# FULL OF GOOD IDEAS.

## TECHNOLOGY THAT LOOKS AFTER YOU.

Designed to tackle every twist and turn of life on the road, the New Corsa brings you the latest intelligent technologies to make driving safer, easier and a lot more fun.

- 1. City Mode.** Lightens the steering to make tight, low speed turns easier when you're parking.
- 2. Hill start assist.** Automatically stops the car from rolling back as you set off on a steep hill or slope.
- 3. Advanced park assist\*.** Finds a parking slot as you drive past it and then steers your New Corsa into the tightest space. How clever is that?
- 4. Side blind spot detection\*.** A door mirror symbol tells you if another vehicle enters your car's blind spots so you can change lanes safely.
- 5. Heated windscreen, steering wheel, seats and door mirrors.** A choice of heating options to make life safer, easier and a lot cosier when it gets chilly.
- 6. Bi-xenon headlights with cornering lights\*.** See corners better with lights that turn in the direction you're heading at low speeds. They also point left and right to help when you're reversing at night.

\*Optional at extra cost.

7.

VX\_COR\_22104

**7. Front camera system\***. Reads traffic signs before you do, warns if you drift from your lane, or approach slower vehicles too fast, and also helps to keep your distance too.

**8. IntelliLink.** Keep in touch and entertained with an infotainment system that has digital radio, USB and Bluetooth® with voice control, all easy to use with a seven-inch touch-screen. You can even give Siri voice instructions through your iPhone.

**9. On-board apps with IntelliLink.** The built-in smartphone link connects you to popular apps like BringGo navigation and internet radio apps TuneIn and Stitcher™.

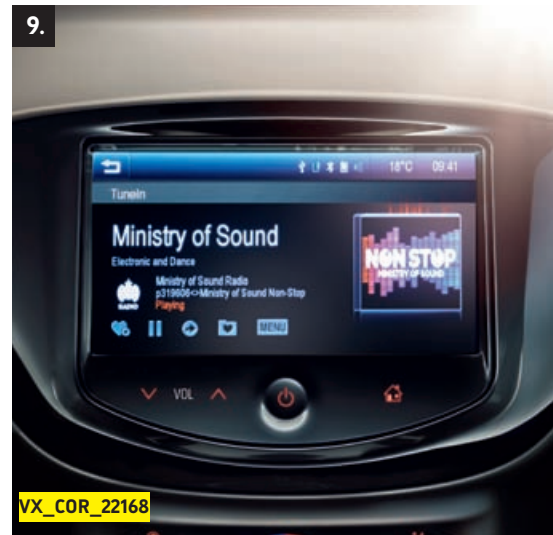

**10. Flex-Fix® bike carrier\*.** An optional rack that carries up to two bikes. The best bit is that it hides away neatly by sliding into the bumper when you don't need it.

\*Optional at extra cost.

**Please note:** For Life, Sting, Sting R and Excite models fitted with optional air conditioning 15kg must be added to gross vehicle weight. Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 75kg. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, maximum nose weight should not exceed 55kg. Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

\*The free 3 Day Test Drive programme is open to Company Car Drivers and excludes fuel and lubricants, congestion charges, parking and speeding fines and the £250 insurance excess (if applicable). It features a wide selection of models from the Vauxhall range (excluding Ampera, all VXR models and Commercial Vehicles and subject to availability). Drivers must be aged 25 years or over, have held a full driving licence for at least a year and hold a major credit card. You will need to have your driving licence (and proof of identity (i.e. passport) where the driving licence is not a photocard licence) when your car is delivered. While every effort will be made to ensure that at least 3 days are provided for the test drive, this cannot always be guaranteed due to delivery and collection dates and timings. Available for UK Mainland only. Terms and conditions apply. \*\*Telephone lines open Monday-Friday 9.00am to 5.00pm excluding Bank Holidays. Calls may be recorded or monitored for quality and/or training purposes.
