Further information

At Vauxhall, we believe great cars are for everyone. We believe technology works best when it's not just smart but is also simple and intuitive. Where everyone can feel the instant excitement of electric; can keep themselves and their loved ones safer on the road; and can stay connected to the things that matter most, simply and easily. We call it Vauxhall Pure Technology. No gimmicks, nothing complicated, just technology that makes driving better, easier and more exciting, for everyone.

Our latest Astra Price and Spec guide outlines the Pure Technology features model by model. Together with all the essential information you need to compare Prices, Technical Information and Specification plus details of our commitment to offer the best in Customer Care.

We're delighted you're considering the purchase of a new Astra and hope this guide will help you make the right choice.

Design

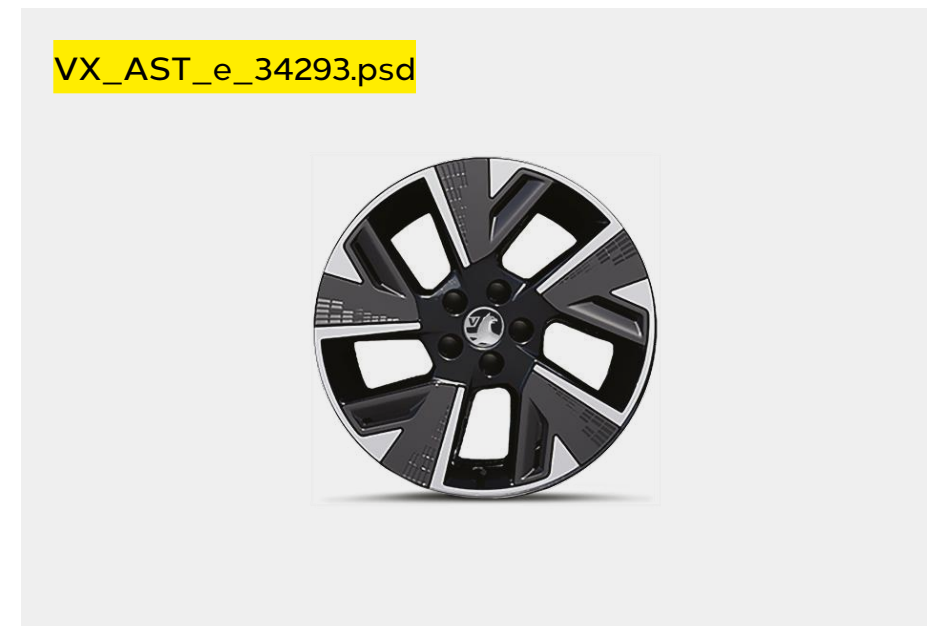

Design Petrol/Plug-in Hybrid.

Design Electric.

16-inch alloy wheel.

18-inch alloy wheel.

Standard features include:

PureSense

- LED headlights and tail lights
- LED daytime running lights
- LED front fog lights
- Automatic lighting control
- High beam assist
- Electronic parking brake
- Front and rear parking distance sensors
- Lane departure warning with lane keep assist
- Speed sign recognition (Petrol/Plug-in Hybrid only)
- Traffic sign recognition (Electric only)
- Driver drowsiness alert
- Forward collision alert (low speed)
- Automatic emergency braking with pedestrian detection
- Adaptive cruise control with intelligent speed adaption
- Eight airbags
- Remote control security alarm system
- Hill start assist
- In-crash braking
- ISOFIX child seat fixings on outer rear seats

PureConnect

- Multimedia Pure Panel Navigation system
 - 10-inch colour touchscreen
 - 10-inch digital instrument cluster
 - AM/FM/DAB digital radio
 - Bluetooth®
 - Natural voice recognition
 - Wireless Apple CarPlay/Android Auto™
 - Front USB connection
- Six speakers
- Vauxhall Connect

Comfort and convenience

- Electronic climate control
- Flat-bottomed steering wheel
- Steering wheel audio/phone/cruise controls
- Illuminated vanity mirrors and rear reading lights
- Reach and rake adjustable steering
- 60/40 split-folding rear seat backs (Hatchback only)
- 40/20/40 split-folding rear seat backs with remote easy-fold facility (Sports Tourer only)
- Flex load floor with luggage restraining nets (pair, Sports Tourer only)
- Rain-sensitive windscreen wipers
- Electrically operated front and rear windows
- Electrically adjustable/heated door mirrors
- Soundproofed insulated windscreen
- Keyless start
- Intelli-Space (Sports Tourer only)
- Emergency tyre inflation kit

Interior

- Driver's seat (six-way adjustable)
- Front passenger's seat (four-way adjustable)
- Black facia with Modene trim inserts
- Instrument panel bar Alexit Grey
- Birdie Grey trim inserts on front doors
- Jet Black Modene seat trim inserts
- Jet Black Modene fabric side bolsters and surrounds

Styling

- Body-colour front and rear bumpers
- 16-inch silver alloy wheels with 205/55 R 16 tyres (Petrol only)
- 18-inch diamond-cut alloy wheels with 215/45 R 18 tyres (Electric only)
- Chrome-effect Griffin logo
- Black vizor frame
- Black lower window moulding

GS

VX_AST_34159.tif

GS Petrol/Plug-in Hybrid.

VX_AST_e_34283.tif

GS Electric.

VX_AST_33740.tif

VX_AST_32866_QOJ.psd

VX_AST_32867_PU2.psd

17-inch alloy wheel. 18-inch alloy wheel (extra cost option).**

VX_AST_e_34294.psd

18-inch alloy wheel.

Features over and above Design:

PureSense

- Traffic sign recognition
- Forward collision alert (all speed)

PureConnect

- Pure Panel Pro digital display
- Intelli-Vision 360° panoramic parking camera

Comfort and convenience

- Dual-zone electronic climate control
- Heated perforated flat-bottomed leather covered steering wheel (leather-effect on Electric model)
- Driver's ergonomic active sports-style seat (AGR approved*)
- Heated front seats
- Paddle shift (excluding manual/Electric)
- Front centre armrest with cup holder
- Centre rear seat armrest and load-through facility
- Flex load floor
- Frameless automatic anti-dazzle rear-view mirror
- Keyless entry and start
- Interior ambient lighting

Interior

- Ergonomic active sports-style driver's seat (eight-way adjustable)
- Black facia with Isabella trim inserts
- Instrument panel bar Liquid Palladium
- Mistral Black trim inserts on front doors
- Jet Black Greta fabric seat trim inserts
- Jet Black Greta side bolsters and surrounds

Styling

- Sports-style front and rear bumpers
- 17-inch black alloy wheels with 225/45 R 17 tyres (Petrol/Plug-in Hybrid only)
- 18-inch black alloy wheels with 215/45 R 18 tyres (Electric only)
- Black Griffin logo and vizor frame
- Dark-tinted rear windows
- Black roof and interior headliner
- Alloy-effect sports pedals (excludes manual transmission)

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany. **For more information see Styling page, click [here](#)

Ultimate

Ultimate Petrol/Plug-in Hybrid.

Ultimate Electric.

18-inch alloy wheel.

18-inch alloy wheel.

Features over and above GS:

PureSense

- IntelliLux adaptive LED® pixel headlights
- Lane change assist with side blind spot alert
- Lane positioning assist
- Rear cross traffic alert
- Semi-autonomous lane change**
- Advanced intelligent speed adaptation**

PureConnect

- Hi-fi with eight speakers (Petrol/Plug-in Hybrid only)
- Intelli-HUD (Head-Up Display)
- Wireless charger for mobile devices

Comfort and convenience

- Heated soundproofed insulated windscreen
- Heated ergonomic active sports-style front seats (AGR approved*)
- Panoramic sunroof
- Power tailgate (Sports Tourer only)

Interior

- Driver's seat
 - 10-way electrically adjustable (Petrol/Plug-in Hybrid only)
 - 8-way electrically adjustable (Electric only)
- Front passenger's seat (eight-way adjustable – Petrol/Plug-in Hybrid only)
- Black facia with high gloss black inserts
- Alcantara interior seat and door trim inserts
- Alcantara side bolsters and surrounds

Styling

- 18-inch diamond-cut alloy wheels with grey inserts and 225/40 R 18 tyres (Petrol/Plug-in Hybrid only)
- 18-inch diamond-cut alloy wheels with 215/45 R 18 tyres (Electric only)
- High gloss black roof rails (Sports Tourer only)

*AGR (The Campaign for Healthier Backs) is an independent centre of excellence for ergonomics, based in Germany. **Not available with manual transmission.

GSe

18-inch alloy wheel.

Features over and above GS:

PureSense

- IntelliLux adaptive LED® pixel headlights
- Lane change assist with side blind spot alert
- Lane positioning assist
- Rear cross traffic alert
- Semi-autonomous lane change
- Advanced intelligent speed adaptation

PureConnect

- Hi-fi with eight speakers
- Intelli-HUD (Head-Up Display)
- Wireless charger for mobile devices

Comfort and convenience

- Heated soundproofed insulated windscreen
- GSe performance heated front seats (AGR approved*)
- Panoramic sunroof
- Power tailgate (Sports Tourer only)

Interior

- Driver's seat (10-way electrically adjustable) with memory function
- Front passenger's seat (eight-way adjustable)
- Black facia with high gloss black inserts
- Instrument panel bar Liquid Palladium
- Alcantara inserts on front doors
- Alcantara seat trim inserts
- Alcantara side bolsters and surrounds

Styling

- Unique GSe front and rear bumpers
- 18-inch gloss black bi-colour diamond-cut alloy wheels with 225/40 R 18 tyres
- High gloss black roof rails (Sports Tourer only)
- GSe badge

WLTP combined CO₂ (g/km) figures are based on a configured vehicle as per LCDV code for UK with no options fitted.

*Provisional fuel consumption and CO₂ figures are determined according to the WLTP test cycle. CO₂ figures, BiK values and RRP pricing shown above are for a standard vehicle without any additional optional equipment. CO₂ figures are used to calculate Vehicle Excise Duty (VED) for the first registration of the vehicle and BiK. The addition of optional extras could increase the certified CO₂ emission output. This in turn may affect the amount of VED payable upon registration, and, for company car drivers, the P11D value and the amount of Benefit in Kind (BiK) tax payable. Figures shown are for comparison purposes and should only be compared to the fuel consumption and CO₂ values of other cars tested to the same technical standard. The fuel consumption achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); variations in weather; driving styles and vehicle load. The WLTP (Worldwide Harmonised Light Vehicles Test Procedure) is used to measure fuel consumption and CO₂ figures. Full data relating to WLTP test cycles can be found at: www.vauxhall.co.uk/wltp

Please note: On-the-road recommended retail prices (RRP) include number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Vehicle Excise Duty and new vehicle first registration fee of £55.00. Excludes fuel and insurance. Company Car Benefit in Kind (BiK) rates are monthly based on the standard pait price.

PureConnect

Pure Panel digital display

Pure Panel technology makes driving more intuitive, with a flowing design that presents the information you need. With a 10-inch infotainment colour touchscreen and 10-inch digital instrument cluster right in front of you, you can stay focused on the road ahead.

- GS, Ultimate and GSe models feature the Pure Panel Pro digital display with edge-to-edge glass finish.

EV information display

- Powerflow display – Informs drivers on the current state of charge and what is being used as the power source, petrol or electric
- Charge display – displays an image of the charge port with the corresponding LED charge indication lights
- e-Save – enables the driver to determine how much battery energy needs to be conserved to ensure that the vehicle reaches its destination when in a zero emission zone
There are three options:
 - 6 mile range reserve
 - 12 mile range reserve
 - Maximum reserve
- Statistics – The Statistics display the average consumption data over a period of time using colour coded graphs
- **Green:** Energy recovered by braking phases and partial recharging by the petrol engine (kWh/mile)
- **Blue:** Energy consumed by the vehicle directly by the battery (kWh/mile)
- **Orange:** Fuel consumption (mpg)

Digital instrumentation

- Digital speedometer and rev counter
- Satellite Navigation display
- Digital fuel gauge with low fuel level warning light
- Digital water temperature gauge with warning light
- Shift-up/down indication light – Indicates when to change gear for optimum fuel economy

Driver information display

(centrally located in digital instrument cluster)

- Total mileage
- Service-due indicator
- Oil life
- Tyre pressure monitoring system

Multi-function trip computer

(displayed on digital instrument cluster)

- Trip mileage
- Vehicle range based on remaining fuel
- Average speed
- Average fuel economy
- Instantaneous fuel economy
- Driving time

Digital central fascia display

- Audio information
- Digital clock with automatic RDS time adjustment
- Outside air temperature with ice warning function

Infotainment

Onboard features

- Satellite navigation system with natural voice recognition
- 2D/3D street level mapping
- European coverage
- Points-of-interest search
- Map updates via USB
- DAB Digital radio
- RDS with Traffic Programme
- AM/FM stereo radio with 36 station presets
- Six speakers (Ultimate/GSe models – eight)
- Customizable screen adaption with enhanced profile management and driver recognition
- Heating, Ventilation and Air Conditioning (HVAC) user interface
- Over-the-air updates (e.g. for software)
- WiFi updates (e.g. content download)

The following features are standard across the entire Astra range.

Media connections

- USB connection with iPod control
- Bluetooth® A2DP audio streaming (Advanced Audio Distribution Profile)

Mobile phone portal

- Bluetooth® connectivity
- Vehicle microphone
- Handsfree calls via steering wheel controls
- Phone book access – Contacts/last calls/missed calls etc are mirrored on the display and are easily navigated using the touchscreen (features dependent on mobile phone)
- SMS read out and reply

Additional features

- Steering wheel mounted audio controls
- Shark fin aerial

Drive Smart

- Live navigation provided by TomTom®
- Real time traffic news
- Parking prices and availability
- Weather information
- Natural voice recognition
- Fuel prices
- Charging station search
- Quick search for addresses and points of interest
- Road safety alerts

Vauxhall Connect

Safety

The more you know, the safer your journey – that's why our smart tech and connected services keep you constantly updated on what's going on inside and outside your vehicle.

Peace of mind

- Emergency call (SOS e-call)
- Breakdown call (b-call)

e-Remote control

Want seamless charging and added levels of comfort? Use e-Remote to schedule charging times, keep an eye on your range and even pre-set your vehicle's cabin temperature before you get in.

Convenience

- E-remote control (Plug-in Hybrid/ Electric only)**
- Remote check of battery level, programming and charge management
- Pre-conditioning of vehicle temperature

Live navigation plus†

With real-time directions and traffic information from the leading European GPS provider, TomTom®, every journey will be a breeze.

- TomTom® services
- Real time traffic news
- Parking prices and availability
- Weather forecast on your journey
- Natural voice control
- Fuel prices at petrol stations
- Search for charging stations
- Quick search for points of interest
- Road safety alerts

Maintenance

Connected services are here for you – even when things go wrong. Our Intelligent Telemaintenance service monitors the key functions of your vehicle – and notifies you as soon as something needs attention.

- Vehicle status and information**
- Maintenance alerts, fuel level, average fuel consumption and mileage

Vauxhall Connect* is the smart way to stay connected while on the road. Innovative technology systems and related services keep our drivers safe and provide an exciting, efficient yet safe trip.

Versatility – Sports Tourer

The following features are available across the Astra Sports Tourer range. Specific features by model are outlined in the separate tabular information.

Intelli-Space

- 40/20/40 split-folding rear seat backs
- Easy accessible storage boxes in the boot floor accommodate tyre inflation kit and first-aid kit
- Side storage with nets
- Luggage compartment retractable cover

Additional features (petrol)

- Spare-wheel storage area
- Rear seat backs with remote easy-fold facility

Additional feature (Plug-in Hybrid/Electric)

- Special under-carpet storage space for battery, charging cable, tyre inflation kit and first-aid kit

PureEnergy – Electric

Single-speed electronic drive selector

As the motor is an all-electric single-speed drive unit, there is no need for multiple gears. Instead, the shifter lets the driver select from the following:

- Park • Reverse • Neutral • Drive
- Braking (for increased regenerative braking)

Drive mode selector

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Charging

Astra Electric is fitted with a 11kW on board charger and is also equipped with a Mode 3 cable as standard. Additional charging accessories are available at extra cost. For more details please consult your local Retailer.

The charging flap's Padlock LED lights up when the cable is correctly plugged in and locked and then acts as a user interface to show the charging status via coloured LED lights:

- **White:** welcome light that helps to light up the area, especially useful in dark conditions
- **Flashing green:** charging in progress
- **Solid green:** charging complete
- **Solid blue:** delayed charging toggled; changes to flashing green when charging commences
- **Solid red:** malfunction

The driver may also choose from two settings:

- **Immediate charging (the standard setting):** Starts charging as soon as the vehicle is docked for charging
- **Delayed charging:** This is especially useful for when cheaper electric rates are desired, e.g. charging at night. Simply enter a charging start time

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or by using the infotainment system.

Drivetrain – Electric		
CO ₂ emissions	0g/km	
Maximum power (Sport mode)	115kW (156PS)	
Maximum torque (Sport mode)	270Nm (199lb.ft.)	
Acceleration 0 – 62mph	9.2 secs	
Maximum speed	105mph	
Transmission	All-electric single-speed drive unit	
Service interval	Initial inspection at 8,000 miles/1 year (whichever comes sooner). Thereafter 16,000 miles/2 years (whichever comes sooner)	
Battery		
Battery capacity	54kWh	
AC on-board charger speed	11kW	
EAER (WLTP high)*	252 – 260 miles	
Energy consumption (WLTP)*	14.8 – 15.2kWh/100km	
Battery warranty	8 years/100,000 miles/70% capacity	
Charging (Supply)	Socket	Charge Time (0 – 100%)
AC current – Domestic 3 pin socket (2.3kW)	Type 2	26h 25m
AC current – Home wallbox or public charger (7kW)	Type 2	8h
AC current – Public charger (11kW)	Type 2	5h 45m
DC current – Rapid charger (100kW)	CCS	26m (20 – 80%)
Charging cables	11kW on-board charger	
Mode 3, 3-phase 22kW cable	Standard	

The Astra Electric is a battery electric vehicle requiring mains electricity for charging. Range data given has been determined according to WLTP test procedure methodology. The figures shown are intended for comparability purposes only and should only be compared to other cars tested to the same technical standard. The range you achieve under real world driving conditions will depend upon a number of factors, including but not limited to: the accessories fitted (pre and post registration); charging frequency; personal driving style; vehicle load and route characteristics; variations in weather; heating/air conditioning; pre-conditioning and battery condition. For more information, contact your local Vauxhall Retailer.

EAER = Equivalent All Electric Range. *WLTP preliminary.

PureEnergy – Plug-in Hybrid

Electrified transmission

The 8-speed electrified transmission system is standard and offers both smooth transition between gears. The 8-speed electrified gearbox includes the following content:

- Multi-disc wet clutch replaces removed torque converter
- Permanent electric motor that transforms electric energy into mechanical drive energy
- Electric motor installed into the gearbox and petrol engine
- Comes with intuitive and stylish automatic gearbox with electric shifter with shift paddles

The current driving position is indicated to the driver with a LED between:

- **R:** used for reverse driving
- **N:** used for neutral, allowing the vehicle to be moved with ignition off
- **D:** used for automatic drive, the gearbox change gears without any action from the driver
- **B button:** to switch to regenerative braking

Drive mode selector

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** is the default Hybrid mode and offers the best of both worlds between controlled fuel consumption and on-road performance

- **Sport:** draws on the combined power of the engine and motor for a more dynamic drive
- **Electric:** activates the electric motor only, for zero CO₂ emissions and complete silence
- **Engine sound enhancement:** In the Sport mode, the engine sound is amplified via the radio speakers depending on input factors such as vehicle speed, engine speed, acceleration, gear and pedal position

Charging

- Astra Plug-in Hybrid range comes with a Mode 2 cable and a 3.7kW on-board charger as standard. Includes cable bag at no extra cost

Please note: A Mode 2 cable (standard UK socket*) would charge the vehicle in less than 8 hours.

Astra Plug-in Hybrid range charging time examples are listed showing times dependant on the various powers of charge point which the vehicle is plugged into.

Please note, EV range assumes that vehicle has been pre-conditioned prior to journey. This function can be accessed either via MyVauxhall App or infotainment system.

Preliminary data determined according to WLTP test procedure methodology. EU type approval and Certificate of Conformity are not yet available. Preliminary values may differ from official final type approval data. Charging rate depends on power source and charging cable used.

These figures were obtained using a combination of battery power and fuel. The Astra Plug-in Hybrid requires mains electricity for charging.

*WLTP Figures shown are for comparison purposes and should only be compared to the fuel consumption, CO₂ values and electric range of other cars tested to the same technical standard. The fuel consumption and electric range achieved, and CO₂ produced, in real world conditions will depend upon a number of factors including, but not limited to: the accessories fitted (pre and post registration); charging frequency; battery condition; variations in weather; driving styles and vehicle load. For more information contact your local Vauxhall Retailer.

EAER = Equivalent All Electric Range. *Only use a domestic electrical socket that has been checked by a qualified electrician and is protected by a circuit breaker adapted to the amperage of the electrical circuit. **Requires optional 7kW on board charger.

Specifications

Transmissions

Six-speed manual gearbox

Petrol engines: 1.2 (110/130PS) Turbo

Eight-speed automatic transmission

Petrol engine: 1.2 (130PS) Turbo

This transmission enables increased drive comfort with improved fuel economy and features a manual shifting mode. For a more engaging drive, the driver can select gears using the shift paddles located on the steering wheel.

Drive mode selector (auto-only)

The driver can determine the driving style by selecting one of the following modes:

- **Normal:** for a balanced drive that offers a compromise between performance and energy efficiency
- **Sport:** for a dynamic drive with a responsive throttle and the highest top speed and torque
- **ECO:** for maximum range and energy efficiency. The ECO mode deactivates all unnecessary energy-consuming features and reduces the top speed, torque and overall performance

Steering

- Power-assisted steering
- Turning circle (wall-to-wall):
 - 10.51m (34.5ft.) Hatchback
 - 10.71m (35.1ft.) Sports Tourer

Fuel tank capacities

- 52 litres – Petrol
- 42 litres – Plug-in Hybrid

Suspension

- Front: Independent. Decoupled MacPherson struts with gas-pressure dampers and coil springs. Anti-roll bar
- Rear: Compound crank with coil springs and gas-pressure dampers

GSe

Re-calibrated sports steering

Revised steering geometry provides increased feedback and allows the driver to more accurately judge grip levels.

Unique chassis set-up

Bespoke chassis set-up delivering a more agile and precise handling experience without sacrificing ride quality.

- Ride height lowered by 10mm
- Front suspension: Independent decoupled MacPherson struts with Koni FSD (Frequency Selective Damping) oil-filled dampers and revised springs. Anti-roll bar
- Rear suspension: Compound crank with coil springs and Koni FSD oil-filled dampers and revised springs

Unique ESP settings

Adjustments have also been made to the electronic stability program which monitors the traction control. This enables the system to respond more effectively to cope with the increase in engine power and greater dynamic driving behaviour made possible by the chassis improvements.

Please note: Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum noseweight should not exceed 75kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

*Measured using the ECIE method. When a spare wheel is specified loadspace capacity is reduced due to a raised luggage compartment floor. **Plug-in Hybrid and Electric. †Factory-fit. ††Retailer-fit.

Company car driver and fleet information

Benefit in kind company car taxation*

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO₂ emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%** for Basic Rate, 40%** for Higher Rate) to calculate your annual benefit in kind tax liability.

Generic example:

ELECTRIC vehicle: 0g/km CO₂

On-the-road RRP	£27,305.00
Deduct: Vehicle Excise Duty	£0.00
New vehicle first registration fee	-£55.00
Effective list price	£27,250.00
Add: Optional two-coat metallic paint	£600.00
List price for tax purposes (P11D value)	£27,850.00
Car benefit charge 2023 – 24 tax year (2%)	£557.00
Benefit in kind tax liability	
Basic Rate (20%) tax payer	£111.40
Higher Rate (40%) tax payer	£222.80

*Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.
 **Excludes residents of Scotland.

BiK for Scottish Residents

Effective 6 April 2018 the Scottish Government have introduced their own BiK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

The BiK rates for Scotland are:

- Over £12,570 – £14,732 Starter Rate 19%
- Over £14,732 – £25,688 Basic Rate 20%
- Over £25,688 – £43,662 Intermediate Rate 21%
- Over £43,662 – £150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

155 – 159	-	36%
160+	-	37%

Vehicle Excise Duty†

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO₂) emissions produced by the vehicle. CO₂ emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table below.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to a different rate. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £390 is payable for five years after registration.

VED Band	CO ₂ (g/km)	First year rate Petrol/ Diesel	First year rate Hybrid/ Electric
A	0	£0	£0
B	1 – 50	£10	£0
C	51 – 75	£30	£20
D	76 – 90	£135	£125
E	91 – 100	£175	£165
F	101 – 110	£195	£185
G	111 – 130	£220	£210
H	131 – 150	£270	£260
I	151 – 170	£680	£670
J	171 – 190	£1,095	£1,085
K	191 – 225	£1,650	£1,640
L	226 – 255	£2,340	£2,330
M	Over 255	£2,745	£2,735

†Correct at time of issue.

Further information

On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £900.00 (including £150.00 VAT), 12 months' Government Vehicle Excise Duty and the DVLA new vehicle first registration fee of £55.00.*

Please note: The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Please note: Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation

- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

Please note: Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. For even more peace of mind, on fully electric models, the cover is extended** to 3 years. Even more reason for you to stay calm and let us take care of everything should the need arise. With Vauxhall Assistance help is literally just a free† phone call away, 24 hours a day, 365 days a year!

LEASYS

Leasys UK

Leasys is the proud Business Contract Hire partner of Vauxhall and consequently, can provide quick vehicle delivery to keep your business mobile.
