# FEATURES/OPTIONS

## SAFETY

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<b>Driver Safety Pack</b> <ul style="list-style-type: none"> <li>• Cruise control with intelligent speed adaptation</li> <li>• Forward collision alert with automatic emergency braking and pedestrian detection</li> <li>• 3.5-inch colour information display</li> </ul>	B26		○	375.00	450.00
<b>Airbag</b> <b>Driver and front passengers airbag:</b> <ul style="list-style-type: none"> <li>• Driver and front passenger's airbag with deactivation switch • Driver and front passengers' curtain and side-impact airbags</li> </ul>		●			
<b>Driver and front passenger's airbags:</b> <ul style="list-style-type: none"> <li>• Driver and front passenger's airbag with deactivation switch • Driver and passenger's side-impact airbags</li> <li>• Full-length curtain airbags (first-, second- and third-row seating)</li> </ul>			●		
<b>Stability</b> Electronic Stability Programme-plus (ESP-plus) with traction control – Works in conjunction with the vehicle's electronic braking and engine systems to keep the vehicle stable in many different situations. ESP monitors a variety of inputs to determine when the vehicle starts to lose traction, it can then immediately respond by varying the brake pressure between up to three wheels and adjust the engine output to help correct the loss of traction and improve stability.		●	●		
<b>Tyre pressure</b> <ul style="list-style-type: none"> <li>• Tyre pressure monitoring system</li> </ul>		●	●		
<b>Braking</b> Four-channel Anti-lock Braking System (ABS) – Prevents the vehicle's wheels from locking up under heavy braking by momentarily reducing brake pressure at the appropriate wheel, ensuring that you can maintain control of the steering. Emergency brake assist – When emergency braking is detected the vehicle automatically applies the maximum possible braking assistance. Electronic brakeforce distribution – Automatically apportions the optimum braking force to each wheel. Hill start assist – Briefly maintains rear brake pressure to stop the vehicle rolling back on an incline.		●	●		

● = Standard equipment. ○ = Optional at extra cost.

## DRIVER ASSISTANCE CONTINUED

	Option code	Edition	Elite	Price (£) exc. VAT	Price (£) inc. VAT
<b>IntelliGrip Pack</b> <p>For those drivers who regularly take their vehicle off road, this pack helps the driver cope with whatever conditions they encounter. IntelliGrip traction control is designed to increase grip in difficult conditions without the additional weight of a conventional four-wheel drive system. It's an innovative grip control system that provides improved traction on certain terrain and conditions through a combination of optimised torque distribution and limited wheel spin, managed through the electronic stability programme.</p> <ul style="list-style-type: none"> <li>• IntelliGrip: A choice of five selectable modes to suit the driving conditions: ESP on, ESP off, snow, mud, sand</li> <li>- Only available when 17-inch wheels are specified for Edition models.</li> </ul>	H4H	○	○	200.00	240.00

## COMFORT AND CONVENIENCE

<b>Comfort</b> <ul style="list-style-type: none"> <li>• Reach and rake-adjustable steering wheel • Facia-mounted gear lever • Floor-mounted handbrake lever • Inertia-reel lap and diagonal seatbelts</li> <li>• Height-adjustable outer front seatbelts • Height-adjustable padded head restraints • Rear parcel shelf</li> </ul>		●			
<ul style="list-style-type: none"> <li>• Load area restraint net • Luggage floor net • Rear seat back tables • Rear-view child-minder mirror</li> <li>• Rear side-window blinds • Torch stowed in rear luggage area panel • 220 volt socket behind driver's seat</li> </ul>			●		
<b>Leather-covered steering wheel</b>			●

215/60 R 17	Summer IntelliGrip	C	A	72	
215/60 R 17	All season	E	B	71	

Tyre rating according to EU Regulation 1222/2009

#Fuel consumption figures are determined according to the WLTP test cycle. Full data relating to WLTP test cycles can be found at: [www.vauxhall.co.uk/wltp](http://www.vauxhall.co.uk/wltp)

\*CO<sub>2</sub> emissions figures are determined according to the WLTP test cycle however, a Government formula is then applied to translate these figures back to what they would have been under the outgoing NEDC test cycle, which WLTP replaces. The correct tax treatment is then applied.

Figures are intended for comparability purposes only. The fuel consumption you achieve under real life driving conditions and CO<sub>2</sub> produced will depend upon a number of factors, including the accessories fitted after registration, variations in driving styles, weather conditions and vehicle load. Only compare fuel consumption and CO<sub>2</sub> with other vehicles tested using the same technical procedures. For more information contact your local Vauxhall Retailer.

\*\*Correct at time of publication.

# SPECIFICATIONS

## Transmission

### Six-speed manual gearbox:

- Front-wheel drive • Transverse engine/gearbox

### Eight-speed automatic transmission:

- Front-wheel drive • Transverse engine/gearbox

Replacing the traditional lever, the automatic transmission selection-mode dial/drive wheel is an innovation solution that is both elegant and intuitive.

By simply twisting the dial, the following modes can be selected:

- Park, for when the vehicle is stationary and the wheels are locked
- Drive, for automatic forward motion
- Neutral, for when the vehicle is stationary, wheels are free
- Reverse, for automatic backward motion

For an extra experience of dynamism, the shift paddles for automatic transmissions are located behind the steering wheel, offering drivers an extra level of control that is highly ergonomic and intuitive. The shift paddles function in the following way:

- To go up a gear, the driver must pull the right lever towards themselves
- To go down a gear, the driver must pull the left lever towards themselves – Please note: only consecutive gear changes are possible.

## Steering

- Hydraulic power-assisted rack and pinion system
- Energy absorbing steering column
- Turning circle (kerb-to-kerb): 12.4m (40.7ft.)

## Brakes

### Front ventilated disc brakes:

- 304mm x 28mm

### Rear disc brakes:

- 290mm x 12mm

## Fuel tank capacity

- 70 litres (15.4 gallons)

## Adblue® tank capacity

- 22.5 litres (4.95 gallons)

## Start/stop technology

New Vivaro Life's Start/Stop system, fitted as standard to all models offers real benefits by improving fuel economy and reducing CO<sub>2</sub> emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so.

To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal. System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

## Weights and Towing Data kg

	Gross vehicle weight	Maximum towing weights Trailer with brakes
<b>LIFE EDITION M (MEDIUM) EURO 6D TEMP (6.2)</b>		
1.5 (100PS) Turbo D S/S	2830	1400
<b>LIFE ELITE M (MEDIUM) EURO 6D TEMP (6.2)</b>		
2.0 (150PS) Turbo D S/S	3085	tba
2.0 (180PS) Turbo D S/S automatic	3100	1800
<b>LIFE EDITION L (LONG) EURO 6D TEMP (6.2)</b>		
1.5 (120PS) Turbo D S/S	2830	1400
<b>LIFE ELITE L (LONG) EURO 6D TEMP (6.2)</b>		
2.0 (150PS) Turbo D S/S	3100	tba
2.0 (180PS) Turbo D S/S automatic	3100	1800

S/S = Start/Stop.

Gross vehicle weight is the total permissible weight of the vehicle including passengers and their luggage. The maximum roof rack loading should not exceed 170kg on all models. The maximum towing weights are based on the ability of the car, with two occupants of 75kg each, to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. The permitted trailer load applies up to the specified incline and up to an altitude of 1000 metres above sea level. The permissible gross train weight decreases by 10% for every 1000 metres of additional altitude. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. Always fit Vauxhall towing attachments and accessories available from your Vauxhall Retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee. During trailer towing do not exceed a maximum speed of 60mph. This speed limit is also applicable in countries with higher permitted speeds for trailer-vehicle combinations. Pay attention to the local speed limits. For trailers with low driving stability and caravans the use of an oscillation damper is strongly recommended.

# DIMENSIONS

<b>Loadspace Dimensions</b> millimetres (inches)	<b>M (MEDIUM)</b>	<b>L (LONG)</b>
Maximum load length – Passenger’s seat folded	3161 (124.5)	3511 (138.2)

# COMPANY CAR DRIVER AND FLEET INFORMATION

## Design and Tech Line High Spec Low P11D

Specifically developed for businesses and company car drivers alike, our Design and Tech Line Nav models are seriously fit for Fleet.

Design models all feature very low P11D values, generous standard specification, including Sat Nav on Design Nav models, and a choice of high tech ecoTEC engines for great fuel economy and low emissions.

For even more standard specification, step up to our Tech Line Nav range. Again you are guaranteed low P11D values, plus great standard kit including Sat Nav, Bluetooth®, USB connection, aux-in socket and digital radio.

With Design and Tech Line Nav you can take for granted low Whole Life Costs and low company car driver taxation.

## Company Car Driver Free 3 Day Test Drive

Our free\* 3 Day Test Drive programme is open to all Company Car Drivers which allows you to choose any model in the current Vauxhall line-up (exclusions apply). With full insurance cover provided, it gives you a meaningful length of time to make an informed decision about your next company car.

Search Vauxhall 3DTD to book your FREE\* test drive or click the link the below:

[Vauxhall 3 Day Test Drive](#)

\*The free 3 Day Test Drive programme is open to Company Car Drivers and Fleet Decision Makers. Available for UK Mainland only. Terms and conditions apply. Full terms and conditions can be found at [vauxhallfleet.co.uk/testdrive/index/terms](http://vauxhallfleet.co.uk/testdrive/index/terms).

## Benefit in kind company car taxation†

The car benefit charge will be the car's list price (including VAT, options and accessories fitted, delivery to Retailer and number plates, but excluding Vehicle Excise Duty and new vehicle first registration fee) multiplied by the percentage charge for the CO<sub>2</sub> emissions band in which the car falls (see table opposite). Multiply this figure by your personal income tax rate (20%<sup>††</sup> for Basic Rate, 40%<sup>††</sup> for Higher Rate) to calculate your annual benefit in kind tax liability.

### Example:

<b>New Vivaro Life Edition L 1.5 (120PS) Turbo D Start/Stop (CO<sub>2</sub> emissions 128g/km)</b>	
On-the-road RRP	£29,605.00
Deduct: Vehicle Excise Duty	(£210.00)
New vehicle first registration fee	(£55.00)
Effective list price	£29,340.00
Add: Optional two-coat metallic paint	£545.00
List price for tax purposes (P11D value)	£29,885.00
Car benefit charge 2019–20 tax year (33%)	£9,862.00
Benefit in kind tax liability (2019–20 tax year)	
Basic Rate (20%) tax payer	£1,972.40
Higher Rate (40%) tax payer	£3,944.80

†Please note this Price Guide provides taxation information as a guide only. Vauxhall does not provide taxation guidance. Drivers should always take professional advice on their own tax position.

††Excludes residents of Scotland.

### BIK FOR SCOTTISH RESIDENTS

Effective 6 April 2018 the Scottish Government have introduced their own BIK taxation structure. This only applies to Company Car Drivers that are Scottish taxpayers. HMRC will determine whether or not an individual is a Scottish taxpayer based on where their main place of residence is.

### The BIK rates for Scotland are:

- Over £12,500–£14,549 Starter Rate 19%
- Over £14,549–£24,994 Basic Rate 20%
- Over £24,994–£43,430 Intermediate Rate 21%
- Over £43,430–£150,000 Higher Rate 41%
- Above £150,000 Top Rate 46%

## Benefit in kind company car taxation table

CO <sub>2</sub> emissions in grams per kilometre	Percentage of cars price to be taxed	
	Non-Diesel <sup>‡</sup> 2019-20 tax year	Diesel <sup>‡‡</sup> 2019-20 tax year
Up to 50	16	20
51-75	19	23
76-94	22	26
95-99	23	27
100-104	24	28
105-109	25	29
110-114	26	30
115-119	27	31
120-124	28	32
125-129	29	33
130-134	30	34
135-139	31	35
140-144	32	36
145-149	33	37
150-154	34	37
155-159	35	37
160-164	36	37
165-169	37	37
170-174	37	37
175-179	37	37
180 and above	37	37

<sup>‡</sup>Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2). <sup>‡‡</sup>Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# FURTHER INFORMATION

## On-the-road prices

To eliminate uncertainty about hidden costs when buying a new car, Vauxhall publishes on-the-road recommended retail prices (RRP) and these are shown in the pricing tables within this price guide. These prices include VAT, number plates and delivery to Retailer of £700.00 (including £116.67 VAT), 12 months' Government Vehicle Excise Duty (see opposite for details) and the DVLA new vehicle first registration fee of £55.00.\*

**Please note:** The on-the-road recommended retail price (RRP) does not include fuel supplied by the Retailer, motor insurance or any other goods or services supplied by agreement between the Retailer and the customer.

## Price protection

Order a new Vauxhall for build in the current model year (as confirmed by your Retailer) for delivery no more than three months in advance and the price you are quoted is the price you pay. This is irrespective of any subsequent price rises between placing your order and delivery of your new car, but you must take delivery as soon as the car is available. Vauxhall Motors Limited is not liable for price adjustments caused by Government changes in the rate of VAT (currently 20%), Vehicle Excise Duty, DVLA new vehicle first registration fee or by any other applicable legislation or regulations.

## Vauxhall Finance Leasing

Vauxhall Finance Leasing is a trading style of Vauxhall Finance plc. Working with the Vauxhall Retailer network we provide competitive car and van leasing solutions for business users and private individuals. We combine the support of a national contract with the convenience of a local contact.

For further information, please contact your local Vauxhall Retailer or visit [www.vauxhall.co.uk/leasing](http://www.vauxhall.co.uk/leasing)

## In the event of an accident

Vauxhall Accident Management helps keep you mobile following an accident. Benefits include vehicle recovery, Vauxhall-approved repairs and contacting your insurer. For more details, visit [www.vauxhall.co.uk/AccidentManagement](http://www.vauxhall.co.uk/AccidentManagement)

## Vehicle Excise Duty

The amount of Vehicle Excise Duty (road fund licence) payable on new cars varies depending on the level of carbon dioxide (CO<sub>2</sub>) emissions produced by the vehicle. CO<sub>2</sub> emissions are measured in grams per kilometre (g/km) travelled and divided into 13 charging bands shown in the table opposite.

A 'first year rate' of Vehicle Excise Duty is payable on all new cars and in subsequent years the amount payable reverts to the 'standard rate'. From 1 April 2017 the breakpoints for each of these bands have been revised. Also, for vehicles with a list price over £40,000, including factory-fitted options, an additional £320 is payable for the first five years of standard rate payments.

## Vehicle Excise Duty\*

Band	CO <sub>2</sub> emissions in grams per kilometre	First year rate		Standard rate
		Petrol <sup>#</sup>	Diesel <sup>†</sup>	
A	0	£0	£0	£0
B	1-50	£10	£25	£145
C	51-75	£25	£110	£145
D	76-90	£110	£130	£145
E	91-100	£130	£150	£145
F	101-110	£150	£170	£145
G	111-130	£170	£210	£145
H	131-150	£210	£530	£145
I	151-170	£530	£855	£145
J	171-190	£855	£1,280	£145
K	191-225	£1,280	£1,815	£145
L	226-255	£1,815	£2,135	£145
M	over 255	£2,135	£2,135	£145

\*Correct at time of issue.

<sup>#</sup>Also applies to diesel vehicles that meet the Real Driving Emissions Step 2 (RDE2).

<sup>†</sup>Applies to vehicles that do not meet the Real Driving Emissions Step 2 (RDE2).

# FURTHER INFORMATION

## Customer Care Commitment

For added peace of mind, Vauxhall has an innovative Customer Care Commitment that offers the following:

- Three-year vehicle warranty consisting of a one-year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

**Please note:** Warranty is only available on vehicles sourced from Vauxhall Motors Limited. Terms and conditions apply – please see your Vauxhall Retailer for details.

## Vauxhall Assistance

Vauxhall Assistance is provided automatically with every new Vauxhall for 12 months from first registration and covers everything from accident assistance, roadside recovery and 'at home' service to flat tyres. With Vauxhall Assistance help is literally just a free\* phone call away, 24 hours a day, 365 days a year!

## Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards. For even more information on Vauxhall's efforts to achieve an environmentally sustainable future, and how to dispose of your end-of-life vehicle, see [www.vauxhall.co.uk/recycling](http://www.vauxhall.co.uk/recycling)

## Vauxhall Service Plan

- Fixed monthly payments for the plan duration
- Easy to budget and interest-free
- Genuine parts fitted by Vauxhall-trained technicians

## Plus on Gold plans:

- Valet and courtesy car
- Vauxhall Roadside Assistance
- Engine flush and fuel treatments
- Litre of oil for top ups between services

Full details can be obtained from your local participating Vauxhall Retailer.

## Vauxhall Insurance with added reassurance

Comprehensive cover – Summary of benefits\*\*

- Competitive premiums
- Repairs by a Vauxhall-trained technician
- Genuine Vauxhall parts, guaranteed for three years when we repair your car within our Approved Repairer Network
- Free courtesy car as standard when using an Approved Repairer†
- 24 hour claims helpline
- Personal Accident benefit
- Cover for audio equipment
- Windscreen cover

Call for a quote on 0844 463 2670††

## Conversions

Vauxhall's integration within the PSA Group has brought significant benefits, and this is especially true of light commercial vehicles. PSA Group is Europe's largest manufacturer of light commercial vehicles and has a definitive strategy in place to further strengthen this position.

One aspect of this strategy is the new conversion portal for all PSA Group brands. This significantly improves the transparency and response of all communication with body-builders, and converters:

[www.converters-and-groupe-psa.com](http://www.converters-and-groupe-psa.com)

This website contains complete technical guidelines necessary to convert Vauxhall commercial vehicles – New Combo (K9), New Vivaro (K0) and Movano (X62). All vital and fundamental information is now located in one place:

- Conversion Guidelines
- Technical Data
- 3D CAD (coming)
- WLTP guidance
- Body shell ordering

Additionally there is a new Q&A service for technical questions, and the new conversion approval process will also be managed through this portal.

Any converter of Vauxhall product should create an account on this portal including those using IVA as approval process. In fact WLTP will make this necessary.

The Vauxhall data repository (on VX website) has now been closed, and any visitors are referred to the new site.

## For more product information

For further information on the Vauxhall range or location of your nearest Vauxhall Retailer please call **0345 600 1500**. Alternatively, details can be found on our website at [www.vauxhall.co.uk](http://www.vauxhall.co.uk)

\*Mobile phone users will be charged at their standard tariff.

\*\*The benefits listed above are for comprehensive cover only. For details of Third Party, Fire and Theft cover, please call our sales team.

†Should your car need repairing following an accident we provide a courtesy car (subject to availability) for the duration of the repair. Only genuine Vauxhall parts are used. Terms and conditions apply.

††Calls may be recorded. Vauxhall Insurance is underwritten by Ageas Insurance Limited.
