

Corsa

2011 Models Edition 1

C'MON!

Put the fun back into driving

Get yourself into a Corsa. And get a lot more fun out of life. With stunning styling and brilliant attention to detail, inside and out. A dynamic chassis and punchy petrol or diesel engines. Plus bags of clever features. It can only make life better. Wherever you go. Whatever's in store for you.

This brochure covers Corsa Expression, S, Exclusiv, SE, SXi and SRi models only. Some of the models shown include options and accessories available at extra cost. Not all of the features described are available on every model. So please check in the Equipment section for further details. From time to time, we also offer alternative Corsa models such as Special Editions, featured in their own separate literature or found on the Vauxhall website: www.vauxhall.co.uk

C'MON Check the style

Corsa looks brilliant from every angle. The seriously sporty three-door, sharp and dynamic with real attitude. And the flexible five-door – maybe a little more grown-up, but ever so versatile and wonderfully well proportioned. On the inside, we've got sharp tailored fabrics, clean lines, modern surface finishes and chrome-effect detailing. And every model has its own unique personality, so all you have to do is choose the one that matches yours.

RESPECT your world.

We all share a responsibility to look after our world. That's why Vauxhall has been at the forefront of green automotive initiatives for many years. Of course, we are always looking to further reduce vehicle CO₂ emissions and our ecoFLEX models already have some of the lowest emissions in the UK. And the introduction of our new Start/Stop models, producing as low as 94g/km of CO₂, further underlines our commitment to the environment. Most recently, we have been researching ways of developing new cars that are even more efficient than ever before. The forthcoming Vauxhall Ampera* is an Extended Range Electric Vehicle (E-REV) that can drive up to 40 miles on battery power alone and over 300 miles utilising an on-board electric generator system.

But that commitment goes even further. We have dramatically reduced manufacturing emissions, and our new models use more recycled materials and more recyclable parts than ever before.

We also offer free and easily accessible, environmentally friendly, end-of-life vehicle disposal through our partners Autogreen Ltd.

That way, we reduce our environmental impact in every phase of every vehicle's life cycle. Because your world is our world, too.

*For more information on Vauxhall Ampera please visit www.vauxhallampera.co.uk

A new dimension of driving fun

Okay, we could just tell you that the Corsa chassis has been designed to ensure pure driving pleasure without ever compromising ride comfort. And we could explain how Corsa's new Start/Stop technology and lower CO₂ diesels help cut your carbon footprint and save you money too. But wouldn't it be better to discover how much fun it is to drive by trying one for yourself?

ecoFLEX

 **New Start/Stop technology.** The new Corsa ecoFLEX Start/Stop models switch the engine off when you stop at the lights or in traffic, then restart it automatically once the clutch is depressed, saving fuel and reducing emissions even further. The AUTOSTOP symbol housed within the rev counter indicates that the engine has stopped. The system can be deactivated manually by simply pressing the ECO button on the fascia.

As the chart opposite shows, the new Corsa 1.3CDTi 16v (75PS) Start/Stop model cuts CO₂ emissions considerably and improves fuel economy by as much as 4.9% over the non-Start/Stop version. The new 1.3CDTi 16v (95PS) Start/Stop engine available on S and Exclusiv models reinforces Vauxhall's eco commitment even further, increasing fuel economy over the non-Start/Stop 75PS models by an incredible 16.6%. In addition, both Start/Stop engines cut CO₂ by so much that they qualify for zero Vehicle Excise Duty* (VED) in the first year and the 95PS version for the life of the vehicle*.

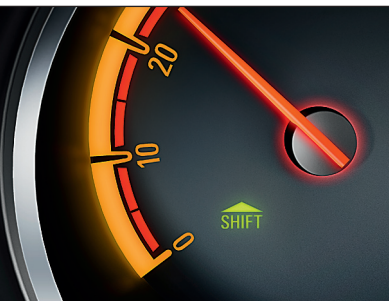

Further technical details on the Start/Stop system can be found on page 47.

ecoFLEX turbo diesels. Corsa's Euro 5 diesel engine range combines performance, refinement and efficiency, further enhancing their environmental credentials. The range-topping 1.7CDTi 16v is now joined by two improved 1.3CDTi engines, and two new 1.3CDTi Start/Stop versions offering even more eco-efficiency.

Corsa's improved 1.3CDTi 16v (75PS) engine combines higher torque (190Nm) with low CO₂ and superb fuel efficiency. On SE and SXi models an enhanced 1.3CDTi engine now boasts higher power (95PS) and improved torque (210Nm) with impressive fuel economy and low CO₂ emissions. All Corsa diesel models qualify for zero VED* in the first year.

You can find full engine availability on the Corsa model pages and more technical information on pages 46-47.

Shift-up indicator. Standard on all models, a shift-up indicator on the rev counter alerts the driver to the optimum time a gear change is required, further enhancing fuel efficiency.

Petrol engines. Corsa models are available with three, Euro 5 compliant petrol engines – the 1.0i 12v ecoFLEX, the 1.2i 16v VVT and a 1.4i 16v VVT – combining power and fuel efficiency with low CO₂ emissions. In fact, all three manual gearbox models qualify for zero VED* in the first year.

Easytronic. Choose Corsa's optional Easytronic transmission and you'll get a five-speed manual gearbox with a fully automatic mode. In manual mode, you push the lever forward or back to shift gears up or down and by nudging the lever to the side you switch to fully automatic mode. There's no clutch pedal so you can drive it on an automatic-only driving licence.

Transmissions. The 1.3CDTi 16v (95PS) SE and SXi plus the 1.7CDTi 16v SE and SRi diesel models come with a six-speed manual gearbox. The rest of the range comes with a five-speed manual as standard, with sophisticated four-speed automatic (1.4i 16v) and five-speed Easytronic (1.2i 16v) transmissions also available.

Chassis. The Corsa chassis features optimised spring, damper and anti-roll bar settings to combine serious ride comfort with real agility. The advanced Anti-lock Braking System (ABS) combines with other chassis safety features to improve stability and steering behaviour in a range of emergency situations. Choose the sporty SRi – or the optional 17-inch alloy wheels on SE or SXi models – and you will also enjoy a lower ride height and sportier spring and damper settings, plus progressive rate, variable ratio power steering.

▲ ABS and ESP-plus. Corsa's Anti-lock Braking System (ABS) includes safety features like Straight Line Stability control and Cornering Brake Control as standard. Electronic Stability Programme-plus (ESP-plus) is optional on all models. Turn to the Technical data on page 51 for more details.

▼ Airbags. Most Corsa models feature double-action front seatbelt pretensioners and up to six airbags, including front seat side-impact and curtain airbags too. Press a button on the centre console to deactivate the front passenger's airbag and you can keep a rear-facing child seat up front.

▼▶ Halogen AFL. Optional on SE, SXi and SRi models, Halogen Adaptive Forward Lighting moves the headlight beams up to 15 degrees left or right of the straight ahead position when you turn the steering wheel, helping improve your vision of the approaching bend. See page 51 for more details.

Double pretensioners. Front seatbelt pretensioners act on the diagonal shoulder restraint on all models. And on the lap belt too, on Exclusive models and above. So in the event of a collision, they're ready to interact with the front airbags and compensate for lateral seat movement.

▲ Adaptive brake lights. ABS brakes can shorten your stopping distance in slippery road conditions, but what about the driver behind you? With Corsa, if the ABS is activated at over 18mph, your brake lights blink at five times a second, warning the following driver that you're emergency braking.

▶ Security. Every Corsa features an engine deadlock immobiliser as standard. Expression models are fitted with central locking whilst all other models feature remote control central deadlocking. There's also an internal door locking switch for added reassurance in the event of unwanted attention from outside the car.

Intelligent safety

Our life-saving safety features are almost taken for granted on Vauxhall cars nowadays, but it doesn't mean we've stopped inventing new ones. Double front seatbelt pretensioners and adaptive brake lights are just two examples of how Corsa achieves such a high safety rating.

Door-to-door illumination. Every Corsa features door-to-door illumination. Just flick the headlight stalk as you exit the car and the dipped headlights and rear lights stay on for 30 seconds – helping you find your way out of an unlit driveway or car park. Most models feature welcome lighting too, switching on the interior light and rear number plate lights when the car is unlocked.

Winter Pack. Standard on SE and optional on Exclusiv, SXi and SRi models, the Winter Pack provides both driver and front passenger with heated seats, while the heated steering wheel is a first-in-class feature.

Rain and light sensors. Automatic lighting control can switch the car's lights on when it gets dark. Other sensors can switch the wipers on and even dim the rear-view mirror – all automatically. These features are standard on SE and optional as the Sight and Light Pack on SXi and SRi.

Infotainment. If quality sounds are high on your agenda, you won't be disappointed by Corsa. Choose Expression or S and you get a quality CD player/radio. Select Exclusiv, SE, SXi or SRi and you're also treated to MP3 CD format and an auxiliary-in socket so you can play tracks direct from your personal MP3 player. The optional CD 60 system adds sophisticated satellite navigation. And a mobile phone system* with Bluetooth® wireless connectivity is also available. Turn to page 43 for more feature information.

*Please refer to the online Vauxhall Car and Accessory Price Guide for a list of phone-specific cradles.

Air con and ECC. Air conditioning provides chilled air on hot days, faster demisting on damp days and a more pleasant atmosphere throughout the year. Move up to Electronic Climate Control (ECC) for a more consistent control of the interior temperature.

Cruise control. The easy-to-use, twist up/twist down cruise control – standard on SE, SXi and SRi models and available as part of the Plus Pack on Exclusiv – allows you to maintain a steady speed without keeping your foot on the throttle. So it's more comfortable on long journeys and easier to keep to speed limits too.

▲ **Driving position.** You're going to be spending some quality time in your Corsa. So we've made it easy for you to make sure it's exactly how you want it. The Corsa interior is big on ergonomic efficiency. Which means it's designed around real people, with space to relax and plenty of room for long legs and broad shoulders – front and rear. All the controls are within easy reach so you don't have to take your eyes off the road for more than a moment to adjust the heating or the audio, for example.

Best of all, it's easy to find the perfect seating position with a driver's seat that moves six ways – including height adjustment – on most models. On Exclusiv models and above (optional on S as part of the Plus Pack), you'll find fully adjustable steering too, bringing us right back to what we said earlier about real people and perfect ergonomics.

Easy life

Corsa is available with some pretty brilliant features so you never have to compromise on what you really want. Like real quality audio and satellite navigation. Your favourite seating position. And added peace of mind. So it's easy to choose a Corsa that fits the way you live perfectly.

Clever equipment

How do you build a small car that feels like a big one? You give it plenty of space for you and your friends. You make room available for all your kit with clever storage solutions. And you make plenty of smart features available, so every Corsa is exactly the way you want it.

▼▶ **Flex-Fix®.** The revolutionary Flex-Fix® system incorporates an integrated carrier for two bikes, so you don't need a separate roof or rear carrier. Optional at extra cost on Exclusiv, SE and SXi models. Please see additional information below right or page 50 for more technical information.

▲ **Sunroof with interior blind.** Optional at extra cost on Exclusiv, SE, SXi and SRi models, the electrically operated sunroof stretches wide across the car for maximum fresh air and blue sky. And if the sun's too strong, you simply wind out the roller blind to reduce glare. Noise is kept to a minimum thanks to an integrated wind deflector.

◀▶▶ Most of the time Flex-Fix® stays hidden behind the rear number plate, but when the need arises, you simply extend it, attach the extra rear lights, fix your bikes to the carrier and off you go. An acoustic warning sounds when the carrier is extended and reverse gear is engaged.

▼ **Translucent controls.** Smart backlit, translucent controls are standard on the audio equipment and, on some models, heating and air conditioning system and window switches.

◀▼ **Clever storage.** Corsa has so many places to keep your belongings. There are drinks holders and stowage compartments in the centre console, an underseat storage tray under the front passenger's seat and the front door pockets (and rear side panels on 3-door models) have holders for bottles up to 1.5L.

▲ **DualFloor luggage compartment.** When the rear seat backs are folded, it provides a long, level, load surface which makes loading that bit easier. And when lowered, it offers a deeper load area. Optional at extra cost on SE, SXi and SRi models.

C'MON!

Make a choice

So here's the question. Do you get what you want? Or make do with what you get? We suspect the former. So it's just as well that Corsa comes with a brilliant choice of feature-packed models, petrol and diesel engines, and drop-dead gorgeous colour and trim choices.

EXPRESSION AND S

Standard features include:

- Driver's and front passenger's dual-stage airbags
- Anti-lock Braking System (ABS)
- Emergency Brake Assist
- Electronic engine deadlock immobiliser
- CD player/stereo radio (CD 30)
- Speed-sensitive power-assisted steering
- Door-to-door illumination
- Electrically adjustable door mirrors
- Body-colour bumpers
- Map pockets on front seat backs
- Central locking

In addition S models include:

- Remote control central deadlocking
- Electrically operated front windows
- Welcome lighting

Model illustrated features Adaptive Forward Lighting and Sight and Light Pack, optional at extra cost.

SRI

Vauxhall options and accessories are all about choice – selecting your new car, then personalising it to suit yourself. There's a choice of factory-fitted options and a huge range of retailer-fit accessories. You can also choose styling products from the VXR range as well as auto design specialist Irmischer International. Available individually or in special packs at great prices. You'll find further information on the following pages or just ask your Vauxhall retailer for more details.

SE model illustrated features VXR Styling Pack, 17-inch twin-spoke alloy wheels and two-coat metallic paint, optional at extra cost.

VXR Styling

Inspired by our racing heritage, Vauxhall VXR styling products come with all the same experience, knowledge, and passion for style and performance. They put the accent firmly on quality and exclusivity, with a winning edge. And they add flair, personality and excitement to every Corsa model. VXR styling products are available as factory-fit option packs or accessories fitted by your Vauxhall retailer.

◀▶ **VXR Styling Pack***. Available on SE and SXi models the VXR Styling Pack consists of a front lower spoiler, side sills, rear roof spoiler and rear skirt. In addition, SE models include a chrome-effect exhaust tailpipe (standard on SXi).

*Not available on models fitted with the optional Flex-Fix® system. Deletes spare wheel.

▶ Rear parking distance sensor. This clever early warning system helps safeguard your car. When reverse gear is selected, the system beeps as you reverse close to an obstruction, rising to a continuous tone when the object is approximately 300mm away.

▼ Bluetooth®. With the optional mobile phone system, your phone interfaces with the infotainment unit, for operation via the steering wheel controls and fascia display. Bluetooth® wireless connectivity with voice activation is included. Does not include phone or cradle.

Please refer to page 43 of the Technical data section for further details.

OPTIONS AND OPTION PACKS

Corsa options are available individually or in special option packs at great prices. The Equipment section has more details.

INDIVIDUAL OPTIONS INCLUDE:

- Alloy wheels
- Flex-Fix® integrated carrier system
- Air conditioning
- Halogen adaptive forward lighting
- Electronic Stability Programme-plus (ESP-plus)
- ISOFIX system for front passenger seat
- Electronic Climate Control (ECC)

▼ Sunroof with interior blind. Optional on all models except Expression and S, Corsa's electrically operated sunroof has a manually operated roller blind to reduce glare, and twin-chamber insulation to reduce noise when it's shut. An integrated wind deflector reduces wind noise, too.

▲ Satellite navigation. Fast becoming the 'must have' option for people on the move, this CD-ROM based Sat Nav system guides you to your destination, with clearly spoken directions and directional pictograms of the route. It can also point out accident black spots, schools and points of interest.

▼ Winter Pack. Standard on SE and optional at extra cost on Exclusiv, SXi and SRi models.

- Electrically heated front seats
- Electrically heated leather-covered steering wheel

◀ Sight and Light Pack. Standard on SE and optional at extra cost on SXi and SRi models.

- Automatic lighting control
- Rain-sensitive windscreen wipers
- Electro-chromatic anti-dazzle rear-view mirror

Vauxhall accessories are the right choice for your Corsa. Whatever you're into, there's certain to be a Vauxhall accessory with your name on it, all fitted by trained Vauxhall professionals. We've only featured a small selection of what's available here, so please check with your Vauxhall retailer for accessory availability information or visit our website at www.vauxhall-accessories.com

 **Privacy shades.** Available for the rear side and tailgate windows, privacy shades provide shade for rear seat passengers and increase security. The tailored fit still allows the rear windows to be opened.

 **Rear parking distance sensors.** Activated automatically as you select reverse, this clever system beeps faster the closer you get to an obstruction, changing to a continuous tone at 300mm away.

FURTHER ACCESSORIES AVAILABLE INCLUDE:

- Thatcham approved alarm system
- Floor mats
- Cargo liner
- Mudflaps
- Headlight protectors
- Detachable tow bar
- Electrically chilled 12-litre cool bag
- Thule roof boxes
- Thule alloy ski carrier
- Anti-slip mat
- Steering wheel security bar
- Child seats
- Alloy wheels
- VXR styling accessories

 **Base carrier.** The Vauxhall roof rack system begins with this base carrier. It comprises of two T-track bars which support a wide range of attachments. Each carrier is supplied with locks for security.

 **Thule bicycle carrier.** Used in conjunction with the Vauxhall base carrier this system, manufactured by Thule, allows a bicycle to be transported on the roof of your vehicle. Designed to enable easy installation, the bicycle is secured using quick release straps and a lock for security. Available in steel or aluminium.

VAUXHALL ACCESSORY PACKS

Vauxhall accessory packs bring together a selection of essential accessories at great prices, helping you to protect your car and equipping you for roadside emergencies.

irmscher

Styling

Developed in conjunction with auto design specialists Irmischer International, Corsa styling accessories perfectly complement the vehicle's lines, as well as being manufactured to the same exacting standards as the car itself. For availability details please ask your Vauxhall retailer.

▼ **Irmischer alloy wheels.** They're the perfect way to personalise your Corsa. With a huge range to choose from (style illustrated is Stila), and sizes from 14 to 17 inches, you're sure to find one to suit your style and budget. And don't forget to ask about our accessory wheel locking kits too.

◀ ▲ **Protection Pack.**

- Velour mats
- Mudflaps
- Cargo liner

▲ **Sports silencer.** For distinctive looks (with chrome-plated tailpipes) and a sportier exhaust note, these split oval design tailpipes are the perfect choice for your Corsa. The rear bumper sports insert (also shown above) is available separately.

▶ **Safety Pack.**

- First aid kit
- Warning triangle
- Hi-visibility vest

▶ **Cross hatch front grille.** Being different is easy with the cross hatch front grille from Irmischer. Featuring an aluminium upper strip with a laser-etched 'Irmischer' logo it adds style and individuality.

CORSA VXR

This is extra-sensory stimulation. Cars with soul and power to make you feel alive, electrified and inspired. A range of driver-focused, performance machines for the road, born on the track.

Interior features include:

- > Recaro shell-backed sports front seats
- > Three-spoke flat bottom leather-covered sports steering wheel with VXR logo
- > Unique VXR gear knob
- > Alloy pedals
- > Air conditioning
- > VXR alloy-effect door sill covers

Exterior features include:

- > 17-inch Y-design alloy wheels (right)
- > 18-inch V-spoke alloy wheels with anthracite inner, optional at extra cost (far right)
- > VXR honeycomb sports grille and air dam/bumper
- > VXR side sills, rear bumper incorporating diffuser and rear roof spoiler

DISCOVER 6.8^{SEC}
0-60MPH

CORSA VXR.

Whichever way you look at it, Corsa VXR doesn't hang around. The lightweight 1.6 litre turbo puts out 192PS and the software controlled overboost increases max torque to 260+Nm for safer overtaking. No worries in the chassis department either. With lowered sports suspension, bigger brakes and Electronic Stability Programme (ESP) with traction control – it's all designed for rapid, safe progress.

For more information on the Corsa VXR please ask your Vauxhall retailer for a copy of the latest VXR range brochure.

This season's 'must have' colour? Take your pick from a brilliant range of Corsa shades. Plenty to choose from. All coupled with a great cloth trim line-up.

Due to the limitations of the printing process the colours reproduced may vary slightly from the actual paint colour or trim material. As a result they should be used as a guide only. Your Vauxhall retailer has a comprehensive display of all our paint samples and trim swatches. Vehicle illustrated is a non-specific model.

Features explained	51

Safety

Standard features • Driver's dual-stage airbag • Front passenger's dual-stage airbag • Pedal release system – Reduces potential injury to the driver's legs and feet during a severe frontal impact • Laminated windscreen • Reinforced passenger safety cell • Side-impact protection beams • Fuel tank located ahead of rear axle

• Child-proof locks on rear doors • ISOFIX child seat restraint system for outer rear seats incorporating top tether – Secures specially designed ISOFIX child safety seats to the vehicle itself, virtually eliminating the dangers that can result from improper installation (does not include child seat) • Deactivation switch for front passenger's airbag

• Anti-lock Braking System (ABS) with Electronic Brakeforce Distribution • Straight Line Stability control • Cornering Brake Control – see **D1** on page 51 • Emergency Brake Assist – see **D2** on page 51 • Adaptive Brake Lights • Drag Torque Control – Helps maintain stability when suddenly lifting off the accelerator

• Height-adjustable front seat head restraints • Height-adjustable front seatbelts • Pyrotechnic front body-lock seatbelt buckle pretensioner system – Tightens the diagonal belt during the early stages of a frontal impact • Driver's and front passenger's seatbelt force limiters – Reduces potential upper body injuries during a frontal impact • Adjustable outer rear seat head restraints • Three inertia-reel lap and diagonal rear seatbelts • Anti-submarining ramps in all seats – Help prevent occupants sliding underneath the lap belt during a collision • Driver's seatbelt unfastened audible warning

Additional features	Exp.	S	Exclusiv	SE	SXi	SRi
Front seat side-impact airbags	□	□	●	●	●	●

Mobile phone system with Bluetooth® (does not include phone or phone-specific cradle) and graphic information display			○	○	○	○
Steering wheel mounted audio controls			●	●	●	●

Satellite navigation

The CD 60 navigation unit uses GPS (Global Positioning System) satellites linked to a comprehensive CD-ROM mapping system to guide you to your chosen destination virtually anywhere in mainland Britain. The system uses a range of menu-driven options which are easily accessed via the steering wheel mounted audio controls.

The audible direction guidance prompt gives details of road numbers and motorway junction numbers, while you can also plan your route to avoid toll roads if required. Route guidance instructions in the form of directional arrows are shown on the graphic information display.

The CD 60 also features Traffic Message Channel (TMC), a specific application of RDS used for broadcasting real-time traffic information. TMC can also offer dynamic route guidance – alerting the

driver to a problem on the planned route and calculating an alternative route to avoid the incident.

The CD-ROM supplied with the system covers all major link roads and streets in towns and cities across mainland Britain. Updated discs and additional discs for all major European countries are available at extra cost.

Auxiliary-in socket

The auxiliary-in socket allows you to connect your portable MP3 music player directly into the car's audio system. All you need is your music player and a suitable connecting lead and you can listen to all your favourite tunes through your car's speaker system. Using your MP3 music player in the car couldn't be easier – use it to select the music, as you would normally do, while controlling the volume via the car's regular volume controls.

Mobile phone system with Bluetooth®

Vauxhall's factory-fit dual-band mobile phone system has been considerably enhanced. Now fully integrated into the audio and communication system, it also features voice control and will connect wirelessly to phones with Bluetooth® technology.

All the required information is displayed on the multi-function display when a mobile phone is in use, while the menus are easily navigated by either the steering wheel audio controls or the multi-function button on the radio. Certain functions can also be controlled by voice activation. Please note, not all features work with all phones.

Mounted on the centre console, the phone system base unit can be fitted with phone-specific cradles (available as accessories) for many different mobile phones. A list of compatible cradles is featured in the online Vauxhall Car and Accessory Price Guide.

CD player/stereo radio (CD 30).

tbc = To be confirmed. * = Manufacturer's figures.

Fuel consumption and CO₂ emission data complies with the relevant EU regulations. **Important:** the results given relate to the particular vehicle tested; inevitably there are differences between individual vehicles of the same model. Driving style, road and traffic conditions, vehicle mileage and standard of maintenance may also affect fuel consumption.

Start/Stop technology

Corsa's Start/Stop system offers real benefits by increasing fuel economy and reducing CO₂ emissions, particularly in town. It does this by automatically stopping the engine when you come to a standstill, and then restarting as you prepare to move off.

Before automatically stopping the engine a number of system checks are carried out to ensure that it is both safe and practical to do so. To ensure safety, the driver must depress the clutch pedal, shift in to neutral, and then release the clutch pedal.

System checks carried out before Auto Stop activates include:

- Start/Stop system is not manually deactivated via the facia button
- Sufficient brake vacuum is available to prevent the car rolling down an incline
- Battery is in good condition and charged
- Outside air temperature and engine temperature are above specified minima
- Electronic climate control (where fitted) is not in maximum heating or maximum cooling mode
- Self-cleaning function of the diesel particulate filter is not active

If all of these conditions are satisfied then the vehicle will Auto Stop.

When you are ready to pull away from standstill, Auto Restart is activated by depressing the clutch pedal.

Whilst at a standstill the vehicle is continually monitored. If necessary, the engine will automatically be restarted. Conditions that would initiate an Auto Restart include:

- Low battery level
- Brake vacuum below specified minimum
- Start/Stop system is manually deactivated
- Stationary for 5.5 minutes

Vauxhall supporting

Smarter driving tips

- **Drive at an appropriate speed:** – Staying within the speed limit increases driver safety, reduces CO₂ emissions and saves fuel. At 70mph you could be using up to 9% more fuel than at 60mph and up to 15% more fuel than at 50mph
- **Drive smoothly at all times:** – Anticipate the ebb and flow of the traffic to avoid harsh acceleration and braking
- **Reduce your revs:** – Change gear earlier to help reduce fuel consumption – try 2500rpm with petrol engines and 2000rpm with diesel
- **Idling is wasting fuel:** – If you're likely to be at a standstill for more than three minutes, switch off the engine to save fuel
- **Regularly check your tyre pressures:** – Under inflated tyres increase CO₂ emissions whilst incorrectly inflated tyres can be unsafe. Always check your handbook for the correct tyre pressure. This will also help to increase the life of your tyres
- **Remove unnecessary items from the car:** – Extra weight increases the engine's workload, whilst roof racks and bike carriers increase wind resistance. All burn more fuel and increase CO₂ emissions

1.7CDTi 16v ecoFLEX SRi	1750	1780	1300 (500)	1300 (500)

Please note: For S/Exclusiv (exc. 1.3CDTi 16v (95PS) ecoFLEX) and SXi models fitted with optional air conditioning 20kg must be added to gross vehicle weight. 10kg must be added for S/Exclusiv 1.3CDTi 16v (95PS) ecoFLEX. **Gross vehicle weight** is the total permissible weight of the vehicle including passengers and their luggage. The **maximum roof rack loading** should not exceed a total of 75kg. The **maximum towing weights** are based on the ability of the car – with two occupants of 75kg each – to restart on a 12% gradient, which is approximately 1 in 8.3, at sea level. At altitudes above 1500 metres, the engine output may drop with a corresponding reduction in towing capability. Any extra weight, such as luggage or additional passengers, should be deducted from the maximum towing weight. With a trailer fully loaded, **maximum nose weight** should not exceed 55kg (45kg on 1.2i 16v VVT models). Always fit Vauxhall towing attachments and accessories available from your Vauxhall retailer. They are designed specifically for Vauxhall models and carry a 12-month guarantee.

Vauxhall Assistance and warranties**

- All new Vauxhalls qualify for a three-year vehicle warranty consisting of a one year/unlimited mileage manufacturer's warranty and a second and third year manufacturer's warranty with a 60,000 miles limitation
- Vauxhall Assistance for 12 months from first registration
- Six years' body panel anti-perforation warranty

** = Warranty is only available on vehicles sourced from General Motors UK Limited. Terms and conditions apply – please see your Vauxhall retailer for details.

Optional transmissions

Five-speed Easytronic transmission:

Available at extra cost on 1.2i 16v S and Exclusiv models. Easytronic transmission is a five-speed manual gearbox with a fully automatic mode. In manual mode, you simply push the lever forward or back to shift gears up or down sequentially. The fascia display tells you what gear you're in – 1 to 5, N for Neutral or A for Auto. Switch to fully automatic mode and it has many of the features of a regular automatic including a kickdown function. There's no clutch pedal so you can drive it on an automatic-only driving licence. Easytronic also comes with a winter mode, which selects second gear for standing starts in slippery conditions.

Four-speed automatic transmission:

Optional at extra cost on 1.4i 16v models only. Electronically controlled, with Winter driving mode. Fluid drive with torque converter and lock-up on third and fourth ratios eliminating wasteful slip. Electronic park/brake pedal safety interlock. Neutral control fuel-saving feature. Transmission oil cooler integral with engine coolant radiator.

Steering

- Rack and pinion
- Electric power-assisted steering standard on all models – variable rate on diesel models except 1.3CDTi 16v (95PS) ecoFLEX S/Exclusiv – progressive variable rate on SRI models, and on SE/SXi models fitted with optional 17-inch alloy wheels
- Turning circle (kerb-to-kerb): All models except SE/SXi with optional 17-inch alloy wheels and SRI – 10.10m (33.2ft). SE/SXi with optional 17-inch alloy wheels and SRI – 11.10m (36.4ft)

Suspension

Front: Independent. MacPherson struts with gas-pressure damper cartridge and coil springs. Anti-roll bar.

Rear: Compound crank with progressive-rate mini-block coil springs and gas-pressure dampers.

- Lowered suspension on 1.3CDTi 16v (95PS) ecoFLEX S/Exclusiv models
- Sports suspension with lower ride height on SRI models, and on SE/SXi models fitted with optional 17-inch alloy wheels

Body

- Aerodynamic drag co-efficient: Cd 0.33

Fuel tank capacity

- 40 litres (8.8 gallons) – 1.3CDTi 16v (95PS) ecoFLEX S/Exclusiv models only
- 45 litres (9.9 gallons) – except 1.3CDTi 16v (95PS) ecoFLEX S/Exclusiv models

Brakes

- Anti-lock Braking System (ABS)
- Electronic Brakeforce Distribution
- Emergency Brake Assist
- Cornering Brake Control
- Straight Line Stability control
- Dual circuit, diagonally split, dual rate servo-assisted system
- Low brake fluid level warning light

Maximum crank arm length		no limit

Features explained

D1. Cornering Brake Control

Makes the car easier to control in extreme situations, especially when braking sharply on a bend. Particularly effective when carrying out emergency manoeuvres. The system works by sensing the different rotational speeds of the individual road wheels and co-ordinating the level of braking pressure applied to each wheel.

D3. Electronic Stability Programme-plus (ESP-plus) with Enhanced Understeering Control

The system works in conjunction with the car's traction control set-up, sensing when the vehicle is about to slide on a bend and applying corrective braking to the appropriate wheel or wheels, correcting the slide and helping you regain control more rapidly.

D2. Emergency Brake Assist (EBA)

Emergency brake assist detects the urgency with which the brake pedal is pressed and rapidly increases the pressure to the maximum the system can provide, shortening stopping distances. It also enhances pedal feel.

D4. Adaptive Forward Lighting – halogen

Optional at extra cost on SE, SXi and SRi. Adaptive Forward Lighting is a sophisticated lighting system that 'allows you to see around corners!' Corsa was one of the first cars in its class to offer such technology; *Autocar* magazine described it as a 'must-have' feature. There are two main functions:

Curve light

Activated by movements of the steering wheel, the curve light allows the headlight beam to move up to 15 degrees in the direction you're about to go.

Cornering light

When turning into a junction or rounding a tight corner, the cornering light projects an additional beam of light at approximately 90 degrees, giving a 'wide angle' effect.

Trust Vauxhall

Protecting the environment

Vauxhall's commitment to the environment is demonstrated by our products' many environmental awards, won both through the use of more recycled materials and by becoming cleaner and more efficient. For information on Vauxhall's efforts to achieve an environmentally sustainable future, see www.vauxhall.co.uk/recycling

Fleet Customer Services

Our dedicated support services for fleet managers includes factory demonstrators, a three-day test drive programme and information on whole life costs, company car taxation and finance. For further information please call **0870 010 0651**.

Buying your car

GMAC offers one of the most comprehensive and competitive ranges of financing plans in the UK. Contact your local Vauxhall retailer for details or call the GMAC customer service centre on **0845 712 3444**.

Vauxhall Extended Warranty

For complete peace of mind Vauxhall offers an extended warranty that can be purchased on an annual basis following the expiry of the original new car warranty. It covers most mechanical and electrical components. Terms and conditions apply, for further details please contact your local Vauxhall retailer.

Servicing and maintenance

The best way to maximise the performance and reliability of your Vauxhall is to have all routine servicing and maintenance carried out at one of around 400 Vauxhall retailers. To find your nearest retailer call **0845 600 1500**.

In the event of an accident...

Vauxhall Accident Support helps keep you mobile following an accident. Benefits include scene-of-accident advice, message service, assistance with claims and vehicle recovery. For further details call **0800 010 304**.

Vauxhall Insurance

Available for new and used Vauxhalls, a Vauxhall Insurance policy offers a unique package designed specifically for Vauxhall drivers. For a highly competitive quotation, call **0844 84 85 840 (Great Britain) or 0845 35 13 410 (N. Ireland)**. Or just visit our website at www.vauxhall.co.uk

For more information...

For a brochure on any Vauxhall model (up to a maximum of three per caller) or location of your nearest Vauxhall retailer please **Lo-call 0845 600 1500**.

Alternatively, details can be found on our website at www.vauxhall.co.uk

When you have finished with this brochure please recycle it

Every effort has been made to ensure that the contents of this publication were accurate and up-to-date at the time of going to press (September 2010). Vauxhall vehicles are equipped with components manufactured by various General Motors operating units and outside suppliers. The Company reserves the right to alter specifications and withdraw products from sale without notice. Any such alterations will be notified to Vauxhall retailers at the earliest opportunity, please consult your local retailer for the latest information. The specifications detailed within this brochure are not necessarily applicable to alternative models such as Special Editions. Details of any such models will be contained in specific literature or found on the Vauxhall website. Please note that Vauxhall retailers are not the agents of General Motors UK Limited and are not authorised to bind the Company by any specific or implied undertaking or representation. It is advisable to ensure that your motor insurance policy provides adequate cover for additional fitted options and accessories. Please note accessories shown are for illustrative purposes only. As part of Vauxhall's policy of environmental care, this brochure is printed on paper manufactured using Elemental Chlorine Free pulps from specially farmed, sustainable timber resources.
