

NEW CORSA

2015 Models Edition 1

Proud Sponsor of Home Nations Football

WELCOME TO A LIFETIME OF FORWARD THINKING

VX_BPS_18771

1903 – Forward thinking has been in our nature from the very start. The 6HP, our first ever car, had two forward gears. And no reverse.

VX_BPS_18772

1922 – The Silver Arrow OE 30-98 was capable of speeds of over 100mph, this model was built for shipping magnate Sir Leonard Ropner to race at Brooklands.

VX_BPS_18773

1937 – The Vauxhall '10' H-type, the first British car to have integral construction.

VX_BPS_18774

1957 – The PA Cresta introduced Americana styling to the UK.

VX_BPS_18775

1984 – The MkII Astra introduced class-leading aerodynamic styling that still looks good today. The Formula Vauxhall Lotus ran a modified version of the Astra GTE's 2.0i 16v engine.

VX_BPS_18776

1971 – The formation of Dealer Team Vauxhall (DTV). The track car was the precursor to our enormous success in touring car racing.

VX_BPS_18777

1999 – The Zafira introduced the revolutionary Flex7® seating system inventing the seven-seat compact MPV.

VX_BPS_18780

VX_BPS_18779

1990 – The Calibra was the world's most aerodynamic production car.

VX_BPS_18778

1989 – The Lotus Carlton was the world's fastest production four-door saloon.

2012 – The 'RAK e'. A radical looking electric concept car for the future. Our forward thinking continues.

VX_BPS_18782

2012 – Ampera. The first ever Extended-Range Electric Vehicle (E-REV) that redefined electric vehicle innovation leading to it being voted European Car Of The Year 2012.

VX_BPS_18781

Scan this QR code with your smartphone for more information on the last 110 years of Vauxhall innovation. Don't forget to download a QR reader from your app store first.

The world was a very different place in 1903 when Vauxhall made its first car. We steered with tillers, not wheels. Six horsepower was considered pretty nippy. And King Edward's face was still on the stamps. But for us, one important thing hasn't changed: we started out with a philosophy of Forward Thinking and, over 110 years later, it still motivates everything we do. Who knows what innovations the next 110 years will bring?

LOVE AT FIRST SIGHT.

Introducing the all-new Corsa from Vauxhall.

Bolder, brighter and altogether brilliant, it's our smartest Corsa ever.

That means great looks. Clever design. And an interior so gorgeous and comfortable you simply won't want to get out.

New Corsa is even better to drive, too, with lively engines including a punchy 1.0 litre turbo that does economy for fun.

And then there are some seriously intelligent features... big car features you just wouldn't expect:

A heated windscreen for those frosty mornings. Headlights that see you safely round corners. An intelligent camera system that reads road signs. A touch-screen audio system with apps that connects to the internet through your phone.

New Corsa can even find you a parking space and then steer into it.

That's the all-new Corsa from Vauxhall. Serious fun.

This brochure covers New Corsa Life, Sting, Sting R, Excite, Limited Edition, Design, SRi, SRi VX-Line and SE models only. Some of the models shown include options and accessories available at extra cost. And not all of the features described are available on every model. We may also offer alternative New Corsa models such as Special Editions. So for all current model or equipment details visit the Vauxhall website: www.vauxhall.co.uk/newcorsa

HAUTE VOITURE.

LOVE THE LOOKS. ADMIRE THE DETAIL.

CAPTIVATING STYLE MEETS REASSURING SUBSTANCE.

Unashamedly attention-seeking, New Corsa's bright character and contemporary lines show off its fun-to-drive personality.

- // Dynamic three-door oozes style and charisma
- // Elegant five-door gives you space and versatility
- // Stylish LED daytime running lights make you easier to see
- // Enjoy fresh air and more light with an optional glass sunroof

See more of the New Corsa at www.vauxhall.co.uk/newcorsa

A TOUCH MORE SOPHISTICATED.

A SMALL CAR INTERIOR LIKE NO OTHER.

Ever sat in a small car that feels this good. We thought not. Let's be honest, New Corsa makes most car interiors seem, well, old school.

// Super-stylish curves meet touchy-feely surfaces

// Chrome-style details bring the wow factor

// Ambient lighting welcomes you in

Experience the stunning New Corsa interior when you visit www.vauxhall.co.uk/newcorsa

FULL OF GOOD IDEAS.

TECHNOLOGY THAT LOOKS AFTER YOU.

Designed to tackle every twist and turn of life on the road, the New Corsa brings you the latest intelligent technologies to make driving safer, easier and a lot more fun.

- 1. City Mode.** Lightens the steering to make tight, low speed turns easier when you're parking.
- 2. Hill start assist.** Automatically stops the car from rolling back as you set off on a steep hill or slope.
- 3. Advanced park assist*.** Finds a parking slot as you drive past it and then steers your New Corsa into the tightest space. How clever is that?
- 4. Side blind spot detection*.** A door mirror symbol tells you if another vehicle enters your car's blind spots so you can change lanes safely.
- 5. Heated windscreen, steering wheel, seats and door mirrors.** A choice of heating options to make life safer, easier and a lot cosier when it gets chilly.
- 6. Bi-xenon headlights with cornering lights*.** See corners better with lights that turn in the direction you're heading at low speeds. They also point left and right to help when you're reversing at night.

VX_COR_22111

5.

6. VX_COR_22273

7. Front camera system*. Reads traffic signs before you do, warns if you drift from your lane, or approach slower vehicles too fast, and also helps to keep your distance too.

8. IntelliLink. Keep in touch and entertained with an infotainment system that has digital radio, USB and Bluetooth® with voice control, all easy to use with a seven-inch touch-screen. You can even give Siri voice instructions through your iPhone.

VX_COR_22104

9. On-board apps with IntelliLink. The built-in smartphone link connects you to popular apps like BringGo navigation and internet radio apps Tuneln and Stitcher™.

10. Flex-Fix® bike carrier*. An optional rack that carries up to two bikes. The best bit is that it hides away neatly by sliding into the bumper when you don't need it.

*Optional at extra cost.

SMOOTH THE CORNERS.

CITY MODE AND A NEW CHASSIS.

Whichever way you turn, the New Corsa is pure joy to drive.

When you need precise and lighter steering for a tricky three-point turn or a tight parking space, City Mode helps you out with the ease of powered handling.

And when you're on the road, the New Corsa handles like a dream.

This is thanks to its agile new chassis design and steering system, totally redesigned from the wheels up. You'll enjoy a smoother, more solid and responsive ride – the kind of dynamic feel you'd expect of a much larger car.

- // Parking and slow turns are easier with City Mode
- // Enjoy outstanding ride and handling with the new chassis
- // Driving is smoother and more pleasurable than ever

Curious about City Mode and the new chassis?
Check it out at www.vauxhall.co.uk/newcorsa

LOOKING OUT FOR YOU.

ADVANCED PARK ASSIST AND SIDE BLIND SPOT DETECTION.*

Not only will the New Corsa help you find an ideal parking spot – let go of the wheel, and the car manoeuvres itself safely into the space.

And when you're in traffic, side blind spot detection senses and warns of vehicles behind you to help you change lanes safely.

- // Advanced park assist helps you find a parking space
- // Once a good space is found, it steers you into the spot**
- // In traffic, side blind spot detection monitors vehicles in the next lane
- // Flashing icons in your door mirrors warn of vehicles you can't see

VX_COR_22151

*Optional at extra cost on all models except Life, Sting, Sting R and Design. **The driver works the pedals and gears, while advanced park assist steers the car.

THE ONLY WAY IS UP.

HILL START ASSIST.

Hill start assist will automatically stop your New Corsa from rolling back as you set off on a steep hill or slope.

// Pull away on hills smoothly and steadily every time

// Steep starts are now as easy as a level surface

// Hill start assist is standard on every New Corsa

To get the heads-up on hill start assist, visit
www.vauxhall.co.uk/newcorsa

YOU'RE GETTING WARMER.

HEATING FEATURES FOR YOUR SAFETY AND COMFORT.

Beat the winter chills with heating options that you would not expect in a small car.

// Ice and condensation melt away with the heated windscreen

// Heated leather steering wheel warms up your hands and fingers*

// Stay cosy and sitting comfortably with heated front seats*

// See clearly behind you with heated door mirrors**

* Standard on Excite and SE models, optional at extra cost on all other models except Life, Sting and Sting R.

** Not available on Life, Sting, Sting R, Excite and Design.

FORWARD THINKING.

LOOKING OUT FOR YOU.

FRONT CAMERA SYSTEM: LEADING SAFETY TECHNOLOGY.

This optional system features an advanced camera behind the windscreen that constantly scans the road and your driving pattern to raise alerts and keep you safe.

It's like an extra pair of eyes watching the road for you.

// Front camera system gives you intelligent assistance 24/7

// It senses when roads are fast-moving and busy

// And warns if you're distracted by traffic or passengers

// Also includes high beam assist for when you're driving at night*

To see how the front camera system works, visit www.vauxhall.co.uk/newcora

*Available with bi-xenon headlights as part of the optional Technical Pack One.

THE GIFT OF SECOND SIGHT.

FRONT AND REAR-VIEW SAFETY CAMERAS.

Constantly scanning the road to warn of upcoming hazards, the front camera system* is one of the most advanced optical assistance systems ever engineered in a car.

- // Traffic sign recognition warns before you break a rule
- // Forward collision alert helps prevent rear-end accidents
- // Following distance indication reminds you to keep a safe distance
- // Lane departure warning helps you stay within the lane boundaries
- // High beam assist** makes driving easier and safer at night
- // Rear-view camera helps you to judge distances better when you reverse

VX_COR_22170

Traffic sign recognition. On busy roads it's all too easy to miss a new speed limit or important sign, but this smart optical sensor alerts you to upcoming road signs.

VX_COR_22173

Forward collision alert (FCA) and following distance indication (FDI). FCA warns if you approach slower vehicles too fast from behind (over 25mph), while FDI helps you maintain a safe distance and avoid tailgating fines.

VX_COR_22276

Lane departure warning. Get a heads-up warning if you start drifting out of your lane above 37mph (without signalling first).

VX_COR_22153

High beam assist. Automatically switches from high to low beam as it detects oncoming vehicles (over 25mph) so your lights don't dazzle oncoming drivers.**

Rear-view camera. The rear camera system and parking sensor clearly displays a wide-angle view behind your car to help you reverse safely and accurately.

The front camera system and rear-view camera are Technical Pack options available at extra cost.

SEE WHAT YOU'RE MISSING.

BI-XENON HEADLIGHTS, CORNERING LIGHTS AND HIGH BEAM ASSIST.

New Corsa makes light of tricky manoeuvres, with a smart array of optical innovations and visibility technologies to ease your mind and keep you safe.

- // Powerful bi-xenon headlights light the road more clearly for you at night*
- // Cornering lights adjust to illuminate your turning direction (when you're driving under 25mph)
- // As you reverse, the cornering lights helpfully point in the direction you turn
- // High beam assist* switches from high to low beam as it detects oncoming vehicles (over 25mph)
- // Rain-sensitive windscreen wipers automatically switch on when it rains**
- // Automatic lighting control switches on your headlights when it gets dark**
- // Electro-chromatic rear-view mirror automatically dips to stop you getting dazzled by vehicles from behind**

Discover more about New Corsa advanced light technologies – visit www.vauxhall.co.uk/newcorsa

* Optional at extra cost (includes cornering light function)

**Featured in the Sight and Light Pack, standard on Excite, SE, SRi and SRi VX-Line models, and optional at extra cost on Design and Limited Edition models.

Mazda3 SE

IT'S PLAYTIME.

BLUETOOTH, USB AND INTELLILINK INFOTAINMENT.

Oh yes, New Corsa loves to play. It's kitted out for you to connect all the media¹ on your smartphone, MP3 players and tablets using the aux-in socket or on most models the standard Bluetooth® or USB connection. iPhone users can also use Siri Eyes Free as the system is integrated in New Corsa through the iPhone itself.

And on most models there's also digital radio and the IntelliLink system. Designed to work without a CD player, it features a touch-screen interface that lets you access your smartphone functions¹, device media and built-in apps.

// Connect your devices¹ using aux-in, Bluetooth®, USB or FlexDock®²

// Access your music, videos³ or slideshows³ directly from your phone, MP3 player or tablet

// IntelliLink can even read e-mails and text messages out loud

// Siri Eyes Free is integrated in New Corsa through your iPhone⁴

// Enjoy hundreds of internet radio channels with the TuneIn and Stitcher™⁵ apps

// Get from A to B with the BringGo⁶ smartphone navigation app

Discover all the ways New Corsa can entertain you – visit www.vauxhall.co.uk/newcorsa

¹The majority of phones, MP3 players and tablets can be connected by either Bluetooth®, USB connection or aux-in. Please note you may need to change your connection method (i.e. from Bluetooth® to USB cable) if you want to access another function on your device. Certain operations with certain devices may require special leads. Certain iOS and Android devices are the only ones compatible with BringGo, TuneIn or Stitcher® apps.² Available as an accessory at extra cost. There is an iPhone-specific version suitable for iPhone 3GS/4G/4GS and a universal version (maximum dimensions of width: 70mm, height: 127mm, depth: 20mm) suitable for certain other smartphones including iPhone 5/5C/5S – for more information see page 55. Please consult your retailer for the latest compatibility information. iPhones are automatically connected through the cradle itself. Other smartphones utilise the USB connection on the FlexDock® baseplate (USB cable not supplied).³ Video clips and slideshows will not display while the car is moving. ⁴ Siri is available on iPhone 4s or later, iPad with Retina display, iPad mini and iPod touch (5th generation), and requires internet access. Siri may not be available in all languages or in all areas, and features may vary by area. Mobile network data charges may apply. Some features may not be available in all countries or all areas. ⁵ You may incur additional costs from your operator for these services and as such we recommend that you check the data costs on your tariff.

⁶ BringGo is subject to a subscription fee and is available on certain devices only. Please consult your service provider or mobile phone manufacturer for more information on the accessibility and subscription fee associated with this service.

VX_COR_22379

Digital radio. Digital radio means digital quality sound, a broader range of stations easier to find by name and improved track display info on some stations.

VX_COR_22168

TuneIn⁵. TuneIn is live internet digital radio. Listen live to 70,000 music, sport, news, and talk radio stations from all over the world.

Stitcher^{TM5}. Automatically streams the latest episodes of your favourite podcasts and radio shows to your smartphone or tablet, and lets you 'stitch' them together to create customised shows with your own personal mix of news, comedy, music, sports and talk.

THE REVOLUTIONARY.

POWER DRIVING EXCITEMENT.

THE NEW CORSA ENGINE DESIGN.

At the heart of the New Corsa is an innovative and radical new engine.

It's specifically designed to give you greater driving pleasure and satisfaction.

So it delivers outstandingly efficient power with exceptional smoothness to cut fuel consumption.

Pleasing your senses with less strain on your bank balance.

Take the 1.0 litre ecoFLEX Direct Injection Turbo. A perfect example of engineering excellence. Super-efficient and sporty, it's simply the smartest engine Vauxhall has ever made, giving you thrilling performance, excellent fuel economy and lower CO₂ emissions.

FUN. TURBOCHARGED.

ECONOMY + PERFORMANCE = SERIOUS FUN.

Lively petrol engines. Powerful turbo diesels. And an amazing new 1.0 litre turbo petrol unit that's lean and efficient. New Corsa engines pack real punch – but their super efficiency won't send your plastic into meltdown when you fill up. This is what we mean by serious fun.

- // ecoFLEX engine technology gives lower emissions and excellent fuel economy
- // CO₂ emissions from just 85g/km place your car in the lowest VED band
- // Start/Stop technology reduces the fuel you use in busy traffic
- // Super-smooth six-speed manual transmission for a more refined drive
- // Redesigned chassis and steering introduces smoother ride and handling
- // Selected models feature a sports chassis for a firmer, more responsive drive

TURBO

VX_COR_22117

Corsa SE

ENTER A NEW DIMENSION.

THE CAPABLE NEW CORSA 5-DOOR.

Made to give you more space and versatility, almost every New Corsa model is available in a super-flexible 5-door option, with models that feature a 60/40 split-folding rear seat back to give you plenty of adaptable loading space.*

- // Five doors and a versatile luggage compartment are ideal for families or when you need just a bit more space
- // Two extra doors make it simple to anchor child safety seats
- // Easier access for passengers and storage in the back seats

VX_COR_22174

VX_COR_22175

*60/40 split-folding rear seat back is standard on SRi, SRi VX-Line and SE models.

OK – HERE'S THE DIFFICULT BIT.

NEW CORSA TRIMS.

They say variety is the spice of life. Well, New Corsa offers no less than nine trim levels. Talk about being spoilt for choice. To help make your mind up, turn the page or ask your retailer for a copy of the New Corsa product features brochure. You can even build your own New Corsa by using our online configurator at www.vauxhall.co.uk/newcorsa

Every model adds its own features to this superb list of standard equipment:

- // Heated windscreen
- // Stereo radio and aux-in socket
- // City Mode steering function
- // Hill start assist
- // Electronic engine deadlock immobiliser
- // Electrically adjustable door mirrors
- // Remote control central locking
- // Electrically operated front windows

TAKE COMFORT.

SELECT A TRIM.

OK. Relax. New Corsa's interior is, quite simply, a better place to be. We would say that, but let you be the judge.

Make your car fit your lifestyle with a choice of premium fabrics and finishes.

You can browse the full range of New Corsa interior colour and trim combinations at www.vauxhall.co.uk/newcorsa

*No-cost option.

**No-cost option. Not available with Flame Red, Peppermint Green or Lime Green.

Full Piano Black fascia. White and Limelight Green fascia inserts are also available on certain models. Availability restrictions apply. Please visit www.vauxhall.co.uk where you can use the configurator to illustrate the various combinations or download the New Corsa Price and Specification Guide which contains all combination availability information.

SPIN CLASS.

WHEEL DESIGNS.

The wheels are a great way to sharpen the look and feel of your New Corsa.

Each New Corsa model has a particular match of wheel style, with most models featuring stylish alloy wheels too.

To find out more, visit
www.vauxhall.co.uk/newcorsa

TURN UP THE VOLUME.

VXR STYLING ACCESSORIES.

Bring even more body, tone and style to your New Corsa with VXR Styling accessories, showing off the power and boldness of your vehicle.

// Tone up with front and rear lower spoilers

// Rear spoiler and side sills add a streamlined side profile

// A chrome-effect exhaust tailpipe rounds off a road-hugging rear

Go all-out with VXR styling accessories. To find out more, visit www.vauxhall.co.uk/accessories

STYLE ABOVE THE LINE.

Get your show on the road with the New Corsa accessory stripes featuring distinctive stripes running along the bonnet, roof and tailgate. Or make a splash with the bubbles decal foil design.

Tweak your design choice further with contrasting door mirror covers and alloy wheel designs. It's all about your style.

To find out how you can personalise your New Corsa, visit www.vauxhall.co.uk/accessories

Non-specific models illustrated.

MAKE IT YOUR OWN.

CUSTOMISED ACCESSORIES.

Once you've chosen your New Corsa, there's plenty of ways to customise it for your lifestyle. These must-have accessories are a great place to start.

For more New Corsa accessories, visit www.vauxhall.co.uk/accessories

VX_COR_22235

On the up and on the move. Customised roof base carrier and specialist Thule attachments for surfboards, boxes or bikes.

VX_COR_22238

Tough love.

The hard cargo liner helps keep the boot carpet clean, tidy and dry.

FlexDock®. The FlexDock® mount lets you make or take calls and stream your media to the audio unit. It recharges the battery, too.

VX_COR_22169

No paparazzi, please. Shades to filter out the sun and stay cool as well as keep your privacy.

VX_COR_22237

VX_COR_22236

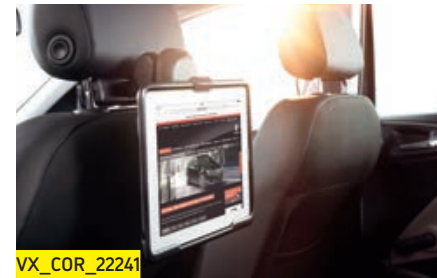

VX_COR_22240

VX_COR_22239

Stop dirt in its tracks. Durable floor mats keep things nice and tidy, and save wear and tear on your carpet.

VX_COR_22241

Pretty neat. Save time and space with the versatile FlexConnect bracket system. Hang a tablet, place a drink, or hold shopping and a jacket in place.

LET'S GO.

DRIVE IT TO BELIEVE IT.

TEST DRIVE THE NEW CORSA.

It's true. The best way to experience the sheer fun of the new Corsa is simply to pick up the key and drive it.

To get things started and book your appointment with fun, visit www.vauxhall.co.uk/newcorsa

WHY NOT MAKE ONE YOURSELF?

Like to build your own New Corsa? Our online configurator helps you to create the New Corsa of your dreams.

Choose your colour, pick out some wheels, have a browse and add a few extras – whatever takes your fancy.

Start making your New Corsa now. Just scan the QR Code in the New Corsa silhouette and have some fun.

You can also visit www.vauxhall.co.uk/newcorsa

CAPTIVATING IN SO MANY WAYS.

Because it was completely redesigned to be even more fun to drive, there's dozens of reasons to love the New Corsa.

But here's five of the best.

// Head-turning beauty, style and detail inside and out

// Woven with smart and exciting technology

// Redesigned for a more dynamic ride and responsive steering

// Powerful, smooth and efficient new engines

// Well connected and endlessly entertaining

Of course, we could go on. But we think it's best you discover it yourself.

Book a test drive today and find out more – visit www.vauxhall.co.uk/newcorsa

1.3CDTi 95PS	1680	1710	1150 (580)	1150 (580)

Please note: For Life, Sting, Sting R and Excite models fitted with optional air conditioning 15kg must be added to gross vehicle weight. Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum nose weight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

TYRE RATINGS

Tyre size	Fuel efficiency group	Wet grip performance	External noise	
			Measured (dB)	Group

Trust Vauxhall

Company Car Driver 3 Day Test Drive

Our free* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (excluding Ampera, all VXR models and Commercial Vehicles), with full insurance cover provided, to give you a meaningful length of time to make an informed decision about your next company car.

To book your free* test drive just log on to www.vauxhall3dtd.co.uk or call **0870 240 4848****

Fleet Customer Services

Our dedicated support services for fleet decision makers include factory demonstrators and information on whole life costs, company car taxation and finance.

For further information please call **0870 010 0651**.

E10 Fuel

E10 fuel is cleared for use in all petrol-engined Vauxhall vehicles excluding models with the 2.2 litre direct injection petrol engine (code Z22YH) used in Vectra, Signum and Zafira models. Owners of these vehicles should continue to use regular unleaded or premium unleaded petrol.

Proud Sponsor of Home Nations Football

*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. **Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (December 2014). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources. All rights reserved. No part of this publication may be reproduced in any form or by any means, without the prior written permission of General Motors UK Limited.
