So you see, there's never been a better time to get into a new Vauxhall.

As a founder member of the Motability Scheme, Vauxhall is a major supplier of vehicles to disabled drivers and their families. Our Motability New Car Contract Hire Scheme lets you drive a brand new Vauxhall in exchange for all or part of the Higher Rate Mobility Component of the Disability Living Allowance, Armed Forces Independent Payment or War Pensioners' Mobility Supplement. If you are an existing Motability customer, the change from the Disability Living Allowance (DLA) to the Personal Independence Payment (PIP) may affect your eligibility. However, the Motability Scheme will continue to lease cars to disabled people who receive the Enhanced Rate of the Mobility Component of PIP, which has the same value as the Higher Rate Mobility Component of DLA. Your nearest Motability-approved Vauxhall Retailer will be glad to advise you on the car that's right for you.

The facilities offered are for the hire (bailment) of goods. The Motability Contract Hire Scheme is administered by Motability Operations Limited (Registered Company No.1373876), City Gate House, 22 Southwark Bridge Road, London, SE1 9HB. Offers valid from 1 January – 31 March. To qualify you must be in receipt of the Higher Rate Mobility Component of the Disability Living Allowance, the Enhanced Rate Mobility Component of the Personal Independence Payment, the War Pensioners' Mobility Supplement or the Armed Forces Independent Payment, which will be taken in lieu of the four weekly rental. Full written details, including terms and conditions, are available on request. All information correct at time of publication.
