

# ASTRA

2017 Models Edition 2

VX\_AST\_26228

A red car is shown from the rear left side, driving on a road. The background is heavily blurred, showing a white overpass structure and multi-story buildings, suggesting high speed. The overall color palette is light and airy, with a focus on the red of the car.

# NOW HERE'S A THING...

There's been some stuff on our minds recently. You see, much as we love cars, we don't pretend your whole life revolves around a Vauxhall.

No, a car shouldn't be a thing to worship. To us, a car should be a great tool for living. That's why we only build them for one pretty good reason. You.

So we create cars not simply to drive, but for something far more important. To live better. Astra is no exception. In fact, it proves our rule. It reinvents classic Astra to make it more useful, smart and downright fun to own than ever before.

Now step inside...

# YES, IT'S AN ASTRA.

Introducing the Astra and its extra-spacious sibling, the Astra Sports Tourer. Now in their seventh generation, our iconic Astra models are built by us, but made for you.

Lightweight, spacious and compact, the latest editions bring together clever engineering with premium design, powered by a range of ultra-efficient engines.

On the road, Astra is a seriously addictive drive, because it's shaped around your life – and living it. So why not see what you make of it?

Company car drivers can experience Astra through our free 3 Day Test Drive programme.

Please see back cover for more details or visit [www.vauxhall3dtd.co.uk](http://www.vauxhall3dtd.co.uk)

# IT'S LOOKING GOOD.

We designed Astra to show off its cutting edge, lightweight build and drop a few hints at all the clever technology inside too.

Those flowing lines and sculpted body, along with the rising curve of its floating roof all come together to give it serious presence, whichever way you look at it.

It's all made to bring out its solid yet sporty character, for a drive as pleasing as it is awesome to look at.

# THIS COULD BE THE PERFECT PARTNER.

It gives you space when you need it, it's flexible  
and thinks about just about everything.  
Have you considered getting hooked up with  
the Astra Sports Tourer?

# LET'S LIGHTEN UP.

Smart LED daytime running lights, sharp lines and streamlined curves – the Astra design has plenty of bright ideas to catch the eye.

VX\_AST\_23672

1. **LED daytime driving lights and tail lights\***. Sharp light design with LED technology so it's easier to be seen.
2. **Elegant floating roof line with chrome highlights.** Astra gets an uplifting and streamlined roof design that looks great anywhere.
3. **IntelliLux LED Matrix headlights\***. Cutting-edge LED headlights – the first time this technology has featured in any car in this class.

VX\_AST\_25778

VX\_AST\_23671

\*Please note that LED tail lights and IntelliLux LED Matrix headlights are optional at extra cost on SRi and Elite models only.

# NICE VIEW IN HERE.

Sit inside and take a look around. Every interior for Astra is made using high quality materials that go beyond what you might expect.

Astra has some exciting trim levels to suit all kinds of life, whether it's family, work or play.

But whichever trim you choose, you'll find first-rate design and build matched by standard equipment that's far from standard.

- 1. Are you sitting comfortably?** On Elite models the optional ergonomically-designed AGR\* approved sports-style, perforated leather front seats feature an adjustable front cushion, seat tilt and power lumbar adjustment. You can even upgrade to include front seat ventilation and a massage facility for some serious pampering while you're on the move.

## YOU COULD GET USED TO THIS...

We think you'll love the bigger sense of space and all the creature comforts inside the Astra.

Seat ergonomics and plenty of adjustable settings help you find that perfect driving position (however long your journeys), and you can upgrade to AGR\* ergonomic sports-style front seats if you like.

Inside Astra you'll find it quieter, calmer and larger than ever before. You'll notice higher quality materials, sophisticated colour choices and calm ambient lighting that make Astra a very nice place to be indeed.

\*AGR seats are certified by the German organisation Aktion Gesunder Rücken (Campaign for Healthier Backs), a European centre of excellence for ergonomic design. AGR seats are optional for both front seats on Elite models and optional for the driver's seat on all other models, except for Energy.

# WHEN WE DESIGNED IT, WE WERE ON A BIT OF A POWER TRIP.

Powerful, clean and economical. That was at the front of our minds when we engineered Astra.

So the entire range is powered by a series of lightweight ECOTEC petrol, diesel and turbo engines.

Some of these engines feature super-efficient ecoFLEX technology, but they all deliver higher performance, greater fuel economy and lower CO<sub>2</sub> levels.

# IT'S A LIGHTWEIGHT ENGINE THAT'S NO LIGHTWEIGHT.

Made for the twists, turns and quirks of UK roads, we've powered up Astra with a series of lightweight engines.

Our ECOTEC petrol and diesel engines are more efficient in every way. They deliver smooth, ample power in combination with Astra's lightweight body for an agile and responsive drive.

This is especially true of the ecoFLEX engines. All turbocharged, strong and powerful, they deliver exceptional fuel economy and emissions levels for maximum efficiency with an equally impressive dynamic driving experience.

If you'd like to see why Astra makes such good business sense for company car drivers, visit [www.vauxhall.co.uk/Fleet/Astra](http://www.vauxhall.co.uk/Fleet/Astra)

- Cutting-edge engineering delivers agility and performance
- Lightweight design ensures improved economy
- A range of ECOTEC engines give you unrivalled efficiency
- Experience Astra agility. Up to 200PS and a chassis to handle it

#Fuel consumption information is official government environmental data, tested in accordance with the relevant EU directive. Official EU-regulated test data is provided for comparison purposes and actual performance will depend on driving style, road conditions and other non-technical factors. \*Correct at time of publication. \*\*Taxation information for guidance only. Please take professional advice on your own tax position. S/S = Start/Stop.  
**Please note standard and optional alloy wheel sizes can affect fuel consumption and CO<sub>2</sub> emissions, resulting in higher Vehicle Excise Duty and Benefit-in-Kind.**

**1. Cheers for gears.** Five or six gears, automatic or manual, with Start/Stop engine systems or without – all Astra transmissions are smooth and precise. There's even the choice of an Easytronic transmission for faster and smoother gear changes.

**2. Switch to sporty.** You can change Astra's steering feel and throttle response to sporty at the touch of a button – it's a standard feature on Astra SRi<sup>†</sup> and SRi VX-Line.

**3. Clean yet mean.** Astra ecoFLEX engines are uncompromisingly powerful yet super efficient. For instance, the responsive 1.6i (110PS) Start/Stop ecoFLEX petrol engine with manual transmission emits just 88g/km CO<sub>2</sub>.

†Not available on 1.4i (100PS) models.

# SORRY IF WE'RE GETTING AHEAD OF OURSELVES HERE.

Where Astra leads, we think others are bound to follow.

Take a look inside and maybe you'll see why. Everywhere you look and feel, you'll find premium-class materials and more than a few great ideas that come as standard.

We've built them into Astra to make driving easier, safer and more fun than ever. It's future thinking we're proud to lead.

\*Optional at extra cost on SRI. SRI VX-Line and Elite models only.  
\*\*Standard on SRI and SRI VX-Line, optional at extra cost on all other models.  
†Compatibility and certain functions might be a bit different depending on the type of smartphone and operating system you're using.

# SOME OF OUR IDEAS ARE **NOT SO DAZZLING.**

Astra comes with plenty of premium features and bright ideas, like IntelliLux LED Matrix headlights that automatically avoid dazzling other drivers. In fact, it's the first time this technology has featured in any car in Astra's class.

# WE'VE THOUGHT ABOUT STUFF SO YOU DON'T HAVE TO...

Here's a not-so bright idea for driving at night. Smart headlights that automatically adjust the shape of your high beam headlights to avoid dazzling other drivers. It's called IntelliLux LED Matrix headlight technology and means you'll never have to switch between high and low beam again. It also gives you more time to react to potential hazards, making for safer driving.

**Before.** With standard halogen headlights, you have to switch between low and high beam to avoid dazzling drivers in oncoming cars.

**After.** With IntelliLux LED Matrix headlights, your high beam automatically dips around other vehicles so you enjoy a wider, perfectly lit field of view.

After

### How IntelliLux led matrix works

IntelliLux LED Matrix headlights are made up of 16 separate LED elements.

In a millisecond, each individual LED can detect and react to the presence of moving vehicles to automatically and continuously adjust the profile of the beam. This makes sure that your high beam is always glare-free, whilst wide and long enough for maximum visibility.

This means that you're always using the safest lighting in any situation. In particular, driving at night is safer for other people and more relaxed for you. And the outstanding reliability and longevity of IntelliLux LED Matrix headlights gives you maximum use whenever you need to light your way.

### Even more bright ideas

The IntelliLux LED Matrix system\* also includes a few other smart lighting options:

- Cornering lights to light the area you're turning into for greater safety
- Country lights adjust automatically for better visibility on dark roads
- Town lights perfectly complement urban conditions that are better lit
- Motorway mode guarantees safe, glare-free travelling at high speeds

# NEVER MIND SIXTH SENSE, THIS IS THE SEVENTH.

Built for the fast-moving demands of the 21st century, the seventh generation Astra is made for people who love to get behind the wheel, but want the benefits of smart sensing technology.

Astra's front camera system is an advanced driver assistance system that senses hazards in advance and only gives safety warnings when you need them, while keeping you in full control at the wheel.

# JUST LOOKING OUT FOR YOU.

Keeping an ever-watchful, never-tiring electronic eye on the road ahead, Astra's front camera system supports your own road sense to help prevent scrapes, keep track of speed limits and make life safer for you and your passengers.

Standard with the Driving Assistance Pack on Astra SRi and SRi VX-Line models, the front camera system is more than a first in a car of this class – it's one of the most sophisticated driver assistance systems ever engineered in a car.

VX\_AST\_23705

VX\_AST\_23694

VX\_AST\_23675

- 1. Forward collision alert.** Gives you an audible and visible signal if you approach slower vehicles too fast from behind. The system will also help avoid low-speed rear-end collisions by automatically braking if it senses a potential impact. The reflective LED windscreen display provides an extra level of safety to give additional warning in the driver's field of view.
- 2. Lane departure warning with lane assist.** Warning signals protect against unintentional gradual drifting – and the steering wheel even nudges gently if you move out of your lane without signalling. The real genius? It won't sound an alarm when you don't need one. For example, if you need to swerve hard to avoid an obstacle.
- 3. Traffic sign recognition.** This advanced sign-detection system picks up and displays speed limits and other important traffic signs and even recognises temporary electronic signage.

VX\_AST\_25791

# SIT DOWN, STRETCH OUT...

Space and comfort was top of our list when we designed the Astra's interior, starting with extra room to make yourself nice and comfy in the back, as well as a generous boot for whatever you get up to.

**Plenty of room in the back.** Check out the boot – it's roomy and flexible with a nice low sill so it's easy to load up.

VX\_AST\_23669

# ...AND RELAX.

Astra is all about setting new standards for comfort and technology. Why? Simply to make life on the road easier, fun and more enjoyable for you.

An electrically adjustable leather front driver's seat memorises your personal settings, with integral massaging and ventilation to keep you relaxed and cool!<sup>1</sup>

Heated front and rear seats<sup>2</sup> are a cosy treat in the chilly months, and the advanced Electronic Climate Control (ECC)<sup>3</sup>, lets you set different temperatures for areas of the car – handy when you're travelling with friends and family.

You can also choose the Air Wellness system<sup>4</sup> that airs the cabin with two subtly different herbal scents – Energising Dark Wood or Balancing Green Tea.

## 1. Power front driver's seat<sup>1</sup>.

This category-first driver's front seat option features electric adjustment and is ergonomically ceied to help promote a healthy back. It massages, ventilates and memorises personal settings to keep you cool and relaxed.

## 2. Power tilt and slide sunroof<sup>5</sup>.

Open up a window on the world at the touch of a button.

## 3. The adjustable Air Wellness scent diffuser.

Freshen up with Energising Dark Wood or Balancing Green Tea.

1. Optional on Elite models only in conjunction with Ergonomic sports-style front seats with perforated leather. Includes a driver's seat massage function, electrically operated adjustment with seat memory function and pneumatically adjustable backrest side bolsters. Both front seats feature active ventilation for the seat rest and seat cushion. 2. Heated front seats are standard with Energy, and come with the Winter Pack, which is optional on SRI and SRI VX-Line models. Heated front and outer rear seats are standard on Elite models. 3. ECC is standard on Elite models, optional on SRI and SRI VX-Line. 4. Air Wellness scent diffuser optional on all models in conjunction with the PowerFlex bar. 5. Optional on all models.

VX\_AST\_23678

VX\_AST\_23695

# TAKE A LOAD OFF.

Remember what we said about the Astra Sports Tourer thinking about everything? Imagine you've got a few bags to throw in the back. No need to put them down – just swipe your foot under the rear bumper, and hey presto, the tailgate opens itself. To close it, just do the same.

Intelligently controlled by eight sensors, the hands-free system also monitors whether the tailgate is going to be obstructed when it opens or closes, automatically stopping and returning to a safe position.

You can also control the opening angle – handy if there's restricted overhead space when parking. Once you've got used to the optional hands-free power tailgate, you'll wonder what you ever did without it.

# SPACE CRAFT.

The sleek lines of the Sports Tourer belies its generous rear space. Made for easy loading, the luggage area has a nice flat floor (with storage space underneath) and a practical rectangular-shaped footprint, with all these features:

- Up to 1,630 litres of space with the rear seats folded down, and 540 litres if there's five on board
- 12-volt socket in the luggage area (ideal for those electrical accessories)
- FlexFold rear seats are a quick and easy way to release and fold the rear seats when you need that extra space\*
- Optional Flex Organiser® rails support a range of tailored storage solutions
- Hands-free power tailgate system so you can open and close the tailgate with just a swipe of your foot\*\*

VX\_AST\_25788

\*Standard on leather-trimmed Elite Sports Tourer models only.  
\*\*Optional on SRI and Elite Sports Tourer models and only available in conjunction with optional keyless entry and start.  
†Flexible 40/20/40 split-folding rear seats are standard on leather-trimmed Elite models only. All other models feature a conventional 60/40 split-folding rear seat arrangement.

VX\_AST\_25787

## How do you want to split it?

Get the space you want with two split-folding rear seat solutions<sup>†</sup>

1. Use the 60/40 fold when you need more space for large or awkward loads.
2. On Elite models use the 40/20/40 facility for greater flexibility<sup>†</sup>. The centre folding section creates a useful opening for longer loads while keeping two full-size rear seats.

# LET'S STAY IN TOUCH.

Smartphone or tablet, Android or Apple iOS – our ingenious R4.0 IntelliLink infotainment system connects with your dashboard touchscreen and audio system to access apps and give you music, phone and sat nav on the go.

What's also nice is that IntelliLink is yet another top-class standard feature you'll find across the entire Astra range.

# BECAUSE NOTHING BEATS GOOD CONNECTIONS.

Wherever you go, IntelliLink keeps you in touch and entertained.

Now there's no excuse not to call home. Every Astra features our IntelliLink infotainment system with Bluetooth® and USB connectivity for all Android or Apple iOS smartphones.\* And digital radio comes as standard too.

Once it's connected to your device, IntelliLink lets you project selected functions from your smartphone to the large colour touchscreen display.

androidauto

VX\_AST\_26276

**R4.0 IntelliLink** comes as standard in nearly every Astra:

- 7-inch colour touchscreen display
- Digital radio
- Bluetooth® and USB
- Hands-free phoning
- Smartphone projection
- Supports Apple CarPlay™
- Supports Android Auto™

**Navi 900 IntelliLink** system, standard on Tech Line, SRi Nav, SRi VX-Line Nav and Elite Nav models, gives you a slightly larger touchscreen, and also includes sat nav, voice control and a sleek, shark-fin antenna:

- 8-inch colour touchscreen display
- Built-in navigation system
- Hands-free phoning with voice control
- Shark-fin antenna
- Smartphone projection
- Supports Apple CarPlay™
- Supports Android Auto™

\*Please note that compatibility and certain functions may be different depending on the type of device and operating system you're using with the IntelliLink systems. Apple CarPlay is a trademark of Apple Inc. Apple and iPhone are trademarks of Apple Inc., registered in the U.S. and other countries. Android is a trademark of Google Inc. also registered in the U.S. and other countries.

# VAUXHALL OnStar<sup>®</sup>

## YOUR PERSONAL ON BOARD ASSISTANT.

Vauxhall OnStar<sup>1</sup> gives you an incomparable feeling of safety,  
24/7, 365 days a year.

Best of all it's free of charge for the first 12 months on Astra SRI,  
SRI VX-Line and Elite models\*. Even for your 4G Wi-Fi Hotspot<sup>2</sup>  
you will get a free data trial period<sup>3</sup>.

**Driving will never be the same.**

VX\_ONSTAR\_24179

# WHAT ONSTAR CAN DO FOR YOU

## Automatic Crash Response.

In the event of a crash, built-in vehicle sensors automatically alert an OnStar advisor, who will be immediately connected to your car. The advisor will assess the situation and if needed by the emergency services and provide them with your exact GPS location<sup>1</sup>.

## 4G Wi-Fi Hotspot<sup>2</sup>.

Your car is online! The extra-powerful OnStar roof antenna gives you a stable and quick Internet connection and creates a Wi-Fi Hotspot<sup>2</sup> for up to seven devices<sup>1</sup>.

## Smartphone App.

At the touch of a button, remotely lock/unlock your doors, check your oil life or sound the horn and flash the lights<sup>1</sup>.

## Stolen Vehicle Assistance.

If someone steals your car, call our OnStar advisors and give them the reference number the police gave you. The advisor will then provide the police with the location and prevent your car from being restarted so it can be recovered<sup>1</sup>.

## Vehicle Diagnostics.

Whenever you want you can ask OnStar to remotely check some of the key systems of your car like engine, transmission, emissions or airbags. If you wish, OnStar can also send you a monthly e-mail with this key data.

## Destination Download.

Searching for an alternative route, a restaurant, a petrol station or anywhere else you might need? Just press the Service Button! Our advisors will provide you with the address. They can automatically download the location to your Vauxhall's navigation system<sup>1,4</sup>.

# YOUR PRIVACY. YOUR CALL

You are in control of what OnStar can and cannot do!

- Once you've registered and activated OnStar, you can access every OnStar Service available on Astra models. To ensure security, several services will ask for your PIN.
- Press and hold the Privacy Button for approximately five seconds to mask your car's location at any time. If you change your mind, press the Privacy Button again for approximately five seconds to reveal your location. Only in emergencies<sup>5</sup> can OnStar override this.
- OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (i.e. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

<sup>1</sup>Optional on all other Astra models. <sup>2</sup>The OnStar Services require activation and are subject to mobile network coverage and availability. Wi-Fi Hotspot service requires account with nominated network operator. <sup>3</sup>4G is subject to mobile network coverage and availability. Charges apply after the free trial period. The OnStar subscription packages could be different from the services included in the free trial package. Check [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar) for terms and conditions, details of availability, coverage and charges. <sup>4</sup>For details please check [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar) <sup>5</sup>An embedded Vauxhall navigation unit and map data are requirements for this service. <sup>6</sup>In events such as a crash or if your vehicle is stolen.

# HOW CAN I GET ONSTAR?

Vauxhall OnStar is standard on Astra SRi, SRi VX-Line and Elite and is available as an option on all other models.

To get it:

1. Request OnStar when you order your new Vauxhall Astra.
2. OnStar will send you an e-mail invitation so you can activate your account.
3. Complete your registration and set up your preferences.
4. OnStar is ready to go!

After the 12-month free trial period, you can decide to order a continuation of the OnStar services. This will be subject to a fee.

You can purchase 4G Wi-Fi Hotspot<sup>1</sup> data packages separately from the nominated network provider by following the instructions on [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar)  
Charges apply after the free trial period.

To find out more, visit [www.vauxhall.co.uk/onstar](http://www.vauxhall.co.uk/onstar)

VX\_ONS\_23349

<sup>1</sup>4G is subject to mobile network coverage and availability.

VX\_MYVX\_25635

# HOW MY VAUXHALL SERVICES DO MORE FOR YOU.

My Vauxhall is your one-stop shop to manage everything to do with your Vauxhall – from your Vauxhall OnStar account to organising your vehicle's next service to rewards and exclusive offers. Everything is targeted to you and the Vauxhall you drive.

- Manage your Vauxhall – take care of your Vauxhall online, book a service
- Access your Vauxhall OnStar services – get diagnostics reports, manage your subscription and more
- Exclusive offers – stay up to date on special offers, latest news and current events
- Retailer locator – find your nearest Vauxhall retailer

If you already are a Vauxhall OnStar customer, you can access all the My Vauxhall services.

Otherwise, you can register for My Vauxhall by following these easy steps:

1. When you order your car, your retailer will go through a simple pre-registration with you.
2. We will send you an e-mail invitation so you can activate your account.
3. Complete your registration.
4. My Vauxhall is ready to go!

To easily access My Vauxhall from your smartphone, just download the app from the Google Play Store or from Apple App Store.

# ONE CAR. SIX CHARACTERS.

From the entry-level Astra Design to the top-of-the range Astra Elite, the six Astra trim levels give you a choice of style and technology you've never experienced in this category of car.

## **Each and every Astra begins with this superb list of standard equipment:**

- R4.0 IntelliLink infotainment system with colour touchscreen and digital radio
- Bluetooth® connectivity and USB facility
- Air conditioning
- Cruise control with speed limiter
- Multi-function trip computer
- Electrically operated front and rear windows
- LED daytime running lights
- Six airbags

Moving through each trim level, each Astra adds its own unique features to give each model its own little something special...

# DESIGN. MAKE IT YOURS.

Well-equipped and affordable to run. A perfect start for just about everyone, and great for company car drivers, as it'll save on your tax too. Savvy.

## WHATEVER YOU WANT, YOU'VE GOT IT MADE.

There's only one thing more satisfying than a new car that does everything just as you always wanted – customising it with accessories until it matches your personal needs exactly – like a new car always should.

- 1.-6. **FlexConnect® system.** A flexible system of holders that attach to the headrests of the front seats for gripping tablets, shopping bags, jackets and drinks.
2. **Roof base carrier and Thule attachments.** Ideal for carrying big boxes, camping gear and sports equipment like surfboards, skis, bikes and kites.
3. **Reversible hard cargo tray.** A tough, anti-slip tray that's rubberised one side and carpeted the other. Perfect for protecting your loads and keeping your boot clean and tidy whatever you throw in.
4. **Stainless steel sports pedal kit.** For added grip with a stylish sheen.
5. **Branded Vauxhall illuminated sill plates.** Protect the sill paint, and give your admirers a tempting glimpse of the premium interior.

# 7

## Why the seventh generation of the Astra is the best yet

The Astra is now in its seventh generation, and features a total redesign inside and out, class-leading innovation throughout and a series of lean, efficient engines all just waiting to be discovered. So here are seven excellent reasons why Astra just has to be experienced.

## REASONS TO GET EXCITED ABOUT THE ASTRA

- State-of-the-art British engineering
- Seductive sports styling and dynamic design
- Premium interior trims and features
- Performance engines with greater efficiency
- Sophisticated driver assistance and safety systems
- Class-defining connectivity and infotainment
- Vauxhall OnStar

To discover more information about the Astra visit [www.vauxhall.co.uk/Astra](http://www.vauxhall.co.uk/Astra)

Or, to see why the Astra makes such good business sense for company car driver's, [www.vauxhall.co.uk/Fleet/Astra](http://www.vauxhall.co.uk/Fleet/Astra)

OnStar Europe Ltd t/a Vauxhall OnStar will never sell your information on. Your information will only be disclosed to OnStar and GM Holdings LLC (USA), its affiliate companies (e.g. Adam Opel AG and General Motors UK Limited), your selected/preferred retailers, companies involved in providing or carrying out the OnStar Services and, at your request, to other service companies.

Privacy Policy – General Motors UK Ltd, General Motors Holdings LLC (Michigan, USA) and OnStar Europe Ltd may process your data for marketing, market research, tracking sales data and to contact you. On request, you can stop the processing of your personal data for marketing at any time. Your personal details may be shared within the General Motors Group and suppliers, retailers and agents for the above purposes – we will not share your personal details with third parties for their independent use. The data may be transferred outside the European Economic Area (EEA). All steps reasonably necessary will be taken to ensure that your data is treated securely and in accordance with applicable laws. Please read our privacy policy – [www.vauxhall.co.uk/privacy](http://www.vauxhall.co.uk/privacy) for more detail.

\*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. \*\*Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (December 2016). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be noted to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors UK Limited.
