two facia-mounted drinks holders
- Two drinks holders in centre console
- Large open storage pocket behind infotainment screen
- Interior courtesy light
- Front map reading lights
- Luggage compartment lighting
- Small open storage compartment behind gear knob
- Two front large and small door pockets
- Two rear door pockets
- Open storage compartment below glovebox
- Full-width overhead storage shelf with ambient lighting

Luggage Area

- Luggage compartment cover
- Illuminated load area
- Fully carpeted load area
- Interior tailgate handle
- Four load restraint lashing eyes
- Twin gas-assisted tailgate struts

Infotainment

Standard Features

Multimedia with 8-inch touchscreen (IO5) Standard on Combo-e Life SE models

Onboard features:

- AM/FM stereo radio • DAB Digital radio
- RDS with Traffic Programme • Four speakers

Media connections:

- Apple CarPlay • Android Auto™
- Smartphone projection
- USB connection

Mobile phone portal:

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access

Additional features:

- 8-inch colour touchscreen
- Steering wheel mounted audio controls
- Flexible roof-mounted aerial

Vauxhall Connect*

Standard on Combo-e Life SE models

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

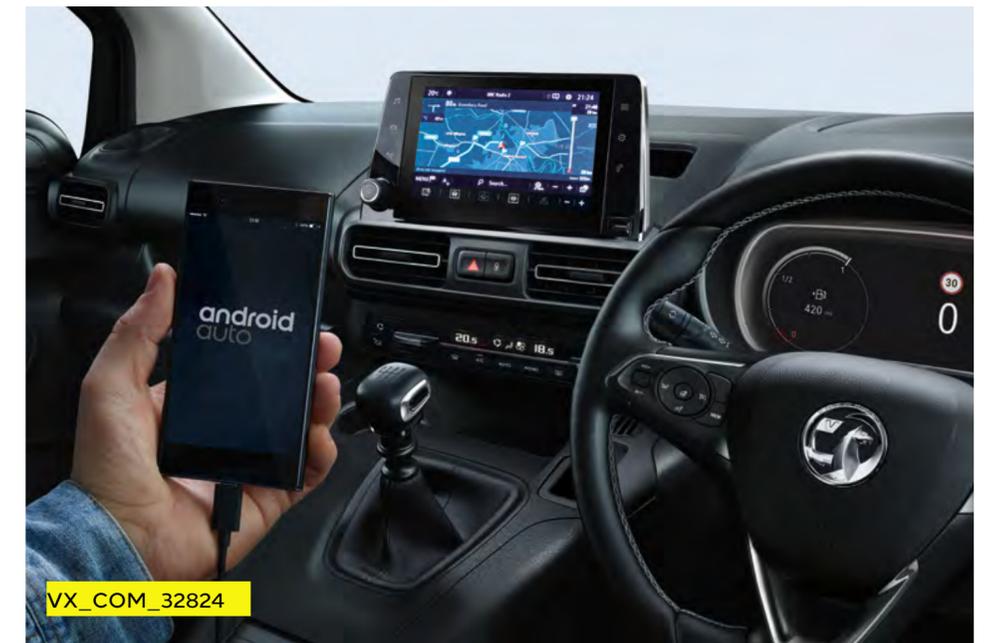

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

Multimedia Navi Pro with 8-inch touchscreen (IO6) Optional on Combo-e Life SE models at £460 inc. VAT

Features as Multimedia, with the addition of:

- Satellite navigation system

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the Multimedia systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc, also registered in the U.S. and other countries. *Services may require a subscription/fee and are subject to mobile network coverage and availability. Live navigation services are included for 3 years and thereafter are subject to an additional subscription fee. Only available on models with satellite navigation.

Please note, Android smartphone projection illustrated on 8-inch colour touchscreen on Multimedia Navi Pro audio unit.

Interior Styling and Comfort

Combo-e Life SE

Steering wheel:

- Three-spoke flat-bottomed design
- Heated leather-covered
- Satin chrome-effect bezel

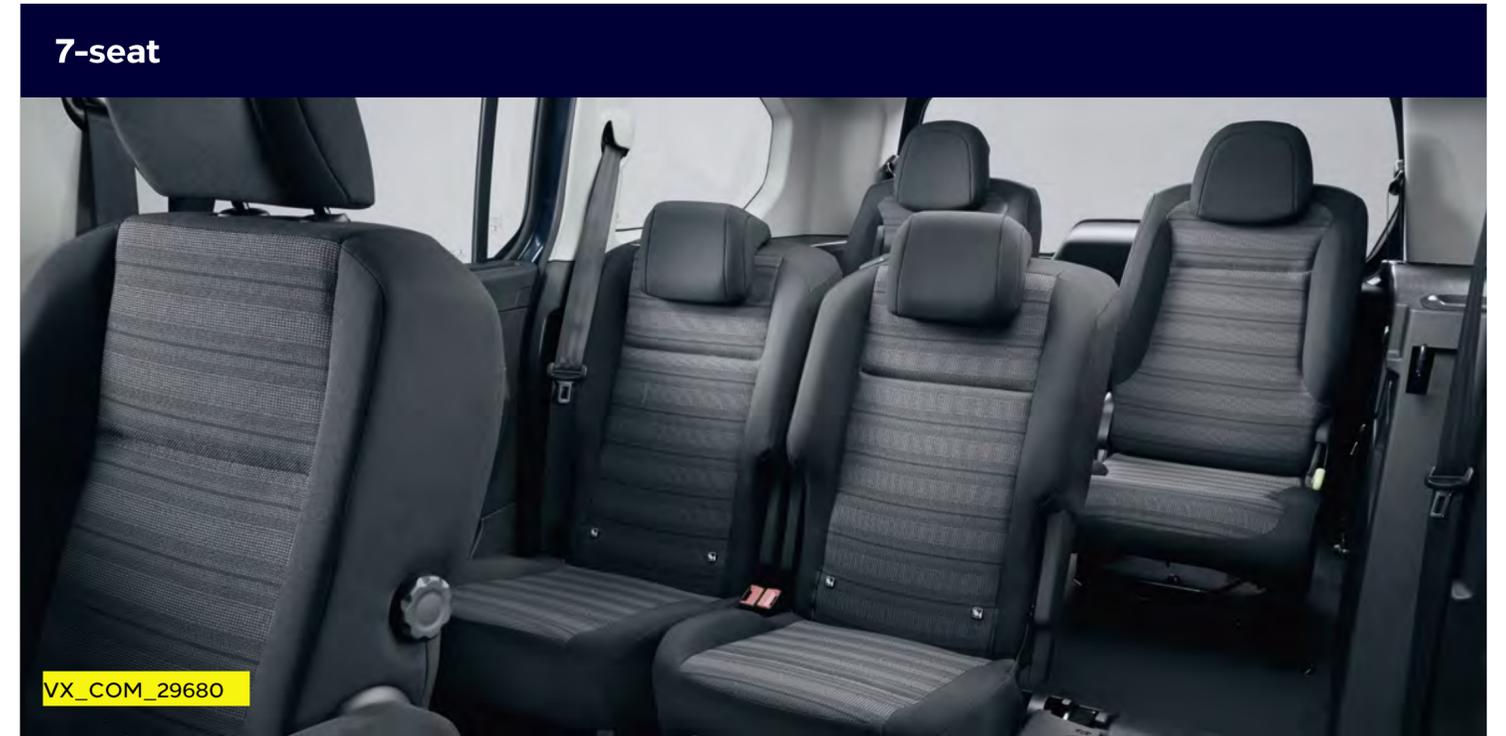

Seat trim:

- Mistral grey with fabric seat trim inserts

Front seating:

- Driver's seat (six-way adjustable):
 - Height - Reach - Backrest
 - Manual lumbar adjustment - Armrest
 - Under seat storage - Head restraint
- Passenger's Seat (four-way adjustable):
 - Reach - Backrest - Head restraint
 - Fold flat facility

Combo-e Life Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

VX_COM_e_31963

Drivetrain	Combo-e Life	
CO ₂ emissions	0g/km	
Maximum power	100/136kW/PS

Combo-e Life Specifications*

Charging

Combo-e Life comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Combo-e Life models or with optional Navi Pro).

Charging

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Combo-e Life SE (5-seat) 100kW (136PS) auto – 50kWh battery (CO₂ emissions 0g/km)

On-the-road RRP	£31,110.00
Deduct: Vehicle Excise Duty	(£0.00)
New vehicle first registration fee	(£55.00)
Effective list price	£31,055.00
Add: Optional two-coat metallic paint	£570.00
List price for tax purposes (P11D value)	£31,625.00
Car benefit charge 2021–22 tax year (1%)	£317.00
Benefit in kind tax liability (2021–22 tax year)	
Basic Rate (20%) tax payer	£63.40
Higher Rate (40%) tax payer	£126.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

**Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021–22 tax year
0	–	1%
1–50	130+	1%
1–50	70–129	4%
1–50	40–69	7%
1–50	30–39	11%
1–50	<30	13%

To calculate your own personal liability, search: **Vauxhall BiK**, or click the link below: [Vauxhall BiK Tool](#)

Company Car Driver Free 3 Day Test Drive

Call: 01582 409999 (8:30am–5:00pm)

Email: vauxhallspecialvehicles@vauxhall.co.uk

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	Standard rate Electric
A	0	£0
B	1-50	£0
C	51-75	£0
D	76-90	£0
E	91-100	£0
F	101-110	£0
G	111-130	£0
H	131-150	£0
I	151-170	£0
J	171-190	£0
K	191-225	£0
L	226-255	£0
M	Over 255	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Combo-e life models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue[®] Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums

WLTP figures are based on a configured vehicle as per pack code for UK with no options fitted.

[#]The Vivaro-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard paint price. Price has been calculated using manufacturer estimates and includes a £1,500.00 OZEV grant which has been deducted from the price of the vehicle (OZEV Grant not available in the Isle of Man). The grant is a government incentive and is subject to withdrawal prior to delivery of your vehicle. Retailers may be required to carry out more than one credit check during the course of the order process. You may be required to place a deposit when placing your order with your supplying Retailer. In the event of a price change, deposit refunds will be governed by your supplying Retailer's policy and as such must be discussed with the supplying Retailer.

Vivaro-e Life is not covered by our Price Protection Guarantee. See 'Further Information' page for details.

*Elite is not eligible for the plug-in car grant.

Safety

Standard Features – The following features are standard across the entire Vivaro-e Life range.

Airbags

- Driver's airbag • Front passenger's airbag
- Two front seat side-impact airbags
- Full-size curtain airbags for driver and front and outer rear seat passengers
- Full-length curtain airbags second- and third-row seating (Long wheel base models only)

Seating

- Height-adjustable front seat head restraints

Seatbelts

- Lap and diagonal inertia-reel seatbelts (height-adjustable front)
- Front body-lock diagonal seatbelt pretensioner system.
- Drivers and front passenger's lap belt pretensioner system
- Front seatbelt force limiters
- 'Seatbelt unfastened' audible warning and warning light

Braking

- Anti-lock Braking System (ABS)
- Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance

- Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel
- Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline

Child safety

- Deactivation switch for front passenger's front and side-impact airbags
- ISOFIX child seat mountings incorporating top tether anchor points located on second-row rear seats (does not include child seat) – Allows ISOFIX child safety seats to be securely fixed into the car. The ISOFIX mounting system reduces forward movement in an accident and makes the child seat easier to install
- Child-proof locks on rear doors

Stability

- Electronic Stability Programme (ESP) – ESP monitors many different inputs to determine when the car starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability

Additional ESP features

- Traction control
- Cornering brake control
- Straight line stability control

Tyre pressure

- Tyre pressure monitoring system

Vauxhall driver assistance systems are intended to support the driver within the system-imminent limitations. The driver remains responsible for the driving task at all times.

Driver drowsiness system (see next page for feature description).

ISOFIX child seat mountings.

Lane departure warning (see next page for feature description).

Driver Assistance

Standard Features – The following features are standard across the entire Vivaro-e Life range.

- Ten speakers

Vauxhall Connect**

e-Call and b-Call:

Help when you need it, 24/7, 365 days a year, that's what you get with new Vauxhall Connect. In an emergency or breakdown, you'll be put in touch with a trained advisor, with just the touch of a button.

Live Navigation Plus and more:

You can also access live navigation services, receive regular vehicle diagnostic info plus there's a host of remote convenience features available through the MyVauxhall app.

- **Peace of mind:** emergency call, breakdown call and regular vehicle status and information
- **Convenience:** remote functions (e.g. lock/unlock the door).
- **Our additional services for electric vehicles:** trip planning, remote settings or public charging solutions – we keep you going!
- **Smart driving:** enjoy a relaxed ride thanks to live navigation and trip management
- **Traffic alerts:** Live Navigation Plus introduces speed camera, traffic light camera and accident hotspot alerts

Specifications*

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park
- Reverse
- Neutral
- Drive
- Braking (for increased regenerative braking)

Drive Mode Selector

The driver can determine the driving style through selecting one of the following modes:

- **Power:** with high power reserves for the highest top speed and torque. Recommended at full capacity
- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency. WLTP range is validated in this mode
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

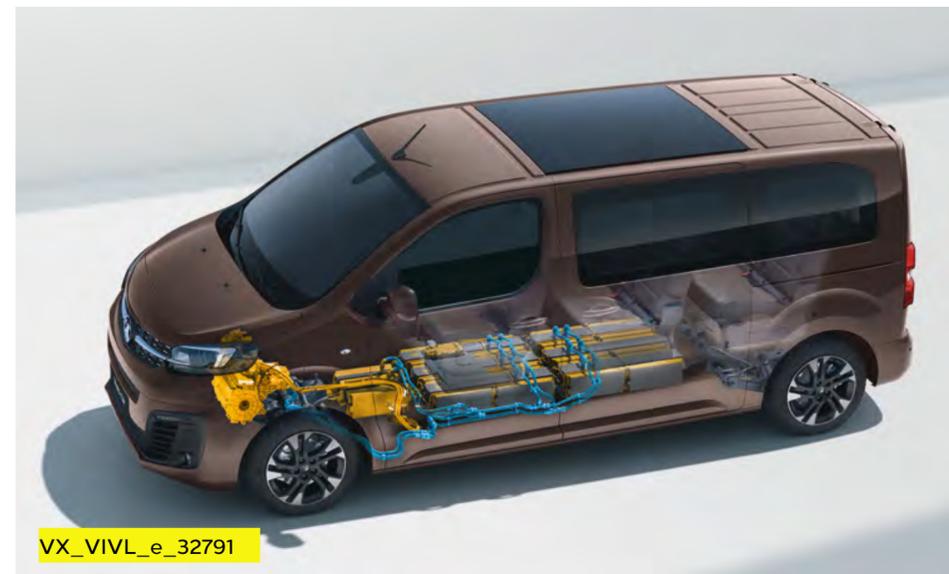

Braking

Energy recuperation

The regenerative braking system works when the vehicle is in motion, energy created by the resistance of the brakes against the drivetrain is converted into DC voltage to partially recharge the battery. The driver can also engage braking mode through the drive selector to increase the level of energy recuperation.

Single foot driving experience

The system not only utilises the energy when the brakes are being used, but also engages when the vehicle is coasting, recovering more energy and enabling single foot driving as the brakes automatically engage when the throttle pedal is released.

VX_VIVL_e_32791

Drivetrain	Vivaro-e Life	
CO ₂ emissions	0g/km	
Maximum power	100/136kW/PS	
Maximum torque	260/192Nm/lb. ft.	
Acceleration 0-62mph	13.1 sec	
Maximum speed	81mph	
Transmission	Automatic electric drive with fixed gear ratio	
Service interval	Every 25,000 miles or 2 years (whichever comes sooner). Initial inspection at 12,500 miles or 1 year (whichever comes sooner)	
Electric range	143 miles (WLTP preliminary)	
Weights kg	L Combi 9-seater	L Elite 8-seater
Gross vehicle weight	3030	2965

The Vivaro-e Life is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

*Provisional data.

Specifications*

Charging

Vivaro-e Life comes fitted with an 7.4kW on-board charger and mode 3 cable. An 11kW on-board charger is available as an extra cost option.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App (standard with all Vivaro-e Life models or with optional Multimedia Navi Pro).

Charging		
Supply	Socket	Charge Time (0-100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	21h 45m
AC current – Home wallbox or public charger (7kW)	Type 2	7h 30m

Company Car Driver and Fleet Information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Example:

Vivaro Life Combi M 100kW (136PS) auto – 50kWh battery (CO₂ emissions 0g/km)	
On-the-road RRP	£31,795.00
Deduct: Vehicle Excise Duty	(£0)
New vehicle first registration fee	(£55.00)
Effective list price	£31,740.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£32,340.00
Car benefit charge 2021–22 tax year (1%)	£324.00
Benefit in kind tax liability (2021–22 tax year)	
Basic Rate (20%) tax payer	£64.80
Higher Rate (40%) tax payer	£129.60

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
 **Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570–£14,667 Starter Rate 19%
- Over £14,667–£25,296 Basic Rate 20%
- Over £25,296–£43,662 Intermediate Rate 21%
- Over £43,662–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

CO ₂ emissions (g/km)	Electric range (miles)	Percentage of cars price to be taxed 2021–22 tax year
0	–	1%
1–50	130+	1%
1–50	70–129	4%
1–50	40–69	7%
1–50	30–39	11%
1–50	<30	13%

To calculate your own personal liability, search: **Vauxhall BiK**, or click the link below: [Vauxhall BiK Tool](#)

Further Information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available.

Please note: Price protection does not apply to electric/hybrid models. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Free2Move Lease

Whether you're a big company or a small business looking for vehicle financing, Free2Move Lease, our business finance specialists, can deliver exactly what you need.

Free2Move Lease is one of the UK's largest leasing companies and is also a member of the British Vehicle Rental and Leasing Association (BVRLA).

With over 60,000 vehicles in the Free2Move Lease portfolio, Free2Move Lease is able to offer competitive vehicle solutions. In addition, Free2Move Lease also offer innovative connected management of servicing and maintenance.

For further information, please contact your local Vauxhall Retailer or visit vauxhall.co.uk/offers-finance/business-leasing.html

Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £335 is payable for the first five years of standard rate payments.

Vehicle Excise Duty*

Band	CO ₂ emissions in grams per kilometre	Standard rate Electric
A	0	£0
B	1-50	£0
C	51-75	£0
D	76-90	£0
E	91-100	£0
F	101-110	£0
G	111-130	£0
H	131-150	£0
I	151-170	£0
J	171-190	£0
K	191-225	£0
L	226-255	£0
M	Over 255	£0

*Correct at time of issue.

Further Information

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on Vivaro-e life models the cover is extended* to 8 years or 100,000 miles, whichever comes first. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free** phone call away, 24 hours a day, 365 days a year!

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see vauxhall.co.uk/recycling

Vauxhall Care

This all-inclusive service package is available on Vauxhalls under 10 months old (from date of first registration).

This package offers complete peace of mind for the first 3 years of your Vauxhall's life with fixed monthly payments for the plan duration.

- **3 years' Vauxhall servicing** – covers first, second and third annual services. Including a brake-fluid change in the second service
- **2 years' Vauxhall Roadside Assistance** – first year from us
- **First years' MOT[†]** – free of charge by your local Vauxhall Retailer

For full terms and conditions and to sign up, visit: vauxhall.co.uk/vauxhallcare

Vauxhall Service Club

Vauxhall Service Club is available for all Vauxhall owners, and it's free to join. Members benefit from the following:

- 15% off Vauxhall Approved Accessories
- Vauxhall's aged 2-3 Years = 15% off parts and labour
- Vauxhall's aged over 3 Years = 25% off parts and labour
- Half price MOT's (NI excluded)
- Free pre-MOT test inspection (NI only)
- Fixed price AdBlue® Refills
 - Car = £14.99
 - Van = £24.99
- Access to the Vauxhall Accident Management Programme
- Online service booking available 24/7 with servicing appointments available within 3 days – [Book Online](#)
- Collection and delivery/onward mobility options
- Complimentary 'Wash and Vac' with all routine services^{††}
- Vauxhall trained technicians
- Genuine Vauxhall parts
- Minimum 12 months warranty on parts and labour
- Regular newsletters with exclusive offers, discounts and competitions

Terms and conditions apply. To join visit: vauxhall.co.uk/serviceclub

Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for five years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer[‡]
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover
