Introduction

Vauxhall’s wide range already offers outstanding levels of refinement, flexibility and style, whilst combining excellent fuel economy with ever-lower emissions. Plus, with the announcement that our electric vehicles are eligible for the £1,500 Electric Car Grant the choice is there to future proof your mobility.

All of our models offer outstanding value for money too. The Corsa Ultimate, for example, is available from £99 Advance Payment whilst the Frontera Electric starts from NIL Advance Payment.

And now we’ve got more fantastic deals for you too.

- Many models available for under £500 Advance Payment
- Metallic paint available on all models - free of charge!

So you see, there’s never been a better time to get into a new Vauxhall.

As a founder member of the Motability Scheme, Vauxhall is a major supplier of vehicles to disabled drivers and their families. Our Motability New Car Contract Hire Scheme lets you drive a brand new Vauxhall in exchange for all or part of the Higher Rate Mobility Component of the Disability Living Allowance, Armed Forces Independent Payment or War Pensioners’ Mobility Supplement. If you are an existing Motability customer, the change from the Disability Living Allowance (DLA) to the Personal Independence Payment (PIP) may affect your eligibility. However, the Motability Scheme will continue to lease cars to disabled people who receive the Enhanced Rate of the Mobility Component of PIP, which has the same value as the Higher Rate Mobility Component of DLA. Your nearest Motability-approved Vauxhall Retailer will be glad to advise you on the car that’s right for you.

Payment Glossary

DLA	Disability Living Allowance.
WPMS	War Pensioners’ Mobility Supplement.
Constant Lease	This is subject to change on a quarterly basis. T/A (Total Amount) indicates that the current allowance is commuted for the period of the contract and subsequent increases in the allowance are forfeited. Where a monetary value is shown, any subsequent increase in the allowance will be paid by the DWP to the recipient.
Advance Payment	This is subject to change on a quarterly basis.
PIP	Personal Independence Payment.
AFIP	Armed Forces Independence Payment.

The facilities offered are for the hire (bailment) of goods. The Motability Contract Hire Scheme is administered by Motability Operations Limited (Registered Company No.1373876), 6th Floor, 22 Bishopsgate, London, EC2N 4BQ. Offers valid from 1 April – 30 June 2025. To qualify you must be in receipt of the Higher Rate Mobility Component of the Disability Living Allowance, the Enhanced Rate Mobility Component of the Personal Independence Payment, the War Pensioners’ Mobility Supplement or the Armed Forces Independent Payment, which will be taken in lieu of the four weekly rental. Full written details, including terms and conditions, are available on request. All information correct at time of publication.

#The Corsa Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer. WLTP Combined CO₂ (g/km) figures, are based on a configured vehicle as per LCDV code for UK with no options fitted.

Please note: Vehicles with BlueInjection technology will need regular AdBlue® top-ups also between servicing requirements. An indicator integrated into the on-board computer will warn you when you need to top up. More information under vauxhall.co.uk/adblue.html. In accordance with regulations R (EC) No. 715/2007 and R (EC) No. 692/2008 (in the versions respectively applicable).

[#]WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; personal driving style; vehicle load and route characteristics. For more information, contact your local Vauxhall Retailer. WLTP Combined CO₂ (g/km) figures, are based on a configured vehicle as per LCDV code for UK with no options fitted.
