Vauxhall on-the-road recommended retail prices (RRP)

To eliminate uncertainty about hidden costs incurred when buying a new commercial vehicle, Vauxhall publishes on-the-road prices and these are shown in the pricing tables within this price guide. The prices shown are manufacturer's recommended retail prices (RRP) unless otherwise stated, exclusive of VAT (currently at a rate of 20% which may be payable). These prices include the recommended cost of number plates, delivery to a Vauxhall Retailer of £583.33 (£700.00 including VAT), 12 months' Government Vehicle Excise Duty* (shown on each model page) and the DVLA new vehicle first registration fee of £55.00*.

Please note: The RRP does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and customer.

*Correct at time of publication.

Price protection for all Vauxhalls

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new commercial vehicle, but you must take delivery as soon as the commercial vehicle is available. General Motors UK Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

1.3CDTi (95PS) Start/Stop	14316.67	15185.00	68.9 (4.1)	108	1257	543

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded. Roof load should not exceed 75kg.

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

The unglazed Combo Crew van is classified as a Commercial Vehicle (Category N) for VAT purposes and appears on HMRC's list of vans with rear seats. As such, businesses purchasing this vehicle may be able to reclaim the VAT subject to the usual rules surrounding VAT recovery. The glazed crew van is not pre-approved for VAT reclaimable status and it is advisable that customers consult their local HMRC Office or visit www.hmrc.gov.uk for further details.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. UK Specification adds radio and deadlocks to base vehicle reducing payload by 10kg. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded. Roof load should not exceed 100kg on H1 models including the weight of the roof rack/carrier. H2 models are not permitted to carry roof load

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

The Combo Colorado is a fully glazed crew van without bulkhead suitable for conversion into a wheelchair accessible vehicle by a third-party Convertor. The Colorado includes basic Type Approval for registration as a Category N** Commercial Vehicle and 2nd stage Type Approval must be completed by the Convertor to enable registration. Available as an L2 H1 the Colorado is fitted with the highly efficient and economical 1.3CDTi (95PS) engine and includes second-row seats and interior trim.

** = As a Category N Commercial Vehicle, the Colorado is subject to speed restrictions not applicable to a Passenger Vehicle. Please consult the DVSA website for further details.

The air conditioning in vehicles with N1 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. It contains a quantity of overall 450g of R 134a, which corresponds to a CO₂ equivalent of 0.64 tons. The global warming potential amounts to 1430. Information acc. to R (EU) No. 517/2014

S/S = Start/Stop.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 exc. VAT (£700.00 inc. VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances. Payload figures do not allow for the weight of the driver, or any passengers, which should therefore be deducted from the figures shown. UK Specification adds alarm pre-wiring, DAB radio and deadlocks to base vehicle adding 15kg. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded. Roof load should not exceed 200kg (150kg on H2 models) including the weight of the roof rack/carrier.

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 exc. VAT (£700.00 inc. VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance. VAT reclaimable status requires a 1-tonne payload for Doublecabs according to HMRC. This payload calculation should take into consideration local UK Specification and Trim Level. Details enabling this determination are shown in the notes immediately below the weight tables shown in brochures. Ordered options may also impact available payload. Regarding VAT reclaimable status it is advisable that customers consult their local HMRC office or visit www.hmrc.co.uk for further details.

○= Optional at extra cost. ●= Standard equipment. N/C=No-cost option.

1 = Not available on H2 models. Only available in conjunction with Lighting Pack (standard models) or Sight and Light Pack (Sportive models). 2 = Not available when Ink Blue paint is specified. 3 = H2 models are only available with Appearance Pack when Glacier White or Platinum Silver colours are specified. 4 = Mandates single passenger seat. 5 = Mandates one-touch electrically operated windows. 6 = Start/Stop models only. Only available in conjunction with electronic climate control and one-touch facility for electrically operated front windows. 7 = Only available in conjunction with R 16 BT USB audio unit. Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. 8 = Not available with FlexCargo bulkhead. Sportive models will be supplied with full-height steel bulkhead when this option is specified. 9 = Only available in conjunction with either driver and front passenger's curtain airbags and driver's side-impact airbag or single front passenger's seat with driver and front passenger's curtain and side-impact airbags. 10 = Only available in conjunction with Lighting Pack (standard models) or Sight and Light Pack (Sportive models). 11 = Unless the user qualifies for a specific exemption, vehicles operated with a trailer, where the combined weight of the vehicle, trailer and payload exceeds 3500kg, will need a digital tachograph. For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. 12 = Only available with glazed rear doors or tailgate options. 13 = Special paint available at extra cost. Please consult your retailer for details. Restrictions apply and minimum quantity may be required. Fleet customers should contact their Vauxhall fleet sales manager. 14 = Not available with tailgate option. 15 = Only available in conjunction with resin-coated laminate plywood load floor covering and full-height load panels. 16 = Vario racking systems are not available on Doublecab models or in conjunction with floor covering, offside sliding side-access door or tailgate options. Pack Two is also unavailable with load lining options. 17 = Only available with glazed bulkhead options. 18 = Not available on H2 models. 19 = Excludes L2 Combi models. 20 = Combi models are fitted with four speakers. 21 = R 16 BT USB audio unit with FLEXDOCK tablet docking system available in lieu of CD 18 BT USB.

The air conditioning in vehicles with N1 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. The front system contains a quantity of overall 580g of R 134a, which corresponds to a CO₂ equivalent of 0.83 tons. The front and rear system contains a quantity of overall 890g of R 134a, which corresponds to a CO₂ equivalent of 1.27 tons. The global warming potential amounts to 1430. Information acc. to R (EU) No. 517/2014.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty at £230.00 (£165.00 on 4500kg models) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

S/S = Start/Stop.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance). Payload figures do not allow for the weight of the driver, any passengers, or UK Specification (10kg) and should be deducted from all figures. Also Payload figures do not allow for deletable options such as Bulkhead (25kg); Sliding Doors (30kg each) or Spare Wheel (25kg), which should be deducted as appropriate. Please note that the Premium Pack adds 25kgs with a corresponding decrease in payload. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

All conversions must follow 'Vauxhall Convertor Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Two glazed load area roof panels (L2 H2, L3 H2 and L4 H2 models)	○		510.00
Rear bumper with integral step (standard on RWD models)	○	○	260.00

○= Optional at extra cost. ●= Standard equipment. N/C=No-cost option.

1 = Advanced Safety Assist Pack is not available when optional Lighting Pack is specified. **2** = Not available with front passengers' airbag, single front passenger's seat or vinyl seat trim options. **3** = Not available with vinyl seat trim. **4** = Unless the user qualifies for a specific exemption, vehicles operated with a trailer, where the combined weight of the vehicle, trailer and payload exceeds 3500kg, will need a digital tachograph. For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. **5** = Not available with Convenience Pack option. **6** = Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. **7** = Not available with air-suspended driver's seat options. **8** = Not available when the Construction Pack is specified. **9** = Not available on L2 doublecab models or in conjunction with vinyl trim. **10** = Only available in conjunction with comfort or air-suspended driver's seat options. **11** = Manual models only. Single turbo FWD, not available with air conditioning or electric climate control options. BiTurbo FWD and all RWD, only available with air conditioning or electric climate control options. **12** = Not available with increased engine idle speed option. **13** = Not available in conjunction with digital tachograph. Requires six-pin connector and CANbus. **14** = Individual rear parking distance sensors and rear-view camera options are only available together as a combined option. **15** = Not available on 2800 Panel Van models. **16** = Special paint available at extra cost. Please consult your retailer for details. Restrictions apply and minimum quantity may be required. Fleet customers should contact their Vauxhall fleet sales manager. **17** = Not available with full-height plywood load lining. **18** = Includes wheel arch protection. Mandates resin-coated plywood load floor covering, not available with glazed side-access door(s). **19** = Not available with side-mounted anchorage points. **20** = FWD models only. **21** = Not available when the resin-coated load floor or load protection net options are specified. **22** = Not available when half or full-height load lining/trim options are specified. **23** = L2 and L3 models only. Not available on 4500kg models. **24** = Not available on L1 models.

The air conditioning in vehicles with N1, N2 or M2 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. The front system contains a quantity of overall 580g of R 134a, which corresponds to a CO₂ equivalent of 0.83 tons. The front and rear system in versions with up to 9 seats contains a quantity of overall 1100 g of R 134a, which corresponds to a CO₂ equivalent of 1.57 tons. The front and rear system in versions with more than 16 seats contains a quantity of overall 1700 g of R 134a, which corresponds to a CO₂ equivalent of 2.43 tons. The global warming potential amounts to 1430.

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty (£230.00) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance). Payload figures do not allow for the weight of the driver, any passengers, or UK Specification (10kg) and should be deducted from all figures. Also Payload figures do not allow for deletable options such as Bulkhead (25kg); Sliding Doors (30kg each) or Spare Wheel (25kg), which should be deducted as appropriate. Please note that the Premium Pack adds 25kgs with a corresponding decrease in payload. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

All conversions must follow 'Vauxhall Converter Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option.

1 = Not available when optional Lighting Pack is specified. **2** = Not available with front passengers' airbag, single front passenger's seat or vinyl seat trim options. **3** = Not available on R4500 models or when the Advanced Safety Assist Pack is specified. **4** = Not available with vinyl seat trim. **5** = Unless the user qualifies for a specific exemption, vehicles operated with a trailer, where the combined weight of the vehicle, trailer and payload exceeds 3500kg, will need a digital tachograph. For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. **6** = Not available with Convenience Pack option. **7** = Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. **8** = Not available with air-suspended driver's seat options. **9** = Not available when the Construction Pack is specified. **10** = Only available in conjunction with comfort or air-suspended driver's seat options. **11** = Manual models only. Single turbo FWD, not available with air conditioning or electric climate control options. BiTurbo FWD and all RWD, only available with air conditioning or electric climate control options. **12** = Only available on F3500 L2 and L3 models. Not available in conjunction with digital tachograph. Requires six-pin connector and CANbus. **13** = Long arm exterior mirrors should be applied to any vehicle with an overall width of 2.17 to 2.35 metres. **14** = Special paint available at extra cost. Please consult your retailer for details. Restrictions apply and minimum quantity may be required. Fleet customers should contact their Vauxhall fleet sales manager.

The air conditioning in vehicles with N1, N2 or M2 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. The front system contains a quantity of overall 580g of R 134a, which corresponds to a CO₂ equivalent of 0.83 tons. The front and rear system in versions with up to 9 seats contains a quantity of overall 1100 g of R 134a, which corresponds to a CO₂ equivalent of 1.57 tons. The front and rear system in versions with more than 16 seats contains a quantity of overall 1700 g of R 134a, which corresponds to a CO₂ equivalent of 2.43 tons. The global warming potential amounts to 1430. Information acc. to R (EU) No. 517/2014

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £583.33 (exc. VAT), 12 months' Vehicle Excise Duty at £230.00 (£165.00 on 4500kg models) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

= Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors.

* = Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance). Payload figures do not allow for the weight of the driver, any passengers, or UK Specification (10kg) and should be deducted from all figures. Also Payload figures do not allow for deletable options such as Bulkhead (25kg); Sliding Doors (30kg each) or Spare Wheel (25kg), which should be deducted as appropriate. Please note that the Premium Pack adds 25kgs with a corresponding decrease in payload. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option.

1 = Not available when optional Lighting Pack is specified. **2** = Not available with front passengers' airbag, single front passenger's seat or vinyl seat trim options. **3** = Not available on R4500 models or when the Advanced Safety Assist Pack is specified. **4** = Not available with vinyl seat trim. **5** = Unless the user qualifies for a specific exemption, vehicles operated with a trailer, where the combined weight of the vehicle, trailer and payload exceeds 3500kg, will need a digital tachograph. For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. **6** = Not available with Convenience Pack. **7** = Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. **8** = Not available with air-suspended driver's seat options. **9** = Not available with Construction Pack. **10** = Single front passenger's seat is standard on R3500 HD crew cab tipper models. **11** = Only available in conjunction with comfort or air-suspended driver's seat options. **12** = Manual models only. Single turbo FWD, not available with air conditioning or electric climate control options. BiTurbo FWD and all RWD, only available with air conditioning or electric climate control options. **13** = Only available on F3500 L2 and L3 models. Not available in conjunction with digital tachograph. Requires six-pin connector and CANbus. **14** = Long arm exterior mirrors should be applied to any vehicle with an overall width of 2.17 to 2.35 metres. **15** = Not available on L2 H1 R4500HD or L2 Crew cab models. Only available when single front passenger seat options are specified on L4 Crew cab models. **16** = Must be specified if a tail lift (with appropriate individual type approval) is to be fitted. **17** = Special paint available at extra cost. Please consult your retailer for details. Restrictions apply and minimum quantity may be required. Fleet customers should contact their Vauxhall fleet sales manager.

The air conditioning in vehicles with N1, N2 or M2 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. The front system contains a quantity of overall 580g of R 134a, which corresponds to a CO₂ equivalent of 0.83 tons. The front and rear system in versions with up to 9 seats contains a quantity of overall 1100g of R 134a, which corresponds to a CO₂ equivalent of 1.57 tons. The front and rear system in versions with more than 16 seats contains a quantity of overall 1700 g of R 134a, which corresponds to a CO₂ equivalent of 2.43 tons. The global warming potential amounts to 1430. Information acc. to R (EU) No. 517/2014

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to retailer of £700.00 (inc. £116.67 VAT), 12 months' Vehicle Excise Duty (£300.00 on BiTurbo models, £355.00 on 110PS models) and new vehicle first registration fee of £55.00. Excludes fuel and insurance.

Note: Kerbweights are minimum vehicle kerbweight according to European Type Approval and include all fluids, tools and a 90% fuel load. They will vary according to the vehicle specification (including options and accessories) with a corresponding variation in payload. Kerbweights are also subject to manufacturing tolerances (EU Legislation allows 5% tolerance). Payload figures do not allow for the weight of the driver, any passengers, or UK Specification (10kg) and should be deducted from all figures. Also Payload figures do not allow for deletable options such as Bulkhead (25kg); Sliding Doors (30kg each) or Spare Wheel (25kg), which should be deducted as appropriate. Please note that the Premium Pack adds 25kgs with a corresponding decrease in payload. Gross plated weights (including axle weights) quoted on the vehicle plate are to UK plated weight specification and must never be exceeded.

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under www.vauxhall.co.uk/blueinjection. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

Movano Trabus feature highlights:

- Type-approved for Euro VI Category M emissions
- Driver's airbag
- Electronic stability programme
- Six-way adjustable driver's seat with armrest
- Dual front passengers' bench seat with dump latch facility
- Pulse cloth trim for front seats
- Digital Tachograph
- 62mph hardcoded Speed Limiter
- Front fog lights
- High beam assist
- Lane departure warning
- Multi-function trip computer
- Bulkhead not fitted
- Digital radio/CD/MP3 CD player/stereo radio/aux-in socket/Bluetooth® connectivity for compatible mobile phones/USB connectivity/integrated display/four 15-watt speakers (CD 16 DAB BT USB)
- No second or third-row seating
- Fixed windows – nearside and offside rear panels
- Selective door locking with three-button key
- Uprated battery (110Ah)
- Glazed rear doors (90/180° opening)
- Underfloor-mounted full-size spare wheel
- Centre wheel covers (full-diameter wheel covers optional)
- Nearside sliding side-access door and opposite panel with fixed windows

Please note: The Vauxhall Trabus is a fully glazed panel van without bulkhead suitable for conversion into a passenger vehicle by a third-party Converter. The Trabus includes basic Type Approval for registration as a Category M* Passenger Vehicle and 2nd stage Type Approval must be completed by the Converter to enable registration. Available in two wheelbases the Trabus is fitted with the highly efficient and economical 2.3CDTi BiTurbo (Euro VI) engine with S/S. There are no interior seats or internal trim within the load compartment.

* = M1 or M2 dependent on passenger configuration.

All conversions must follow 'Vauxhall Converter Requirements' including recommended dimensional data, detailed within Part 1, available at: www.vauxhall.co.uk/conversiondata. The weight of any fitted conversion body will have to be deducted from these figures to establish actual payload and is subject to correct weight distribution. Variations from the recommended dimensions or weights may affect the vehicle's overall centre of gravity and stability. From 29 April 2013 conversion of N1 vehicles was affected by changes to type approval – for further information refer to the VCA website (N2 vehicles were affected from 29 October 2014). For further information please contact conversions@vauxhall.co.uk

● = Standard equipment. ○ = Optional at extra cost. N/C = No-cost option.

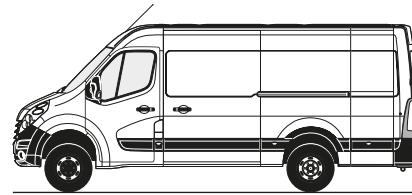

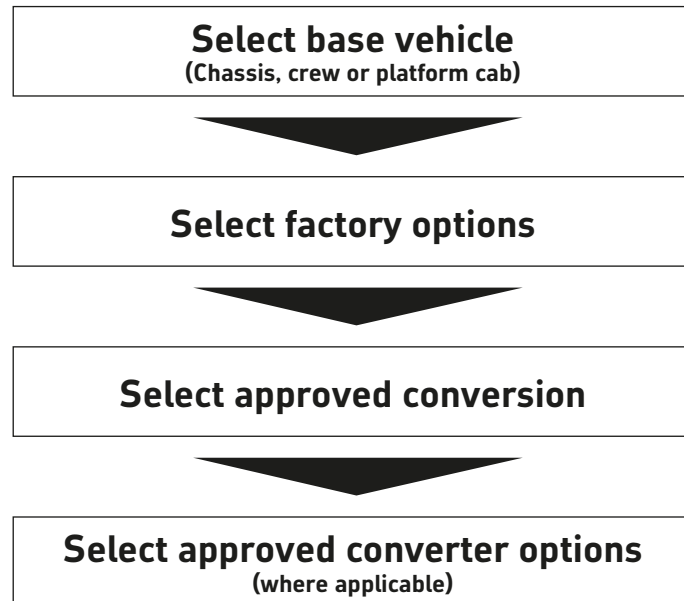

1 = Advance Safety Assist Pack is not available when optional Lighting Pack is specified. **2** = Must be specified at time of ordering as it cannot be fitted retrospectively. Vehicles fitted with tachograph include odometer display, in kilometres, replacing standard odometer display on instrument cluster. Option price for digital tachograph does not include calibration which must be carried out at an approved tachograph centre within 14 days of the vehicles registration. Please note: The legislation regarding the use of tachographs is complex and operators should seek independent advice or speak to the Commercial Vehicle specialist at your Vauxhall retailer to ensure compliance. Alternatively your local DVLA office will also be able to provide clarification of the relevant legislation. **3** = Vinyl seat trim is not available when the multi-function office bench seat is specified. **4** = Only available with 'Comfort' driver's seat option. **5** = Removable seat function for last two rows of seats. **6** = Not available when air conditioning is specified. **7** = Not available with front and rear air conditioning. **8** = L3 Trabus models only. **9** = For trailers with LED lights use genuine Vauxhall Accessory tow bars which also include trailer stability programme. **10** = Individual rear parking distance sensors and rear-view camera options are only available together as a combined option. **11** = Special paint available at extra cost. Please consult your retailer for details. Restrictions apply and minimum quantity may be required. Fleet customers should contact their Vauxhall Fleet sales manager.

The air conditioning in vehicles with N1, N2 or M2 type approval relies upon fluorinated greenhouse gases (R134a) for its functioning. The front system contains a quantity of overall 580g of R 134a, which corresponds to a CO₂ equivalent of 0.83 tons. The front and rear system in versions with up to 9 seats contains a quantity of overall 1100g of R 134a, which corresponds to a CO₂ equivalent of 1.57 tons. The front and rear system in versions with more than 16 seats contains a quantity of overall 1700 g of R 134a, which corresponds to a CO₂ equivalent of 2.43 tons. The global warming potential amounts to 1430. Information acc. to R (EU) No. 517/2014

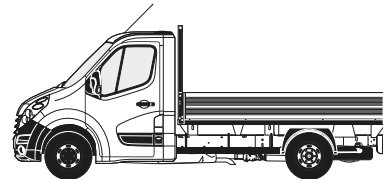

Movano One-Invoice Approved Conversions

Approved by Vauxhall for the UK Market

- All Approved Conversions are approved by Vauxhall Engineering
- These Conversions will be managed as approved 'Options' and can only be ordered via the M.S.I.T. Special Build Programme (specialbuild@gm.com)
- Warranty of Base Vehicle remains the responsibility of Vauxhall
- Warranty and Servicing of Conversion remains the responsibility of the Converter
- All Approved Conversions are supplied with EC WVTA (European Community Whole Vehicle Type Approval) from long-standing conversion partners

Customer Care

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment* that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 (Corsavan and Combo) or 100,000 (Vivaro and Movano base vehicles only) miles limitation
- Vauxhall Assistance for 12 months from first registration (conditions may apply to passenger carrier models)
- Six years' body panel anti-perforation warranty

*Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Protecting the environment

Our products are increasingly winning environmental awards, both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, including information on Design for Recycling, take-back of End-of-Life Vehicles (ELVs), and the recycling of ELVs, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators and information on whole life costs, company vehicle taxation and finance. For further information please call 0330 587 8222.

In the event of an accident...

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit vauxhall.co.uk/AccidentManagement

Vauxhall Leasing

As Vauxhall's own contract hire and fleet management operation, Vauxhall Leasing provides a one-stop-shop for competitive car and commercial vehicle leasing solutions – for business users and private individuals. Working with the Vauxhall Retailer network, we combine the support of a national contract with the convenience of a local contact. For further information, please see your local Vauxhall Retailer or call us on 0870 737 2557. Alternatively, you can visit our website at www.vauxhall-leasing.co.uk

Flexible Business Leasing

Business Lease from GMAC is a lease financing programme offering highly competitive terms on all Vauxhall Commercial Vehicles up to 12 months old. It offers all the versatility of a purchase-based finance plan but makes the most efficient use of current tax and cash-flow benefits to VAT-registered business users.

Ask your Retailer for full details, or for a written quotation on the Vauxhall Commercial Vehicle of your choice, please contact GMAC, Wesley House, 19 Chapel Street, Luton LU1 2SY. Security may be required, subject to status. Applicants must be aged 18 or over.

Vauxhall Assistance**

Vauxhall Assistance is provided automatically with every new Vauxhall Commercial Vehicle for 12 months from first registration and covers everything from accidents, mechanical breakdown to flat tyres. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

** Conditions may apply to passenger carrier models. Please consult your Vauxhall Retailer for details.

† Mobile phone users will be charged at their standard tariff.

Vauxhall Service Plan

Vauxhall Retailers offer a great service for owners of all Vauxhall vehicles. Value for money, regular offers and free check-ups, combined with the peace of mind that comes from using Vauxhall-trained technicians and genuine parts, help keep your vehicle in peak condition at all times. Every Vauxhall Retailer supports our customer promise:

We are Vauxhall experts

- Fully Vauxhall-trained technicians
- We use Vauxhall approved diagnostic equipment and specialist tools
- Full access to Vauxhall repair databases and technical centres

We are transparent

- Our invoicing will clearly set out the work at the price agreed with no hidden extras

We are never beaten on price

- We will match any written like for like service/repair quote from a local^{††} competitor using genuine repair methods and parts

We are convenient

- Flexible booking times to suit you
- One stop shop for every type of Vauxhall service
- While you wait facility on stocked tyres, batteries and exhausts
- Free courtesy vehicle or local collection with annual services and warranty work

We are thorough

- 25 point safety check with any workshop visit
- No obligation advice on essential and non-essential work
- Free check for safety enhancements and upgrades to your vehicle and software
- Free 'Wash and Vac' with every annual service
- Free fitting of wipers and external bulbs with annual services

†† A radius of five miles/20 minutes from your Vauxhall Retailer.

Premier Van Centres

To maximise mobility and minimise downtime, our dedicated network of over 100 Premier Van Centres is increasing its emphasis on faster turnaround and fewer vehicle days spent off-road. We're your commercial vehicle 'one-stop shop' with all the specialised equipment, tools and training to support your aftersales needs, using only genuine parts fitted by Vauxhall-trained technicians. What's more, we promise convenience, expertise and value:

- Drop in for a diagnosis, no appointment necessary
- While-you-wait repairs where the parts are on-site
- A 25-point vehicle safety check with every workshop visit
- Access to Class 7 MOT facilities
- Onward mobility and a dedicated Premier Van Helpline – call 0800 026 0034

For more product information

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall Retailer please call 0345 600 1500. Alternatively, details can be found on our website at www.vauxhall.co.uk/vans

Customer Care

VAUXHALL SERVICE PLAN

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

Plus on Gold plans*
